

I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.

**Sermon: Allah's Supreme Wisdom in proclaiming "few" believers will be redeemed**

The purpose of this Sermon is to show and enlighten the believers as to how Allah Ta'ala arrived at the word "few" (believers) when He has created billions of humans from the time of the first human being Adam. Allah, Most Wise enlightens us about the Heavenly Feud about which most people even the believers have no knowledge of. In this Sermon, I will not present proofs for each verse, as it gets too long.

**4:116 Allah** does not forgive idol worship (if maintained until death), and He forgives lesser offenses for whomever He wills. Anyone who idolizes any idol beside **Allah** has strayed far astray.

**46:4** Say, (addressed to the messenger) "Consider the idols you have set up beside Allah. Show me what on earth did they create. Do they own part of the heavens? Show me any other scripture before this one, or any piece of established knowledge that supports your idolatry, if you are truthful."

**Revealed:** The GV of **Allah letters is 306** revealing the full name of the messenger. The messenger is asked by Allah to address the disbelievers through the logic of the verse.

**46:5** Who is farther astray than those who idolize beside **Allah** idols that can never respond to them until the Day of Resurrection, and are totally unaware of their worship?

**Revealed:** The **Allah letters** are 20 and **messenger's letters** are 39, **revealing the diff. of 19.**

**46:6** And when the people are summoned (on the Day of Judgment), their idols will become their enemies, and will denounce their idolatry.

**Revealed:** The **Allah letters** are 15 and **messenger's letters** are 17, **revealing the diff. of 2** to prove the idolatry of the idol worshipers.

There are many religions on Earth, the ones that the messenger has heard about are: Judaism, Christianity, Islam, Buddhism, Hinduism, Confusionism, Communism, Zoroastrians, Atheism, and there are many more. Moreover, in each of these religions, there are many more in the form of sects that may have their own names. In short, there are hundreds of religions followed by the children of Adam.

List of various religions on Earth and their populations:

Let us assume that the population on Earth at this time is roughly 7 billion, plus or minus. I am going to do a statistical analysis and a breakdown of the number 7 billion to show how the numbers decrease drastically as I take each religion mentioned above.

The Christians form the largest community of approx. **2.1 billion people**, the majority of them live in North and South America, Europe, parts of Africa, and some in Asia. There are many denominations and sects within this religion. The Christians are split up and divided between Catholics, Protestants, Methodists, Unitarians, the followers of Latter Day Saints, Mormons, Mennonites, and many more. None of these sects and groups follow the Bible, and they cannot fully follow it, as they have come up with many different versions of the Bible, which are human authored with their own interpretations, conjecture, and fabrications. None of the translations and versions of the Bible have any proof of authenticity from Allah as compared to the Quran which has built-in proofs integrated into the verses and chapters by Allah.

All the books of the hypocrites teach them that Jesus is the son of God and you cannot be close to God without believing in Jesus being his only son. Therefore, all the Christians idolize Jesus, his mother Mary and the so-called saints. All the Christians have gone astray by deviating from Monotheism that was preached by The Messiah, Jesus, son of Mary, and therefore will not

qualify to be redeemed in the Hereafter and to be granted Paradise. ***The entire population of 2.1 billion has gone astray and therefore considered disbelievers and idol worshipers, save and except the few disciples who followed Jesus in his lifetime.*** Their destiny is already clearly stated in the Quran as being condemned to the Hellfire.

Jesus was a prophet and a messenger of Allah, and was granted profound miracles. He spoke the Truth and strictly followed Allah's inspiration. During the lifetime of Jesus, those who believed in him as a messenger of Allah, and followed the Bible without committing idol worship stand a good chance to be forgiven and redeemed by Allah. But that was only during his life on earth. At one point he was reaching out to his supporters to profess and proclaim their faith, and they were only few. In fact, Allah inspired some disciples to believe in Him and His messenger.

In the past, Allah has sent prophets and messengers to most of the communities to guide them to the right path. But the people rejected the message and His messengers, out of disbelief, arrogance and ego. All of them are idol worshipers in some form or another. For example, the Christians have the statue of Mary holding baby Jesus in her arms in their churches. When they go to the church, instead of worshiping the "One God" who sent and revealed the Bible to prophet and messenger Jesus Al Messiah, they raise their arm and hand to make the sign of the cross on their chests, bow and kneel down to the statue of Mary and Jesus, thus showing gross disdain to the true Lord of the Universe. One is made to think and reflect that Allah sent Jesus with the clear teachings of submission to Him which Jesus observed and carried out while he was alive, then how did the overwhelming number of people and followers of Christianity go so far astray to worship idols instead of the One who created them and even sent Jesus to guide them.

**5:111 Part 1:** "Recall that I inspired the disciples: `You shall believe in Me and My messenger.  
**Part 2:** They said, `We have believed, and bear witness that we are submitters.' "

**Part 3:** Count us among the witnesses.

**Revealed:** The **messenger's letters** are 8-7-6 in each part, **revealing the diff. of 1**. The few disciples of Jesus proclaimed their true belief, as proven through the letters of this messenger.

**61:14** O you who believe, be **Allah's** supporters, like the disciples of Jesus, son of Mary. When he said to them, "Who are my supporters towards **Allah**," they said, "We are **Allah's** supporters." Thus, a group from the Children of Israel believed, and another group disbelieved. We helped those who believed against their enemy, until they won.

**Revealed:** The Allah letters are 58 in the verse and the verse number is 14. By writing these numbers side by side, we have 5814, that is **19 x 306**, revealing the full name of the messenger Makbool Husain. The verse confirms that a group from the Children of Israel believed when Jesus made the call to be supporters of Allah, while another group disbelieved. Allah helped the believing group against their enemies, until they won.

**5:110 Allah** will say, "O Jesus, son of Mary, remember My blessings upon you and your mother. I supported you with the Holy Spirit, to enable you to speak to the people from the crib, as well as an adult. I taught you the scripture, wisdom, the Torah, and the Gospel. Recall that you created from clay the shape of a bird by My leave, then blew into it, and it became a live bird by My leave. You healed the blind and the leprous by My leave, and revived the dead by My leave. Recall that I protected you from the Children of Israel who wanted to hurt you, despite the profound miracles you had shown them. The disbelievers among them said, 'This is obviously magic.'

**3:49** As a messenger to the Children of Israel: "I come to you with a sign from your Lord - I create for you from clay the shape of a bird, then I blow into it, and it becomes a live bird by **Allah's** leave. I restore vision to the blind, heal the leprous, and I revive the dead by **Allah's** leave. I can tell you what you eat, and what you store in your homes. This should be a proof for you, if you are believers.

**5:116 Part 1:** **Allah** will say, "O Jesus, son of Mary, did you say to the people, "Make me and my mother idols beside **Allah**?"

**Revealed:** The **Allah letters** are 22 and **messenger's letters** are 36, **revealing the diff. of 14**.

**Part 2 (a)** He (Jesus) will say, "Be You glorified. I could not utter what was not right."

**Revealed:** The **Allah letters** are 10 and the GV is 155, the sum of both numbers **reveals the sum of 165**. Jesus fully believed in **Allah's Absolute Authority** and reiterated his belief by glorifying Him stating that he could not utter what was not right.

