

I seek refuge in ALLAH from satan the rejected.  
In the name of ALLAH, the Most Gracious, the Most Merciful.

## **Sermon: Gay and Lesbian unions legalized by corrupt and sinful governments and countries**

This Sermon of Guidance is for the believers in order to make them aware of what is currently happening around them in many of the affluent countries, so that they can condemn and curse the abhorrent and sinful actions of the disbelievers, who are trying **to change the system of Allah** by allowing the people to marry someone of the same sex. The result of their actions will negatively impact the future generations, with fewer children being borne out of such unions, and fewer people to work in industries and businesses, thus creating a shortage of labor force. In the 60's and 70's the Europeans had a negative population growth and had to import people from the poorer countries of South East Asia, Latin America, and Africa to work in their industries. It is all going to happen again and much worse. It is not going to happen in a year or two, but it will be clearly evident in a decade or more. Most of the countries legalizing gay marriages are the so-called Christian countries that worship Jesus, Mary, and the saints, while professing that they believe in one God. They have ridiculed their own religion by going against the commands given in the Bible that clearly cites the evil communities of Gomorrah and Sodom that were annihilated by ALLAH due to their sinful practices.

The impact of such evil practices and unlawful marriages will directly impact the innocent children of legally married couples, who will get confused and not know any better, except what they are taught in their schools and what they watch on TV. It will be a challenge for the righteous parents to teach their children about the prohibition of such practices according to the laws of ALLAH and the QURAN. It will be incumbent upon each and every parent, aunts and uncles, and grand parents to find out the thoughts and impressions of their children and guide them early on so that they can avoid the devil's tricks.

**2:268 Part:** The devil promises you poverty **and commands you to commit evil**, while ALLAH promises you forgiveness from Him and grace.

**Revealed:** The GV of **Allah letters is 202**, revealing the glorified word "**Rabb - Lord.**" This proves that the devil does command the people to commit evil against the **laws of Allah.**

**2:268 Part:** The devil promises you poverty **and commands you to commit evil.**

**Revealed:** The **messenger's letters are 14**, confirming the evil acts of the devil.

**Part:** ALLAH is Bounteous, Omniscient.

**Revealed:** The GV of **messenger's letters is 212**, proclaiming the glorified name "**Rabbi my Lord.**"

**4:117 Part 1:** They even worship female gods besides Him.

**Part 2:** As a matter of fact, they only worship a rebellious devil.

**Revealed:** The **Allah letters** are 7 and 6 in each part, **revealing the diff. of 1.**

**Note:** The Christians indeed worship female gods as they worship Mary, mother of Jesus.

**4:118 Part 1:** **ALLAH** has condemned him (the devil).

**Part 2:** And he said, "I will surely recruit a definite share of Your worshipers.

**Revealed:** The **Allah letters** are 6 and 7 in each part, revealing the diff. of 1.

**4:119 Part:** "I will mislead them, I will entice them, I will command them to (forbid the eating of certain meats by) marking the ears of livestock."

**Revealed:** The GV of **Allah letters** is **202** proclaiming the glorious word "**Lord - Rabb.**"

**Part:** "**And I will command them to distort the creation of ALLAH.**"

**Revealed:** The GV of **Allah letters** is **162** for "**Al Islam - the Submission**" This proves that the devil is behind the distortion of the creation of **Allah**, to lead them away from submitting and worshipping **Allah**. This also enlightens the believers that the sinful groups of people, whether they are gays, lesbians, transgenders, bisexuals or others are clearly walking the path with the devil who is leading them astray and away from submitting to their **Creator - Allah. This is one way that satan distorts the creation.**

**Part:** Anyone who accepts the devil as a lord, instead of **ALLAH**.

**Revealed:** The GV of **Allah letters** is **128**, revealing the last name of the messenger.

**Part:** They have incurred a profound loss.

**Revealed:** The **Arabic letters** are 17 and **messenger's letters** are 8, revealing the first name of the **messenger 178** through the pattern of **Allah and His messenger's letters.**

**4:120 Part 1:** He promises them and entices them;

**Part 2:** What the devil promises is no more than an illusion.

**Revealed:** The **messenger's letters** are 8 and 9 in each part, revealing the diff. of 1.

## **The system of creation of the human beings is detailed by Allah - the Creator, through the verses.**

**3:36** When she gave birth to her, she said, "My Lord, I have given birth to a girl" - **Allah** was fully aware of what she bore - "**The male is not the same as the female.** I have named her Mary, and I invoke Your protection for her and her descendants from the rejected devil."

