

Sermon: Describing the Human Body from Head to Feet

I seek refuge in **Allah** from satan the rejected.
In the Name of Allah, the Most Gracious, the Most Merciful

*** The Creation of the Human Beings was easy for Allah but the complexities and the miracles involved, is for the humans to acknowledge and appreciate. Each organ and part of the body has a complete science and biology that only the doctors specialized in the field can explain. The messenger is only going to talk about what is outside of the body and not the internal organs, as it too complex and is for the specialists to explain.

*** The Most Gracious is the One who created the humans, designed them, and perfected them. It is a true Marvel from the Most Gracious.

82:7 The One who created you, designed you, and perfected you.

82:8 In whatever design He chose, He constructed it.

Revealed: The **Allah letters** are 8 in both verses and **messenger's letters** are 12, **revealing the last name of the messenger 128** through the pattern of **Allah and His messenger's letters**.

64:2 Part 1: He is the One who created you.

Revealed: The GV of **Allah letters** is **Perfectly 66**, proving that He is indeed the Creator of the human beings and all other creatures on earth, as well as those in the oceans and seas.

64:2 Part 2: Then among you there is the disbeliever.

Revealed: There is only 2 words in this part, and the **Allah letter is only an Aleef** (GV is 1) that is marked on the word "**the disbeliever - kaafir**" revealing that the disbelievers do not **believe in Allah and His Absolute Authority**.

64:2 Part 3: And the believer. **Allah** is fully Seer of everything you do.

Revealed: The **messenger's letters are 19**, revealing that the messenger is a believer and **Allah** is fully Seer of him and the other believers.

64:3 Part 1: He created the heavens and the earth for a specific purpose,

Revealed: The **messenger's letters** are 12 and **Allah letters** are 8, revealing the last name of the **messenger as Husain** through the **pattern of 12 and 8**.

64:3 Part 2: And designed you and perfected your design, then to Him is the final destiny.

Revealed: The **messenger's letters** are **14**, proving that **Allah** has designed and perfect human's design. This is the reason that no human being looks identical to another. Each one of us is uniquely designed and is not repeated again to be a copy of another. There can be similarities in features but they will not be identical. Even the twins or triplets have different DNA and variance in their features.

*** Note that in **Verse 64:2** the **messenger's letters** are **19** in **Part 3**, and in **Verse 64:3** the **messenger's letters** are marked as **14** in **Part 2** of the verse revealing the Sacred Codes of 19-14, **Subhan Allah**.

*** It is a well-known fact and proven truth from the Quran that **Allah** created the humans from mud and water.

According to the Quran, **Allah** created the human beings from wet or aged mud and water.

23:12 We created the human being from a certain kind of mud.

Revealed: The **messenger's letters** are **19**, proving that the human being is created from a certain kind of mud.

6:2 Part 1: He is the One who created you from mud.

Revealed: The GV of **Allah letters** is **Perfectly 66** to proclaim and **confirm the Creator**.

6:2 Part 2: Then predetermined your life span, a life span that is known only to Him. Yet, you continue to doubt.

Revealed: The **Allah letters** are **7**, confirming that only **the Creator** knows your life span that has been predetermined by Him.

Revealed: The GV of **messenger's letters** in the entire verse is 1008, that is **14** x 72.

15:26 We created the human being from aged mud, like the potter's clay.

Revealed: The **Allah letters** are **9** and **messenger's letters** are **23**, **revealing the diff. of 14**, being the Seven Pairs Miracle.

*** The above were a few assorted verses and each one of them comes with the Proof from **Allah, Lord of the Universe**.

11:7 Part 1: He is the One who created the heavens and the earth in six days - and His (earthly) **domain was completely covered with water** - in order to test you, to distinguish those among you who work righteousness.

11:7 Part 2: Yet, when you say, "You will be resurrected after death," those who disbelieve would say, "This is clearly witchcraft."

Revealed: The **messenger's letters** are **35** and **36** in each part, **revealing the diff. of 1**.