**Part 2:** He (Jesus) will say, "Be You glorified. I could not utter what was not right." Had I said it, You already would have known it. You know my thoughts, and I do not know Your thoughts. You know all the secrets.

**Revealed:** The GV of **Allah letters is Perfectly 383**, proclaiming the Quran. Jesus was not given the Quran, but Allah is confirming the truth of Jesus statement through the verses of the Quran, Praise be to Allah.

**Part:** Had I said it, You already would have known it. You know my thoughts, and I do not know Your thoughts.

**Revealed:** The **Allah letters** are Perfectly 12 to match with the 12 letters in the Shahadah and the GV if **Perfectly 165**, Subhan Allah. If Jesus uttered anything wrongful, Allah would have already known about it. Moreover, Jesus admitted that Allah knew his thoughts while he could not comprehend the thoughts of Allah.

**5:117 Part 1:** "I told them only what You commanded me to say."

**Part 2:** That, "You shall worship **Allah**, my Lord and your Lord."

**Revealed: Part 1:** The **Allah letters** are 10 and messenger's letters are 11, **revealing the diff. of 1**.

**Revealed:** The GV of **messenger's letters** in each part are 612 and 546, **revealing the diff. of 66, Glory be to Allah**. The revelation is the incontrovertible proof from Allah to exalt those who believed and followed Jesus above those who disbelieved, till the Day of Resurrection.

**9:30** The Jews said, "Ezra is the son of **Allah**," while the Christians said, "Jesus is the son of **Allah**." These are blasphemies uttered by their mouths. They thus match the blasphemies of those who have disbelieved in the past. **Allah** condemns them. They have surely deviated.

**9:31** They have set up their religious leaders and scholars as lords, instead of Allah.

Others deified the Messiah, son of Mary. They were all commanded to worship only one god. There is no god except He. Be He glorified, high above having any partners.

**Revealed:** The **Allah letters** are 40 and 41, **revealing the diff. of 1** to prove that Allah is One.

\*\*\* The Christians and the Jews have been reminded through the Quran to give up their idolatry and to believe in Muhammad – the gentile prophet and the scripture, the Quran revealed to him in order to become righteous. The Quran addresses many issues that they continue to dispute.

**27:76** This Quran settles many issues for the Children of Israel; issues that they are still disputing.

**27:77** And most assuredly, it is a guide and mercy for the believers.

**Revealed:** The GV of **Allah letters** is 172 and 106, **revealing the diff. of 66**, Subhan Allah. This is a serious proof from Allah under His own Glorified Name to guide and warn the Children of Israel to give up their arrogance and idolatry and to follow the Quran that will settle their issues that they are disputing.

**7:156 Part:** But My mercy encompasses all things. However, I will specify it for those who (1) lead a righteous life, (2) give the obligatory charity (Zakat), (3) believe in our revelations.

**Revealed:** The **Allah letters are 14** revealing and specifying His mercy for those who fulfill the above 3 conditions.

**7:157** "(4) follow the messenger, the gentile prophet (Muhammad), whom they find written in their Torah and Gospel. He exhorts them to be righteous, enjoins them from evil, allows for them all good food, and prohibits that which is bad, and unloads the burdens and the shackles imposed upon them. Those who believe in him, respect him, support him, and follow the light that came with him are the successful ones."

**7:158** Say, "O people, I am **Allah's** messenger to all of you. To Him belongs the sovereignty of the heavens and the earth. There is no god except He. He controls life and death." Therefore, you shall believe in **Allah** and His messenger, the gentile prophet, who believes in **Allah** and His words. Follow him, that you may be guided.

**4:171** O people of the scripture, do not transgress the limits of your religion, and do not say about **Allah** except the truth. The Messiah, Jesus, the son of Mary, was a messenger of **Allah**, and His word that He had sent to Mary, and a revelation from Him. Therefore, you shall believe in **Allah** and His messengers. You shall not say, "Trinity." You shall refrain from this for your own good. **Allah** is only one god. Be He glorified; He is much too glorious to have a son. To Him belongs

everything in the heavens and everything on earth. **Allah** suffices as Lord and Master.

**4:172** The Messiah would never disdain from being a servant of **Allah**, nor would the closest angels. Those who disdain from worshipping Him, and are too arrogant to submit, He will summon them all before Him.

**5:68** Say, "O people of the scripture, you have no basis until you uphold the Torah, and the Gospel, **and what is sent down to you herein from your Lord.**" For sure, these revelations from your Lord will cause many of them to plunge deeper into transgression and disbelief. Therefore, do not feel sorry for the disbelieving people.

**Revealed:** The **Aleefs of Absoluteness are perfectly 19**, Subhan Allah. The Jews and the Christians have been reminded that they have no basis until they uphold the Torah, the Gospel, and what has been sent down to Muhammad from their Lord. They will only be considered submitters if they believe and uphold the previous scriptures as well as the Quran. The sum of the digits of the chapter and the verse number add to **19**.

**5:72** Pagans indeed are those who say that **Allah** is the Messiah, son of Mary. The Messiah himself said, "O Children of Israel, you shall worship **Allah**; my Lord and your Lord." Anyone who sets up any idol beside **Allah**, **Allah** has forbidden Paradise for him, and his destiny is Hell. The wicked have no helpers.

**5:73** Pagans indeed are those who say that **Allah** is a third of a trinity. There is no god except the one god. Unless they refrain from saying this, those who disbelieve among them will incur a painful retribution.

**Revealed:** The **Allah** letters are 53 and 39 in each verse, **revealing the diff. of 14**.

\*\*\* There are many more proofs in other verses, but the messenger has chosen not to recite them at this time in order to stay focused on the subject of this Sermon.

\*\*\***The Miracle of Jesus speaking upon being born through his mother, Mary who was a virgin.**

**19:29** She pointed to him. They said, "How can we talk with an infant in the crib?"

**19:30** (The infant spoke and) said, "I am a servant of **Allah**. He has given me the scripture, and has appointed me a prophet.

**19:31** "He made me blessed wherever I go, and enjoined me to observe the Contact Prayers (Salat) and the obligatory charity (Zakat) for as long as I live.

**19:32** "I am to honor my mother; He did not make me a disobedient rebel.

**19:33** And peace be upon me the day I was born, the day I die, and the day I get resurrected."

**19:34** That was Jesus, the son of Mary, and this is the truth of this matter, about which they continue to doubt.

**43:63** When Jesus went with the proofs, he said, "I bring to you wisdom, and to clarify some of the matters in which you dispute. You shall reverence **Allah** and obey me.

**43:64** "**Allah** is my Lord and your Lord, you shall absolutely worship Him. This is the right path."

**43:65** The opponents disputed among themselves. Woe to those who transgress from the retribution of a painful day.

**57:27** Subsequent to them, we sent our messengers. We sent Jesus the son of Mary, and we gave him the Injeel (Gospel), and we placed in the hearts of his followers kindness and mercy. But they invented hermitism, which we never decreed for them. All we asked them to do was to uphold the commandments approved by **Allah**. But they did not uphold the message as they should have. Consequently, we gave those who believed among them their recompense, while many of them were wicked.