**42:50** Or, He may have the **males and the females marry each other**, then render whomever He wills sterile. He is Omniscient, Omnipotent.

**49:13** O people, **we created you from the same male and female**, and rendered you distinct peoples and tribes that you may recognize one another. The best among you in the sight of **ALLAH** is the most righteous. **ALLAH** is Omniscient, Cognizant.

**53:45** **He is the One who created the two kinds, male and female.**

**53:46** **from a tiny drop of semen.**

**75:37** Was he not a drop of ejected semen?

**75:38** Then He created an embryo out of it!

**75:39** **He made it into male or female!**

**92:3** **And Him who created the male and the female.**

**23:12** We created the human being from a certain kind of mud.

**23:13** Subsequently, we reproduced him from a tiny drop, that is placed into a well protected repository.

**23:14** Then we developed the drop into a hanging (embryo), then developed the hanging (embryo) into a bite-size (fetus), then created the bite-size (fetus) into bones, then covered the bones with flesh. We thus produce a new creature. Most blessed is **ALLAH**, the best Creator.

**2:222** They ask you about menstruation: say, "It is harmful; you shall avoid sexual intercourse with the women during menstruation; do not approach them until they are rid of it. Once they are rid of it, you may have intercourse with them in the manner designed by **ALLAH**. **ALLAH** loves the repenters, and He loves those who are clean."

**2:223** Your women are the bearers of your seed. Thus, you may enjoy this privilege however you like, so long as you maintain righteousness. You shall observe **ALLAH**, and know that you will meet Him. Give good news to the believers.

The sin of homosexuality has existed for centuries but was not legalized by any community or government in the past. The Greeks were known to engage in this behavior and so do the people in Afghanistan. In Afghanistan, it is very common for an adult to sort of make a young boy a slave and make him accompany him wherever he goes. Naturally, it is for the purpose of having sex with the young boy whenever he wishes. This is called pedophilia – engaging in sex with a minor. Pedophilia and rape of young children, especially girls, has become rampant in many countries, especially the western countries. Kidnapping of young children is also very common nowadays.

The Quran provides the history of previous communities of Sodom and Gomorrah whose people became sinful by practicing and promoting homosexuality and immorality. There are several verses on this subject detailed with the consequences of severe retribution inflicted upon the sinners and even annihilating them totally. They could not avoid the WRATH of ALLAH and were condemned on Earth and in the Hereafter.

The Quran's example is given at the time of messenger Lot. The populations were probably not as large as they are now. But there was the presence of the messenger Lot who warned them repeatedly not to commit the gross sin. They mocked him as being trying to be pure, and continued with their immoral and lustful acts even in front of other people.

Back then, there was the messenger, and even now there is the presence of the messenger, who is writing this Sermon to warn the people who are promoting and legalizing gay behavior and marriages. The

difference this time is that all the major European and North American governments have acquiesced to the demands of the LGBT community (gays and lesbians) without raising any objection to this heinous, immoral, and sinful act. These governments are cohorts in the evil schemes of the devil. For example, the Premier of the Province of Ontario in which I live in has openly declared herself to be a lesbian and fully supports the rights of the gays and the lesbians. There is a day marked for the evil community of LGBT called "The Pride Day" to celebrate on the streets of Toronto, when they come out in the thousands and hold their partners hands, and even kissing intimately publicly on the streets. The event comes live on local TV channels, which even the very young children can watch and thus can be influenced by the immoral behavior. The Premier has gone much farther by putting in the curriculum of grades 1 to 7 of teaching of body parts, and by grade 3 to teach the children about sex. Such immoral behavior has to be condemned by every righteous person – man and woman.