Revealed: The GV of **Allah letters** is **297** and **223** in each part, proclaiming "**Rasoola - a messenger**" and "**al-muminoon - the believers**." It is evident from **Allah's narration**

that He created the earth and placed humans on it to test and distinguish those among them who would work righteousness **meaning obeying and following their oaths and the laws of Allah**, in order to attain the status of being a believer through the messenger.

25:54 Part 1: He is the One who created from water a human being,

25:54 Part 2: Then made him reproduce through marriage and mating. Your Lord is Omnipotent.

Revealed: The **Allah letters** are 8 and 7 in each part, **revealing the diff. of 1.**

Revealed: The **messenger's letters** are 11 and 10 in each part, **revealing the diff. of 1.** The creation of the human being from water and subsequently reproducing him through marriage and mating is all confirmed and proven by the **Revelation of 1 through Allah letters as well as messenger's letters, Praise be to Allah.**

24:45 And **Allah** created every living creature from water. Some of them walk on their bellies, some walk on two legs, and some walk on four. **Allah** creates whatever He wills. **Allah** is Omnipotent.

*** It is important to understand that the walruses and the seals walk on their bellies, the humans, the storks, the birds, and many other animals walk on two legs, while the majority of animals like the elephants, tigers, lions, giraffes, hyenas, and many more walk on four legs, **Glory and Praise be to Allah.** The humans with 2 legs are able to better balance their bodies while standing still, walking, or running; as compared to some humans who have only one leg due to accident, or being shot by someone.

24:45 Part 1: And **Allah** created every living creature from water.

Revealed: The **Allah letters** are 9 and **messenger's letters** are 10, **revealing the diff. of 1.**

24:45 Part 2: Some of them walk on their bellies,

24:45 Part 3: Some walk on two legs,

24:45 Part 4: And some walk on four.

Revealed: The **Allah letters** are 3-3-3 in each part, revealing the **matching Proof.**

24:45 Part 5: **Allah** creates whatever He wills.

24:45 Part 6: **Allah is Omnipotent** over all things.

Revealed: The **Allah letters** are **7** and **7** in each part, revealing the **glorified proof of Seven Pairs.**

21:30 Part 1: Do the unbelievers not realize that the heaven and the earth used to be one solid mass that we exploded into existence? **And from water we made all living things.**

Revealed: The **Aleefs of Absoluteness** are **precisely 14**, explaining that the heavens and the earth used to be one solid mass that **Allah** exploded into existence, and from water He made all living things.

21:30 Part 2: Would they believe?

Revealed: The GV of **Allah letters** is 32 and GV of **messenger's letters** is 192, **the sum is 224** that is, **14x16**.

*** **The Major Parts and Organs of the Human Bodies:** (on the outside)

The Skin, Head, Neck, 2 Ears, 2 Eyes, Nose, Mouth, 2 Lips, 2 arms, 2 legs, 5 fingers in each hand and feet, and sexual organs which are different in males and females. The 5 fingers in each hand symbolize the belief and the worship practices that have been commanded to the humans.

BELIEF: In **Allah**, the angels, the scriptures, the messengers, the **Last Day**.

Worship Practices: Proclaiming the **Shahadah (La Elahaa Illa Allah)**, observing the Salat, paying out Zakat, Observing the Fast, and Performing the Hajj once during your lifetime.

The Salat: There are 5 Salats for each day. They are Fajr, Zuhar, Asr, Maghrib, and Ishaa. Observing the 5 salats on time is the most important objective.

*** **Allah has created 3 holes or openings in every human being. They are the mouth, the penis in males and the vagina in females on the front of the body, and the anus at the back of the body.** Allah Ta'ala did not make any distinction between the rich and the poor. The Kings, the Queens, the Royalty, the Presidents, the Prime Ministers, the Ministers, the Prophets and the Messengers, the billionaires, the millionaires, the educated and the illiterate, the rich and the poor, the healthy and the handicapped, the believers and the disbelievers; they all have these 3 openings for a specific purpose. From the front, the humans urinate or pee and from the anus they excrete poo or stool, which has an absolutely horrible smell that can make some of them throw up. In this day and age, **Allah** has granted affluent countries with the knowledge to build toilets with water reservoirs on top of the toilet to flush down the poo and the pee. In poorer countries they still use the stone or other means to clean themselves up. The Royalty and the Rich would wish that they never had it or did not have to go to the bathroom, but they cannot do anything against the **System of Allah**.

