

Sermon: The Heavens and the Earth

I seek refuge in **Allah** from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful.

In the Quran, **the Most Wise Lord** mentions “**the Heavens and the Earth**” together, simply for the reason that He constructed the earth for the humans and all other creatures to live on and to inhabit it. This is in accordance with the original divine plan of **Allah**. There is not a creature on earth that does not have its provisions to eat and drink. Similarly **Allah** created all sorts of provisions for the humans in abundance, knowing that they will need them to sustain their lives on Earth. The words are marked through the letters of **Allah and His messenger**.

“The heavens and the earth” The **Allah** letters are 5 and **messenger’s** letters are 6, **revealing the diff. of 1**. The **Revelation of 1** provides the guidance to the messenger to explain to the believers the wisdom behind the words and in the Sermon.

Allah, Most Exalted states in the Quran that He created seven universes and the same number of earths (meaning 7 earths) and the commands flow among them. The Earth that has been created for the humans to inhabit, has been especially constructed by the **greatest Architect and Planner**. **Allah** constructed and built mountains with tall peaks, rivers, valleys, waterfalls, amazing scenery, and millions of other things, **Subhan Allah**. We can Marvel at the variety of colors that He created in the flowers, plants, birds, insects, reptiles, and animals.

13:3 Part 1: He is the One who constructed the earth and placed on it mountains and rivers.

Revealed: The **messenger’s letters are 14**, confirming the verse through the Miracle of Seven Pairs.

Part 2: And from the different kinds of fruits, He made them into pairs - males and females. The night overtakes the **day**. These are solid proofs for people who think.

Revealed: The **Allah letters** are **14** up to “**day**” and **19** in the verse, thus **revealing the Sacred Codes of 14-19**.

The following are 7 verses that are marked with proofs through Allah and His messenger’s letters.

15:16 We placed galaxies in the sky, and adorned it for the beholders.

Revealed: The **messenger’s letters** are **19**. **Allah Most High** has placed galaxies in the sky, with a million trillion stars in them and adorned it for the beholders, which includes the human beings.

15:17 And we guarded it against every rejected devil.

The profound Revelation of 1 confirms and proves that **Allah** constructed the sky above us and adorned it without any flaw. He is the One who also created the Earth, scattered on it mountains, and grew on it all kinds of beautiful plants. All of these blessings are just for the humans and the animals.

50:8 This is an enlightenment and a reminder for every pious worshiper.

50:9 And we sent from the sky **blessed water**, to grow with it gardens and grains to be harvested.

The scientists, the physicists, and the astronomers, look into the heavens through their powerful telescopes, and launch their rockets into space to search for a planet that has oxygen and water in it, in order to find an alternate place to settle. They have spent enormous amounts of money but have failed so far. Either the other planets are too cold and frozen or they are too hot for the humans to survive.

Before evicting the humans and the animals from Paradise, the **Most Gracious** had already constructed the Earth for the humans to live on it. Through **Verse 65:12**, our Lord informs us that He created seven universes and the same number of earths, but He did not provide any information whether there are any livable creatures, or the proper environment for the humans and animals to live. The Earth we live on has been especially constructed for us with all kinds of provisions, **Subhan Allah**.

This was the pre decreed plan of **Allah, Most High** to provide everything and then put the humans to the Test to see if they recognize His blessings and whether they are appreciative or not.