These shortsighted and corrupt governments cannot foresee the consequences in the future and just care about their temporary high positions of ruling and governing their constituents. The sin of homosexuality has always existed, though mostly not in the open, but behind the scenes and the sinners remained in the "closet" so to say. Such criminals remained hidden from the society at large and when exposed to the public or the authorities, they were jailed and punished severely.

The difference in the times of messenger Lot and now is that he condemned the sinful actions of such sinners and implored his Lord to send upon them a grave retribution and to annihilate them. At present, it is the rulers, leaders, presidents, prime ministers, and judges of the Courts from the rich and affluent countries that have been in the forefront of legalizing this abomination, even to the extent that the Supreme Court of the United States approved the gay marriages by a vote of 6 in favor and 3 against, thus giving clear approval to the people to perform the sinful marriages, which means that 2 gay men can get married legally, register their marriage, and call themselves as husband and wife. Similarly 2 lesbian women can get married legally, register their marriage with the marriage court, and assume the positions of husband and wife. DOES IT MAKE ANY SENSE AT ALL? Is it not absolute corruption of the system of ALLAH who has bestowed His immense blessings on the human race, and provided them with all the good provisions?

**7:56 Do not corrupt the earth after it has been set straight**, and worship Him out of reverence, and out of hope. Surely, **Allah's** mercy is attainable by the righteous.

**Revealed:** The GV of **Allah letters** in the verse is **207**, revealing the glorified name of "**Rabbahoo – his Lord**".

**7:56 Part 1: Do not corrupt the earth after it has been set straight**, and worship Him out of reverence, and out of hope.

**Part 2:** Surely, **Allah's** mercy is attainable by the righteous.

**Revealed:** In **Part 1**, the **Allah letters** are 14 and **messenger's letters** are also 14, revealing the **Perfectly Matching Proofs**.

**Revealed:** The **Allah letters** in each part are **14 and 7**, revealing the **Miracle of Seven Pairs**.

\*\*\* The explanation for the part saying "**Do not corrupt the earth after it has been set straight**," is as follows: **Allah** has laid out the complete laws for the inhabitants of the earth, provided them with good provisions, and blessed the humans with enormous and uncountable blessings, but the sinful humans

who are disbelievers distort His laws and corrupt them. They have been sent down to Earth after being evicted from Paradise for the specific purpose of having a 2<sup>nd</sup> chance to believe in **Allah**, and follow and obey His laws so that they can be forgiven and redeemed in the Hereafter. The devil being appointed as the 2<sup>nd</sup> god wishes to lead all the humans astray and to make them commit evil and vice on Earth, though his power is NIL. The humans have been blessed with minds, eyes and ears to make good and righteous decisions for themselves and not to follow the devil blindly.

As given in Verse 2:30, the angels were not happy with the decision of **Allah** to appoint satan as a "khalifa" – a temporary god on Earth, but **Allah** knew best the reason and purpose behind it. The life on Earth has all the elements either to commit evil or to work righteousness. The people have been given the freedom of choice to either believe in Allah, His messengers, His laws, and the Hereafter, or to follow the devil whose role is to divert the people from fulfilling their oaths, pledges, and covenants that they made with their Creator and thus lead them to Hell.

**2:30** Recall that your Lord said to the angels, "I am placing a khalifa (temporary god)- on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

**Revealed:** The **Truthful Words of Allah** are confirmed as the Verse is inscribed with **110 Arabic Letters**.

**2:30 Part:** They said, "Will you place therein one who will spread evil therein and shed blood. **Part:** While we sing your praises, glorify you, and uphold Your Absolute Authority?"

**Revealed:** The messenger's letters are 15 and 16 in each part, **revealing the diff. of 1**.

**2:30 Last Part:** He said, "I know what you do not know."

**Revealed:** The GV of **messenger's letters** is 456 that is **19 x 24**.

**7:85** To Midyan we sent their brother Shu`aib. He said, "O my people, worship **ALLAH**; you have no other god beside Him. Proof has come to you from your Lord. You shall give full weight and full measure when you trade. Do not cheat the people out of their rights. **Do not corrupt the earth after it has been set straight**. This is better for you, if you are believers.