\*\*\* ***The next large population is of people who claim to be Muslims, and they are about 1.6 billion.*** During the life of Muhammad up until his death, there were only a few believers, as stated in Verses 9:117-118. The majority of the so-called Muslims were either sedentary, hypocrites or idol worshipers. After the death of Prophet Muhammad, the followers started disputing with each other and began writing false Hadith and Sunnah attributed to him. They went even further to distort the proclamation of faith narrated by Allah as "La Elaha Illa Allah – there is no other god except Allah" and made up their own to include Muhammad's name in the proclamation, out of their **love for Muhammad**, thus turning the religion of Monotheism into worship of 2 gods. By setting up Muhammad as a partner with Allah, they blasphemed the Creator, Allah. Thus they broke their pledges and covenants made with Allah and became worshipers of Muhammad, despite Allah's command to worship Him Alone, and turned into disbelievers and idol worshipers. They disregarded the commands of Allah narrated in the Quran and followed the ways of the corruptors. With their corrupted belief based on falsehood, they could not pass on the truthful message to other people, their relatives and children, thus leaving them misguided. (Verse 19:59)

All the so-called Muslims who proclaim the corrupted Shahadah, follow their innovated hadees and sunnah, do not believe in messengers after Muhammad, observe the Salat more than the units commanded, doing the ablution with 8 steps instead of the 4 commanded by Allah, following the unauthorized religious leaders, rejecting the authorized messengers sent by Allah, believing in the Quran partially, prohibiting foods made lawful by Allah, distorting, concealing and corrupting the verses of the Quran – all these people that comprise of **1.6 people billion** stand no chance of being forgiven and redeemed by Allah. **Their fate is that they will be condemned to the Hellfire on the Day of Judgment, just like the Christians, Jews, Hindus and the followers of other religions will be.**

**63:1 Part 1:** When the hypocrites come to you they say, "We **bear witness** that you are the messenger of **Allah**."

**Revealed:** The **Allah letters** are 16, and **messenger's letters** are 17, **revealing the diff. of 1.** Allah never commanded to bear witness for His messengers, as they are sent to deliver His messages and are His servants; they have a short span of life on Earth, just like other human beings. The people are commanded to bear witness for Allah that He is One.

**Part 2:** **Allah** knows that you are His messenger.

**Part 3:** And **Allah** bears witness that the hypocrites are liars.

**Revealed: Part 2:** The GV of **Allah letters is 162**, confirming the truth that Allah sent His messenger to preach the truth of Islam to the people. The messenger/s would never add their name to the Shahadah. It is the evildoers who do it.

**Revealed: Part 3:** The GV of **Allah letters** is 133, that is 7 x 19, revealing the Sacred Codes.

**Revealed: Part 2:** The GV of **messenger's letters** is 322, that is **14** x 23

**Revealed: Part 3:** The GV of **messenger's letters** is 494, that is **19** x 26. In this verse, both the Sacred Codes is revealed by Allah through the letters of the messenger.

Soon after the demise of prophet Muhammad, the muslims broke into 2 major sects called Shia and Sunni. Today, there are many more that evolved out of these 2 major sects to form over dozens of sects, the names of all of them is hard to ascertain. Some of the sects are Ismailis, Bohris, Wahabbis, Ahmadis, and the list goes on. Lately, the believers must have noticed a new sect and group called 'Isis or Isil' that have shown their brutality and cruelty in killing and slaughtering innocent men, women, and children simply because they do not have the same belief as them. They are the extremists in Sunni sect, and are flagrantly violating the commands of Allah by taking innocent human lives. The Quran teaches us that oppression is worse than murder (2:191), and prohibits the killing and murder of any person, as Allah has made life sacred – except in the course of justice (17:33). These disbelievers wear the banner of the false Shahadah on their arms and necks as well as on their flags, thus openly blaspheming Allah.

\*\*\* Islam is defined as the religion of submission according to the creed of Abraham who believed and practiced "Monotheism" without committing idolatry.

**4:125 Part 1:** Who is better guided in his religion than one who submits totally to **Allah**.

**Part 2:** And leads a righteous life, according to the creed of Abraham: monotheism?

**Revealed:** The **messenger's letters** are 17 and 16 in each part, **revealing the diff. of 1**. The Revelation of 1 through the letters of the messenger is Proof that Abraham believed and practiced Monotheism, which the present messenger follows too.

**Part 3:** **Allah** has chosen Abraham as a beloved friend.

**Revealed:** The **Allah letters** are 10 and **messenger's letters** are 9, **revealing the diff. of 1**. Allah can choose and bring closer to Him whomever He wishes. Abraham was chosen as a beloved friend of Allah and the Proof has been provided through messenger Makbool Husain.

**6:161** Say, "My Lord has guided me in a straight path - the perfect religion of Abraham, monotheism. He never was an idol worshiper."

**Revealed:** The messenger's letters are 38, a multiple of 19.

**6:161** Say, "My Lord has guided me in a straight path - the perfect religion of Abraham, monotheism. He never was an idol worshiper."

**16:120** Abraham was indeed an exemplary vanguard in his submission to **Allah**, a monotheist who

never worshipped idols.

**Revealed:** The **Allah letters** are 16 and 15 in each verse, **revealing the diff. of 1**. This revelation is also applicable to the current messenger and the believers who follow him.

**16:121** Because he was appreciative of His (Lord's) blessings, He chose him and guided him in a straight path.

**Revealed:** The **Allah letters** are 11 and **messenger's letters** are 12, **revealing the diff. of 1**.

**2:165** Yet, some people set up idols to rival **Allah**, and love them as if they are **Allah**. Those who believe love **Allah** the most. If only the transgressors could see themselves when they see the retribution! They will realize then that all power belongs to **Allah** alone, and that **Allah's** retribution is awesome.

**Revealed:** The **Allah letters** are 49 and **messenger's letters** are 68, **revealing the diff. of 19**, glory be to Allah.

**2:165 Part 1:** Yet, some people set up idols to rival **Allah**, and love them as if they are **Allah**. Those who believe love **Allah** the most.

**Part 2:** If only the transgressors could see themselves when they see the retribution! They will realize then that all power belongs absolutely to **Allah** and that **Allah's** retribution is awesome.

**Revealed:** The **Allah letters** are 24 and 25 in each part, **revealing the diff. of 1**.

**Part:** Those who believe love **Allah** the most.

**Revealed:** The GV of **Allah letters** is 100 and GV of **messenger's letters** is 262, ***revealing the diff. of 162 to proclaim "Islam – Submission."*** The ones who love Allah the most are the ardent and reverent believers who follow and uphold the laws of the Quran and do not worship any other entity besides their Lord.