15:75 This is a lesson for those who possess intelligence.

15:76 This will always be the system.

Revealed: The **Allah letters** are 6 and 5 in each verse, **revealing the diff. of 1**.

Revealed: The **messenger's letters** are 13 and 12 in each verse, **revealing the diff. of 1**.

We know that the people have been able to have facial surgeries for their skins to look young and to cover and hide the wrinkles; wearing a wig to hide the true color of the hair and coloring it, coloring the eyelashes, even changing the eye color by wearing a different layer in the eyes, but no one has been able to change the system of pee and poo, as it was the **Divine Plan of Allah**. Let us take the example of the King or the Queen; they change their luxury attire and dresses more than once in a day but think how they must feel about going to the bathroom to poo and then clean themselves up. Certainly, it is not a pleasurable experience. If the humans have constipation, they feel uncomfortable, on the other hand if they have diarrhea that will make them go to the bathroom several times and make them weak bodily. This system cannot be avoided or violated.

The uniqueness of the human being is clear and distinct from each other, as they do not match the looks, the color of the skins or the number of hair on their bodies. No one has been able to count the total number of hair on any human body including the head, even with the advanced technology that has been blessed upon the humans. The face of every human is designed by **Allah** and will not look like others. This is why they are unique. (Verse 3:106)

3:106 Part 1: The day will come when **some faces will be brightened (with joy)**,

3:106 Part 2: While **other faces will be darkened (with misery)**. As for those whose faces are darkened, they will be asked, "Did you not disbelieve after believing? Therefore, suffer the retribution for your disbelief."

Revealed: The **messenger's letters** are 12 and 26 in each part, **revealing the diff. of 14**.

3:107 Part 1: As for those whose faces are brightened, they will rejoice in **Allah's** mercy;

3:107 Part 2: They abide therein forever.

Revealed: The **Aleefs of Absoluteness** are 6 in entire verse, and **messenger's letters** are 20, **revealing the diff. of 14**.

Revealed: The GV of **messenger's letters** in each part is 318 and 136, **the diff. is 182**, which is **14** x 13. The proofs reveal that the believers' faces will be brightened; they will also rejoice in **Allah's mercy and will be granted Paradise to live in for Eternity**.

Let me start with the skin first. It is the largest organ of the body. The sweat and perspiration comes out through the pores of the skin. Each individual's sweat smells different and it will be hard to believe this unless you bring a trained dog that can smell and point out the specific person. I will now recite verses from the Quran on this topic.

4:56 Part 1: Surely, those who disbelieve in our revelations, we will condemn them to the hellfire.

4:56 Part 2: **Whenever their skins are burnt, we will give them new skins.**

4:56 Part 3: Thus, they will suffer continuously. **Allah** is Almighty, Most Wise.

Revealed: The **messenger's letters** are 15-13-15 in each part, **revealing the diff. of 2** between each part, and pointing out the grave punishment of Hellfire for the disbelievers, whereby their skins will be burnt and replaced by new skins to burn forever. They will suffer continuously for eternity.

Revealed: The GV of **Allah letters** for the entire verse is **343**, that is **7 x 7 x 7**, revealing and confirming the retribution for the disbelievers through the Proof of Seven Pairs.

22:20 It will cause their insides to melt, **as well as their skins**.

Revealed: The **Allah letters** are **7** with the **GV of 77**, confirming the punishment through the Miracle of Seven Pairs.

41:21 They will say to their skins, "Why did you bear witness against us?" They will reply, "**Allah** made us speak up; He is the One who causes everything to speak. He is the One who created you the first time, and now you have been returned to Him."

41:21 Part 1: They will say to their skins, "Why did you bear witness against us?"

Revealed: The **messenger's letters** are **14**; the disbelievers will be shocked to see their skins bear witness against them.

