

Sermon: Proofs are an essential and integral component of Quran.

**I seek refuge in Allah from satan the rejected.
In the name of Allah, the Most Gracious, the Most Merciful**

This will be the first Sermon of 2018. For a long time, I have wondered and reflected at the high number of verses on Proofs, Signs and Miracles in the Quran that have been revealed by **Allah, the Most Wise**. There must be a reason behind it, as the **Most High** knows what we do not know.

*** What is the importance of the Proofs?

1. They confirm the Living, Eternal Existence of Allah, Lord of the Universe.
2. They confirm that the Quran is from Allah and was sent down through Muhammad – the prophet and messenger, over 14 centuries ago.
3. Allah reveals His Miracles and Proofs through His messengers. The Proofs shed light on the verses and becomes easier to understand and to explain to the believers.
4. It provides the chance for the messengers to make minor changes where needed to make them compatible with the current times that we all live in with **Allah's** permission. To do this, they are inspired and guided by Allah, The Most Wise to make the changes.
5. Messengers are sent to purify the Scripture as well as the believers.

The disbelievers complain that there is no proof that Allah exists or that the Quran was revealed by Him. If there were no proofs, the disbelievers would have complained that the **scripture is human made** or simply the imagination of some crazy human. This may be their reason for disbelieving in the Quran. Let's see an appropriate verse on this.

74:24 He said, "This is but clever magic!

74:25 "This is human made."

Revealed: The **Allah letters** in both verses is 17 and **messenger's letters** is 15, **revealing the diff. of 2**, for the disbelievers, who made comments about the Quran being human made and calling it clever magic.

74:24 He said, "This is but clever magic!

74:25 "This is human made."

Revealed: The **Allah letters** are 8 and 9 in each verse, **revealing the diff. of 1**.

Verse 74:24 The GV of **Allah letters** is 70 and GV of **messenger's letters** is 294, **revealing the Miracle of Seven Pairs** through both numbers. ($70 = 14 \times 5$) and ($294 = 7 \times 14 \times 3$)

Revealed: **Verse 74:25**, The **GV of Allah letters is 100** and **GV of messenger's letters is 248, the diff. is 148, revealing "Alhumdo Lillah – Praise be to Allah."** The Proof clearly shows that the Quran was revealed by **Allah, Most Praiseworthy** and is certainly not composed by a human or humans. Though the humans driven by the devils have tried to corrupt and distort it, and translate it without due **Authorization of Allah**, in order to mislead the followers of the Quran away from the Truth.

21:5 They even said, "Hallucinations," "He made it up," and, "He is a poet. Let him show us a miracle like those of the previous messengers."

Revealed: The **Allah letters** are 25 and **messenger's letters** are 26, revealing the diff. of 1. This is **clear Proof that Allah has the Absolute Wisdom** to reveal the Revelation of 1 through His and His messenger's letters in response to the disbelievers unjust criticism about the Revelations.

The Miracle in this verse is that **Allah** exposed those who tried to conceal, by asking one of them to strike the victim with part of the heifer; that is when **Allah** brought the victim back to life, and showed them His Signs, that they may understand. This reveals and proves that **Allah is Omnipotent** and is able to revive the dead.
