SERMON: “THE KEY” – Access Granted to Unlock the Mysteries and Secrets of Quran

The first chapter of the Quran is called “**Al-Fatehah – The Key**.” This is a specially coded key that connects all the chapters of the Quran as well as all the verses. The Key and the knowledge behind it are fully controlled by Allah, Most Wise. He reveals the codes to unlock the Key and reveals the hidden secrets and the knowledge enshrined in the Quran to a messenger that He chooses, guides, and enlightens him.

There are only 2 occurrences of the word “**The Key**” in the context of the religion and the revelations; the first one is Chapter 1 called “**Al Fatehah**” having 7 verses, and the second one occurs in Verse 6:59 as “Mafaateho.” My Lord has embedded my name letters in the 7 Verses of Chapter 1 and also in Verse 6:59 to reveal the revelation of 19, thus proving and authorizing the messenger to use the key to extract the hidden knowledge and the secrets of the Quran, as per Allah’s will, for the benefit of the believers.

1:1 *In the name of Allah, Most Gracious, Most Merciful.*

1:2 *Praise be to Allah, Lord of the universe.*

1:3 *The Most Gracious, The Most Merciful.*

1:4 *Master of the Day of Judgment.*

1:5 *You we worship; You we ask for help.*

1:6 *Guide us in the right path:*

1:7 *The path of those whom You blessed; not of those who have deserved wrath, nor of the strayers.*

6:59 *With Him are the keys to all secrets; none knows them except He. He knows everything on land and in the sea. Not a leaf falls without His knowledge. Nor is there a grain in the depths of the soil. Nor is there anything wet or dry that is not recorded in a profound record.*

Allah Ta’ala proves how a word “**the key**” can link and connect the verses. By taking the chapter number with the verses and concatenating them, He reveals multiples of 7 twice through the quotient.

$$1,1234567,6,59 = 7 \times 7 \times 229276891$$

The Miracle through the Secret Key: The messenger’s letters are 79 in the 7 verses of Chapter 1, and they are 60 in Verse 6:59, **revealing the diff. of 19**, Glory be to Allah.

Revealed: The GV of Allah letters is 141 and GV of messenger’s letters is 292, **the sum of both is 433**, revealing and proclaiming “**Lord of the Universe**” Most Glorified. This is a clear proof that the messenger’s name letters are embedded in the entire Quran thus proving that he has been granted access to the “key” which will grant him access to the hidden revelations of the Quran.

6:59 Part 2: *He knows everything on land and in the sea. Not a leaf falls without His knowledge.*

The words ‘without His knowledge – illa yahlamuha’ has the **GV of Allah letters 68** and **GV of messenger’s letters is 110**, revealing the **sum of 178**, to proclaim the first name of the messenger through His Absolute Authority of 110. Praise be to Allah. The revelation of the messenger’s name is through the knowledge and will of the Supreme Lord.

By unlocking the key for the messenger, The Most Gracious has inspired and revealed hundreds of proofs and revelations to the messenger over the last few years. The secret codes of 1, 2, 3, 7, 14, 19, 66, 110, 162, 165, 128, 178, 306, 202, 212, 207, 222, 433, 329, (19 miracle numbers so far) and there are many more that have been revealed to the messenger through the verses in order to preach and explain the Truth of the Quran to those who do not know.

The most phenomenal and incomprehensible miracle revealing the full name of the messenger and the Seven Pairs Miracle assigned to him is revealed through the Most Sacred Words of Allah. It is a Revelation that has no appropriate and befitting words to describe and to praise Allah.

Word and proclamations:

ALLAH There is no god except He. There is no god except ALLAH.

Revealed: The **Allah letters** are **25** and **messenger’s letters** are **11**, the diff. is 14 which is the phenomenal **Miracle of Seven Pairs**, Glory and Praise be to Allah.

