

SERMON: What is the in-depth meaning of ‘Righteous’ and ‘Righteousness’?

I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

We are all familiar with the words ‘right’ and ‘left’. If we add “eous” to the word right, it becomes righteous. Similarly, if we add ‘ness’ to righteous, it becomes righteousness. If we do the same for left, it will become lefteous and lefteousness; which does not make any sense and does not have any meaning to it. Therefore, the word ‘left’ comes to a dead end right away, and you cannot proceed anymore. Instead of using ‘the left way or left path,’ **Allah** has used the words ‘wrong way’ as shown in the following verse.

*** The **right way** is distinguished from the wrong way through Verse 2:256.*

2:256 There shall be no compulsion in religion: *the right way* is now distinct from *the wrong way*. Anyone who denounces the devil and believes in **Allah** has grasped the strongest bond; one that never breaks. **Allah** is Hearer, Omniscient.

Revealed: The **Allah letters** are 35 and **Aleefs of Absoluteness** is 16, revealing the difference of 19.

Note that the **Most Gracious** has used the words “*right way*” for believing in Allah, after denouncing the devil, but He did not use the words ‘left way.’ Instead He has used the words ‘*wrong way*.’

2:256 Part 1: There shall be no compulsion in religion: *the right way* is now distinct from *the wrong way*.

Revealed: The **messenger’s letters** are 14 to show the people the ‘right way’ through the miracle of seven pairs.

2:256 Part 2: Anyone who denounces the devil and believes in **Allah** has grasped the strongest bond; one that never breaks.

Revealed: The **Allah letters** are perfectly 19, *revealing the alternating sacred codes of 14 and 19* through the letters of Allah and His messenger, Subhan Allah.

2:256 Part : Anyone who denounces the devil and believes in **Allah** has grasped the strongest bond.

Revealed: The **Allah letters** are 12 (*as in the Shahadah*) and the GV of **Allah letters** is 165.

2:256 Part: One that never breaks, and **Allah** is Hearer, Omniscient.

Revealed: The **Allah letters** are 12 (*as in the Shahadah*) and the GV of **Allah letters** is 165. **Praise be to Allah**, who has revealed the coded numbers **165** twice in the verse to project **His Absoluteness**. The devil is mentioned once in the verse, and the glorified name of Allah is mentioned twice, to create the difference of 1.

2:256 Part 3: And Allah is Hearer, Omniscient.

Revealed: The Allah letters are 5 and messenger's letters are 9, revealing the **Pattern of 5-9**, to comply with the pattern of verses that occur in the Quran as 5 times under verses numbered 178 and 9 times for verses numbered under 128, for a total of **14 times**, to reveal the **great Miracle of Seven Pairs** that has been inspired and revealed to messenger Makbool Husain, **Glory be to Allah.**

Revealed: The GV of messenger's letters is **256** to proclaim the word "Noor" that describes Allah, and matching with the verse number that is **256**, and the GV of Allah letters is 96, the sum of both is perfectly **352** proclaiming '**Quran**'. These are clear Proofs for those who believe in Allah after fully denouncing the devil, that they will be enlightened by their Lord to understand and grasp the Quran.

2:256 Part of Verse: There shall be no compulsion in religion: *the right way* is now distinct from *the wrong way*. Anyone who denounces the devil and believes in Allah has grasped the strongest bond;

Revealed: The GV of Allah letters is **296**, proclaiming the word "Rasool – messenger." The right way of receiving guidance through the messenger has been pointed out for those who have denounced the devil and then fully believed in Allah and submitted to Him.

****Allah is the source of righteousness and forgiveness, He grants it to whomever He wills.*

74:56 They cannot take heed against Allah's will. He is the source of righteousness; He is the source of forgiveness.

47:17 As for those who are guided, He augments their guidance, **and grants them their righteousness.**

Revealed: The Allah letters are 11 and messenger's letters are 12, **revealing the difference of 1**. Those who are guided Allah augments their guidance and grants them *their package of righteousness*. This package contains belief in the messenger of Allah, following and obeying him, in order to attain righteousness.

Revealed: As Allah is the Source of righteousness and forgiveness and grants righteousness to whomever He wills, let me show you the proof revealed in His glorified name.

The sum of chapter of Chapter 74 + Verse 56 is 130, and the sum of Chapter 47 + Verse 17 is 64, the difference between both numbers is precisely 66, Praise be to Allah. Now we know that no one can earn righteousness to go to Paradise, unless it is in accordance with Allah's will.

**** Attaining righteousness through the Quran:*

17:9 This Quran guides to the best path, *and brings good news to the believers who lead a righteous life*, that they have deserved a great recompense.

Revealed: The **Allah letters** are 25 and **messenger's letters** are 39, **revealing the difference of 14**. The great Miracle of Seven Pairs authenticates the truth that the messenger's letters are embedded in the Quran along with the letters of **Allah Ta'ala**. By reading, reciting, and fully believing in the Quran, the believers benefit by being guided to the best path so that they can **lead a righteous life** in order to receive their well-deserved recompense on the Day of Resurrection. The Quran is the only source of guidance through which righteousness can be achieved and all other sources and books other than the Quran are prohibited.

17:10 As for those who disbelieve in the Hereafter, we have prepared for them a painful retribution.

Revealed: The **Aleefs of Absoluteness** are 12 in **Verse 17:9** and they are 11 in **Verse 17:10, revealing the difference of 1**. The Proof through the **Aleefs** reveals that people who did not believe and uphold the entire Quran, as well as the revealed revelations sent down through the messenger, they will suffer a painful retribution in the Hereafter.

17:10 Part 1: As for those who disbelieve in the Hereafter.

17:10 Part 2: We have prepared for them a painful retribution.

Revealed: The messenger's letters are **14** and **7** in each part, revealing the great Miracle of Seven Pairs that serves to protect and guard the Quran along with the Miracle of 19.

**** Allah and the Quran is the only Source of law to seek guidance.*

6:114 Part: Shall I seek other than **Allah** as a source of law, when He has revealed to you this book fully detailed?

18:27 You shall recite what is revealed to you of **your Lord's scripture**. Nothing shall abrogate His words, and you shall not find any other source beside it.

Revealed: The **Allah letters** are 18 and 17 in each verse, **revealing the difference of 1**. The Revelation of 1 from Allah clearly explains that the Quran is fully detailed; and forbids the use of other sources and books besides the Quran. Those who quote, read, write and preach from human authored books commit the gross sin of idol worship, as they are worshiping Allah (so to say) and other human lords.

Revealed: The GV of **Allah letters** in each verse is 229 and 257. By concatenating them, **they are a multiple of 7**.

$229,257 = 7 \times 32751$ AND $257,229 = 7 \times 36747$. Note the Miracle revealed through the digits of the quotients: $(3+2+7+5+1 = 18$ and $3+6+7+4+7 = 27)$. The newly revealed numbers 18 and 27 brings us back to **Verse 18:27** that is the source of the "**Revelation**."