**8:73 Part 1:** Those who disbelieved are allies of one another.

**Revealed:** The **Allah letters are 7**, explaining that the disbelievers are allies of one another.

**Part 2 Unless you keep these commandments, there will be chaos on earth.**

**Revealed:** The GV of **messenger's letters** are 192 and 206 in each part, **revealing the diff. of 14**.

**Part 3: And a terrible corruption.**

**Revealed:** The GV of **Arabic Letters is 383**, revealing “**Al-Quran**” and confirming the chaos and corruption caused by the disbelievers for failing to follow and uphold the commandments of **Allah**.

**Part 2 Unless you keep these commandments.**

**Revealed:** The GV of **messenger’s letters is 66** and GV of **Allah’s letters is 67**, **revealing the diff. of 1**. The glorified name of **ALLAH** is revealed through the GV of messenger’s letters as the commandments and their explanations are revealed through the messenger.

**17:16** If we are to annihilate any community, we let the leaders commit vast corruption therein. Once they deserve retribution, we annihilate it completely.

**17:17** Many a generation have we annihilated after Noah. Your Lord is most efficient in dealing with the sins of His servants; He is fully Cognizant, Seer.

**Revealed:** The **Allah letters** are 24 and 10 in each verse, **revealing the diff. of 14**, as the Seven Pairs Miracle to confirm the truth about **Allah’s retribution upon the sinners and the corruptors**.

**Revealed:** The **messenger’s letters** are 27 and 29 in each verse, **revealing the diff. of 2 gods**, to point out the disbelievers, the sinners, and the corruptors, who will suffer a gross retribution in due time.

**7:80** Lot said to his people, “You commit such an abomination; no one in the world has done it before!”

**7:81** “You practice sex with the men, instead of the women. Indeed, you are a transgressing people.”

**Revealed:** The **Allah letters** are **19 and 14** in each verse, confirming the abomination committed by the people of Lot.

**7:82 Part:** His people responded.

**7:82 Part:** By saying, “Evict them from your town. They are people who wish to be pure.”

**Revealed:** The **Allah letters** are **14** and **messenger’s letters** are **19**, confirming the disbelievers’ response through **the Sacred Miracle of 14-19 involving Allah and His messenger’s letters**.

**7:83** Consequently, we saved him and his family, but not his wife; she was with the doomed.

**Revealed:** The **Allah letters** are 15 and **messenger’s letters** are 14, **revealing the diff. of 1**. The intricate “Revelation of 1” through Allah and His messenger’s letters proves that Lot and his family were saved, EXCEPT his wife who was counted amongst the doomed.

**7:84** We showered them with a certain shower; note the consequences for the guilty.

**Revealed:** The GV of **Allah letters** is 76 and GV of messenger’s letters is 598, **the diff. is 522**, revealing the word “**Hadees – words**” of **Allah**. This proves that Allah showered the

guilty with a certain devastating shower that annihilated them. **Praise be to Allah.**

**11:77** When our messengers went to Lot, they were mistreated, and he was embarrassed by their presence. He said, "This is a difficult day."

**11:78** His people came rushing; they had grown accustomed to their sinful acts. He said, "O my people, it would be purer for you, if you take my daughters instead. You shall reverence ALLAH; do not embarrass me with my guests. Have you not one reasonable man among you?"

**11:79** They said, "You know well that we have no need for your daughters; you know exactly what we want."

**11:80** He said, "I wish I were strong enough, or had a powerful ally!"

**11:81** (The angels) said, "O Lot, we are your Lord's messengers, and these people cannot touch you. You shall leave with your family during the night, and let not anyone of you look back, except your wife; she is condemned along with those who are condemned. Their appointed time is the morning. Is not the morning soon enough?"

**11:82** When our judgment came, we turned it upside down, and we showered it with hard, devastating rocks.

**11:83** Such rocks were designated by your Lord to strike the transgressors.

**Revealed:** The messenger's name initials are **14** and name letters are **19**, revealing the **Sacred Miracle of 14-19** to confirm the retribution through the hard, devastating rocks for the transgressors.

