## **Sermon on Abraham – the original messenger of Islam**

**In the Name of Allah, Most Gracious, Most Merciful**

**I seek refuge in Allah from satan the rejected.**

This sermon is a reminder for the believing and the disbelieving Muslims that prophet Abraham was the one who used the name submitters (Muslims) originally. And he taught the people how to do the Salat, obligatory charity (zakat), and how to worship Allah without committing idolatry. This purified religion of Islam places no hardship on the people in carrying out the worship practices and commands the people to strive in the cause of Allah.

The ignorant people remain unaware and give credit to Prophet Muhammad for being the original messenger of Islam as the Quran was revealed through him, though all the worship practices existed before Muhammad.

**2:131** When his Lord said to him, "Submit," he said, "I submit to the Lord of the universe."

**2:131 Part 1:** When his Lord said to him, "Submit,"

**Revealed:** The **Allah letters** are **8** and **messenger's letters** are **7**, **revealing the diff. of 1**, Subhan Allah.

**2:131** He (Abraham) said, "I submit to the Lord of the universe."

**Revealed:** The **Allah letters** are **8** and **messenger's letters** are **12**, **revealing the last name of messenger Husain** through the pattern of Allah and His messenger's letters. The revelation confirms that Abraham readily submitted to Allah when he received the command from his Lord to do so.

**2:132** Moreover, Abraham exhorted his children to do the same, and so did Jacob: "O my children, **ALLAH** has pointed out the religion for you; do not die except as submitters."

**2:130 Part 1:** Who would forsake the religion of Abraham.

**2:130 Part 2:** Except one who fools his own soul?

**Revealed:** The **Allah letters** are **4** and **5**, **revealing the diff. of 1.**

**2:128** "Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You. Teach us the rites of our religion, and redeem us. You are the Redeemer, Most Merciful.

\*\*\* This is an explanation of verse **2:128**, whereby the people implored their Lord to teach them rites of the religion and Allah responded to their imploring. This means the people had to implore Allah for guidance through Him and this is the reason that Abraham was chosen and appointed as an Imam to teach the religious guidance to those who were willing to submit to their Lord.

**Revealed:** The digits of **chapter** and **verse number** when concatenated reveals the number **2128**; that is a **Multiple of 19 and 14**, and this happens to be the first occurrence of **messenger's last name Husain**, Subhan Allah.

**2:128 Part 1:** "Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You.

**2:128 Part 2:** Teach us the rites of our religion, and redeem us. You are the Redeemer, Most Merciful.

This was a very important request made by Abraham to Allah. The proofs inscribed by Allah highlight the importance of this imploring, as well as the essence of the verse.

**Revealed:** The **Allah letters** for each part are: **12 & 13**, **revealing the diff. of 1** – Praise be to Allah.

\*\*\*\* This verse defines the meaning of Islam. The Lord has the power to make us Muslims to Him, and our descendants. It will be in accordance with His sole will and Authority.

\*\*\*\* Allah alone can inspire and teach us the rites of His religion of Islam – “the worship practices and how to carry them out.”

\*\*\*\* By doing what Allah commands us to do, we are being Submitters to Him, and then He redeems us.

\*\*\*\* No one else can redeem us, except Allah, the Redeemer, the Most Merciful.

Let me give you some more enlightenment by narrating the verse through parts of it:

**2:128 Part 1:** “Our Lord, make us submitters to You”

**2:128 Part 2:** “And from our descendants let there be a community of submitters to You.”

**Revealed: The Aleefs**, denoting the **Absolute Authority** of **Allah**, are 3 & 2, **revealing the diff. of 1** – this proves the fact that no one can submit to Allah without His guidance and mercy. Similarly, the future generations or descendants of ADAM will only be guided if they also uphold Allah’s Absolute Authority. The people are put to the test by appointing a messenger through whom Allah commands and reveals whatever He wills. This reveals the “**enlightenment**” by offering precise proofs:

**Revealed:** The **messenger’s letters** are **12 & 11**, **revealing the diff. of 1** – Glory be to Allah for appointing His current messenger with enormous proofs for the verses of the Quran, and by guiding him to the path of messenger Abraham – the Monotheistic path.