41:21 Part 2: "Why did you bear witness against us?"

Revealed: The GV of **Allah letters is 66**, to explain that the Creator has the Power to even make the skins speak up to bear witness against the disbelievers.

41:21 Part 3: They will reply, "**Allah** made us speak up."

Revealed: The **Allah letters** are 9 and **messenger's letters** are 8, **revealing the diff. of 1**.

41:21 Part 4: He (**Allah**) is the One who causes everything to speak. He is the One who created you the first time, and now you have been returned to Him."

Revealed: The **messenger's letters** are **19**. In **Part 1**, the **messenger's letters** are **14**, this reveals the **Sacred Codes of 14-19, Subhan Allah**.

41:21 Part: They will reply, "**Allah** made us speak up; He is the One who causes everything to speak."

Revealed: The GV of **Allah letters** is **Perfectly 162**, revealing that every part of the human body **submits (162)** to Him and He is the One who causes everything to speak. This Truth is hereby confirmed through the number of Proofs revealed which may be hard to believe for the hypocrites and the disbelievers.

*** Every human being has a head, whether it is male or female, unless it is born deformed. The head is mostly covered with hair and there is hair all over the bodies as well. Some have more hair than others. No one's hair is the same as another person. The fiber of the hair can reveal the DNA of the person, which is usually analyzed by the crimes lab to identify the criminal or criminals or for other purposes.

The hair comes in various colors; they can be black, light brown, dark brown, red, or they can be blonde in color. Later on in life, the hair begins to change color into **grey** or white. The women mostly have longer hair than men. It is all in accordance with **Allah's design**.

19:4 He (Zachariah) said, "My Lord, the bones have turned brittle in my body, **and my hair is aflame with gray**. As I implore You, my Lord, I never despair.

Revealed: The GV of **Allah letters** is **perfectly 165** revealing the **Absoluteness of Allah** who controls all aspects of our bodies including the strength or weakness of our bones, as well as the hair changing the color at an older age. With some people, the hair color changes at a younger age and with others, it changes in older age. **Allah is the doer of whatever He wills**.

The head has a scalp covering it. Inside the head is the most important organ called “the brain.” It has different sections and controls everything in the bodies. Even the eyesight, hearing, the blinking of the eyes, the movement of the lips, the tongue, the movement of the legs, the arms along with the hands, the thought process, the, the decision making, short and long-term memory, and much more is all controlled by the brain. While sleeping during the day or night, the dreams originate from the brain. Thus, all aspects and actions of the humans’ lives are controlled by their brains. The brain has billions of neurons that connect to each other to perform various functions. The messenger cannot explain any more about the brain as it is complex science that even the most qualified neurologists and researchers cannot fully understand the brain and its functions. **This is Allah’s true and profound Marvel, as the Verse reads:**

55:77 Which of your Lord’s Marvels can you deny?

Revealed: The **Allah letters** are 6 and **messenger’s letters** are 7, **revealing the diff. of 1**, **Praise be to Allah.**

Revealed: The GV of all **Arabic Letters** is 1563 and GV of all **Quranic Initials** is 375, the sum of both is **1938** which is **19 x 102**, **Subhan Allah.** By taking the quotient of 1938, **Allah directs the messenger to Verse 19:38**, and it reads:

19:38 Part 1: Wait till you hear them and see them when they come to face us.

19:38 Part 2: The transgressors on that day will be totally lost.

Revealed: The GV of **messenger’s letters** in each part is 322 that is **14 x 23** and 494 that is **19 x 26**, revealing both of the **Sacred Codes** through letters of the messenger.