**2:165 Part:** They will realize then that all power belongs absolutely to **Allah**.

**Part:** And that **Allah's** retribution is awesome.

**Revealed:** The **messenger's letters** are 8 and 7 in each part, **revealing the diff. of 1**.

Instead of upholding the Quran, like Muhammad did, some of the hypocrites started distorting the Quran. They injected 2 false verses in the Quran 9:128-129, that have been removed by the previous messenger, Rashad Khalifa, who was granted the Miracle of 19 as per Verse 74:30, which revealed the mathematical structure of the scripture, and confirmed the authenticity of the Quran to be indeed from Allah, Most Wise. The Miracle of 19 originates from verse 74:30 in the Quran, saying, "over it is nineteen."

**3:119** Here you are loving them, while they do not love you, *and you believe in all the scripture*. When they meet you they say, "We believe," but as soon as they leave, they bite their fingers out of rage towards you. Say, "Die in your rage." **ALLAH** is fully aware of the innermost thoughts.

**3:119 Part: and you believe in all the scripture.**

**Revealed:** The GV of **Allah letters is a Perfect 66**, confirming that Muhammad believed in all of the scripture – the Quran, that was revealed and inspired to him by Allah Subhanahoo.

**Revealed:** The GV of **messenger's letters is 222**, proclaiming "**Rabbayka – your Lord.**"

**\*\*\* Islam has been decreed by Allah to be "one congregation" and the system planned and decreed by Allah is to send messages through His chosen messengers to lead the one congregation of believers.**

**23:52** Such is your congregation - one congregation - and I am your Lord; you shall reverence Me.

**Revealed:** The **messenger's letters** are **14**, proving the "one congregation" of our Lord through His messenger.

**Revealed:** Up to 'one congregation' the Allah letters are 7 and the messenger's letters are also 7 – **Perfectly Matched.**

**Revealed:** The **messenger's letters** are split up as 7 up to 'one congregation' and 7 in the remaining part of the verse.

**23:53 Part 1:** But they tore themselves into disputing factions;

**Part 2:** Each party happy with what they have.

**Revealed:** The **Allah letters** are 5 and 4 in each part, **revealing the diff. of 1.**

**Revealed:** The Aleefs are 3 and 1 in each part, revealing the diff. of 2 for idolatry committed by those who tear up the one congregation into disputing factions.

**Revealed:** The messenger's letters are 9 and 11, revealing the diff. of 2 gods. The messenger is the leader of the congregation, and the hypocrites who disbelieve in him usually try to break up the one congregation into their own disputing sects, thus violating a major command of their Lord.

**23:54** Therefore, just leave them in their confusion for a while.

**Revealed:** The Arabic Letters are 19. Allah is fully aware of the disbelievers who break up the religion into sects, and will hold them fully accountable on the Day of Judgment.

**\*\*\*** The majority of muslims who idolize Muhammad; this is what Allah has to say to them.

**3:79** Never would a human being whom **Allah** blessed with the scripture, the law, and prophethood say to the people, "Idolize me beside **Allah**." Instead, (he would say), "Devote yourselves absolutely to your Lord alone," according to the scripture you preach and the teachings you learn.

**3:80** Nor would he command you to idolize the angels and the prophets as lords. Would he exhort you to disbelieve after becoming submitters?

**Revealed:** The **Allah letters** are 35 and 21 in each verse, **revealing the diff. of 14**. With the Proof of Seven Pairs through the letters of Allah, it is abundantly clear that Muhammad preached solely through the Quran and never advocated to anyone to idolize him beside Allah. Whoever attributes it to Muhammad is a gross sinner and liar. These commands were inspired to the Prophet and he believed in them and obeyed Allah.

**6:114 Part 1:** Shall I seek other than **Allah** as a source of law, when He has revealed to you this book fully detailed?

**Revealed:** The **Allah letters** are 18 and **messenger's letters** are 20, **revealing the diff. of 2**. The revelation of 2 explains that the followers of the Quran should not refer to any other book when Allah has revealed this scripture as a source of law and provided the details for everything. Following any other book or source of religious teachings other than the Quran constitutes idol worship.

**Part 2:** Those who received the scripture recognize that it has been revealed from your Lord, truthfully. You shall not harbor any doubt.

**Revealed:** The GV of **Allah letters** up to "truthfully" is **165**, confirming that the Quran was revealed to Muhammad with **Allah's Absolute Authority**. The GV of Allah letters up to the end of the verse is **227**, revealing that the Quran is for the believers who believe wholeheartedly in Allah and harbor no doubts about the scripture.

**6:115 Part 1:** The word of your Lord is complete in truth and justice.

**Part 2:** Nothing shall abrogate His words.

**Revealed: Part 1:** The **messenger's letters** are 8 and 7 in each part, **revealing the diff. of 1**.

**Revealed:** The GV of the words "**truth and justice**" is **precisely 306**, revealing the full name of the messenger, Makbool Husain.

**Revealed Part 2:** The GV of **messenger's letters** is **202** revealing the glorified name of Rabb – Lord. No one can change or abrogate the words of Allah, except through specific authorization that is granted to His chosen messengers.

**Part 3:** He is the Hearer, the Omniscient.

**Revealed:** The GV of **Allah letters** is 97 and GV of **messenger's letters** is 262, **revealing the diff. of 165, Subhan Allah.**

**6:116 Part 1:** If you obey the majority of people on earth, they will divert you from the path of Allah.

**Part 2:** They follow only conjecture; they only guess.

**Revealed:** The **messenger's letters** are 16 and 15 in each part, **the diff. of revealing 1**.

**"Path of Allah"** The GV of **Allah letters** is 96 and GV of **messenger's letters** is **162, the diff. is**

**66, Praise and Glory be to Allah**, who has revealed that the only path to Allah is by submission to Him through His messenger.

**18:27** You shall recite what is revealed to you of your Lord's scripture. Nothing shall abrogate His words.

**Revealed:** The **messenger's** name initials are **14** and the name letters are **19**, revealing the **Sacred Codes of 14-19, Glory be to Allah.**

**18:27 Part 1:** You shall recite what is revealed to you of your Lord's scripture.

**Part 2:** Nothing shall abrogate His words.

**Revealed:** The **Allah letters** are 7 and 6 in each part, **revealing the diff. of 1.**

**Part 3:** And you shall not find any other source beside it.

**Revealed:** The GV of **Allah letters** is Perfectly **66**, explaining that the Quran is the only source of religious teachings that is authorized by Allah.

\*\*\* Allah has clearly narrated and revealed Verse 9:97 to prophet Muhammad during his life.

**9:97 Part 1:** The Arabs are the worst in disbelief and hypocrisy, and the most likely to ignore the laws that **Allah** has revealed to His messenger.

**Revealed:** The **Allah letters** are 24 and **messenger's** letters are 23, **revealing the diff. of 1.** The Revelation of 1 through Allah and His messenger's letters confirms the disbelief, hypocrisy, and disregarding of the laws that Allah revealed to Muhammad through the Quran. This also proves that Allah is the Knower of the future. He knew beforehand that the Quran will be corrupted, and most of them will ignore and disregard it. The generations that came after them did not receive the purified message through the mouth of prophet Muhammad and naturally were led on by the devil to disbelieve and remain as idol worshipers. This is the state of the current day "Muslims" who remain ignorant and unaware of the message narrated in the Quran by Allah, Most Wise, and are idol worshipers by following other sources of teachings and for following unauthorized human leaders.