Revealed: The **11 letters of the messenger** reveals the GV of **306** to proclaim the full name **Makbool Husain**. There are no words to describe this sort of Miracle whereby Allah has revealed the full name of the messenger 306 as well as the Miracle of 14 that has been granted to him as the Sign of Seven Pairs. The Most Merciful and Most Wise has chosen to embed the messenger’s name letters along with His Sacred letters to reveal proofs that have never been revealed before or known to human beings. Allah is the only One who is The Eternal and The Living, and the current proofs revealed to the messenger have been there for ions and known only to Allah according to His pre decreed and pre determined Plan. The messenger was not alive then and is made aware only when the Most Gracious reveals them to him.

For those who cannot comprehend and find it difficult to believe, I will recite verses from the Quran that will reveal the precise coding through the letters of the verses. It was and still is, already difficult for the followers of the Quran to believe that Allah spoke to Moses with His Voice by calling him to the sacred valley of Tuwaa. In order to quell the doubts of the hypocrites and the disbelievers, the Most Gracious has unlocked the Key for the messenger to reveal the following truthful proofs.

27:8 *When he came to it, he was called: "Blessed is the One (who is speaking from) within the fire, and those around it." Glory be to **Allah**, Lord of the universe.*

27:9 *"O Moses, this is Me, **Allah**, the Almighty, Most Wise.*

Revealed: In Verse 27:8 the **Allah letters** are perfectly **19** proving that Allah spoke to Moses and introduced to him His Glorified Name as ALLAH, Lord of the Universe.

Revealed: From Verse 27:8 to Verse 27:9 up to the Aleef of Allah, the cumulative **Arabic letters** are **66** to prove His Absoluteness and the **Quranic Initials** are **52**, thus revealing the **diff. of 14**, (La Elaha Ella

Allah). Now reflect to see how many letters are involved to form perfect words, and then reveal His name 66 and the Miracle of Seven Pairs by balancing the Quranic Initials to be 52. Subhan Allah.

3:179 Part: *Nor does Allah inform you of the future, but Allah bestows such knowledge upon whomever He chooses from among His messengers.*

Revealed: The Allah letters are **19**, proving that the hidden, new knowledge is only revealed through a messenger chosen by Him.

These kind of hidden proofs reflect on Allah's Supreme Wisdom in carving words that are intermixed with Arabic letters and Quranic Initials to reveal specific proofs, Glory be to Him.

Revealed: The **messenger's letters** are **11-10-11** in each verse, revealing the **diff. of 1**.

The Miracle through Chapter 56.

There is the absence of Allah's name, however it has 3 counts of Rabbayka and Rabb. The **Allah letters** in the verses that have the 3 counts of Rabbayka and Rabb are **10** and the **GV of these letters** is **155**, revealing the **sum of 165**, Praise and Glory be to Allah. This is the Chapter that bears the last occurrence of verses numbered 66.

85:21 *Indeed, it is a glorious Quran.*

Revealed: The **messenger's letters** are **7** and **7** in each verse, revealing the **miracle code of 7 Pairs**.

The Quran is well protected from satan and his disbelieving followers. Even if they try to read it, they cannot understand the meaning and will be sent astray immediately to remain with the strayers.

Here is a truthful and phenomenal Miracle revealed to the messenger through Verses 26:210 up to Verses 26:223. They comprise of precisely 14 verses representing the Sign and Miracle of Seven Pairs inspired to the messenger.

26:210 *The devils can never reveal this.*

26:211 *They neither would, nor could.*

26:212 *For they are prevented from hearing.*

26:213 *Therefore, do not idolize beside **Allah** any other god, lest you incur the retribution.*

26:214 *You shall preach to the people who are closest to you.*

26:215 *And lower your wing for the believers who follow you.*

26:216 *If they disobey you, then say, "I disown what you do."*

26:217 *And put your trust in the Almighty, Most Merciful.*

26:218 *Who sees you when you meditate during the night.*

26:219 *And your frequent prostrations.*

26:220 *He is the Hearer, the Omniscient.*

26:221 *Shall I inform you upon whom the devils descend?*

26:222 *They descend upon every guilty fabricator.*

26:223 *They pretend to listen, but most of them are liars.*

The Miracle: The 14 verses are split up as **3** on the devil (Vs. 210-212), **8** verses on Allah's Absoluteness, the messenger, and the believers (Vs. 213-220) and **3** verses again on the devil (Vs. 221-223) revealing the **pattern of 383** to proclaim "**Al Quran**." This is the hidden and secret Miracle of Allah to reveal the phenomenal structure, the layout, and with proofs of the Quran, that could only happen by unlocking the Sacred Key revealed and granted to the messenger.