Revealed: The combined **Allah letters** in both verses is 35 and the **messenger's letters** are 49, **revealing the difference of 14 – the great Miracle of Seven Pairs**. You can observe and note

that the letters of Allah and His messenger are interlocked in the verses to reveal a proof of this magnitude, Subhan Allah.

6:115 Part 1: The word of your Lord is complete in truth and justice.

6:115 Part 2: Nothing shall abrogate His words.

Revealed: The **messenger's letters** are 8 and 7 in each part, revealing the difference of 1.

The GV of the words "sidqan and adlan – truth and justice" is $195 + 111 = 306$, revealing the full name of messenger 'Makbool Husain' who has been revealed the Words of his Lord that are complete in truth and justice, Praise be to my Lord. The GV of Quranic Initials in both of these words is 292, thus the difference in 306 and 292 is precisely 14, revealing the Sign through the Miracle of Seven Pairs.

6:115 Part 3: He is the Hearer, the Omniscient.

Revealed: The GV of **Allah letters** is 97 and GV of **messenger's letters** is 262, *the difference is perfectly 165, revealing the Absoluteness of Allah – the Hearer and the Omniscient.*

The GV of **messenger's letters** in the glorified word "*Al Sameeh – the Hearer*" is 140, which is a multiple of 14. The GV of messenger's letters in the glorified word "*Al Aleem – the Omniscient*" is perfectly 110 revealing the *Absoluteness of the Omniscient Lord of the Universe.*

18:27 You shall recite what is revealed to you of **your Lord's scripture**. Nothing shall abrogate His words.

Revealed: The **messenger's** name initials are 14 and the name letters are 19, revealing the **Sacred Miracle of 14-19**. The GV of messenger's letters in the part, saying, "Nothing shall abrogate His words" is **precisely 202** revealing the glorified name of "**Rubb – Lord**."

18:27 Part: And you shall not find any other source beside it.

Revealed: The GV of **Allah letters** is **Perfectly 66**, revealing the glorified name of **Allah**. The revealed Proof makes it absolutely clear that the people have to go by the Scripture that is revealed through His messengers; no one can abrogate, change or disregard **Allah's** words, and the only source of belief and guidance is through His words in the Quran.

6:154 Part 1: And we gave Moses the scripture, complete with the best commandments, and detailing everything.

6:154 Part 2: And a beacon and mercy, that they may believe in meeting their Lord.

Revealed: In **Part 1**, the **Allah letters** are 14, and in **Part 2** the **messenger's letters** are 19, revealing the alternating proofs of the Sacred Codes of 14-19 through Allah and His messenger's letters. The scripture granted to Moses was complete with the best commandments with details about all the commands, just like the Quran.

6:155 This too is a blessed scripture that we have revealed; you shall follow it and **lead a righteous life**, that you may attain mercy.

Revealed: The **messenger's letters** are **19**, proving that his name letters are included in the words and verses of the Quran. **Allah** has called the Quran a blessed scripture from Him, and the believers should uphold all of it to achieve righteousness and mercy from their Lord.

6:155 Part: This too is a blessed scripture that we have revealed.

Revealed: The **Allah letters** are 6 and **messenger's letters** are 7, **revealing the difference of 1**.

Revealed: The GV of **Allah letters** is 43 and GV of **messenger's letters** is 180, **revealing the sum of 223**, to proclaim that the blessed and proven scripture has been revealed for the 'believers' so that they can be appreciative to their Lord.

6:155 Part: You shall follow it and **lead a righteous life**, that you may attain mercy.

Revealed: The GV of **Allah letters** is 68 and GV of **messenger's letters** is 324, **revealing the difference of 256 proclaiming the "Light (of Allah) – Noor."**

21:48 We gave Moses and Aaron the Statute Book, a beacon, and **a reminder for the righteous**.

21:50 This too is a **blessed reminder** that we sent down. Are you denying it?

Revealed: The **Aleefs** are 6 and 5 in each verse, **revealing the difference of 1**.

Revealed: The **Allah letters** are 11 and 10 in each verse, **revealing the difference of 1**. **Allah** has compared the Statute Book given to Moses and Aaron as the same like Quran; both of them are blessed reminders for the righteous followers of the scriptures.

19:97 We thus made this (Quran) elucidated in your tongue, **in order to deliver good news to the righteous**, and to warn with it the opponents.

19:98 Many a generation before them we annihilated; can you perceive any of them, or hear from them any sound?

Revealed: The **Allah letters** are 13 and 14 in each verse, **revealing the difference of 1**. As stated in the Verse, the Quran was sent to deliver good news to the righteous, and to warn with it the opponents and enemies of **Allah and the believers**.

19:98 Part 1: Many a generation before them we annihilated.

19:98 Part 2: Can you perceive any of them, or hear from them any sound?

Revealed: The **Allah letters** are 6 and 8 in each part, **revealing the difference of 2** for the disbelievers of the past who were annihilated due to their sins.

Revealed: The **messenger's letters** are 12 and 14 in each part, **revealing the difference of 2 gods**. The current generation of people cannot perceive or hear from them any sound, after they have been annihilated by the **Almighty, Most Powerful Lord**.

The **Most Gracious** has narrated numerous verses in the Quran on the subject of 'right, right path, righteous ways,' as compared to the wrong ways advocated by the devil. You can go on and on to find the true and in-depth meaning and the relevance of the words in context of the Quran and their links to other words. One of the examples is given through **Verses 9:111-112**.

**** The believers' lives and their money have been bought by Allah in exchange for Paradise:*

9:111 Part 1: Allah has bought from the believers their lives and their money in exchange for Paradise.

Revealed: The Allah letters are perfectly **19**, explaining to the believers that Allah has bought their lives in exchange for Paradise.

9:111 Part: Their lives and their money in exchange for Paradise.

Revealed: The GV of Allah letters is **114**. The in depth meaning is explained through the number **114** as to what it means by buying the lives of believers. This refers to those believers who uphold the *entire Quran consisting of 114 chapters*.

9:111 Part: Thus, they fight in the cause of Allah.

9:111 Part: Willing to kill and get killed.

Revealed: The GV of Allah letters in each part is 126 and 60, **revealing the difference of 66**, Subhan Allah. The true and devoted believers are always ready to sacrifice their lives in the cause of Allah, if they are commanded to do so.

9:111 Part: Such is His truthful pledge in the Torah, the Gospel, and the Quran

9:111 Part: And who fulfills His pledge better than Allah? You shall rejoice in making such an exchange. This is the greatest triumph.

Revealed: The Allah letters are **14 and 19** in each part, **revealing the Sacred Miracle of 14 and 19**. The truthful and profound **Miracle from Allah** confirms His pledge to the believers and asks them to fulfill their pledge with Allah. The believers should rejoice in making such an exchange, as it will be the greatest triumph for them in the Hereafter.