**Part 2: Allah** is Omniscient, Most Wise.

**Revealed:** The Allah letters are 5 and messenger's letters are 9, revealing the pattern of the verses that appear in the Quran under the messenger's name – 5 for 178 and 9 for 128, for a total of 14 times, Subhan Allah.

**38:64** This is a predetermined fact: the people of Hell will feud with one another.

**Revealed:** The **Allah letters** are 10 and **messenger's letters** are 9, **revealing the diff. of 1.** The Revelation proves that those condemned to Hell will feud by blaming each other for misleading them.

**38:65 Part:** Say, "I warn you,"

**Part:** There is no other god beside Allah.

**Revealed:** The **messenger's letters** are 7 and 8 in each part, **revealing the diff. of 1** and proving that **Allah is the only Lord**, and there is no other god beside Him.

**38:65-66 Parts:** There is no other god beside **Allah**, the One, the Supreme. "The Lord of the heavens and the earth, and everything between them."

**Revealed:** The **Allah letters** are 25 and **messenger's letters** are 26, **revealing the diff. of 1**.

The 4 Attributes of Allah in verses 65 and 66.

**38:65:** The One, the Supreme.

**38:66:** The Almighty, the Forgiving.

**Revealed:** The GV of **Allah letters** in these attributes is 130 and GV of **messenger's letters** is 244, **the diff. is 114**, Subhan Allah. The Proof explains that the test on Earth after being evicted from Paradise is through the Scriptures of Allah, and from the time of prophet Muhammad it is the Test through the 114 chapters of Quran – those who will submit fully to Allah through the Quran and those who will reject it. The Quran is the final scripture and supercedes and consummates all previous scriptures.

The Heavenly Feud is narrated in 7 chapters of the Quran and comprises of 66 Verses. Praise be to Allah for assigning the Codes of 7 and 66 on this subject. The subject of Heavenly Feud has been addressed in one of the past Sermons.

**2:37 Part 1:** Then, Adam received from his Lord words.

**Part 2:** Whereby He redeemed him. He is the Redeemer, Most Merciful.

**Revealed:** The GV of **Allah letters** in Part 1 is **Perfectly 66**, and in Part 2 is **Perfectly 110**, Subhan Allah. Part 1 with GV of Allah letters 66 explains that He is the One who revealed His Words to Adam, and in Part 2 with the GV of Allah letters as 110 explains that Allah is the Absolute in revealing to whomever He wills and to redeem whomever He wills.

It all happened when the "heavenly feud" took place and before the humans were evicted from Paradise for failing to uphold the **Absolute Authority of Allah**, being unsure that He is only One and in full control. There was and is a 2<sup>nd</sup> temporary god called "Iblees" who thought that he can also rule the vast dominion by himself, and most of the humans agreed with his viewpoint, thus forgetting their true **Creator, Allah**. A rebellion took place by the vast number of creatures who failed to repent to **Allah** for their idolatry of satan. Iblees in fact challenged **Allah** that he will send all the humans ASTRAY except a FEW. The Test on Earth is whether the human beings will uphold Allah's Absolute Authority by upholding His commands revealed through His scriptures, or will they follow the devil by disregarding, disobeying and rejecting the commands of Allah.

The question arises how did satan proclaim that he will send all the humans **astray**, except a **few**. Did he have any real power or control over the humans or was it a predetermined plan and decision of the Almighty Lord. Our Lord, the Creator informs us that the devil's power is NIL. Therefore, it stands to reason that this was the pre decreed plan of Allah to put His creatures to the Test to see who believes in Him as the sole Lord of the Universe and His Absolute Authority over everything and everyone. **The outcome from this serious Test that only "few" will believe was already known to Allah, as it was a pre decreed matter.** He is fully aware of the innermost thoughts of every human being. He is also the Knower of the future and Controls the destiny of each human being. **Iblees uttered the word "few" according to the predetermined plan of Allah, as this is what Allah wanted him to utter.** The following verses reveal that most people will always dispute with the Truth revealed by Allah through His messengers and will always break up the 'one congregation' into sects by disputing with the truth. The verses are secretly coded with the words "Al Samad – Absoluteness" and "the believers – Al Muhmineen" as you will see.

**11:118** Had your Lord willed, all the people would have been one congregation (of believers). But they will always dispute (the truth).

**11:119** Only those blessed with mercy from your Lord (will not dispute the truth). This is why He created them. The judgment of your Lord has already been issued: **"I will fill Hell with jinns and humans, all together."**

**Revealed:** The **Aleefs of Absoluteness** are 6 and 8 in each verse, **revealing the diff. of 2** while revealing the **sum of 14**, that is the Seven Pairs Miracle, Glory be to Allah. The Revelation of 2 (gods) points out to the vast number of disbelievers who dispute with the Truth and still choose to follow Iblees (satan) instead of believing in Allah and His Supreme Authority.

The Shahadah is composed of **12 letters of Allah with the GV of 165**. In Verse 11:118, the GV of first **12 letters of Allah does indeed reveal 165**, thus confirming that if Allah willed He could have forced the people to believe in Him and His Absoluteness. But He has given free will (see Verse 2:156) to the humans out of His mercy after providing them with all kinds of provisions on Earth to see who uses their minds, eyes and ears to recognize and appreciate His blessings. They should be able to see that satan cannot provide anything, nor does he control anything.

In **Verse 11:119**, the GV of first 12 letters of **Allah is 223**, to proclaim the believers who have been created to counter satan and his followers who refuse to believe in Allah as the Monotheist Lord of the Universe. Note that the sum of digits of 165 and 223 reveal the sum of 19 which represents the word "Waahid – One," proving that Allah is One.

**11:119 Part A:** Only those blessed with mercy from your Lord (will not dispute the truth).

**11:119 Part B:** This is why He created them.

**Revealed:** The GV of **messenger's letters** is 170 and 236 and the precise difference is **66**, proving that the messenger has been blessed with mercy from His Lord; therefore he follows the words of his Lord without disputing them or raising any kind of objection.

**Revealed:** The **Allah** letters are 3 and 4 in each part, **revealing the diff. of 1**.

**Revealed:** The **messenger's** letters are 6 and 6 in each part, revealing the glorified name **Allah 66, who is absolutely One and Alone**.

**\*\*\* Allah decided to appoint satan (as a temporary god) on Earth, despite concern expressed by the angels.**

**2:30** Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

**Revealed:** The Arabic letters in the verse are 110 to reveal the Absolute Authority of Allah in making this decision to appoint satan as a khalifa (ruler) on Earth. This was done to carry out the Test and to distinguish between the righteous and the evil.

**2:30 Part 1:** Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood."

**Part 2:** While we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

**Revealed:** The GV of **Allah letters** is 333 and 155 in each part, **the diff. is 178**, revealing the first name of the messenger Makbool, Subhan Allah. The wisdom behind revealing the name of the messenger is to confirm that he is a witness over the past history.