**15:57** He said, "What is your mission, O messengers?"

**15:58** They said, "We are being dispatched to guilty people.

**15:59** "As for Lot's family, we will save them all.

**15:60** "But not his wife; she is destined to be with the doomed."

**15:61** The messengers went to Lot's town.

**15:62** He said, "You are unknown people."

**15:63** They said, "We bring to you what they have been doubting.

**15:64** "We bring to you the truth; we are truthful.

**15:65** "You shall take your family during the night. Stay behind them, and make sure that none of you looks back. Go straight as commanded."

**15:66** We delivered to him this command: those people are to be annihilated in the morning.

**15:67** The people of the city came joyfully.

**15:68** He said, "These are my guests; do not embarrass me.

**15:69** "Fear ALLAH, and do not shame me."

**15:70** They said, "Did we not enjoin you from contacting anyone?"

**15:71** He said, "Here are my daughters, if you must."

**15:72** But, alas, they were totally blinded by their lust.

**15:73** Consequently, the disaster struck them in the morning.

**15:74** We turned it upside down, and showered them with devastating rocks.

**15:75** This is a lesson for those who possess intelligence.

**21:74** As for Lot, we granted him wisdom and knowledge, and we saved him from the community that practiced abominations; they were wicked and evil people.

**21:75** We admitted him into our mercy, for he was righteous.

**22:45** Many a community we have annihilated because of their wickedness. They ended up in ruins, stilled wells, and great empty mansions.

**22:48** Many a community in the past committed evil, and I led them on for a while, then I punished them. To Me is the ultimate destiny

**Revealed:** The **Allah letters** are 19 and 18 in each verse, **revealing the diff. of 1.**

**Revealed:** The **Aleefs of Absoluteness** are 6 and 8, **revealing the diff. of 2 gods**, for the disbelievers and sinners. The **total Aleefs** in both verses are **14, revealing the Miracle of Seven Pairs.**

**26:160** **The people of Lot** disbelieved the messengers.

**26:161** Their brother Lot said to them, "Would you not be righteous?"

**26:162** "I am an honest messenger to you.

**26:163** "You shall reverence ALLAH, and obey me.

**26:164** "I do not ask you for any wage; my wage comes only from the Lord of the universe.

**26:165** "Do you have sex with the males, of all the people?"

**26:166** "You forsake the wives that your Lord has created for you! Indeed, you are transgressing people."

**26:167** They said, "Unless you refrain, O Lot, you will be banished."

**26:168** He said, "I deplore your actions."

**26:169** "My Lord, save me and my family from their works."

**26:170** We saved him and all his family.

**26:171** But not the old woman; she was doomed.

**26:172** We then destroyed the others.

**26:173** We showered them with a miserable shower; what a terrible shower for those who had been warned!

**26:174** This should be a lesson, but most people are not believers.

**27:54** **Lot said to his people**, "How could you commit such an abomination, publicly, while you see?"

**27:55** "You practice sex with the men, lustfully, instead of the women. Indeed, you are ignorant people."

**27:56** The only response from his people was their saying, "Banish Lot's family from your town; they are people who wish to be pure."

**27:57** Consequently, we saved him and his family, except his wife; we counted her among the doomed.

**27:58** We showered them with a certain shower. It was a miserable shower upon people who had been warned.

**27:59** Say, "Praise be to **ALLAH** and peace be upon His servants whom He chose. Is **ALLAH** better, or the idols some people set up?"

**29:28** **Lot said to his people**, "You commit such an abomination, no one in the world has ever done it before you.

**29:29** "You practice sex with the men, you commit highway robbery, and you allow all kinds of vice in your society." The only response from his people was to say, "Bring to us **ALLAH's** retribution, if you are truthful."

**29:30** He said, "My Lord, grant me victory over these wicked people."

**29:31** When our messengers went to Abraham with good news (about Isaac's birth), they also said, "We are on our way to annihilate the people of that town (Sodom), for its people have been

wicked."

**29:32** He said, "But Lot is living there." They said, "We are fully aware of everyone who lives in it. We will of course save him and his family, except his wife; she is doomed."