*** Around the head on the side of the face, the humans are granted 2 ears; one on each side, and a nose in front of the face with 2 nostrils. The hearing is provided through the ears and the blessing of smell, as well as inhaling oxygen to breathe in is done through the nose. The nose can distinguish the bad smell from the good smell. There are thousands of colognes and perfumes sold in the stores, and the humans purchase according to the smell they prefer and like. There is a mouth just below the nose that has the tongue, which performs the function of taste. It also serves to inhale oxygen as well as exhale it. The oxygen is inhaled through the nose and it is exhaled through the mouth. The oxygen is needed by the heart, each cell in the body to stay alive; it also is taken in by the lungs and is exhaled as carbon dioxide, which then is inhaled by the plants and trees and exhaled back as oxygen; this cycle of continuous inhaling/exhaling between the humans and the plants and trees continues nonstop for as long as the human lives. If the human is deprived of oxygen even for a few minutes, the inevitable consequence will be heart failure and death. The oxygen is vital to the survival of all cells within the body, all the organs, the hair, the fingernails - toenails and everything else for the cells to survive and to multiply. The face is unique to every human and does not match with another. There are currently over 7 billion human beings on earth and none of them is duplicated or match with another. Reflect and realize the awesome power that **our Lord has – He surely is the Best Creator.**

The tongue produces saliva that helps to dissolve the food going into the stomach. The saliva can also provide the DNA to identify the individual human being for a variety of purposes. The mouth has 32 teeth with molars at the back; these molars are used to crush the hard foods and pass it down the throat into the stomach. The tongue also helps the individuals to pronounce words and to speak the language they know. The cells in the tongue are very sensitive and can distinguish

thousands of different tastes. The lips along with the tongue help in speaking, eating the food, and speaking different languages and their accents.

90:8 Did we not give him two eyes?

90:9 A tongue and two lips?

Revealed: The GV of **Allah letters** for both verses is **128**, revealing the last name of the messenger, as **Husain**.

90:9 A tongue and two lips?

Revealed: The GV of **messenger's letters** is **212**, revealing "**Rabbi - my Lord.**" The Revelations prove that **Allah** provided the messenger as well as all the people with two eyes, a tongue, and two lips, for which I am most appreciative to my Lord.

20:25 He (Moses) said, "My Lord, cool my temper."

20:26 And make this matter easy for me.

20:27 And untie a knot from my tongue.

20:28 So they can understand my speech.

20:29 And appoint an assistant for me from my family.

20:30 My brother Aaron.

20:31 Strengthen me with him.

20:32 Let him be my partner in this matter.

20:33 That we may glorify You frequently.

20:34 And commemorate You frequently.

20:35 You are Seer of us.

Revealed: The cumulative letters of **the messenger** in the above **11 verses** is **66**, revealing that Moses sought and implored his Lord to cool his temper, and untie a knot from his tongue, so that Pharaoh's people could understand his speech, **Praise be to Allah**. This was one of **Allah's Miracle** that is further confirmed through Verses 36 and 37.

20:36 He said, "Your request is granted, O Moses."

20:37 "We have blessed you another time."

Revealed: The **Allah letters** are 4 and 5 in each verse, **revealing the diff. of 1**. This was **Allah's blessing** on Moses by approving and granting his request of appointing his brother, Aaron, as a partner in that matter.

Revealed: The combined **Allah letters** in both verses are 9 and **messenger's letters** are 23, **revealing the diff. of 14**, to proclaim the **Miracle of Seven Pairs** through **Allah** and His messenger.

20:33 That we may glorify You frequently.

20:34 And commemorate You frequently.

Revealed: **Both Verses** are marked with a **single Aleef** out of **Allah's letters to reveal His Absoluteness**.

Revealed: The GV of **messenger's letters** in **Verse 20:33** is **140** that is **14** x 10 and in **Verse 20:34** it is **perfectly 66**, to reveal the code of **Seven Pairs and the glorified name of Allah**.

23:78 He is the One who granted you the hearing, the eyesight, and the brains. Rarely are you appreciative.

Revealed: The **Allah letters are Perfectly 19**, proving that He is the One who granted the humans the hearing, the eyesight, the brains, for which they are still unappreciative.

32:9 Part 1: He shaped him.

32:9 Part 2: And blew into him.

32:9 Part 3: From His **spirit**.

Revealed: The GV of **messenger's letters** in **Part 2** is **66**, revealing that **Allah** blew in to him (from His Spirit).

Revealed: In **Part 3**, the word "**Spirit - ruheyhee**" has the GV of **messenger's letters** as **14**.