9:111 Part: And who fulfills His pledge better than Allah?

Revealed: The GV of Allah letters is **77**, confirming Allah's truthful pledge to the believers through the *Sign and Miracle of Seven Pairs* granted to the messenger.

9:111 Part: You shall rejoice in making such an exchange. This is the greatest triumph.

Revealed: The Allah letters are 12 and messenger's letters are 21, **revealing the Sacred Code of 1221**. The importance of this sacred number should already be known to most of the believers and the miracle enshrined within the number.

The Miracle: In the Verse up to **Al Quran**, the cumulative *Arabic letters are 110*, revealing the *the Absoluteness of ALLAH* through the *Shahadah 110*. These are the incontrovertible and undeniable proofs that the Quran revealed by *Allah*, to reveal a Miracle of such immense stature.

Revealed: Up to the third count of **ALLAH**, saying “and who fulfills His pledge better than ALLAH?” The **Arabic letters** are **128** and the **messenger’s letters** are **77**, revealing **the Seven Pairs** proof for messenger Husain (128).

Revealed: The **messenger’s letters** are **77** to the third count of **ALLAH** and **98 (multiple of 14 x 7)** to the end of the verse, revealing the **Miracle of Seven Pairs**.

9:112 They are the repenters, the worshipers, the praisers, the meditators, the bowers and the prostrators, **the advocators of righteousness** forbidders of evil, **and the keepers of Allah’s laws**. Give good news to such believers.

For 9:112, sometimes it is hard to find the definition and the precise meaning of the coded words of **Allah Ta’ala**, but eventually **The Most Wise** shows the meaning through the linkage of the words, for example, in this verse, I have bolded and underlined “*the advocators of righteousness*” and “*the keepers of Allah’s laws*.”

Revealed: The GV of **messenger’s letters** in each set of words is **Perfectly Matching** as 204 and 204, thus linking them to one another, meaning that the **righteous are those who uphold the laws of Allah** and thus **act as the keepers of His laws**. The **Most Gracious** delivers good news to such believers.

Revealed: The sum of digits of each number (204-204) is 6 and 6, thus revealing the glorified name of **Allah**. This is the **Stamp of Allah** on those who advocate righteousness to uphold His laws, and to be classified as ‘believers.’

Revealed: These sacred numbers also reveal the coding and the miracle of **Seven Pairs**. 204,204 = 14 x 14586

Once you fully and wholeheartedly believe in **your Lord**, it is mercy from Him that He directs and guides you only to the ‘right path,’ and points out to you the wrong way for those who choose to follow the devil. The word ‘right’ is continuously used in the Quran for those who uphold **Allah’s Absolute Authority**, believe in His messengers, and follow and obey all His laws narrated in the Quran. When they comply with this requirement, then they are called ‘righteous’ and every time they fulfill the commands of **Allah**, they are working and earning righteousness that is marked and saved in their **personal record with Allah**.

Once a person fully believes in **Allah and His Absolute Authority** over all things and matters, then they are directed to His Book of Wisdom – **The Quran**. The 1st chapter is called “**The Key**.” If your hearts harbor no doubts, then **Allah** will unlock the ‘**Key**’ to the words and verses of the Scripture to make them meaningful for you. Through Verse 5 of this important chapter, you make a commitment to worship absolutely **Allah** and to ask Him only for any help you need. You are also imploring Him to guide you in the ‘**right**’ path.

One of the definitions of “righteousness” is given through Verse 2:189.

2:189 Part: They ask you about the phases of the moon! Say, "They provide a timing device for the people, and determine the time of Hajj."

Revealed: The **Allah letters are 14** to respond to the hypocrites who raise useless questions to the messenger.

2:189 Part: It is not righteous to beat around the bush.

2:189 Part: Righteousness is attained by upholding the commandments and by being straightforward.

Revealed: The **Aleefs of Absoluteness** are 6 and 7 in each part, **revealing the difference of 1**.

You shall observe **ALLAH** that you may succeed

*****Proven Right Path by following the authorized messenger:**

1:5 You alone we worship; You alone we ask for help.

1:6 Guide us in the **right path**.

Revealed: The **messenger's letters** are 9 and 8 in each verse, **revealing the difference of 1**. It is absolutely **Allah's mercy** on the messenger to show him the right path and to worship Him and to seek help from Him alone.

At the outset of the Quran, the **right path** to follow is narrated through the first 4 verses of Chapter 2.

2:2 This scripture is infallible; a beacon for the **righteous**;

2:3 who believe in the unseen, observe the Contact Prayers (Salat), and from our provisions to them, they give to charity.

Revealed: The **Allah letters** are 9 and 10, **revealing the difference of 1**. The 2 mandatory commands of observing the Salat and parting from your provisions to give charity are mentioned through Verse 3 for those who believe in the **'unseen' (Lord.)**

2:2 This scripture is infallible; a beacon for the **righteous**;

2:3 Part: who believe in the unseen. (Lord)

Revealed: The **messenger's letters** are 14 and 13 in each verse and part, **revealing the difference of 1** and confirming that the messenger's letters are embedded in the verses under the Code of 14, being the Miracle and Proof revealed to the messenger as a Profound Sign.

Revealed: The GV of **Allah letters** for Verse 2 is **Perfectly 162** – the revelation of Islam (Submission) guides the righteous to submit to the Unseen Lord through the infallible scripture (Al-Quran)

Revealed: The GV of **Allah letters** for both verses is **296**, revealing that the infallible scripture is inspired to His messengers who provide the guidance to those seeking it.

2:2 Part: This scripture is infallible.

Revealed: The GV of **messenger's letters is Perfectly 114**, revealing the knowledge that the Quran consisting of 114 chapters is embedded with the **letters of Allah** as well as **His messenger, Makbool Husain**. For this reason, the verses cannot be fabricated, altered, replicated, or produced by satan and his human allies, as they are intricately coded, locked, and firmly stamped by the **Author, Allah, Most Gracious**.

2:3 Part: who believe in the unseen. (Lord)

Revealed: The GV of **messenger's letters is 296** revealing the word '**Rasool – messenger**' who is the 1st one to believe in the **unseen (Lord)** through the revelations inspired to him.

2:3 who believe in the unseen, and observe the Contact Prayers (Salat), and from our provisions to them, they give to charity.

2:4 And they believe in what was revealed to you, and in what was revealed before you, and with regard to the Hereafter, they are absolutely certain.

Revealed: The **messenger's letters** are 34 and 35 in each verse, **revealing the difference of 1**. The revelation of 1 through the letters of the messenger confirms his belief through the verses narrated here, Subhan Allah.

2:3 Part up to Salat: who believe in the unseen, and observe the **Contact Prayers (Salat)**.

Revealed: The GV of **Allah letters is 128**, revealing the name of messenger Husain who has been inspired to believe in the 'unseen' Lord and how to observe the correct and coded Salat in order to praise and glorify his Lord.