**Revealed:** The 2 Parts mentioned above of Abraham’s imploring have **12 Allah letters** in them, and the G.V. of the **Allah letters** is precisely **165**, as in the truthful Shahadah, “**La Elaha Ellah Allah**,” whose GV is also **165** and is composed of **12 Allah letters**. The number **165**, represents Allah’s Absolute Authority through His Shahadah and the GV of **Al-Samad**, which also means “**the Absolute**”. What the Shahadah essentially means is that: “Since there is no other god in the Universe, **ALLAH ALONE** possesses all the Power and the Authority to do as He wishes, chooses, and commands.” Those who believe in His Absolute and Sole Authority will be guided to His path, and will carry out His commands willingly, without raising any objections. This will constitute “Submission to Allah, or Islam in Arabic.”

**2:128 Part:** Teach us the rites of our religion, and redeem us.

**2:128 Part:** You are the Redeemer, the Most Merciful.

**Revealed: The Aleefs** for these parts are **5 & 5 – Matching** – meaning “if a person/s carry out the guidance advocated by Allah, and match it by upholding it, then they will be redeemed. The parts of the verse are “**SEALED**” to any outside sources or intervention by false human gods. If you bring in other guidance, to lump with or rival **Allah’s** guidance, then it will not be matching

guidance, as given by Him. It will conflict with **Allah's** guidance, thereby constituting "setting up of other gods beside ALLAH." This is further substantiated with the following Proof:

**Revealed:** The **Allah letters** for each part are: **6 & 7, revealing the diff. of 1** – Allah the Absolute.

**Revealed:** The G.V. of **Allah letters** for both parts is perfectly calculated to be **100**.

These three solid proofs of "**Matching Guidance**," and the "**Revelation of 1**" along with the GV of Allah letters being the number **100**, should clear up the minds of all those who still do not understand the importance of Quran and Allah's revelations, and the messengers sent to preach and teach them. The **number 100**, after clarifying that He is only ONE and Absolute, through the revelation above, represents His 100 percent Authority over all creations and commands (see verse 7:54), The justice meted out to the people on the Day of Resurrection will be 100 percent fair, taking into consideration the willing Submitters who submitted 100 percent of their lives and time while on earth, as compared to those who compromised the religion, and were hypocrites. The sincere submitters will be the winners, as Allah tells us. The number 100 is highly important from Allah's point of view in the Quran, and an important reminder for the Submitters. There is no such thing as "partial submission" (15:90-91) It is either submission or disbelief. It is either a believer or a disbeliever (64:2). It is either a submitter or a compromiser (72:14). It is either the believers or the hypocrites (3:166-167), (4:60-61), (9:63-64).

Abraham also implored Allah to send a messenger to guide the people. Verse 2:129 is very important in this context, as a follow up verse to 2:128, and the 1st part of the verse will shed light on Allah's perfect system of guidance through His messengers.

**2:129 Part:** "Our Lord, and raise among them a messenger to recite to them Your revelations."

**Revealed: messenger's initials are 14, and messenger's letters are 19, revealing the Sacred Codes of 14 and 19.** This confirms the fact that all the messengers of Allah have been pre-selected by Him, and are sent with various proofs and miracles to different communities and different times. They recite Allah's revelations covering the message, in accordance with His will and Absolute Authority. This is also confirmed with a precise number and proof, just like Allah showed us for the first part of 2:128.

**Revealed:** The G.V. of **Allah letters** is precisely **110** – the number for the 2nd form of Shahadah, representing Allah’s Absolute Authority in choosing and appointing messengers.

**Question:** Whose Scripture is taught and who recites the revelations from it? This is also clarified:

**2:129 Part:** “teach them the scripture”

**Revealed:** The G.V. of **Allah letters** is perfectly calculated to be **66** – **the scripture of Allah**.

**Revealed:** The above part the **messenger’s letters** are **7**, **revealing the Seven Pairs Proof**.

This proves that the messengers are appointed by Allah, to teach His scripture – the knowledge is inspired by Allah – and therefore, the command to “obey Allah and His messenger” is all the more relevant and can be understood better by the believers. Rejecting a messenger who brings clear signs and proofs from Allah constitutes “gross idolatry,” as it constitutes rejection of Allah, His revelations, and of His Absolute Authority. The teaching of the Scripture and wisdom in order to purify the people is also under strict inspiration and control of Allah, as the proof will reveal.

**2:129 Part 2:** teach them the scripture and wisdom, and purify them. You are the Almighty, Most Wise."

**Revealed:** The **Allah letters** are **14**, and **messenger’s initials** are **19** – Allah’s guidance through the messengers is also covered and marked under the Sacred Codes.

