

*I seek refuge in ALLAH from satan the rejected.
In the name of ALLAH, the Most Gracious, the Most Merciful.*

TOPIC: THE QURAN IS TRULY REVEALED AND SENT DOWN FOR THE BELIEVERS

16:98 *When you read the Quran, you shall seek refuge in ALLAH from satan the rejected.*

16:99 *He has no power over those who believe and trust in their Lord.*

16:100 *His power is limited to those who choose him as their master, those who choose him as their god.*

Revealed: The **sum** of all 3 verses is **297**, revealing the word “**Rasoola – a messenger.**” Allah appoints messengers, bestows them with guidance, purifies them, and then commands them to preach the Quran to the people.

Revealed: The **messenger’s letters** are **16,26,24** in each verse, that is a **multiple of 14**. $16,26,24 = 14 \times 11616$.

Revealed: The **sum of messenger’s letters** $16+26+24$ is **Perfectly 66**, revealing the **Honorable and Glorified Name of ALLAH**.

Revealed: The **Allah letters** in each verse are **15-14-13**, revealing the **diff. of 1**, Subhan Allah.

It is Allah’s immense mercy to send down the Quran for the believers and to send messengers to explain the profound scripture. If He did not send the Quran down for the believers, none of us would have been able to purify our souls and we would not have known about the Test in order to qualify for redemption in the Hereafter. The Quran offers us the chance to believe, and uphold all the laws of Allah to pass the Test in order to be forgiven and redeemed in the Hereafter. Allah knew in His infinite wisdom that some souls need to be saved, and will believe in His Absoluteness when provided with the guidance.

27:6 *Surely, you are receiving the Quran from a Most Wise, Omniscient.*

Revealed: The **messenger’s letters** are **19** and the **GV** of these letters is **714**, revealing the **Code and Miracle of Seven Pairs**, Glory be to ALLAH.

17:9 *This Quran guides to the best path, and brings good news to the believers who lead a righteous life, that they have deserved a great recompense.*

Revealed: The **Allah letters** are **25** and **messenger’s letters** are **39**, revealing the **diff. of 14**, providing the **Proof of Seven Pairs**, as the profound sign for the believers.

7:52 *We have given them a scripture that is fully detailed, with knowledge, guidance, and mercy for the people who believe.*

2:38 *We said, "Go down therefrom, all of you. When guidance comes to you from Me, those who follow My guidance will have no fear, nor will they grieve.*

4:115 *As for him who opposes the messenger, after the guidance has been pointed out to him, and follows other than the believers' way, we will direct him in the direction he has chosen, and commit him to Hell; what a miserable destiny!*

Revealed: The **Allah letters** are **21** and **22** in each verse, revealing the **diff. of 1**.

Revealed: The **Aleefs of Absoluteness** are **11** and **8** revealing the **sum of 19**.

Note that Verse 2:38 mentions that when guidance comes from Allah, but does not mention the system of how the guidance will come to individual humans, but Verse 4:115 clarifies that the guidance will come through His

messenger. Those who follow Allah's guidance through His messenger will have no fear, nor will they grieve, but those who oppose the messenger after he points out the true guidance for them, they will be committed to Hell where they suffer the worst destiny. This is Allah's way of exposing the hypocrites and the disbelievers who will argue and wait for the guidance to come to them direct from Allah and not through His messenger/s who are inspired with Allah's guidance. This is a prime reason for idol worship. The overwhelming majority of people reject human messengers.

The majority of people when asked who created them and provides for them, their response is God. The answer is correct, but why then they don't fully believe in Him and uphold all His laws from the Quran. They may believe with their mouths while their hearts do not believe in Allah, as the Absolute, One Lord.

23:84 Say, "To whom belongs the earth and everyone on it, if you know?"

23:85 They will say, "To ALLAH." Say, "Why then do you not take heed?"

Revealed: The Allah letters are **9** and **8** in each verse revealing the **diff. of 1**. The people unanimously agree that everything on earth belongs to Allah. As they have agreed, then they should take heed.

23:86 Say, "Who is the Lord of the seven universes; the Lord of the great dominion?"

23:87 They will say, "ALLAH." Say, "Why then do you not turn righteous?"

Revealed: The Allah letters are **9** and **8** in each verse, revealing the **diff. of 1**. The response of the hypocrites and the disbelievers is correct again, but would they turn righteous by fully believing in Allah's Absoluteness?

23:88 Say, "In whose hand is all sovereignty over all things, and He is the only one who can provide help, but needs no help, if you know?"

23:89 They will say, "ALLAH." Say, "Where did you go wrong?"

Revealed: The Allah letters are **12** and **6** in each verse revealing the **doubling** of numbers. The doubling of the number is another proof for idolatry.

Note: Even though the disbelievers answered correctly by taking the glorified name of ALLAH, they remain unsure, doubtful, and in disbelief that is confirmed through the Revelation of 2 gods.