2:4 Part: And they believe in what was revealed to you, and in what was revealed before you.

Revealed: The **Allah letters** are 11 and **messenger's letters** are 25, **revealing the difference of 14**.

2:4 And they believe in what was revealed to you, and in what was revealed before you, and with regard to the Hereafter, they are absolutely certain.

Revealed: The **Allah letters** are 16 and **messenger's letters** are 35, **revealing the difference of 19**. Through this important verse, **Allah** has revealed both the **Sacred Codes of 14 and 19** through the mix of Allah and His messenger's letters, **Glory be to Allah**.

2:5 Part 1: These are guided by their Lord.

2:5 Part 2: These are the winners.

Revealed: The **Allah letters** are 5 and 6 in each part, **revealing the difference of 1**. The ones who have been guided by their Lord to the **right path** by worshipping **Allah** and following **His messenger** are the eventual winners on the Day of Judgment.

Revealed: The **messenger's letters** in each part are 9 and 10, **revealing the difference of 1**. This is a "matching Revelation" "that reveals the difference of 1 through **Allah and His messenger's letters, Praise be to Allah**."

Revealed: In the entire verse, the messenger's name initials are **14** and the name letters are **19**, thus *revealing the Sacred Codes of 14-19* through this profound verse that proclaims guidance by the Lord for the **righteous**, and declaring them to be winners.

In Arabic the word for 'the scripture' is 'Al-Kitab' and for 'scripture' is 'Kitab.' The GV of each word is 453 and 422. *The Miracle behind the spellings of these words:* The sum of digits of 453 is **12** and the sum of digits of 422 is **8**, thus revealing the name of the *messenger 128 for Husain* whose name is coded in the actual spelling of the words 'the scripture' and 'scripture.' (Referring to the Quran and Quran).

2:148 Each of you chooses the direction to follow; you shall race towards **righteousness**. Wherever you may be, **Allah** will summon you all. **Allah** is Omnipotent over all things.

Revealed: The GV of **Allah** letters in the verse is 342, that is **19 x 18**.

Here is a set of verses that outline and define the basic belief, but have a secret and hidden catch to the true and extended meaning behind the message in the verses. The hypocrites remain unaware and have therefore translated it by numbering the requirements as 1, 2, and 3. They have no idea what leading a '**righteous life**' means and the broad and extended meaning behind these words. The first 2 requirements are easily understandable; belief in Allah and belief in the Last Day, but to understand what leading a righteous life means, one has to go through the entire Quran and all the verses that mention 'righteous, righteousness, believers' and much more. The followers of the previous messenger Rashad, wrote the footnotes out of ego and ignorance, **without due authority from Allah**, and thus misled the people by distorting the meaning of the words "**righteous life.**" The devil has led them on whereby they could not translate the Sacred **Words of Allah** in order to explain them. They have labeled the Submitters as "Jewish submitters, the Christian submitters, and the converted submitters." They do not and did not care to read verses 5:41, 42, 43, 44, 46, 47, 48, 49, 51, 66, 68, and many more.

2:62 Surely, those who believe, those who are Jewish, the Christians, and the Sabians; anyone who believes in **Allah**, and believes in the Last Day, **and leads a righteous life**, will receive their recompense from their Lord. They have nothing to fear, nor will they grieve.

5:69 Surely, those who believe, those who are Jewish, the Sabians, and the Christians; any of them who believes in **Allah** and believes in the Last Day, **and leads a righteous life**, will have nothing to fear, nor will they grieve.

Revealed: The **Aleefs of Absoluteness** are 18 and 17, **revealing the profound difference of 1**. This is an intricate, prominent proof, and a miracle that has been hidden from the hypocrites who do not believe in the entire Quran. The followers of the previous messenger, Rashad Khalifa, have broken down the "**One Religion**" of **Allah** into various disputing sects. Unfortunately, satan has led them on **not to believe** in all the verses narrated by **Allah** in the **114 chapters** of the Quran. Such hypocrites have been blinded by satan to disbelieve in all future messengers, thus making them commit the gross sin of idol worship. Let me take **Verse 2:62** and break it down in parts to better explain the meaning.

2:62 Part: Surely, those who believe.

2:62 Part: Those who are Jewish, the Christians, and the Sabians.

Revealed: The GV of **Allah letters** is 34 and 100, **revealing the difference of 66** proclaiming the glorified name of **Allah**. The belief in *Allah as the Absolute Lord* by the Jewish, the Christians, and the Sabians, can only be proven by believing in the entire Quran and following and obeying all the commands contained therein.

Revealed: The **Allah letters** are **14** for both parts, thus confirming the **belief in Allah** through the **Miracle of Seven Pairs** granted to the messenger.

2:62 Part: Anyone who believes in **Allah**, and believes in the Last Day, and leads a righteous life.

2:62 Part: Will receive their recompense from their Lord. They have nothing to fear, nor will they grieve.

Revealed: The **Allah letters** are 13 and 12 in each part, **revealing the difference of 1**. The revelation explains the recompense from the Lord for those who fulfill all the conditions as mentioned in the verse, including '*leading a righteous life*.'

The hidden message behind "*leading a righteous life – wa amela salayhan*" is revealed through the *messenger's letters* coded with the precise GV of **114**. This crystal clear proof exposes the hypocrites who thought that they could believe in the Quran partially and get away with it. For the hypocrites to reject the messenger and all future messengers is tantamount to rejecting **Allah** and the **Quran** and the commission of the gross sin of idolatry.

2:62 Part: Will receive their recompense from their Lord. They have nothing to fear, nor will they grieve.

Revealed: The GV of **Allah letters** is **148**, proclaiming the words "**Alhumdo Lillah**" – **Praise be to Allah**. This will be the reward and recompense for the 'righteous' who proclaimed their belief coupled with their action of upholding the entire Quran.

2:62 Part: They have nothing to fear, nor will they grieve.

Revealed: The **messenger's letters** is **Perfectly 14** – a confirmation for the **righteous believers**.

The following are some of the Verses that the ignorant, the egoistic, and disbelieving followers of the previous messenger Rashad ignored and disregarded to mention in their interpretation of the Quran. As stated earlier by myself, they believe in the Quran only partially and therefore fit the definition of being 'hypocrites' while saying that they believe in the Quran.

5:66 If only they would uphold the Torah and the Gospel, *and what is sent down to them herein from their Lord*, they would be showered with blessings from above them and from beneath their feet. Some of them are righteous, but many of them are evildoers.

5:68 Say, "O people of the scripture, you have no basis until you uphold the Torah, and the Gospel, *and what is sent down to you herein from your Lord*." For sure, these revelations from your Lord will cause many of them to plunge deeper into transgression and disbelief. Therefore, do not feel sorry for the disbelieving people.