**Revealed:** In **Part 1** of **2:129**, **messenger’s initials** were **14**; in **Part 2**, they are **19**, thus double proofing the verse with the Sacred Codes. Go back and read them again carefully, to follow and appreciate the immense mercy of Allah and His beacon revealed herein.

Let me take the first parts of the two verses, which reveal submission through Allah’s messengers, so that you get some clear idea of His Absolute Authority through the numbers of the (2) Shahadah’s originating from these verses.

**2:128** “Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You.

**Revealed:** The G.V. of **Allah letters** is ----- **165**

**2:129** “Our Lord, and raise among them a messenger to recite to them Your revelations.”

**Revealed:** The G.V. of **Allah letters** is ----- **110**

The **numbers** – **165** and **110** – are not ordinary numbers. They represent the profound Authority of Allah through the 2 different forms of Shahadah’s given in the Quran. Many other phenomenal and incontrovertible proofs have been presented on them in other Sermons and on the website. It shows and proves that the whole basis of “Submission” is focused and dependent on messengers who will recite Allah’s revelations in order to guide the people, and to teach them the religion in order to purify them. All of this happens with Allah’s will, as the proofs reveal, and confirms Allah’s teachings through the Scripture. No one can explain and offer a better understanding of these verses, except Allah, who has pre-marked them in order to offer the best teachings to the sincere believers through His messengers.

**Revealed:** The sum of the digits of the 2 Shahadah’s is **14**, **revealing the Seven Pairs Miracle**, Subhan Allah.

**21:26 Part**: All (messengers) are (His) honored servants.

**21:27** They never speak on their own, and they strictly follow His commands.

**Revealed:** The **messenger’s letters** are **7** and **21** respectively, **revealing a diff. of 14, the Seven Pairs**.

**21:27 Part 1**: They never speak on their own.

**21:27 Part 2**: And they strictly follow His commands.

**System Confirmed:** The G.V. of **messenger’s letters** are 426 & 224, **revealing a diff. of precisely 202**, being the G.V. of **LORD**.

This means that the messenger appointed by Allah is under His direct inspiration, and everything uttered by him should be taken as coming from Allah. The messengers only follow Allah’s commands in addressing the believers and giving the message to the rest of the world. Further to this, the next verse is the follow-up verse, which adds another dimension with the Sacred Coding of **14** and **19** through

messenger's letters, thus verifying and authenticating Allah's system. Glory be to my Lord for clarifying these verses for the believers.

#### **FOLLOW-UP VERSE:**

**21:28 Part 1:** He knows their future and their past.

**21:28 Part 2:** They do not intercede, except for those already accepted by Him, and they are worried about their own necks.

**Revealed:** The **Aleefs** are 3 & 4, **revealing the diff. of 1** – Absolute Lord.

**Revealed:** The **messenger's letters** are **14** and **19**, **revealing the Sacred Coding of Allah, Most Glorified.**

Based on the proven system of Allah, the Quran becomes easy to learn for those who wish to. You do not have to coin your own meanings or rush to others who have no sure knowledge and will divert you from the path of Allah. That is why the disbelievers and the insincere are incapable of reciting a single Sermon like these. It is Allah's mercy upon those who fear Him alone, seeking the truth, that He provides a free tutor, (a messenger) to recite His revelations to them, purify them, teach them the scripture and wisdom, and to teach them what they never knew. (see verses 2:150-151).

**21:29 Part 1:** If any of them claims to be a god beside Him.

**21:29 Part 2:** We requite him with Hell; we thus requite the wicked.

**Revealed: Part 1:** The **Allah letters** are **7** with the GV of **77**. This is the perfect proof of ***the Miracle of 7 and Seven Pairs***, Subhan Allah. Those who fail or refuse to believe in the revealed signs and miracles of Allah will be punished through confinement of Hell.

**Revealed: Part 2:** The **Allah letters** are **7**, thus perfectly matched with **Part 1**. The total **Allah letters** for entire verse are **14** to enlighten the people to believe in Him by accepting the messenger sent with ***the Miracle of Seven Pairs***, otherwise they will be guilty of setting up gods besides Him.

#### **System of Allah through which He communicates with His servants**

**22:75** **ALLAH** chooses from among the angels messengers, as well as from among the people. **ALLAH** is Hearer, Seer.

