

**I seek refuge in ALLAH from satan the rejected.  
In the name of ALLAH, the Most Gracious, the Most Merciful.**

***Prostrating to Allah** has a historic significance and goes back to the Heavenly Feud, when **Allah** created the first human being out of potter's clay or mud, **then asked all the angels to fall prostrate before Adam**. All the angels complied with the command and fell prostrate except **Iblees** who refused out of arrogance, and turned into a disbeliever. The devil showed contempt to **Allah's command** by saying that he was superior as he was made from fire whereas the human Adam was made of mud. This was the beginning of the word "**racism**" - expressing superiority of **Iblees** over the human Adam made of mud.*