32:9 Part 4: And He gave you the hearing, the eyesight, and the brains; rarely are you thankful.

Revealed: The **Aleefs** are **7**, the **messenger's name initials** are **14** and the **messenger's letters** are **19**, revealing all 3 Sacred Codes.

Revealed: The Chapter and Verse Number **329** spells out "**The Most Gracious**" and is a multiple of **7** ($329 = 7 \times 47$).

30:54 Part 1: **Allah** is the One who created you weak.

Revealed: The **Allah letters** are **7** in part 1, guiding us that we are weak when He creates us. This is the age of "**infancy**" when we are born, for easier understanding.

30:54 Part 2: Then granted you after the weakness strength.

Revealed: The **messenger's letters** are **7**, pointing out that **Allah** grants strength as we grow up, after the weakness. This is the middle age after infancy to old age.

30:54 Part 3: Then substituted after the strength weakness and gray hair.

Revealed: The **Allah letters** are 4 and **messenger's letters** are 10, **revealing the sum of 14**. The weakness and gray hair happens when we enter old age. **Praise be to Allah** for granting us **stages in our lives**. All of the humans have to go through this.

30:54 Part 4: He creates whatever He wills. He is the Omniscient, the Omnipotent.

Revealed: The **messenger's letters** are **14**, ending the verse through **the Miracle of Seven Pairs**.

7:195 Part 1: Do they have legs on which they walk?

7:195 Part 5: Say, "Call upon your idols, and ask them to smite me without delay."

Revealed: In Parts 3 and 4, the **messenger's letters** are **10** and **10**, and in Part 5, they are **12**, revealing the diff. of 2 gods to point out the idol worshippers.

Revealed: The **Allah letters** in Part 4 are **7** and in Part 5, they are **6**, revealing the diff. of 1.

7:195 Part 5: Say, "Call upon your idols,"

7:195 Part 6: And ask them to smite me without delay.

Revealed: The **messenger's letters** are 4 and 8 in each part, revealing the doubling of numbers, to reveal the idolaters.

Revealed: The GV of **messenger's letters** in each part are 176 and 242, revealing the diff. of 66, proclaiming the glorified name of Allah. This last part guides the messenger and the believers, that the idols have no power and they can never smite or hurt **Allah Ta'ala.**

The Verse has clearly defined that the purpose of the legs is to walk; the hands are helpful in defending yourselves, as well as picking up weights, groceries, or other things, the eyes are for seeing and the ears are for hearing. These are all blessings of **Allah** for which the humans ought to be appreciative. Compare these blessings to the idols that the disbelievers set up, who cannot create anything nor can they provide the legs, hands, eyes and the ears.

71:13 Why should you not strive to reverence?

Revealed: The **Allah letters** are 9 and **messenger's letters** are 10, revealing the diff. of 1. All believers should strive to reverence **Allah** as much as they can to gain extra credits.

71:14 He is the One who created you in stages.

Revealed: The **messenger's letters** are 6 and 8 in each verse, **revealing the sum of 14.**

86:5 Let the human reflect on his creation.

51:20 The earth is full of signs for those who are certain.

80:23 No, he did not uphold His commandments.

Revealed: The **Allah letters** are 6 and 7 in each verse, **revealing the diff. of 1.** **Allah** has provided numerous Signs on earth for those who are certain and once they are certain, then they should obey and uphold all His commandments.

51:21 And within yourselves; can you see.

80:24 Let the human consider his food.

Revealed: The **messenger's letters** are 9 and 10 in each verse, **revealing the diff. of 1.**

Explanation for Verses 51:21 and 80:24: The humans eat a variety of food items – some good and nutritious, while others are bad and high on calories and fat. Once it goes past the throat, you have no idea if the liver and the pancreas have accepted the food or creating poison through them. Food is the main source of stomach diseases including cancers, ulcers, tumors and other diseases, and you will never know till you have some symptoms that make you go to the doctor. There are good and bad bacteria produced inside the stomach and the bad bacteria causes problems and diseases.