**29:33** When our messengers arrived at Lot's place, they were mistreated, and he was embarrassed by their presence. But they said, "Have no fear, and do not worry. We will save you and your family, except your wife; she is doomed."

**29:34** "We will pour upon the people of this town a disaster from the sky, as a consequence of their wickedness."

**29:35** We left standing some of their ruins, to serve as a profound lesson for people who understand.

**37:133** Lot was one of the messengers.

**37:134** We saved him and all his family.

**37:135** Only the old woman was doomed.

**37:136** We annihilated all the others.

**37:137** You still pass by their ruins by day.

**37:138** And by night. Would you understand?

**38:13** Also, Thamoud, **the people of Lot**, the dwellers of the Woods (of Midyan); those were the opponents.

**38:14** Each of them disbelieved the messengers and thus, My retribution was inevitable.

**38:15** These people can expect a single blow, from which they never recover.

**50:12** Disbelieving before them were the people of Noah, the dwellers of Russ, and Thamoud.

**50:13** And **Aad, Pharaoh, and the brethren of Lot**.

**50:14** And the dwellers of the woods, and the people of Tubba`. All of them disbelieved the messengers and, consequently, My retribution befell them.

**54:32** We made the Quran easy to learn. Does any of you wish to learn?

**54:33** **The people of Lot rejected the warnings.**

**54:34** We showered them with rocks. Only Lot's family was saved at dawn.

**54:35** We blessed him and his family; we thus reward the appreciative.

**54:36** He warned them about our requital, but they ridiculed the warnings.

**54:37** They negotiated with him about his guests; we blinded them. Suffer My retribution; you have been warned.

**54:38** Early the next morning, a devastating retribution struck them.

**54:39** Suffer My retribution; you have been warned.

**66:10** ALLAH cites as examples of those who disbelieved the wife of Noah and the wife of Lot.

They were married to two of our righteous servants, but they betrayed them and, consequently, they could not help them at all against ALLAH. The two of them were told, "Enter the Hell-fire with those who deserved it."

\*\*\* Have you all noticed the disasters taking place in the US on a daily basis – tornadoes, hurricanes, heavy winds and rain, sinkholes opening up, flash flooding, forest fires, thus killing and injuring thousands of people including children annually. They blame all of this on so called "mother nature" and the warming of the planet. Their eyes, ears, and minds are closed and they fail to realize that all disasters are controlled by ALLAH and He sends His retribution upon whomever He wills.

**Sermon: Gay and Lesbian unions legalized by corrupt and sinful governments and countries**

---

The governments of Europe, Australia, and North America call themselves as being “democratic.” The rights of the majority of people have been usurped by depriving them of any kind of vote on this immoral and evil legislation. The majority of the people in these countries had no say on the matter, nor were they asked by the leaders of these countries. The true democratic way would have been to allow every citizen in the country to vote on this important issue, just like a referendum and then see the results what the majority thinks and says on this matter. The people were never given a chance and the Presidents, the Prime Ministers, and the Supreme Courts decided to pass this legislation to legalize gay marriages without taking into consideration the majority of legally married couples who have children. This is the state of the so-called democracy that is sham at best.

The government’s argument was that the LGBT community should have equal rights like the others. Now they have more rights than the straight married couples to the extent if anyone points a finger at the unrighteous or criticizes them, they are admonished by the officials of the government as well as the school principals and teachers. How can they be equal to the decent married people who have followed the laws of Allah to procreate? The evil people mark their entire bodies with tattoos and cannot produce an offspring – they are barred from procreation. Those who want a child or children, they get someone to donate a sperm, inject it into another woman, pay her some money and produce a child, who will never know about his/her real parents.

**53:53** The evil communities (of Sodom and Gomorrah) were the lowliest.

**Revealed:** The **Allah letters** are 5, and **messenger’s letters** are 6, **revealing the diff. of 1.**

**53:54** Consequently, they utterly vanished.

**Revealed:** The **Allah letters** are 3 and **messenger’s letters** are 2, **revealing the diff. of 1.**

**Peace be upon the messengers.**

**PRAISE BE TO ALLAH, LORD OF THE UNIVERSE.**