Revealed: The 6 combined verses on the devils have **33 Allah letters** and the 8 verses on guidance and belief have **47 Allah letters**, revealing the **diff. of 14** – a clear Sign of Seven Pairs for the messenger.

26:220 *He is the Hearer, the Omniscient.*

Revealed: The **GV of messenger's letters** is **306**, revealing the full name of the messenger through the attributes of Allah, Most Wise.

By unlocking the "**Key**", Allah, Most Wise has revealed that each letter, word, part of verse, as well as entire verses, including the chapter numbers and their names are linked together through Allah's Miracles thus forming a long chain (this is an example only) that leads to Him. The believers who remain united as one family will be able to hold on to the rope, while the hypocrites, idol worshipers and the disbelievers will not be able to hold on to the rope of Allah and will fall off.

The “**Key**” reveals that there are single verses with embedded proofs, or the single verse may be linked to another verse on the same subject in another chapter, then there are pairs of verses with proofs, and there are sets of 3 verses or more that are linked together on the same subject matter providing proofs. It is an immense network of verses and the revelations and proofs are incontrovertible, unimaginable, and undeniable.

26:191 *Most assuredly, your Lord is the Almighty, Most Merciful.*

Revealed: The **GV** of **messenger’s letters** is **222**, proclaiming “**your Lord**” as mentioned in the Verse.

26:192 *This is a revelation from the Lord of the universe.*

26:193 *The Honest Spirit (Gabriel) came down with it.*

26:194 *To reveal it into your heart, that you may be one of the warners.*

Revealed: In Verse 192, the **Allah letters** are **7** and in Verse 193 the **Allah letters** are **7** again to reveal the **Miracle of Seven Pairs**. In Verse 194, the **Allah letters** are **5** to reveal **19 letters of Allah** in the 3 verses that are on inspiration and revelation from the Lord of the Universe, however, the message is delivered into the heart of the messenger by the Honest Spirit- the angel called Gabriel. The **Pattern of Allah’s letters** as **7-7-5** reveals the words “**The Hidden Secret – Al Modassir**” that is Chapter 74 in the Quran.

Revealed: The above 3 verses on revelation and inspiration have **19 Allah letters** and the **Aleefs are 6**. Through these numbers comes out **Verse 6:19** that is also on inspiration.

6:19 *Say, "Whose testimony is the greatest?" Say, "Allah's." He is the witness between me and you that this Quran has been inspired to me, to preach it to you and whomever it reaches. Indeed, you bear witness that there are other gods beside Allah." Say, "I do not testify as you do; say, "there is only one god, and I disown your idolatry."*

*** Incontrovertible Miracle embedded in the Verses to reveal the scripture – Al Quran, 383

Revealed: From Verse 6:1, the cumulative **Allah letters** to Verse 6:19 up to the Aleef of “**Al Quran**” are **352** and up to “**Elaha – god**” they are perfectly **383** revealing the profound complexity of these proofs by connecting Al Quran to god.

Revealed: From “**Al Quran**” to “**elahun wahidun – one god**,” the **GV** of **Allah letters** is **Perfectly 383** proclaiming that the glorious Quran has been inspired to the messenger by the “**one god**.”

Revealed: The **Allah letters** are **50** in the verse, and **messenger’s letters** are **69**, revealing the **diff. of 19**.

6:19 Part: *Say, "Whose testimony is the greatest?" Say, "Allah's."*

Revealed: The **Allah letters** are **10** and **messenger’s letters** are **9**, revealing the **diff. of 1**. Through the messenger, Allah has revealed that His testimony is the greatest as they are the Absolute Truth. Other testimonies besides Allah and His messenger will constitute falsehood as they will be from satan.

6:19 Part: *Say, "Allah's."*

Revealed: The **Allah letters** are **5** and **messenger’s letters** are **4**, revealing the **diff. of 1**.