As you have seen and noted that Verses 51:20 and 80:23 are marked through letters of **Allah**, and Verses 51:21 and 80:24 are marked through letters of **the messenger**, both reveal the **“Revelation of 1,” Glory be to Allah.** This frequently happens that some verses reveal the glorified name of **Allah** through the letters or GV's of the messenger; and the letters of **Allah** and their GV's reveal the name of the messenger – last name or first name or full name, **Subhan Allah.** Some believers who are weak in faith, the devil can instill thoughts in their minds, that the messenger is associating himself with **Allah** and is committing idolatry by trying to be a partner with Him. The ones who think like that are not familiar with the verses and teachings of the Quran. **Allah has the Absolute Authority** to do as He wills and does not need consultation or advice from any of His creatures. I will recite some verses to show the believers where **Allah** used His Absolute Authority which some believers cannot comprehend.

4:102 When you are with them, and lead the Contact Prayer (Salat) for them, let some of you stand guard; let them hold their weapons, and let them stand behind you as you prostrate. Then, let the other group that has not prayed take their turn praying with you,

while the others stand guard and hold their weapons. Those who disbelieved wish to see you neglect your weapons and your equipment, in order to attack you once and for all. You commit no error, if you are hampered by rain or injury, by putting down your weapons, so long as you remain alert. **Allah** has prepared for the disbelievers a shameful retribution.

4:125 Who is better guided in his religion than one who submits totally to **Allah**, leads a righteous life, according to the creed of Abraham: monotheism? **Allah has chosen Abraham as a beloved friend.**

19:16 Mention in the scripture Mary. She isolated herself from her family, into an eastern location.

19:17 While a barrier separated her from them, we sent to her our Spirit. He went to her in the form of a human being.

19:18 She said, "I seek refuge in the Most Gracious, that you may be righteous."

19:19 He said, "I am the messenger of your Lord, to grant you a pure son."

19:20 She said, "How can I have a son, when no man has touched me; I have never been unchaste."

19:21 He said, "Thus said your Lord, 'It is easy for Me. We will render him a sign for the people, and mercy from us. This is a predestined matter.' "

19:22 When she bore him, she isolated herself to a faraway place.

19:23 The birth process came to her by the trunk of a palm tree. She said, "(I am so ashamed;) I wish I were dead before this happened, and completely forgotten."

19:24 (The infant) called her from beneath her, saying, "Do not grieve. Your Lord has provided you with a stream.

19:25 "If you shake the trunk of this palm tree, it will drop ripe dates for you.

19:26 "Eat and drink, and be happy. When you see anyone, say, 'I have made a vow of silence; I am not talking today to anyone.' "

19:27 She came to her family, carrying him. They said, "O Mary, you have committed something that is totally unexpected.

19:28 "O descendant of Aaron, your father was not a bad man, nor was your mother unchaste."

19:29 She pointed to him. They said, "How can we talk with an infant in the crib?"

19:30 (The infant spoke and) said, "I am a servant of **Allah**. He has given me the scripture, and has appointed me a prophet.

19:31 "He made me blessed wherever I go, and enjoined me to observe the Contact Prayers (Salat) and the obligatory charity (Zakat) for as long as I live.

19:32 "I am to honor my mother; He did not make me a disobedient rebel.

19:33 And peace be upon me the day I was born, the day I die, and the day I get resurrected."

19:34 That was Jesus, the son of Mary, and this is the truth of this matter, about which they continue to doubt.

22:74 They do not value **Allah** as He should be valued. **Allah** is the Most Powerful, the Almighty.

22:75 **Allah** chooses from among the angels messengers, as well as from among the people. **Allah** is Hearer, Seer.

27:7 Recall that Moses said to his family, "I see a fire; let me bring you news therefrom, or a torch to warm you."

27:8 When he came to it, he was called: "Blessed is the One (who is speaking from) within the fire, and those around it." Glory be to **Allah**, Lord of the universe.

27:9 "O Moses, this is Me, **Allah**, the Almighty, Most Wise.

27:15 We endowed David and Solomon with knowledge, and they said, "Praise **Allah** for blessing us more than many of His believing servants."

