

**Sermon: Believing in the Hereafter is crucial to believing in Allah. May 15, 2016**

**I seek refuge in Allah from satan the rejected.  
In the name of Allah, the Most Gracious, the Most Merciful.**

The humans, the jinns, the angels, and all other creatures have been created by the One Creator of the Heavens and the Earth called “**Allah or Al Rahman.**”

After the Heavenly Feud that resulted in the eviction of all the humans and the jinns from Paradise, they were sent down to Earth and the Most Gracious determined the Day of Judgment when everyone will be summoned back to Him to view their record, to see if they fulfilled the Covenants they made with their Lord before being sent down to Earth. (7:35, 38:78 – 38:81)

**2:26 Part:** He misleads many thereby, and guides many thereby. But He never misleads thereby except the wicked.

**Revealed:** The **Allah letters is Perfectly 14** to explain that He is the One who guides the righteous and misleads the wicked.

**2:26 Part:** He misleads many thereby,

**2:26 Part:** And guides many thereby.

**Revealed:** The GV of **messenger’s letters** is 52 and 38 in each part, **revealing the diff. of 14, Praise be to Allah.**

**2:27** who violate **Allah’s** covenant after pledging to uphold it, sever what **Allah** has commanded to be joined, and commit evil **on Earth.** These are the losers.

**Revealed:** The **Allah letters** are 25 and **messenger’s letters** are 44, **revealing the diff. of 19.**

**2:28 Part 1:** How can you disbelieve in **Allah** when you were dead and He gave you life.

**2:28 Part 2:** Then He puts you to death, then He brings you back to life, then to Him you ultimately return?

**Revealed:** The GV of **messenger’s letters** in each part is 328 and 394, **revealing the diff. of 66, Subhan Allah.** The Proof of 66 through the GV of messenger’s letters is the Absolute Proof that Allah created the human beings when they were dead and granted them life on Earth, then gives death again and finally resurrects them to return back to the Sovereign Lord for accountability.

**Revealed: Part 1:** The **Allah letters** are **7** and **messenger’s letters** are **14**, revealing the **Seven Pairs Miracle** to prove that **Allah** gave the humans life when they were dead.

**2:28 Part:** When you were dead and He gave you life, then He puts you to death, then He brings you back to life.

**Revealed:** The **messenger’s letters** are **19** – another Miracle proving that **Allah** gave life to the humans when they were dead, then puts them to death, and then resurrects and creates them

again – only **Allah, the Omnipotent Creator** can do this, while the idols set up by the people besides Him **cannot even create a fly.**

**22:73** O people, here is a parable that you must ponder carefully: the idols you set up beside **ALLAH can never create a fly,** even if they banded together to do so. Furthermore, if the fly steals anything from them, they cannot recover it; weak is the pursuer and the pursued.

**Revealed:** The messenger's letters in the verse are **66** – a **Perfect Proof of the Eternal and Living Existence of Allah through letters of the messenger inscribed in the Verse.**

**29:41** The allegory of those who accept other masters beside **Allah** is that of the spider and her home; the flimsiest of all homes is the home of the spider, if they only knew.

**Revealed:** In **Verse 22:73**, the messenger's letters were **66** and in **Verse 29:41** the messenger's letters are **47, revealing the diff. of 19.**

**Revealed:** The sum of both verses is  $73 + 41$  is **114**, revealing the total number of chapters in the Quran. Can any of the idols compose or create a book like Quran that is infallible and has no inconsistency or contradiction?

**Revealed:** The sum of chapter and verse numbers is:  $22 + 73 + 29 + 41 = 165$ . **Praise and Glory be to the Absolute Lord** who has inscribed hidden proofs through the verses and revealed them to **His authorized messenger.**

**\*\*\* Note that Chapter 29 and Chapter 22 have the diff. of 7 between them, another Miracle of 7.**

**Allah** has cited profound allegories and examples through the above 2 verses for the idol worshipers and those who set up another god beside Him. Those who have seen the fly know that it is a little creature, and has eyes, wings to fly, legs, an entire body system etc. It is very vigilant and when you approach to capture or kill her, she flies right away. Even with the fly squatter, it is sometimes hard to kill it. The spider and its web is amazingly constructed; it is very strong and built to withstand the wind and the rain. The insects that approach the web are trapped in it, never to escape from it and provide a meal for the spider. The spider's web is very flimsy but still strong enough to withstand the wind and the rain. It is one of **Allah's Marvel** like so many others.

**64:2 Part 1:** He is the One who created you.

**Revealed:** Chapter Number 64 + Verse No. 2 **reveals the sum of 66.**

**Revealed:** The GV of **Allah letters** is **Perfectly 66,** confirming that the **Creator is Allah.**

**NOTE:** I am going to connect Part 2 with Part 4 and then connect Part 3 to Part 4 to show you the Miraculous Revelation.