**42:49** To **ALLAH** belongs the sovereignty of the Heavens and the Earth. He creates whatever He wills, granting daughters to whomever He wills, and granting sons to whomever He wills.

**42:50** Or, He may have the males and the females marry each other, then render whomever He wills sterile. He is Omniscient, Omnipotent.

**42:51** No human being can communicate with **ALLAH** except through inspiration, or from behind a barrier, or by sending a messenger through whom He reveals what He wills. He is The Most High, Most Wise.

**42:52** Thus, we inspired to you a revelation proclaiming our commandments. You had no idea about the scripture, or faith. Yet, we made this a beacon to guide whomever we choose from among our servants. Surely, you guide in a straight path.

**42:53** The path of **ALLAH**, to whom belongs everything in the Heavens and everything on Earth. Absolutely, all matters are controlled by **ALLAH**.

**45:18** We then appointed you to establish the correct laws; you (the messenger) shall follow this, and do not follow the wishes of those who do not know.

**2:258** Have you noted the one who argued with Abraham about his Lord, though **ALLAH** had given him kingship? Abraham said, "My Lord grants life and death." He said, "I grant life and death." Abraham said, "**ALLAH** brings the sun from the east, can you bring it from the west?" The disbeliever was stumped. **ALLAH** does not guide the wicked.

**3:33** **ALLAH** has chosen Adam, Noah, the family of Abraham, and the family of Amram (as messengers) to the people.

**3:34** They belong in the same progeny. **ALLAH** is Hearer, Omniscient.

### **Allah showed Miracles to Abraham as per verse 2:260**

**2:260** Abraham said, "My Lord, show me how You revive the dead." He said, "Do you not believe?" He said, "Yes, but I wish to reassure my heart." He said, "Take four birds, study their marks, place a piece of each bird on top of a hill, then call them to you. They will come to you in a hurry. You should know that **ALLAH** is Almighty, Most Wise."

**2:136** Say, "We believe in **ALLAH**, and in what was sent down to us, and in what was sent down to Abraham, Ismail, Isaac, Jacob, and the Patriarchs; and in what was given to Moses and Jesus, and all the prophets from their Lord. We make no distinction among any of them. To Him alone we are submitters."

**Revealed:** The **Allah letters** are **42** and **Aleefs of Absoluteness** are **24**, revealing the sum of 66 to proclaim Allah.

**22:78** You shall strive for the cause of **ALLAH** as you should strive for His cause. He (Allah) has chosen you and has placed no hardship on you in practicing your religion – the religion of your father Abraham. He (Abraham) is the One who named you "Submitters" in the past (as inspired by Allah). Thus, the messenger shall serve as a witness among you, and you shall serve as witnesses among the people. Therefore, you shall observe the Salat (Contact Prayer) and give the Zakat (Obligatory Charity), and hold fast to **ALLAH**; He is your Lord, the best Lord and the best Supporter.

**Revealed:** The **Allah letters** inscribed in the verse on the religion of our father, Abraham is Perfectly 66, and the digits of the **chapter** and **verse numbers** add up to **19**, glory be to Allah.

**22:78 Part:** You shall strive for the cause of **ALLAH** as you should strive for His cause. He (Allah) has chosen you and has placed no hardship on you in practicing your religion – the religion of your father Abraham.

**Revealed:** The GV of **Allah letters** is **223** proclaiming "**the believers**", those who believe in Abraham as the original messenger of Islam and follow all the commands of their Lord, they will be considered as believers.

**22:78 Part 1:** You shall strive for the cause of **ALLAH** as you should strive for His cause. He (Allah) has chosen you and has placed no hardship on you in practicing your religion – the religion of your father Abraham. He (Abraham) is the One who named you "Submitters" in the past (as inspired by Allah).

**22:78 Part 2:** Thus, the messenger shall serve as a witness among you, and you shall serve as witnesses among the people. Therefore, you shall observe the Salat (Contact Prayer) and give the Zakat (Obligatory Charity), and hold fast to **ALLAH**; He is your Lord, the best Lord and the best Supporter.

**Revealed:** the **Allah letters** in each part are **26** and **40**, revealing the diff. of 14 – the profound Miracle of Seven Pairs explains the Absoluteness of Allah and the command of worship practices of Salat and Zakat as practiced by Abraham.

**23:52** Such is your congregation – one congregation – and I am your Lord; you shall reverence Me.

**Revealed:** The **Aleefs of Absoluteness** are **6** and **6** – **Perfectly Matched to reveal the glorified name of Allah – 66**, Alhumdo Lillah.