**2:30 Part A:** They said, "Will You place therein one who will spread evil therein and shed blood."

**Part B:** While we sing Your praises, glorify You, and uphold Your absolute authority.

**Revealed:** The **messenger's letters** are 15 and 16 in each part, **revealing the diff. of 1**.

**Revealed:** The GV of **Allah letters** is 107 and 30 in each part, **revealing the diff. of 77**, being the Seven Pairs Miracle to confirm the **Supreme Decision of Allah** despite the concern expressed by the angels.

**\*\*\* Iblees (satan's) arrogant and boastful claim to send all the humans astray except those devoted wholeheartedly to Allah.**

As stated in the Quran, the devil's power is NIL. Moreover, the devil admitted that Allah was his Creator, as the verses inform us.

**7:12** Part 1: He said, "What prevented you from prostrating when I ordered you?"

**Revealed:** The GV of **Allah** letters is **66**, confirming that Allah, the Supreme issued the command to all the angels to fall prostrate before Adam after creating him.

**7:12 Part 2:** He said, "I am better than he; **You created me from fire**, and created him from mud."

**Revealed:** The Allah letters are 8 and 9 in each part, **revealing the diff. of 1**. This is the incontrovertible proof that Allah is the only Creator and the verse is stamped with the "Revelation of 1" through His name letters.

**7:12 Part 1:** He said, "What prevented you from prostrating when I ordered you?" He (Iblees) said, "I am better than he (Adam)."

**Revealed:** The **messenger's letters are 14**, proving that satan disobeyed the command of his Lord by saying that he was better than Adam, as he was created from fire whereas Adam was created from mud.

**7:12 Part 2:** He (Iblees) said, "I am better than he (Adam)."

**Revealed:** The Allah letters are 5 and messenger's letters are 6, **revealing the diff. of 1**. This was an arrogant statement made by Iblees out of sheer ego that Allah created Adam from mud and asked him to prostrate to Adam whereas he was created from fire.

**7:12 Part:** You created me from fire, and created him from mud.

**Revealed:** The **messenger's letters are 14** and GV of **Allah letters is 66**, Subhan Allah. This is the clear proof that Allah is Omnipotent and can create anybody or anything, even with fire and mud.

**7:16** He said, "Since You have willed that I go astray, I will skulk for them on Your straight path.

**7:17** "I will come to them from before them, and from behind them, and from their right, and from their left, and You will find that most of them are unappreciative."

**Revealed:** The **Aleefs of Absoluteness** is 5 and 6 in each verse, **revealing the diff. of 1**. This was a vengeful statement from satan to mislead all the humans as he had been sent astray by Allah. He (satan) will approach the humans from before them, from behind them, from their right, and from their left, thus completely surrounding them to instill evil thoughts in them against Allah.

**17:64** "You may entice them with your voice, and mobilize all your forces and all your men against them, and share in their money and children, and promise them. ***Anything the devil promises is no more than an illusion.***

**38:82** He said, "I swear by Your majesty, that I will send them **all astray**.

**38:83** "Except Your worshipers who are absolutely devoted absolutely to You."

**Revealed:** The **Aleefs of Absoluteness** are 3 and 4, **revealing the diff. of 1**.

**Revealed:** The **messenger's letters** are 11 and 10 in each verse, **revealing the diff. of 1.**

**Revealed:** The **Allah letters** are 6 and 8 in each verse, **revealing the diff. of 2** to reveal the blasphemy and gross sin of Iblees for having challenged *Allah, the One, the Supreme*. The total **Allah letters** in both verses are **14**, revealing the Miracle of Seven Pairs and confirming that it happened with the pre decreed plan of Allah to put all the creatures to the Test.

**38:83** "Except Your worshipers who are absolutely devoted absolutely to You."

**Revealed:** The GV of **Allah letters** is 99 and GV of **messenger's letters** is 322, **revealing the diff. of 223**. The number represents the word "the believers." Satan knew that some of the humans created by Allah will be absolutely devoted to Him in upholding His Absolute Authority. Such righteous souls will readily accept the Truth from their Lord and reject the falsehood propagated by satan.

**22:52 Part 1:** We did not send before you any messenger, nor a prophet, without having the devil interfere in his wishes.

**Part 2:** **Allah** then nullifies what the devil has done. **Allah** perfects His revelations. **Allah** is Omniscient, Most Wise.

**Revealed:** The **Allah letters** are 19 and 19 in each part, to confirm that Allah protects His prophets and messengers from the devil's wishes and nullifies what the devil has done. This proves that Allah is Supreme over His creatures and has Absolute Authority over them.

**22:53** He thus sets up the devil's scheme as a test for those who harbor doubts in their hearts, and those whose hearts are hardened. The wicked must remain with the opposition.

**Revealed:** The **Aleefs of Absoluteness** are **7** in the entire verse. The devil's scheme to mislead the people is really Allah's scheme to put those who harbor doubts in their hearts and those whose hearts are hardened to the test. Allah has willed that the wicked remain with the opposition.

**\*\*\* The devil fears Allah and His retribution:**

**8:48 Part:** But as soon as the two armies faced each other, he turned back on his heels and fled, saying, "I disown you. I see what you do not see."

**Revealed:** The GV of **Allah letters** is **Perfectly 165**, proving that the devil is a coward. What the devil promises is no more than an illusion; when it comes to the disbelieving army losing the war, the devil turns back on his heels and flees, saying that he disowns them and sees what they do not see.

**Part:** Saying, "I disown you. I see what you do not see."

**Revealed:** The GV of **Allah letters** is **Perfectly 66**. So why did the devil disown the people he was trying to support, as he sees Allah, the Almighty and in the last part of the verse, he admits that he fears Allah as His retribution is awesome.

**Part (a)** I am afraid of **Allah**.

**Part (b)** **Allah's** retribution is awesome.

**Revealed:** The Allah letters are 7 and 7 in each part, revealing the glorified Miracle of 7 Pairs.

**Revealed:** The GV of messenger's letters in Part (a) is 110, to explain that the devil is in fact afraid of Allah and His awesome power as the Absolute Lord, and His retribution is awesome.

**59:16** They are like the devil: he says to the human being, "Disbelieve," then as soon as he disbelieves, he says, "I disown you. I fear **Allah**, Lord of the universe."

**14:22 Part 1:** And the devil will say, after the judgment had been issued.

**Revealed:** The GV of **Allah letters** is **125**, proclaiming "**Al Aziz – the Almighty.**"

**Part 2:** **ALLAH** has promised you the truthful promise, and I promised you, but I broke my promise. I had no power over you; I simply invited you, and you accepted my invitation. Therefore, do not blame me, and blame only yourselves. My complaining cannot help you, nor can your complaining help me.

**Revealed:** The GV of **Allah letters** is a **Perfect 383**, proclaiming "Al Quran." Allah's promise is the Truth that those who believe in Him without following the devil and uphold the entire Quran, they will be forgiven and redeemed in the Hereafter. The devil's promise was and is an illusion as he has no power and is unable to fulfill his promise.