27:16 Solomon was David's heir. He said, "O people, we have been endowed with understanding the language of the birds, and all kinds of things have been bestowed upon us. This is indeed a real blessing."

27:17 Mobilized in the service of Solomon were his obedient soldiers of jinns and humans, as well as the birds; all at his disposal.

27:18 When they approached the valley of the ants, one ant said, "O you ants, go into your homes, lest you get crushed by Solomon and his soldiers, without perceiving."

27:19 He smiled and laughed at her statement, and said, "My Lord, direct me to be appreciative of the blessings You have bestowed upon me and my parents, and to do the righteous works that please You. Admit me by Your mercy into the company of Your righteous servants."

27:20 He inspected the birds, and noted: "Why do I not see the hoopoe? Why is he missing?"

27:21 "I will punish him severely or sacrifice him, unless he gives me a good excuse."

27:22 He did not wait for long. (The hoopoe) said, "I have news that you do not have. I brought to you from Sheba, some important information."

27:23 "I found a woman ruling them, who is blessed with everything, and possesses a tremendous palace."

27:24 "I found her and her people prostrating before the sun, instead of **Allah**. The devil has adorned their works in their eyes, and has repulsed them from the path; consequently, they are not guided."

27:25 They should have been prostrating before **Allah**, the One who manifests all the mysteries in the heavens and the earth, and the One who knows everything you conceal and everything you declare.

27:26 Allah: there is no other god beside Him; the Lord with the great dominion.

27:27 (Solomon) said, "We will see if you told the truth, or if you are a liar."

27:28 "Take this letter from me, give it to them, then watch for their response."

27:29 She said, "O my advisers, I have received an honorable letter."

27:30 "It is from Solomon, and it is, **'In the name of Allah, Most Gracious, Most Merciful.'**

27:31 "Proclaiming: 'Do not be arrogant; come to me as submitters.' "

27:32 She said, "O my advisers, counsel me in this matter. I am not deciding anything until you advise me."

27:33 They said, "We possess the power, we possess the fighting skills, and the ultimate command is in your hand. You decide what to do."

27:34 She said, "The kings corrupt any land they invade, and subjugate its dignified people. This is what they usually do."

27:35 "I am sending a gift to them; let us see what the messengers come back with."

27:36 When the hoopoe returned to Solomon (he told him the news), and he responded (to Sheba's people): "Are you giving me money? What **Allah** has given me is far better than what He has given you. You are the ones to rejoice in such gifts."

27:37 (To the hoopoe, he said,) "Go back to them (and let them know that) we will come to them with forces they cannot imagine. We will evict them, humiliated and debased."

27:38 He said, "O you elders, which of you can bring me her mansion, before they arrive here as submitters?"

27:39 One afrit from the jinns said, "I can bring it to you before you stand up. I am powerful enough to do this."

27:40 The one who possessed knowledge from the book said, "I can bring it to you in the blink of your eye." When he saw it settled in front of him, he said, "This is a blessing from my Lord,"

whereby He tests me, to show whether I am appreciative or unappreciative. Whoever is appreciative is appreciative for his own good, and if one turns unappreciative, then my Lord is in no need for him, Most Honorable."

27:41 He said, "Remodel her mansion for her. Let us see if she will be guided, or continue with the misguided."

27:42 When she arrived, she was asked, "Does your mansion look like this?" She said, "It seems that this is it." (Solomon said,) "We knew beforehand what she was going to do, and we were already submitters."

27:43 She had been diverted by worshipping idols instead of **Allah**; she belonged to disbelieving people.

27:44 She was told, "Go inside the palace." When she saw its interior, she thought it was a pool of water, and she (pulled up her dress,) exposing her legs. He said, "This interior is now paved with crystal." She said, "My Lord, I have wronged my soul. I now submit with Solomon to **Allah**, Lord of the universe."

21:81 For Solomon, we committed the wind gusting and blowing at his disposal. He could direct it as he wished, to whatever land he chose, and we blessed such land for him. We are fully aware of all things.

Peace be upon the messengers.

Praise be to Allah, Lord of the Universe.