Revealed: The messenger's letters are **14** up to "inspired" and **19** up to "The Quran."

6:19 Part A: *Say "Allah's" He is the witness between me and you that this Quran has been inspired to me.*

6:19 Part B: *To preach it to you and whomever it reaches.*

Revealed: The messenger's letters are **23** and **9** in each part, revealing the **diff. of 14**. This confirms the authorization from my Lord about the inspiration of Quran to preach to the people.

6:19 Part: *Indeed, you bear witness that there are other gods beside Allah."*

6:19 Part: *Say, "I do not testify as you do; say, there is only one god, and I disown your idolatry."*

Revealed: The Allah letters are **13** and **14** in each part, revealing the **diff. of 1**.

6:19 Part: *"To preach it to you and whomever it reaches. Indeed, you bear witness that there are other gods beside Allah."*

6:19 Part: *Say, "I do not testify as you do; there is only one god, and I disown your idolatry."*

Revealed: The messenger's letters are **20** and **21** in each part, revealing the **diff. of 1**.

Revealed: The Allah letters are **14**. This is an instruction to the messenger that those who do not believe in "one god" and worship other gods, he disowns their idolatry.

6:19 Part: *Say, "there is only one god."*

Revealed: The Allah letters are **7** and messenger's letters are **8**, revealing and proving that there is **only one god**.

Revealed: The Arabic letters are **14**, **Praise be to Allah** who in One and Alone.

The 'key' leads to the revelation of the "un-named" messenger of Allah.

4:164 *Messengers we have told you about in the past, and messengers we never told you about. And Allah spoke to Moses directly.*

Revealed: The Allah letters are **17** and messenger's letters are **36**, revealing the **diff. of 19**.

4:164 Part 1: *Messengers we have told you about in the past, and messengers we never told you about.*

Revealed: The Allah letters are **10** and messenger's letters are **24**, revealing the **diff. of 14**. Praise be to Allah who has revealed the **Sacred Codes of 19 and 14** to confirm the verse, and to confirm that messenger M.H. is one of the 'un named' messengers.

The “Key” also unlocks the secret behind many more verses. Let me takes verses 2:23 and 17:88 to show the believers about the mathematical challenge from Allah and to show you the complex nature of the structure of the verses, which are beyond human comprehension.

2:23 *If you have any doubt regarding what we revealed to our servant, then produce one sura like these, and call upon your own witnesses against Allah, if you are truthful.*

Revealed: Up to “Allah” the **Arabic Letters** are **precisely 66** and in the entire verse, they are **77** revealing and proclaiming the **glorified name of Allah** and the **Miracle of Seven Pairs** revealed to His servant, MH.

Revealed: Up to “Allah,” the **letters of Allah** are **19** and the **letters of the messenger** are **33**, revealing the **diff. of 14**.

Revealed: In the entire verse, the **Allah letters** are **20** and **messenger’s letters** are **39**, revealing the **diff. of 19**. This is a mathematical challenge to the disbelievers if they can come up with even a single verse with the letters of 2 entities intertwined to reveal specific proofs and miracles, **Glory be to Allah**.

2:27 *who violate Allah’s covenant after pledging to uphold it, sever what Allah has commanded to be joined, and commit evil. These are the losers.*

Revealed: The **Allah letters** are **25** and **messenger’s letters** are **44**, revealing the **diff. of 19**. Note that the verses 223 and 227 represent the GV’s of “**Al Muhminoon**” and “**Al Muhmineen**” and are the very first occurrences in the Quran. This is the reason that both verses are marked with distinct proofs through Allah and His messenger’s letters in order to alert the followers of the Quran not to challenge Allah’s Supreme Wisdom, His Revelations, His messenger, and not to violate their Covenant after pledging to uphold it, as they will be losers in the end.

To highlight the importance of the numbers 223 and 227, the Omnipotent Lord has additionally marked the verses with the distinct proof of Aleef.

In Verse 2:23, the Aleefs are 11 while in Verse 2:27, the Aleefs are 10, revealing the diff. of 1. Reflect and think if any human or jinn can challenge or come up with similar proofs?