**Part 3:** I have disbelieved in your idolizing me. The transgressors have incurred a painful retribution.

**Revealed:** The GV of **Allah letters** is **162** for Al Islam or Submission. Here, the devil makes a final admission that he has disbelieved in all the people who idolized him and stood against Allah's decreed religion of Submission. The transgressors will suffer a painful retribution along with the devil for going against Submission.

After Muhammad, prophet and messenger of Allah, the Most Gracious sent Rashad Khalifa as a messenger in the 1980's and he proclaimed to be a messenger in 1988. He was sent to proclaim the Absolute Authority of Allah, to remove two false verses that were injected in the Quran earlier, and to remove all distortions, fabrications, and concealment of verses. He was given the task to purify the Quran through the Miracle of 19 that was revealed and inspired to him. During his life there were a few believers while there was some who argued with him thus violating the Quranic command about arguing and disregarding the messenger. On January 31, 1990, a disbeliever encouraged by some Arab nations, entered the masjid at night that he used to frequent to work on the authorized English Translation and killed him. He died as a martyr.

Soon after his death, his followers disputed with each other, and started translating the Quran in various languages thinking that they were doing a good deed. They forgot that they were committing idol worship by translating the words of Allah without His Authorization and Approval. They were

unappreciative of Allah's blessing of receiving a messenger, and the infighting started soon after the death of Rashad Khalifa. They broke the "one congregation" into many different disputing sects and some of them claimed to be messengers without Proof from Allah. Because of their infighting, the devil made all of them averse to the word 'messenger' and made them disbelieve in future messengers and the ongoing revelations against the command of Allah. ***Thus all of them became idol worshipers except a few.*** The few are those who have believed in messenger Makbool and made a pledge to uphold the Absolute Authority of Allah thus becoming believers again.

If you study the Quran carefully, you will note that all the past messengers had very few believers to believe and support them. Noah lived 950 years on Earth and preached the message of monotheism to his people. Most of them mocked him and rejected the message. Finally when Allah's retribution came, only a few were saved in the boat that he built himself with logs and ropes with inspiration from Allah. Noah's wife and son were doomed and annihilated as they had betrayed the messenger. So was Lot's wife condemned to Hell. (Verses 66:10-12)

Abraham preached the truth of Islam during his life to the people and was granted immense blessings and wisdom from his Lord. In the end, there was only one house of submitters and they were the only believers.

**51:35** We then delivered all the believers.

**51:36** We did not find in it except ***one house of submitters.***

**Revealed:** The **Allah letters are 7 and 7** in each verse, confirming the Truth of Allah's narration about one house of submitters at the time of Abraham.

Similarly, Moses and Aaron, Jesus, Ismail, Isaac, Jacob, Job, Jonah, Solomon, David and many more prophets and messengers were all rejected ***and had only a few believers who followed each of them.*** Allah has mentioned in the Quran that this has been the system that will never change. Some of the prophets and messengers are named in the Quran while some are not. It is hard to ascertain how many prophets and messengers have been sent to guide the people since the time of Adam, as Allah has not revealed the names and numbers of those.

**4:164** Messengers we have told you about, and messengers we never told you about. And **Allah** spoke to Moses directly.

**Revealed:** The **Allah letters** are 17 and **messenger's letters** are 36, **revealing the diff. of 19.** This proves that the named and appointed messengers had no idea about the other unnamed messengers, how many they were, and what their names were. This is one of Allah's Secrets.

**6:34 Part 1:** Messengers before you have been rejected, and they steadfastly persevered in the face of rejection. They were persecuted until our victory came to them.

**Revealed:** The **Allah letters** are 12 and **messenger's letters** are 26, **revealing the diff. of 14.**

**Part 2:** Such is Allah's system that will never change.

**Revealed:** The **Allah letters** are 9 and **messenger's letters** are 10, revealing the diff. of 1.

**Part 3:** The history of My messengers thus sets the precedents for you.

**Revealed:** The **messenger's letters are 14**, to confirm the history of Allah's messengers who have been rejected and persecuted in the past, until victory came to them from the Almighty Lord.

**7:100 Part 1:** Does it ever occur to those who inherit the earth after previous generations.

**Part 2:** That, if we will, we can punish them for their sins, and seal their hearts, causing them to turn deaf?

**Revealed:** The **Aleefs of Absoluteness** are 5 and 4 in each part, revealing the diff. of 1.

**Revealed:** The **Allah letters** are 13 and 12 in each part, revealing the diff. of 1.

\*\* It is Allah mercy on those who inherit the earth after previous generations, that if He willed he could punish them for their sins, and seal their hearts, causing them to turn deaf.

**7:101 Part 1:** We narrate to you the history of those communities:

**Part 2:** Their messengers went to them with clear proofs.

**Part 3:** But they were not to believe in what they had rejected before.

**Part 4:** Allah thus seals the hearts of the disbelievers.

**Revealed:** The entire Verse is marked with **14 Aleefs of Absoluteness.**

**Revealed:** The **Allah letters** are 8-7-8-9 in each part, revealing the diff. of 1.

**Revealed:** In Parts 1-2, the messenger's letters are 24 and in Parts 3-4, the messenger's letters are 32. Placing these revealed numbers side by side, we get 2432, that is **19 x 128**, revealing the last name of the messenger, Husain, **Glory be to Allah.**

**7:102 Part 1:** We found that most of them disregard their covenant.

**Part 2:** We found most of them wicked.

**Revealed:** The **Allah letters** are 6 and 5 in each part, revealing the diff. of 1. The essence behind these verses and their proofs is that Allah has sent messengers with clear proofs to many communities in the past, but they rejected them as their parents and ancestors had also rejected the messengers. The human beings are commanded not to follow their parents blindly, as each one of them has made a covenant with Allah before coming to earth. Due to their disregard of their covenant, they turn wicked, and will be condemned to Hell in the Hereafter.

**11:116 Part 1:** If only some of those among the previous generations possessed enough intelligence to forbid evil on Earth.

**Part 2:** Only a few of them deserved to be saved by us. As for the transgressors, they were preoccupied with their material luxuries; they were guilty.

**Revealed:** The **Allah letters** are 18 and 20 in each part, revealing the diff. of 2 (gods).

**Revealed:** The **messenger's letters** are 31 and 32 in each part, **revealing the diff. of 1**. Most people are transgressors who live a worldly life; moreover, they are idol worshipers who will be sent to the Fire of Hell.

**Part:** *Only a few of them deserved to be saved by us.*

**Revealed:** The **messenger's letters are 14**, revealing and confirming through the Miracle of Seven Pairs, that the few who have deserved **Allah's mercy** to be saved by him are the righteous who believed and followed His messengers.

**11:118 Part 1:** Had your Lord willed, all the people would have been one congregation (of believers).

**Part 2:** But they will always dispute (the truth).

**Revealed:** The GV of **Allah letters** in the entire verse is 226 and GV of **messenger's letters** is 560 (a multiple of 14), the sum of both is **786** proclaiming "***Bismillah Al Rahman Al Raheem.***" This is the opening Statement of the Quran and is the Profound Proof behind Allah's narration that if He had willed, He could have made all the humans one congregation of believers without putting them to the Test, but that was not clearly His will. The humans have to go through the Test on Earth, in order to distinguish between the righteous and the evil.