Let me take similar parts from both verses to compare and show that the hypocrites as well as the followers of the previous scriptures have failed to believe in and observe the revelations of the Quran.

5:66 Part: If only they would uphold the Torah and the Gospel, *and what is sent down to them herein from their Lord.*

5:68 Part: Say, "O people of the scripture, you have no basis until you uphold the Torah, and the Gospel, *and what is sent down to you herein from your Lord.*"

Revealed: The **Aleefs of Absoluteness** are 10 and 9 in each part, **revealing the difference of 1**. When *Allah marks the verses with Aleefs*, they constitute the "hidden proofs" which the hypocrites and the disbelievers will never see or realize the awesome wisdom of **Allah**, to prove them wrong in their interpretations of the Quran. The total **Aleefs** in both verses are thus **19**.

Revealed: The **Allah letters** are 20 and 21 in each verse, **revealing the difference of 1**. The double proofing through **Aleefs and Allah letters** makes the Miracle and the hidden Message even stronger, and nullifies the interpretation of the hypocrites.

The important message through these verses is that the Jews and the Christians have to uphold the Torah, the Gospel, *as well as what is sent herein (the Quran) from their Lord* to be considered "Submitters."

5:66 Part: *And what is sent down to them herein from their Lord.*

5:68 Part: *And what is sent down to you herein from your Lord.*

Revealed: The **Aleefs of Absoluteness** are 3 and 3 – **Perfectly Matched**.

Revealed: The **messenger's letters** are 11 and 11 – **Perfectly Matched**.

The Perfectly Matching Revelations explain and prove that the Lord who has revealed the Quran is the same One who revealed the Torah and the Gospel before that.

41:30 Those who proclaim: "Our Lord is **Allah**," then lead a **righteous life**, the angels descend upon them: "You shall have no fear, nor shall you grieve. Rejoice in the good news that Paradise has been reserved for you.

Revealed: This verse is stamped with **19 Aleefs** to proclaim the **Absoluteness of Allah**. The verse is simple in meaning but the whole message is enshrined in the words – *leading a righteous life*.

41:33 Who can utter better words than one who invites to **Allah**, **works righteousness**, and says, 'I am one of the submitters'?

Revealed: The **Allah letters** are **perfectly 19** – the righteous invite others to **Allah** by working righteousness and saying that they are submitters to Him.

**** You cannot be righteous or attain righteousness till you believe in the messengers of Allah and obey and follow a living messenger when there is one.**

The profound system of sending messengers has been there since **Allah** created the humans and the jinns and made it mandatory for all the people to believe in them. Disbelieving in the messengers or making any kind of excuses will not be accepted by Him. The system of belief in His messengers was instituted to test the people if they believe in **His Absolute Authority as Lord and Master** over everything that He has created. It is a mercy from **Allah** that He has provided proofs for the verses through His messenger, Makbool Husain.

22:75 Allah chooses from among the angels' messengers, as well as from among the people. **Allah** is Hearer, Seer.

7:35 O children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed **and lead a righteous life**, will have nothing to fear, nor will they grieve.

Revealed: The **Allah letters** are 18 and 17 in each verse, **revealing the difference of 1**. **Praise be to Allah**, who has provided '**proven verses**' for the people to understand and follow the Quran.

Revealed: The **messenger's letters** are 25 and 44 in each verse, **revealing the difference of 19**, Subhan Allah.

22:75 Part 1: **Allah** chooses from among the angels' messengers, as well as from among the people.

22:75 Part 2: **Allah** is Hearer, Seer.

Revealed: The **messenger's letters** are 17 and 8 in each part, revealing the first name of the messenger as **Makbool 178**, through the Pattern.

Revealed: The GV of **Allah letters** is 195 and 67 in each part, **revealing the difference of 128**, to proclaim the name of messenger Husain who has been pre-decreed to be a messenger from the time of creation of the human beings, **Alhumdo Lillah**.

7:35 O children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed **and lead a righteous life**, will have nothing to fear, nor will they grieve.

7:36 As for those who reject our revelations, and are too arrogant to uphold them, they have incurred Hell, wherein they abide forever.

Both Verses: The **messenger's letters** are 44 and 25 in each verse, **revealing the difference of 19**. These verses narrate and prove the **system of Allah** from the time of Adam and applies to all the people born after him, to believe in **Allah's messengers**, believe in the revelations recited by them, and to take heed and lead a righteous life. If they follow what **Allah** has commanded, then they will have no fear, nor will they grieve on the Day of Judgment.

7:35 Part 1: O children of Adam, when messengers come to you from among you.

7:35 Part 2: And recite My revelations to you, those who take heed **and lead a righteous life**, will have nothing to fear, nor will they grieve.

Revealed: The **messenger's letters** are 15 and 29 in each part, **revealing the difference of 14**. The *Miracle of Seven Pairs* confirms the verse and the revelations enshrined within. The Miracle of Seven Pairs is the Sign for the messenger, as he is one of the messengers blessed with the encoding of his name letters in such important and prime verses on the system of **Allah Ta'ala**.

7:36 As for those who reject our revelations, and are too arrogant to uphold them, they have incurred Hell, wherein they abide forever.

Revealed: The **Allah letters** are **19** with the GV of **147**, revealing both the Miracles of 19 and Seven Pairs. Those who reject the messenger who has been sent with the clear sign of Seven Pairs as well as many other supporting miracles from the Quran are arrogant and will incur Hell, wherein they will abide forever.

3:179 Part 1: **Allah** is not to leave the believers as you are, without distinguishing the bad from the good.

3:179 Part 2: Nor does **Allah** inform you of the future.

Revealed: The **messenger's letters** are **33 and 14** in each part, revealing the **difference of 19** and explaining that the believers are put to the **Test by Allah** to distinguish the bad from the good.

3:179 Part: Nor does **Allah** inform you of the future, but **Allah** bestows such knowledge upon whomever He chooses from among His messengers.

Revealed: The **Allah letters** are **19**. The Revelation explains that **Allah** is the only One who knows about the future and He bestows such knowledge upon whomever He chooses from among His messengers.

3:179 Part: Therefore, you shall believe in **Allah** and His messengers.

Revealed: The **Allah letters** are 8 and **messenger's letters** are 9, **revealing the difference of 1**.

3:179 Last Part: If you believe,

3:179 Part: **And lead a righteous life**, you will receive a great recompense.

Revealed: The **Allah letters** are 2 and 3, **revealing the difference of 1**.

Revealed: The **messenger's letters** are 6 and 7, **revealing the difference of 1**.

It is very clear through the verse that leading the righteous life is connected to belief in **Allah and His messengers**. As **Allah** communicates with the humans only through His messengers, it is to the benefit of the believers to believe in them, as the knowledge of the future, or any new information, and the guidance is only revealed through them.

20:74 Anyone who comes to his Lord guilty will incur Hell, wherein he never dies, nor stays alive.