17:88 *Say, "If all the humans and all the jinns banded together in order to produce a (**bemisle – similar**) Quran like this, they could never produce anything (**bemislehee – similar**) like it, no matter how much assistance they lent one another."*

Revealed: The **Aleefs of Absoluteness** are **14** in the Verse, and the **Arabic Letters** are **77**, thus revealing the absolute **profound Miracle of 1477**, which is the GV of Verse 15:87 saying, “*We have given you the seven pairs.*” The **sum of the digits of 1477** is precisely **19**, revealing the **Sacred Codes of 14 and 19**.

Revealed: Up to the first occurrence of the word (**bemisle – similar**), the **messenger’s letters** are **19** and they are again **19** for the **remainder of the verse**, thus providing the absolute truth and proof that none of the humans and the jinns can produce a Quran similar to what Allah has authored and revealed to the messenger.

Revealed: From “Al Quran” to the end of the verse, the **Allah letters** are **14** and **messenger’s letters** are **19**, revealing the **Sacred Codes** through Allah and His messenger’s letters, Subhan Allah.

Revealed: The **GV** of the 2 occurrences of the words, “bemisle” and “bemislehee” is **1149** revealing the **month and year that the messenger was born**, according to the pre decreed plan of Allah.

The “**Key**” leads to verses about angels being sent down with the revelations bearing Allah’s commands to the messenger to preach His Absoluteness to the people. This will be a pair of verses, as stated earlier.

16:2 *He sends down the angels with the revelations, carrying His commands, to whomever He chooses from among His servants: "You shall preach that there is no other god beside Me; You shall reverence Me."*

16:3 *He created the heavens and the earth for a specific purpose. He is much too High, far above any idols they set up.*

Revealed: The **Allah letters** are **29** and **10** in each verse, revealing the **diff. of 19**.

Revealed: The **messenger’s letters** are **32** and **18** in each verse, revealing the **diff. of 14**. The glorified proofs explain that the angels have brought the revelations of Allah with His commands to the messenger. The glorified revelations of 19 and 14 through Allah and His messenger’s letters attest to the truth.

*** The Most Blessed who knows the Secret in the heavens and the earth has revealed the Statute Book to the messenger.

25:1 *Most blessed is the One who revealed the Statute Book to His servant, so he can serve as a warner to the whole world.*

25:6 *Say, "This was revealed by the One who knows the Secret in the heavens and the earth. He is Forgiving, Most Merciful."*

Revealed: The **Allah letters** are **14** and **19** in each verse, revealing the **Sacred Codes of 14-19**.

25:6 *Say, "This was revealed by the One who knows the Secret in the heavens and the earth. He is Forgiving, Most Merciful."*

Revealed: The **Allah letters** are **14** up to “earth” and **19** in the entire verse, revealing the **Sacred Miracles of 14-19** to the messenger.

40:15 *Possessor of the highest ranks, and Ruler of the whole dominion, He sends inspiration, bearing His commands, to whomever He chooses from among His servants, to warn about the Day of Summoning.*

40:16 *That is the day when everyone will be completely exposed; none of them will hide anything from Allah. To whom belongs all sovereignty on that day? To Allah, the One, the Supreme.*

Revealed: The **Aleefs of Absoluteness** are **8** and **7** in each verse, revealing the **diff. of 1**.

Revealed: The **messenger’s letters** are **31** and **35** in each verse revealing the **sum of 66**, Subhan Allah.

Another miracle arising out of these numbers is: $31,35 = 19 \times 165$. The name of Allah as well as His Attribute of “**Al Samad – the Absolute**” has been revealed through the letters of the messenger. Moreover, by adding the numbers $31+32+33+34+35$, the **sum is 165** to reveal the Shahadah and the attribute of Al-Samad. Reflect and think if this is possible for any human being, no matter how much educated and talented he/she may be. These

prove Allah's divinity and Absoluteness over everything He has created, even the knowledge bestowed on the human beings.