**64:2 Parts 2 & 4:** Then among you there is the disbeliever and **Allah** is fully Seer of everything you do.

**Revealed:** The messenger's letters are 14.

**64:2 Parts 3 & 4:** And among you is the believer, and Allah is fully Seer of everything you do. **Revealed:** The messenger's letters are 19, revealing both the Sacred Codes of 14 and 19 through this short verse. **Praise be to Allah whose Wisdom** cannot be fathomed, as is evident through the hidden and secret proofs within the short verse.

**Revealed:** The 2<sup>nd</sup> part on the word "*kaaferun*" has only **1 letter of Allah as an Aleef**, explaining that the disbelievers do not believe in **Allah and His Absolute Authority as ONE.**

The 3<sup>rd</sup> part on "**Muhminun**" has no **Allah letter/letters** as the word refers to "**Believers**" who have already believed to attain the status of being believers in **Allah and His Absoluteness.**

**Revealed:** The GV of the word "**Kaaferun**" is 301 and GV of the word "**Muhminun**" is 136, **revealing the diff. of 165.** This profound proof and revelation explains and confirms the difference in the disbeliever and the believer. Moreover, there is no messenger's letters in Kaaferun as compared to Muhminun whereby all 4 letters in the word comprise of messenger's letters. Here is another proof out of the word "believer."

By writing GV of each letter next to each other, it becomes: 4064050. You can readily see that the sum of digits is **precisely 19**, Subhan Allah. This phenomenon does not happen with the word "Kaaferun."

**64:3** He created the heavens and the earth **for a specific purpose**, designed you and perfected your design, then to Him is the final destiny.

**Revealed:** The **Aleefs of Absoluteness** are 7 and **Allah letters** are 14, revealing and confirming the specific purpose of creating the heavens and the earth.

**67:2** The One who created death and life for the purpose of distinguishing those among you who would do better. He is the Almighty, the Forgiving.

**67:3** He created seven universes in layers. You do not see any imperfection in the creation by the Most Gracious. Keep looking; do you see any flaw?

**Revealed:** The **Allah letters** are 19 and 14 in each verse, revealing the Sacred Codes and confirming the purpose of the creation of the human beings to distinguish those among them who would do better in (working righteousness) during this 2<sup>nd</sup> chance on Earth.

According to Allah's predetermined decree and plan, He created satan from fire, and created the first human being, called Adam from clay. Then He commanded all the angels to fall prostrate before Adam in order to test them whether they submit to His command and authority or not? All the angels fell prostrate, except Iblees, who refused to prostrate before a human being made of clay.

During our first life in Paradise, Allah commanded Adam and his spouse **not to** approach and eat from a specific tree that was forbidden as a **Test of obedience to Allah.** Iblees, the devil inspired Adam and his wife to disobey **Allah's command**, and thus they got evicted from Paradise. This started the Heavenly

Feud that resulted in the eviction of Iblees and all the humans to go down to Earth. Satan was appointed as a “Khalifa” – a temporary god on earth till the Day of Resurrection. His role would be to divert the people from the truthful teachings that Allah would send to the humans through His messengers. Moreover, Satan’s intent and wishes will be to divert the people from the messengers and the messages and to mislead and send astray all the humans, except a few (as he said). Satan posed the challenge to Allah that the majority will follow him and not their Creator, the Most Gracious. The Test was going to be simple, yet profound.

The humans have been granted a 2<sup>nd</sup> chance to obey Allah by believing in Him, His angels, His Scriptures, His messengers, **and the last day (the Hereafter)**, when everyone will be summoned before their Lord and held accountable for their belief and deeds on Earth. The following verse reveals the key instruction and command of our Lord.

**4:136** O you who believe, you shall believe in **Allah** and His messenger, and the scripture He has revealed through His messenger, and the scripture He has revealed before that. **The Words:** Allah – and the Last Day

**Revealed:** The **messenger's letters** are 24 and 10 in each part, revealing the diff. of 14. The hypocrites have been exposed through the Miracle of Seven Pairs inspired to the messenger.

**2:9** In trying to deceive **ALLAH** and those who believe, they only deceive themselves without perceiving.

**2:10** In their minds there is a disease. Consequently, **ALLAH** augments their disease. They have incurred a painful retribution for their lying.

**Revealed:** The **Aleefs of Absoluteness** are 9 and 8 in each verse, revealing the diff. of 1. The disbelievers who try to deceive Allah and the believers only end up deceiving themselves without perceiving. **3:86** Why should **Allah** guide people who disbelieved after believing, and after witnessing that the messenger is truth, and after solid proofs have been given to them? **Allah** does not guide the wicked.

**3:101** How can you disbelieve, when these revelations of **Allah** have been recited to you, and His messenger has come to you? Whoever holds fast to **Allah** will be guided in the right path.

**Revealed:** The **Allah letters** are 31 and 17 in each verse, **revealing the diff. of 14**, to confirm the profound verses on the messenger who has been granted the truth and the proofs to guide the people to righteousness.