23:85 They will say, "To ALLAH." Say, "Why then do you not take heed?"

23:87 They will say, "ALLAH." Say, "Why then do you not turn righteous?"

Revealed: The messenger's letters are **14** and **15** in each verse, revealing the **diff. of 1**. As stated earlier, the disbelievers response is correct by taking the name of ALLAH, but they would not believe in His messenger, thereby committing idolatry by disbelieving in him.

23:87 They will say, "ALLAH." Say, "Why then do you not turn righteous?"

23:89 They will say, "ALLAH." Say, "Where did you go wrong?"

Revealed: The messenger's letters are **15** and **17**, revealing the **diff. of 2 gods**. At the end of the questions, the disbelievers have exposed their disbelief by rejecting the messenger, thereby wronging their souls.

Revealed: The GV of messenger's letters is **638** and **636**, revealing the **diff. of 2 gods**. The Revelation of 2 gods confirms the incomplete and fake belief of the hypocrites who do not believe in the entire Quran and also refuse to believe in Allah as the One, Supreme, and Absolute Lord.

The reason that the hypocrites and the disbelievers respond to the questions asked by Allah in the affirmative is narrated in Verses 30:30 through 30:32. It is because Allah has planted His name in their instinct at the time of their creation, about which they remain unaware.

30:30 Part 1: *Therefore, you shall devote yourself to the religion of strict monotheism.*

30:30 Part 2: *Such is the natural instinct placed into the people by ALLAH.*

Revealed: The messenger's letters are **10** and **9** in each part, revealing the **diff. of 1**. The sum of messenger's letters is **19**.

30:30 Part 3: *Such creation of ALLAH will never change.*

30:30 Part of Part 4: *This is the perfect religion.*

Revealed: The messenger's letters are **9** and **8** in each part, revealing the **diff. of 1**.

30:31 Part 1: *You shall submit to Him, reverence Him, observe the Contact Prayers (Salat),*

Revealed: The messenger's letters are **19** to confirm the reverence for Allah that is needed from the believers who refrain from all forms of idol worship.

30:31 Part 2: *And – whatever you do – do not ever fall into idol worship.*

Revealed: The Arabic Letters are **19** and Quranic Initials are **14**, pointing out the gross sin of idol worship through the revelation of the Sacred Codes.

30:32 Part 1: *(Do not fall in idol worship,) like those who divide their religion into sects;*

Revealed: The Allah letters are **7** and messenger's letters are **14**, confirming the serious command to not divide the one congregation into sects by disputing with each other. Those who divide and break the one congregation into sects will be guilty of gross idolatry.

30:32 Part 2: *Each party rejoicing with what they have.*

Revealed: The GV of Allah letters is **Perfectly 66**. The rejoicing of the disbelievers will be in vain, and they will have to answer to their Lord, humiliated and debased on the Day of Judgment.

Revealed: For all 3 Verses on this subject, the Allah letters are **Perfectly 66**, Glory and Praise be to Allah.

Revealed: For all 3 Verses on this subject, the messenger's name initials are **84**, and name letters are **103**, revealing the **diff. of 19**, Subhan Allah.

Part 2: Each party rejoicing with what they have.

Revealed: The GV of Allah letters is 66, revealing the glorified name of Allah and confirming all the revelations of the 3 verses.

6:19 Say, "Whose testimony is the greatest?" Say, "ALLAH's. He is the witness between me and you that this Quran has been inspired to me, to preach it to you and whomever it reaches. Indeed, you bear witness that there are other gods beside ALLAH." Say, "I do not testify as you do; there is only one god, and I disown your idolatry."

Revealed: The Allah letters are 50 and messenger's letters are 69, revealing the diff. of 19. This is a very powerful verse and Allah has confirmed through the code of 19 between His letters and His messenger's letters that His testimony is the greatest and that the Quran has been inspired to the messenger.

6:20 Those to whom we have given the scripture recognize this as they recognize their own children. The ones who lose their souls are those who do not believe.

6:21 Who is more evil than one who lies about ALLAH, or rejects His revelations? The transgressors never succeed.

Revealed: The Allah letters are 19 and 20 in each verse, revealing the diff. of 1.

2:97 Say, "Anyone who opposes Gabriel should know that he has brought down this (Quran) into your heart, in accordance with ALLAH's will, confirming previous scriptures, and providing guidance and good news for the believers."

2:98 Anyone who opposes ALLAH, and His angels, and His messengers, and Gabriel and Michael, should know that ALLAH opposes the disbelievers.

Revealed: The GV of Allah letters for both verses is 686 (matching the GV of "Al-Dukhan – The Smoke") and is a multiple of 14 and 7. (686 = 14 x 7 x 7) The numbers revealed through the quotient of 14,7,7 is the exact GV of part of Verse 15:87 that says, "We have given you the seven pairs."

The Revelation of the profound Miracle of Seven Pairs is associated with a lot of other supporting miracles and I will show and recite for you a couple of them.