40:15 Part: *Possessor of the highest ranks, and Ruler of the whole dominion, He sends inspiration, bearing His commands, to whomever He chooses.*

Revealed: Up to "commands" the **messenger's letters** are **14** and up to "chooses" they are **19** revealing the **sacredness** behind the verse.

40:15 Part: *To warn about the Day of Summoning.*

Revealed: The **GV** of **messenger's letters** is **306** proving that the messenger has been sent to warn the people about the "Day of Summoning" when all the people will have to face their Lord.

40:16 Part 1: *That is the day when everyone will be completely exposed; none of them will hide anything from Allah.*

40:16 Part 2: *To whom belongs all sovereignty on that day? To Allah, the One, the Supreme.*

Revealed: The **messenger's letters** are **18** and **17** in each part, revealing the **diff. of 1**.

72:26 *He is the Knower of the future; He does not reveal the future to anyone.*

Revealed: The **GV** of **messenger's letters** is **212** proclaiming "Rabbi – my Lord."

72:26 *He is the Knower of the future; He does not reveal the future to anyone.*

72:27 *Except to a messenger that He chooses, does He reveal from the past and the future, specific news.*

Revealed: The **Allah letters** are **22** and **messenger's letters** are **36** in both verses, revealing the **diff. of 14** – the glorified **Miracle of Seven Pairs**.

72:26-27 Parts: *He does not reveal the future to anyone, except to a messenger that He chooses.*

72:27 Part: *does He reveal from the past and the future, specific news.*

Revealed: The **messenger's letters** are **16** and **15** in each part, revealing the **diff. of 1**.

72:27 Part: *Except to a messenger that He chooses.*

72:27 Part: *Does He reveal from the past and the future, specific news.*

Revealed: The **GV** of **Allah letters** is **63** and **77** in each part, revealing the **diff. of 14**, Subhan Allah.

72:27 *Except to a messenger that He chooses, does He reveal from the past and the future, specific news.*

72:28 *This is to ascertain that they have delivered their Lord's messages. He is fully aware of what they have. He has counted the numbers of all things.*

Revealed: The **messenger's letters** are **24** and **25** in each verse revealing the **diff. of 1**.

Revealed: Both Verses: The **Allah letters** in both verses are **28** and the **messenger's letters** are **49**, revealing multiples of **14** and **7** as the **Miracle of Seven Pairs**.

Verse 47:18 is the fulfillment of the Prophecy, whereby Allah has said, that all the Signs have already come. Once the hour comes to them suddenly, they cannot benefit from this message.

Revealed: The messenger's letters are **53** and **52**, revealing the **diff. of 1**. The explanation through the pair of verses is that Verse 4:69 whose digits add to 19 is for the present, whereby the believers are commanded to obey Allah and the messenger as this will lead you to attain righteousness and to be in the best company. The simple logic is that you can only obey a living messenger – you cannot obey a dead messenger, as the dead cannot issue any command. Verse 57:19 is also based on multiples of 19 and applies to the believers of the past who were commanded to believe in all the messengers.

4:82 *Why do they not study the Quran carefully? If it were from other than GOD, they would have found in it numerous contradictions.*

23:68 *Why do they not reflect upon this scripture? Do they not realize that they have received something never attained by their ancestors?*

Revealed: The messenger's letters are **22** and **23**, revealing the **diff. of 1**, Glory be to Allah. The people are asked to reflect upon the scripture (Al Quran) that is Sacred and to reflect on its verses. Allah has

38:29 *This is a scripture that we sent down to you, that is sacred - perhaps they reflect on its verses. Those who possess intelligence will take heed.*

Revealed: The messenger's letters are **22** and **23** in each verse, revealing the **diff. of 1**. These verses form the "Miracle of 3" as the people are asked to reflect on the messenger, the scripture, and its verses.

The subject through the 3 verses covers the Absoluteness of Allah, the only religion of Islam that is approved by Him and the messenger to proclaim and preach submission to Him Alone.