**Revealed:** The GV of the first **12 letters of Allah is precisely 165**, revealing the proof for the Shahadah "La Elaha Ella Allah" and His Absolute Authority of Al-Samad.

**11:117** Your Lord never annihilates any community unjustly, while its people are righteous.

**Revealed:** The **Allah letters are 14** in the Verse, proving that **Allah** never annihilates the righteous people and the righteous community, while there is no guarantee for the wicked and the unjust.

**41:35 Part 1:** None can attain this except those who steadfastly persevere.

**Part 2:** None can attain this except those who are extremely fortunate.

**Revealed:** The **messenger's letters** are 11 and 10 in each part, **revealing the diff. of 1**. This revelation through the letters of the messenger is Allah's testimony regarding him and the sincere believers.

All the Muslims, Christians, Jews, and people of other faiths have rejected Allah and His Eternal Living Existence. When asked who is behind the hurricanes, tornadoes, tsunamis, droughts, and other calamities and disasters, their response is 'mother nature.' If you ask them to explain what it means and who is 'mother nature', they have no idea, yet they continue to say out of sheer ignorance and arrogance. They have no comprehension about ***the Eternal Living Existence of 1 God, Allah, who has created and controls everything, including each atom in the Universe.*** All the disbelievers and idol worshipers follow the devil without knowing and realizing that they are worshipping and following their lord and master, Iblees, who is powerless and only has the ability to lead them astray.

See Verses 14:22 and 8:48. On the Day of Judgment, he will disown the billions of people who followed him and they will all suffer by being condemned to Hell and the Fire.

***This part on the 1.6 billion Muslims on earth right now has proved that none of them will qualify to be redeemed in the Hereafter, except a few. Their fate will be the Hellfire for eternity. You have observed and seen that the original number of people on earth at this time of approx. 7 billion has rapidly shrunk to 3.3 billion that comprises of other religions as we shall see.***

***\*\*\* The next group of people is the Hindus and the Buddhists. Together, they comprise of 1.4 billion people with 1 billion Hindus and the remainder for the Buddhists.***

You all know that the Hindus worship several different gods, ranging from the cow to the Ganges River that they consider to be holy, as well other gods that are the creatures of Allah. In short, they have deviated from the right path and worship idols that have no power to help or harm them. They are all far astray from the right path and therefore will be condemned to Hell.

As for the Buddhists, they worship their god Buddha, a powerless idol and do not believe in One God as Lord of the Universe. Their fate in the Hereafter will be the same as Hindus and other idol worshippers.

***After striking out the Hindus and the Buddhists as idol worshippers, the number of people left to be considered has shrunk to 2 billion or a little more.***

***\*\*\* The Jews and those who follow Judaism are approx. 20-25 million in the world. They are mostly in Israel, United States, Canada, Europe, and some in the Middle Eastern countries. They believe in Torah, but they have come out with human authored books such as the Mishna and Gemarrha, that is their version of human hadees. They were invited to believe in Prophet Muhammad and the Quran, but most of them turned a blind eye and rejected the invitation of Allah. The religious practices that they follow are all based on innovation, conjecture and hearsay from the past. During the time of Moses, many of them were too arrogant and asked him to show Allah (God) physically in order for them to believe. There is a long history of the Jews disobeying and even killing the prophets and messengers of Allah. At one point, in Moses absence while Aaron was in charge over them, they were misled by satan in to worshipping the calf by making it out with their jewelry and thus committed idolatry.***

***\*\*\* Sikhism: They are about 23 million people who follow this religion. They are the offshoot from Hindus and Muslims. This religion was borne about 6-7 centuries ago; the founder of Sikhism was Guru Nanak. Later on there were other gurus who took his place after his death. The Sikhs do believe in one God, but they do not believe and carry out the commands of Allah that are a prerequisite for Submission to Him. They do not believe in the Prophets and Messengers of Allah that have sent over time to guide the people to righteousness. Therefore, they are considered idol worshippers in the view of Allah and they will also join the other disbelievers to the path of Hell.***

Then there are other religions that most of us have never heard about, but they do exist, though in smaller numbers.

| <b>Religion</b>   | <b>Number of followers</b> |
|---|----------------------------|
| The secular, the nonreligious, the agnostic and the atheist | about 1.1 billion          |
| Chinese traditional religion                                | 394 million                |
| Various Ethnic Religions                                    | 300 million                |
| African traditional religions                               | 100 million                |
| Spiritism   | 15 million                 |
| Baha'i  | 7 million                  |
| Jainism   | 4.2 million                |
| Shinto  | 4 million                  |
| Cao Dai   | 4 million                  |
| Zoroastrianism  | 2.6 million                |
| Tenrikyo  | 2 million                  |
| Neo-Paganism  | 1 million                  |
| Unitarian Universalism                                      | 800 thousand               |
| Rastafarianism  | 600 thousand               |

***The number of people following the above religions is about 2.5 billion, and none of these religions are based on the revealed scriptures from Allah Ta'ala. Therefore, they are considered disbelievers and idol worshipers and will suffer the fate of Hell in the Hereafter, just like the other idol worshipers from many religions.***

This was the summary of the 7 billion people on earth. The overwhelming majority of them are considered to be idol worshipers, save and except a few who were or are believers during the lives of the messengers. Allah, Most Wise, has stated the absolute Truth of His pre decreed plan to save only a few people who believed in Him, His Supremacy over everything, His System of messengers, His revelations, and the Day of Judgment.

**24:25** On that day, **Allah** will requite them fully for their works, and they will find out that **Allah** is the Truth.

**Revealed:** The **Allah** letters are 19 and **messenger's** letters are 33, **revealing the diff. of 14**. The believers acknowledge that Allah is the Truth, and the disbelievers will find out on the Day of Judgment that indeed Allah is the Truth and the messenger brought the Truth from his Lord.

**31:30** This proves that Allah is the truth, while any idol they set up beside Him is falsehood, and that **Allah** is the Most High, Most Great.

**22:62** It is a fact that **Allah** is the Truth, while the setting up of any idols beside Him constitutes a falsehood, and that **Allah** is the Most High, the Supreme.

**Revealed:** The **Allah** letters are 26 and 27, **revealing the diff. of 1**. The Revelation through the letters of Allah has proved that He is the Most High, the Most Great, the Supreme, and

the Truth. The disbelievers who follow satan and their unauthorized leaders worship powerless idols and follow gross falsehood without any kind of proof.

If Allah wills, he can annihilate all the people on Earth and substitute with a new creation. This is easy for Allah to do.

**14:19** Do you not realize that **Allah** has created the heavens and the earth for a specific purpose? If He wills, He can remove you, and substitute a new creation in your place.

**4:133** If He wills, He can annihilate you, O people, and substitute others in your place. **Allah** is certainly able to do this.

**Revealed:** The **Allah** letters are 20 and 19 in each verse, **revealing the diff. of 1**. It is the people who need Allah and His provisions, while Allah is in no need of anyone. He is Supreme over His creatures.

**Peace be upon the messengers.**

**PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.**