20:75 As for those who come to Him **as believers** who had led a **righteous life**, they attain the high ranks.

The words “believers and righteous life” are connected with each other through **Allah’s amazing proofs**.

Revealed: The ‘believers – muhmenan’ comprises of 5 Arabic letters and the words “righteous life – amela alsaalehaate” comprises of 9 Arabic letters, **revealing the sum of 14**, and perfectly matching the 5 and 9 verses under the messenger’s first and last name that occur in the Quran.

The difference between the guilty and the believers is also revealed and explained through the coded mathematical proof. The GV of the word ‘guilty’ is 284, and the GV of the word ‘believers’ is 137, **revealing the difference of 147**, that is the Miracle of Seven Pairs revealed to the messenger as his profound SIGN. The believers believe in the messenger, obey him, and uphold **Allah’s Absolute Authority**, while the guilty reject and refuse **to believe in Allah and His revelations inspired to the messenger**.

20:74 Part: Anyone who comes to his Lord **guilty**.

20:75 Part: As for those who come to Him **as believers**.

Revealed: The **messenger’s letters** are 7 and 8 in each part, **revealing the difference of 1**.

20:74 Anyone who comes to his Lord guilty will incur Hell, wherein he never dies, nor stays alive.

20:75 As for those who come to Him **as believers** who had led a **righteous life**, they attain the high ranks.

Revealed: The **Aleefs of Absoluteness** are 7 and 6 in each verse, **revealing the difference of 1**.

Revealed: The **Allah letters** are 15 and 16 in each verse, **revealing the difference of 1**.

Revealed: The **messenger’s name initials** are 19 and 19 in each verse, revealing the sacred code of **19** in each of the verses.

Revealed: The GV of **messenger’s letters** is 572 and 686, **revealing the difference of 114**. The real test and criteria to determine and differentiate between the **guilty** and the **believers** is the contents and verses of the **114 chapters of the Quran**. The guilty reject the Quran or believe in it **only partially**, whilst the believers believe and follow the entire Quran, believe in **Allah and His Absolute Authority**, and do not find anything objectionable in the Quran as well as His Revelations inspired to His messenger.

The word “righteous” ordinarily means – one who is upright, possesses good moral character, straightforward and honest, but in the Quran it has a totally different and vast meaning, linking these words to several verses under different subjects, to reveal the full and extended meaning and the context of these words.

**** The words: ‘righteous’ and ‘righteousness’ are consistently used by the **messengers of Allah**, when they deliver the message to their people. Note the examples from the Quran.*

23:23 We sent Noah to his people, saying, "O my people, worship **Allah**. You have no other god beside Him. **Would you not be righteous?"**

23:32 We sent to them a messenger from among them, saying, "You shall worship **Allah**. You have no other god beside Him. *Would you not be righteous?"*

23:23 Part: Saying "O my people, worship **Allah**."

23:23 Part: You have no other god beside Him.

Revealed: The **Allah letters** are **14** for both parts, confirming the messenger's invitation to the disbelievers and the ignorant.

Revealed: The GV of **messenger's letters** is 354 and 240, **revealing the difference of 114**. The messengers preach their people through the **scriptures of Allah**.

23:23 Part: Would you not be **righteous**?

Revealed: The **Allah letters** are 3 and **messenger's letters** are 4, **revealing the difference of 1**.

23:23 Part: Saying, "O my people, worship **Allah**."

23:23 Part: You have no other god beside Him. **Would you not be righteous?**

Revealed: The **Allah letters** are 8 and 9 in each part, **revealing the difference of 1**.

Revealed: The **messenger's letters** are 10 and 11 in each part, **revealing the difference of 1**.

Comment: The revelations and proofs confirm the truth that the messengers deliver the simple message to their people saying, "You shall worship **Allah**, as there is no other god beside Him, and to become righteous." The **Proof of 114** revealed earlier explains that the people have to believe in the Scriptures revealed to the messengers in their times. There were other scriptures revealed before the Quran and the people were commanded to uphold those scriptures.

7:61 Part 1: He said, "O my people, I am not astray;

7:61 Part 2: I am a messenger from the Lord of the universe.

Revealed: The **Allah letters** are 6 and 5 in each part, **revealing the difference of 1**.

Revealed: The GV of **messenger's letters** is 458 and 444 in each part, **revealing the difference of 14**.

The clear proofs of the revelation of 1 through the letters of Allah, as well as the proof of Seven Pairs through the letters of the messenger provide enough evidence that the messenger is not astray as the disbelievers allege; instead he is a messenger from the **Lord of the Universe** with **Proven Signs** from Him.

7:62 Part 1: I deliver to you the messages of my Lord, and I advise you;

7:62 Part 2: And I know from **Allah** what you do not know.

Revealed: The **messenger's letters** are 12 and 13 in each part, **revealing the difference of 1**.

7:62 Part: "*And I advise you.*" The GV of **Allah letters** is 31 and GV of **messenger's letters** is 134, **the sum is 165**, Subhan Allah. This verse and its proofs explain the role of the messenger which is to deliver the messages of the Lord, and to part advice, which should not be disregarded or ignored as it is from **Allah – the Absolute**. Moreover, the messenger is granted the knowledge

from **Allah** that other people do not have.

7:63 Part 1: Is it too much of a wonder that a reminder should come to you from your Lord, through a man like you, to warn you.

Revealed: The **messenger's letters are 19**, the proof that the reminder to warn the disbelievers is Sacredly coded by **Allah**.

7:63 Part 2: And to lead you to righteousness, that you may attain mercy?

Revealed: The GV of **messenger's letters** is **Perfectly 352** to proclaim "**Quran**." The people can only lead a righteous life and attain mercy from **Allah** if they believe in Him and uphold the entire Quran, that includes and narrates the most important subject of believing in the messengers and obeying and following the living messenger when there is one in their lives.

18:110 Part 1: Say, "I am no more than a human like you, being inspired that your god is one god.

18:110 Part 2: Those who hope to meet their Lord shall work righteousness, and never worship any other god beside his Lord."

Revealed: Chapter 18 + Verse 110 = **128**. The verse reveals the last name of the messenger, **128 for Husain**.

Revealed: The **messenger's letters** in each part is 22 and 23, **revealing the difference of 1**.

Revealed: The **Arabic Letters** in the Verse are **91** (a multiple of 7) and the Verse No. is **110**, **revealing the difference of 19**, Subhan Allah.

23:51 O you messengers, eat from the good provisions, **and work righteousness**. I am fully aware of everything you do.