3:19 *The only religion approved by Allah is "Submission." Ironically, those who have received the scripture are the ones who dispute this fact, despite the knowledge they have received, due to jealousy. For such rejectors of Allah's revelations, Allah is most strict in reckoning.*

45:17 *We have given them herein clear commandments. Ironically, they did not dispute this until the knowledge had come to them. This is due to jealousy on their part. Surely, your Lord will judge them on the Day of Resurrection regarding everything they have disputed.*

Revealed: The messenger's letters are **53** and **54** in each verse, revealing the **diff. of 1**. The approved and truthful religion of Allah called Islam has clear commandments in the Scripture (the Quran) which the disbelievers reject out of sheer jealousy that Allah chose another human being other than them.

Revealed: The **GV of Allah letters** in each part are **237** and **365**, revealing the **diff. of 128** to proclaim the last name of the messenger as Husain. Attributes of Praise for Allah: 59:22-23-24

59:22 *He is Allah; there is no other god beside Him. Knower of all secrets and declarations. He is the Most Gracious, Most Merciful.*

59:23 *He is Allah; there is no other god beside Him. The King, the Most Sacred, the Peace, the Most Faithful, the Supreme, the Almighty, the Most Powerful, the Most Dignified. GOD be glorified; far above having partners.*

59:24 *He is Allah; the Creator, the Initiator, the Designer. To Him belong the most beautiful names. Glorifying Him is everything in the heavens and the earth. He is the Almighty, Most Wise.*

Revealed: Chapter 59 + Verses 22 + 23 + 24 = 128.

Revealed: The messenger's letters are **114** in all 3 verses.

This is the distinct approval of Allah with all His Attributes for the messenger who has been revealed the entire 114 chapters of the Quran, Alhumdo Lillah.

The Key reveals that the 14th verse from the end of Quran is 112:2 saying "Allah is the Absolute." After this verse, the cumulative Arabic letters are **128** up to "Al Naas – the people" in Verse 114:3; the cumulative Arabic letters are **165** up to "Al Naas – the people" in Verse 114:5; and the cumulative Arabic letters are **178** up to "Al Naas – the people" in Verse 114:6 that is the end of the Quran. The revelation of 165 occurs in Verse 114:5 that clearly explains that the jinn and human devils whisper into the chests (hearts) of the people to lead them astray from believing in Allah as the Absolute Lord of the Universe.

The Key reveals the true explanation that the messenger Husain Makbool has been chosen and sent by "Allah – the Absolute" to deliver a powerful message to all the people on Earth before the Day of Judgment. These important revelations of numbers occur in Verses 3+5+6 revealing the **sum of 14**, that is the Divine Sign of Seven Pairs inspired to the messenger – Praise be to Allah. Moreover, they involve 3 counts of 'the people' signifying the 3rd message and the 3rd messenger – Muhammad, Rashad Khalifa and Makbool Husain.

The Miracle: The messenger's letters in the 3 names of messengers above are precisely **14**, split up as 3 in Muhammad, 2 in Rashad Khalifa, and 9 in Makbool Husain. Note the split and the formation of a new number – 329 that reveals the Glorified name of "Al Rahman," GV of 329. This glorified number is a multiple of 7 revealing 7 x 47 and 47 is the Chapter named Muhammad to whom the Quran was inspired and revealed in Arabic over 1400 years ago.

The Miracle: The **GV of messenger's letters** in the previous 2 messengers before him is **88 + 40** revealing the **sum of 128** to proclaim the **last name** of the **3rd messenger**. The split reveals the messenger's letters to be 5 in the previous messengers' names and 9 in his own name; conforming to the exact and precise pattern of verses numbered 178 and 128 that are the same in the contents of the Quran.

The Miracle: After Verse 112:2 saying "Allah is the Absolute" the **19th Aleef** occurs precisely on the **Aleef of Elaha** (God of the people) in Verse 114:3. This is the last occurrence of "god" in the Quran.

The secret through the Key reveals the last occurrence of the word "god" to be in Verse 114:3. The GV of Arabic letters of the words is precisely 36 for "Elaha – god" - and 142 for "alnaas – the people" thus the **sum is 178**, revealing the name of the "3rd Messenger – Makbool" Praise be to my Lord who has distinctly marked and stamped the messenger's name from the beginning to the end of Quran. After Verse 112:1 saying, Proclaim, "Allah is only One," there are 14 verses left in the Quran.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **6**, revealing the **diff. of 1**. This is the ultimate proof and confirmation through Allah and His messenger's letters that Allah is indeed One and has no partners.