**Revealed:** The **Allah letters** are **10** and **10** – **Perfectly Matched** to reveal that the congregation is one through the messengers, and that He alone is the **Lord**.

**Revealed:** The **messenger's letters** are **13** and **14**, **revealing the diff. of 1**. This proves that there is only one congregation through the messengers, one at a time.

**21:92 Part 2:** and I alone am your Lord; you shall worship Me only.

**23:52 Part 2:** And I am your Lord; you shall reverence Me.

**Revealed:** The **messenger's letters** are **7** and **7** – **Perfectly Matched to reveal the Miracle of Seven Pairs**, Subhan Allah.

**21:93** However, they divided themselves into disputing religions. All of them will come back to us (for judgment).

**23:53** But they tore themselves into disputing factions; each party happy with what they have.

**23:53 Part 1:** But they tore themselves into disputing factions.

messenger in order to reverence Allah, but when they disbelieved and tear up the one congregation of the messenger into disputing factions, then they are considered to be idol worshippers.

**23:51** O you messengers, eat from the good provisions, and work righteousness. I am fully aware of everything you do.

**6:164** Say, "Shall I seek other than **ALLAH** as a lord, when He is the Lord of all things? No soul benefits except from its own works, and none bears the burden of another. Ultimately, you return to your Lord, then He informs you regarding all your disputes."

**2:141** That was a community from the past. They are responsible for what they earned, and you are responsible for what you earned. You are not answerable for anything they did.

**3:67** Abraham was neither Jewish, nor Christian; he was a monotheist submitter. He never was an idol worshiper.

**19:44** "O my father, do not worship the devil. The devil has rebelled against The Most Gracious.

**19:48** "I will abandon you and the gods you worship beside **ALLAH**. I will worship only my Lord. By imploring my Lord alone, I cannot go wrong."

**19:49** Because he abandoned them and the gods they worshipped beside **ALLAH**, we granted him Isaac and Jacob, and we made each of them a prophet.

**21:53** They said, "We found our parents worshipping them."

**21:54** He said, "Indeed, you and your parents have gone totally astray."

**21:55** They said, "Are you telling us the truth, or are you playing?"

**21:56** He said, "Your only Lord is the Lord of the Heavens and the Earth, who created them. This is the testimony to which I bear witness.

**Revealed:** Abraham is the one who uttered this testimony to bear witness for the Lord of the Universe, and Allah confirms it by placing the GV of **Allah letters** exactly **258, bringing out Abraham's name**, which is also 258. Praise and Glory be to my Lord.

**21:57** "I swear by **ALLAH**, I have a plan to deal with your statues, as soon as you leave."

**21:58** He broke them into pieces, except for a big one, that they may refer to it.

**21:59** They said, "Whoever did this to our gods is really a transgressor."

**21:60** They said, "We heard a youth threaten them; he is called Abraham."

**21:61** They said, "Bring him before the eyes of all the people, that they may bear witness."

**21:62** They said, "Did you do this to our gods, O Abraham?"

**21:63** He said, "It is that big one who did it. Go ask them, if they can speak."

**21:64** They were taken aback, and said to themselves, "Indeed, you are the ones who have been transgressing."

**21:65** Yet, they reverted to their old ideas: "You know full well that these cannot speak."

**21:66** He said, "Do you then worship beside **ALLAH** what possesses no power to benefit you or harm you?"

**21:67** "You have incurred shame by worshipping idols beside **ALLAH**. Do you not understand?"

**21:68** They said, "Burn him and support your gods, if this is what you decide to do."

**21:69** We said, "O fire, be cool and safe for Abraham."

**21:70** Thus, they schemed against him, but we made them the losers.

**21:71** We saved him, and we saved Lot, to the land that we blessed for all the people.

**21:72** And we granted him Isaac and Jacob as a gift, and we made them both righteous.

**21:73** We made them imams who guided in accordance with our commandments, and we inspired (taught) them how to work righteousness, and how to observe the Salat (Contact Prayers) and the Zakat (Obligatory Charity). To us, they were devoted worshipers.

\*\*\* The verse teaches the believers that **Allah is the One** who guides His appointed **"Imams – messengers"** to the truth and inspires them on how to work righteousness and how to observe the Salat and Zakat. The believers are commanded to follow the messenger in order to learn the true worship practices.