Revealed: The **Allah letters are Perfectly 19**, to confirm the command to His messengers 'to eat from the good provisions' and to work righteousness. Through this verse, **Allah** has commanded His messengers to work righteousness – meaning to observe and carry out His laws given in the Quran, as well as the commands inspired to them. **Verse 23:51** commands the messengers to eat from the good provisions. The "good provisions" includes everything created by **Allah**, except the ones specifically prohibited by Him. The corrupted and disbelieving "muslims" have labeled many meats, foods, fat of the pig, even cheese, as unlawful due to their false human hadees and sunnah. To counter their falsehood, **Allah** has issued this specific command to **all the messengers**, who will come after prophet Muhammad, through Verse 23:51. This nullifies the falsehood preached by the devil's allies saying that no more messengers will come after Muhammad and that he was the last one. Common logic also informs the people that the verse was revealed to Muhammad in his life, and he knew very well that there were going to be messengers after him, as the words are in plural. Note the words "O you messengers" which are in plural form.

Revealed: The **Allah letters** are 6 and **messenger's letters** are 5, **revealing the difference of 1**.

4:69 Those who obey **Allah and the messenger** belong with those blessed by **Allah** – the prophets, the saints, the martyrs, **and the righteous**. These are the best company.

57:19 Those who believed in **Allah** and His messengers are the saints and martyrs. Reserved for them at their Lord are their rewards and their light. As for those who disbelieved and rejected our revelations, they have incurred Hell.

***These are a pair of verses on the same subject. Here are the Proofs.

Revealed: The **messenger's letters** are 53 and 52 in each verse, **revealing the difference of 1**. The sum of digits of **Verse 4:69** is **19**. **Verse 57:19** is a multiple of **19 and 7**, as $5719 = 19 \times 7 \times 43$.

Revealed: In **Verse 4:69**, the **messenger's letters** in the words "*the prophets, the saints, the martyrs, and the righteous*" are **precisely 19**, **Praise be to Allah**. The GV of **messenger's letters in the word "the righteous" is 128**, revealing that **Allah** considers the messenger to be one of the righteous.

57:19 Part 1: Those who believed in **Allah** and His messengers are the saints and martyrs. Reserved for them at their Lord are their rewards and their light.

57:19 Part 2: As for those who disbelieved and rejected our revelations, they have incurred Hell.

Revealed: The **messenger's letters** are 33 and 19 in each part, **revealing the difference of 14**.

4:70 Such is the blessing from **Allah**. **Allah** is the best Knower.

Revealed: The **Allah letters** are 14 and **messenger's letters** are 15, **revealing the difference of 1**. This verse appears subsequent to **Verse 4:69** and reveals the blessings for those who obey **Allah and His messenger**.

*** *All religious worship practices are revealed through the messengers.*

21:73 We made them **imams** who guided in accordance with our commandments, **and we inspired them on how to work righteousness**, and how to observe the Contact Prayers (Salat) and the obligatory charity (Zakat). To us, they were devoted worshipers.

Revealed: The **Aleefs** are 16 and **Allah letters** are 30, **revealing the difference of 14**.

21:73 Part: **And we inspired them on how to work righteousness**, and how to observe the Contact Prayers (Salat) and the obligatory charity (Zakat).

Revealed: The **Allah letters** are **14** up to "*Al-Salat – Contact Prayers*" and they are **19** up to "*Al-Zakat – the obligatory charity*" revealing the sacredness of the command of **Allah** to His Imams and Messengers. The **Sacred Codes of 14 and 19 stamped by Allah** precisely on the words of worship practices reveals the Truth that **Allah is the One** who teaches and inspires His Imams (messengers) about the observance of worship practices.

21:73 Last Part: To us, they were devoted worshipers.

Revealed: The **Arabic Letters** are **14** confirming that the **Imams chosen by Allah** are considered to be His devoted worshipers as they are inspired and taught by Him.

*** *Allah's congregation is only one; breaking it into sects is prohibited.*

21:92 Part 1: Your congregation is but one congregation.

21:92 Part 2: And I (alone) am **your Lord**; you shall absolutely worship Me.

Revealed: For **Part 1**, the **Allah letters** are 7 and **messenger's letters** are 6, revealing the difference of 1. The Revelation clarifies and explains the meaning about the 'one congregation' that is established by *Allah through His messengers*.

Revealed: Part 1: The GV of **Allah letters** is **23** that matches with the GV of the word "*wahedata – one*" which is also **23**, Subhan Allah.

Revealed: The **messenger's letters** are 6 and 7 in parts 1 & 2, revealing the difference of 1.

21:92 Your congregation is but one congregation, and I (alone) am **your Lord**; you shall absolutely worship Me.

21:93 However, they divided themselves into disputing religions. All of them will come back to us (for judgment).

Revealed: The **Allah letters** are 10 and 8 in each verse, revealing the difference of 2 (gods).

Revealed: The **messenger's letters** are 13 and 15 in each verse, revealing the difference of 2 (gods).

The clear proof of 2 gods through **Allah and His messenger's letters** explains the gross idolatry committed by the disbelievers who break up the "*one congregation*" of **Allah** that is established through His messenger by dividing and breaking up into disputing sects. The Day of Judgment awaits them and they will be full of remorse, but it will be too late for them to save their souls from the intense retribution.

*** *Some questions for the disbelievers to reflect and ponder?*

23:84 Say, "To whom belongs the earth and everyone on it, if you know?"

23:85 They will say, "To **Allah**." Say, "Why then do you not take heed?"

23:86 Say, "Who is the Lord of the seven universes; the Lord of the great dominion?"

23:87 They will say, "**Allah**." Say, "*Why then do you not turn righteous?*"

Revealed: The **Allah letters** in verses 84-85 and verses 86-87 are 9 and 8 and again 9 and 8, revealing the difference of 1, Subhan Allah.

Revealed: The **messenger's letters** in verses 23:84 and 23:86 are 17 and 18, revealing the difference of 1.

Revealed: The **messenger's letters** in verses 85 and 87 are 14 and 15, revealing the difference of 1.

23:88 Part: Say, "In whose hand is all sovereignty over all things, and He is the only one who can provide help, but needs no help."

Revealed: The **Allah letters** are 10 and **messenger's letters** are 20, *revealing the doubling of numbers*. This proof is the same as "*revelation of 2*" and denotes idolatry.

23:88 Part: If you know?"

Revealed: The messenger's letters are 7 with the GV of 266, which is 14 x 19.

23:89 Part: They will say, "Allah."

23:89 Part: Say, "Where did you go wrong?"

Revealed: The messenger's letters are 9 and 8 in each part, **revealing the difference of 1**.

Revealed: The Allah letters are 4 and 2 in each part, **revealing the difference of 2** (gods).

Messenger's Comment on the above 6 Verses: Each time Allah has presented the question to the hypocrites and the disbelievers, their answer was correct by proclaiming His name. To expose them, Allah asked them through Verse 23:88 saying, In whose hand is all sovereignty over all things, and He is the only one who can provide help, but needs no help. This question is regarding Allah's Absoluteness. The hypocrites thought that they could fool Allah by taking His name, but the Most Gracious knows that they do not believe in His Absoluteness; therefore the last part on this subject in Verse 23:89 says: WHERE DID YOU GO WRONG?