The first 7 verses occur on 1:7 and the next 7 verses occur on 2:7, thus making them the Seven Pairs.

1:7 *The path of those whom You blessed; not of those who have deserved wrath, nor of the strayers.*

2:7 *Allah seals their minds and their hearing, and their eyes are veiled. They have incurred severe retribution.*

Revealed: The **Allah letters** are **15** and **16** in each verse, revealing the **diff. of 1**. The Revelation of 1 is the signature of Allah on the Verses and the entire Quran, Subhan Allah.

2:7 Allah seals their minds and their hearing, and their eyes are veiled. They have incurred severe retribution.

Revealed: The **messenger's letters** are **14** and **28** in each verse, revealing the **diff. of 14**. The consequences for the disbelievers and the strayers is clearly expressed by Allah with the proofs through His messenger's letters, Praise be to Allah.

1:7 Part 2: *Not of those who have deserved wrath, nor of the strayers.*

Revealed: Up to "al maghzoobe alayhim – have deserved wrath" the **GV of Allah letters** is precisely **66**, to warn the disbelievers of the severe punishment through Allah's wrath.

Revealed: For the entire part 2 of the verse, the **GV of Allah letters** is **159**, and **GV of messenger's letters** is **324**, the **diff. is Perfectly 165**, revealing the Absoluteness of Allah through His messenger.

73:15 Part: *We have sent to you a messenger as a witness from among you.*

Revealed: The **Allah letters are 12**, and **messenger’s letters are 13**, the **diff. is 1**.

Verse 21:10 tells us that Allah has sent the scripture (Quran) containing the message for the people. **Verse 28:51** tells us that the message has been delivered to the people. When the Signs, Proofs and Miracles are revealed by ALLAH, and the messenger has recited His revelations under these Signs with ALLAH’s Authority, then it is considered by HIM that the message has been delivered, no matter if only a few people listened to the message or received it. This will now be revealed and confirmed by ALLAH through the comparable portions of the verses.

21:10 Part: *We have sent down to you a Scripture containing your message.*

28:51 Part: *We have delivered the message to them.*

28:51 The **Allah letters are 8 + messenger’s name letters are 12**, the **sum is 20**, therefore, revealing the **diff. of 1** – By matching the name letters of Allah, along with the letters of the messenger with a certain pattern, He reveals the most powerful “**Revelation of 1**” that He has sent down to Earth for all the people. The name of the messenger is further coded in verse 28:51, through a specific pattern, which reveals my name, Husain.

(**74:52 – Does each one of them want to receive the scripture personally?**) In this case

again, the Quran is not the messenger for the people; but the human being delivering the message of ALLAH is the messenger.

They know that something is hidden from them, but they have no power to reveal anything. Nor do the devils have any power to reveal from Allah. 26:210-212. But Allah has revealed to the messenger for whom it stands coded. 74:1 and 74:1-2

The Quran has been opened up like never before with an unending flow of proofs and then being merged into other verses and proofs, thus making them abundant and inexhaustible.

After Verse 72:28 up to Verse 74:1, saying "*O you hidden secret,*" the cumulative **Allah letters** are **306** revealing the full name of the messenger, **Makbool Husain**. This reveals the secret that the messenger was hidden in the Quran from the time of the original revelation to prophet Muhammad.

The 19th Aleef occurs precisely on the Aleef of Elaha (God of the people). After 112:1, there are 14 verses left in Quran.

The messenger's last name of **128** occurs on "Al Naas" in Verse 114:3 and the first name **178** occurs on "Al Naas" in Verse 114:6, in between these 2 occurrences, the **Allah letters** are precisely **14**, highlighting the Miracle of Seven Pairs.

The last occurrence of the word "god of the people" in the Quran is Verse 114:3 and the **GV** of all **Arabic Letters** is **178**, Subhan Allah, revealing the first name of the Messenger, **Makbool**.