Revealed: The Arabic Letters are 12 and messenger's letters are 8, **revealing the last name of the messenger 128**. The hypocrites and the disbelievers have been exposed through the revelation of the name of the messenger in whom they disbelieved and thus proved that they did not believe in Allah's Absolute Authority. This is where they went wrong with their judgment and belief. As Allah is the Most Wise and knows the deep innermost thoughts of the humans, He has marked Verse 23:88 with the "Revelation of 2 gods," Subhan Allah.

Notice that Verse 23:89 is marked with messenger's letters revealing difference of 1 and Allah's letters revealing the difference of 2, the reason being that all the people who responded by taking the glorified name of Allah did not believe in His messengers. They did not want to become righteous by upholding the Quran, and therefore they were on the wrong side by following satan. Moreover, they did not fully submit to their Creator, the Lord of the Universe. It is the same at any given time that most people even though they have the Quran in their homes, they just put them on their shelves, cover it with a nice cloth, and kiss it when they pick it up or put it away, but do not care to read the contents of the scripture in order to believe in them and to follow the commands of Allah.

23:90 Part 1: We have given them the truth.

23:90 Part 2: While they are liars.

Revealed: The Allah letters are 5 and 3 in each part, **revealing the difference of 2 gods**, thus exposing the liars who faked their belief while their hearts did not believe in Allah and His messengers.

Revealed: The messenger's letters are 9 and 7 in each part, **revealing the difference of 2 gods**. The disbelievers rejected the truth brought by the messenger; hence the "Revelation of 2 gods" is revealed through the messenger's letters. It is Allah's Absolute Authority to reveal the "truth" through His messenger, and those who reject him, are the real liars and idol worshipers.

20:111 Part 1: All faces will submit to the Living, the Eternal.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **14**, revealing *the Sacred Miracle of Seven Pairs* to confirm that all the humans will submit to *the Living and Eternal Lord of the Universe on the Day of Judgment*.

20:111 Part 2: And those who are burdened by their transgressions will fail.

Revealed: The **Allah letters** are 4 and **messenger's letters** are 10, **revealing the sum of 14**. The ones whose souls were burdened by their transgressions will fail and lose out on the awesome Day of Judgment.

20:112 As for those who **worked righteousness, while believing**, they will have no fear of injustice or adversity.

21:94 **As for those who work righteousness**, while believing, their work will not go to waste; we are recording it.

Revealed: The **Allah letters** are **14** to express that the righteous works of the believers will not go to waste, and they will be generously recompensed.

21:105 Part 1: We have decreed in the Psalms, as well as in other scriptures.

Revealed: The **Arabic Letters** are 27 and **messenger's letters** are 13, **revealing the difference of 14**.

21:105 Part 2: That the earth shall be inherited by *My righteous worshipers*.

Revealed: The GV of the word "*ebaady – worshipers*" is 87 and the GV of the word "*al-salehoon – righteous*" is 215, **revealing the difference of 128**, proclaiming that **messenger Hussain is one of the righteous worshipers of Allah**.

21:106 This is a proclamation for people who are **worshipers**.

Revealed: The **Allah letters** are **7**, revealing the miracle of 7 for the sincere worshipers of Allah.

21:107 We have sent you out of mercy from us towards the whole world.

Revealed: The **messenger's letters** are **14**, revealing that the messenger has been sent out of **Allah's mercy** to proclaim His message to the whole world.

21:108 Proclaim, "I have been given divine inspiration that your god is one god. Will you then submit?"

Revealed: The **Allah letters** are 17 and **Aleefs** are 8, revealing the messenger's first name **Makbool 178** through the Pattern.

Revealed: The GV of **messenger's letters is Perfectly 714**, without the inclusion of the word "proclaim." This proves the divine inspiration granted to the messenger about **Allah's Absoluteness as One**.

21:108 Part: "That your god is one god."

Divine Inspiration: The Allah letters are 8 and messenger's letters are 7, revealing the difference of 1. The Revelation of 1 through *Allah and His messenger's letters* proves the Divine Inspiration granted to the messenger.

21:108 Last Part: "Will you then submit?"

Revealed: The GV of Allah letters is Perfectly 66, proving that the messenger is inviting to submit to Allah – Lord of the Universe.

21:108 Proclaim, "I have been given divine inspiration that your god is one god. Will you then submit?"

21:109 If they turn away, then say, "I have warned you sufficiently, and I have no idea how soon or late (the retribution) will come to you.

Revealed: The messenger's letters are 26 and 25 in each verse, **revealing the difference of 1**. After showing the incontrovertible proofs through the Divine Inspiration to the people, the messenger parts by warning the disbelievers that the retribution will strike them for sure, but has no idea how soon or late it will come to them.

22:32 Part 1: Indeed, those who reverence the rites decreed by Allah

22:32 Part 2: (They) demonstrate the righteousness of their hearts.

Revealed: The Allah letters are 5 and 6 in each part, **revealing the difference of 1**. Those who reverence and follow the rites decreed by Allah demonstrate the righteousness of their hearts.

39:10 Part 1: Say, "O My servants who believed, you shall reverence your Lord."

39:10 Part 2: For those who worked righteousness in this world, a good reward.

Revealed: The messenger's letters are 14 and 15 in each part, **revealing the difference of 1**.

39:10 Part 3: Allah's earth is spacious, and those who steadfastly persevere will receive their recompense generously, without limits.

Revealed: The GV of Allah letters is 112. (a multiple of 14) By adding His name 66 to 112, it reveals the sum of 178, to proclaim the first name of the messenger, Subhan Allah.

39:11 Say, "I have been commanded to worship Allah, devoting the religion absolutely to Him.

39:12 "And I was commanded to be the utmost submitter."

39:13 Say, "I fear, if I disobeyed my Lord, the retribution of a great day."

Revealed: All 3 Verses: The Allah letters are 30 and messenger's letters are 44, **revealing the difference of 14**. The messenger has fully submitted to Allah and has devoted his religion

absolutely to Him. Moreover, the messenger fears the retribution of **Allah** if he disobeyed Him. This is proven as the messenger's letters are **14 in Verse 39:13**.

39:14 Say, "**Allah** is the only One I worship, devoting my religion absolutely to Him.

Revealed: The **Allah** letters are 10 and **messenger's** letters are 11, **revealing the difference of 1**. The **Most Gracious** has provided the Proof that the messenger is absolutely worshiping Him without committing any kind of idolatry. **Praise be to the Most Gracious**.

3:193 "Our Lord, we have heard a caller calling to faith and proclaiming: 'You shall believe in your Lord,' and we have believed. Our Lord, forgive us our transgressions, remit our sins, and **let us die as righteous believers**."

3:194 "Our Lord, shower us with the blessings you promised us through Your messengers, and do not forsake us on the Day of Resurrection. You never break a promise."
