**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

Part 2 of Sermon: (Contd.) The majority of those who believe in Allah do not do so without committing idol worship. (Verse 12:106)

12:106 The majority of those who believe in **ALLAH** do not do so without committing idol worship.

3:110 You are the best community ever raised among the people: you advocate righteousness and forbid evil, and you believe in **ALLAH**. If the followers of the scripture believed, it would be better for them. Some of them do believe, but the majority of them are wicked.

6:116 If you obey the majority of people on Earth, they will divert you from the path of **ALLAH**. They follow only conjecture; they only guess.

6:116 Part: If you obey the majority of people on Earth.

Revealed: The **Arabic letters** are **19** and **Quranic Initials** are **14**, **revealing the Sacred Miracle of 19-14.**

6:116 Part 1: If you obey the majority of people on Earth, they will divert you from the path of **ALLAH**.

6:116 Part 2: They follow only conjecture; they only guess.

Revealed: The **messenger's letters** are **16** and **15** in each part, **revealing the diff. of 1.**

6:116 The Words: "***the path of ALLAH – sabeel Allah.***"

Revealed: The GV of **Allah letters** is **96** and GV of **messenger's letters** is **162** (**Submission**) **revealing the diff. of 66 and the sum of 258** (for Abraham), Subhan Allah.

36:7 It has been predetermined that most of them do not believe.

12:103 Most people, no matter what you do, will not believe.

Proof: The Sum of **verse numbers 7** and **103** is **110**, revealing Allah's inner knowledge that most people will not believe, no matter what kind of miracle they are shown.

Revealed: The **Allah letters** in both verses are **16** and **messenger's letters** are **35**, **revealing the diff. of 19**, Subhan Allah.

12:104 You are not asking them for any money; you simply deliver this reminder for all the people.

Revealed: The **Allah letters** are **14**, **revealing the Miracle of Seven Pairs** assigned to the messenger, Alhumdo Lillah.

12:104 Part: You are not asking them for any money.

Revealed: The GV of **messenger's letters** is **306**, **revealing the full name of the messenger, Makbool Husain**, Subhan Allah.

12:105 So many proofs in the Heavens and the Earth are given to them, but they pass by them, heedlessly!

Proofs: The **Aleefs of Absoluteness** are **7**, the **Allah letters** are **14** and the **messenger's initials** are **19**, **revealing the proofs of 7, 14 and 19**, Praise be to Al-Rahman.

Allegories from the Quran about the believers and disbelievers and the hypocrites

2:17 Part 1: Their example is like those who start a fire, then, as it begins to shed light around them, **ALLAH** takes away their light

2:17 Part 2: leaving them in darkness, unable to see.

Revealed: The **messenger's letters** are **24** and **10**, **revealing the diff. of 14**.

Revealed: Part 2: The GV of **Allah letters** is **66**, **revealing the Glorified Name of Allah**.

Revealed: Part 2: The **messenger's initials** are **7**.

2:18 Deaf, dumb, and blind; they fail to return.

2:19 Another example: a rainstorm from the sky in which there is darkness, thunder,

and lightning. They put their fingers in their ears, to evade death. **ALLAH** is fully aware of the disbelievers.

2:20 The lightning almost snatches away their eyesight. When it lights for them, they move forward, and when it turns dark, they stand still. If **ALLAH** wills, He can take away their hearing and their eyesight. **ALLAH** is Omnipotent over all things and matters.

2:171 The example of such disbelievers is that of parrots who repeat what they hear of sounds and calls, without understanding. Deaf, dumb, and blind; they cannot understand.

4:82 Why do they not study the Quran carefully? If it were from other than **ALLAH**, they would have found in it numerous contradictions.

Revealed: In the entire verse, the **Allah letters** are **19**, Subhan Allah.

47:24 Why do they not study the Quran carefully? Do they have locks on their minds?

Revealed: The **Allah letters** are **14**, revealing the Seven Pairs Miracle, Alhumdo Lillah.

Revealed: The **Aleef of Absoluteness** are **8** and **messenger's letters** are **17**, revealing the pattern of 178 for the first name of the messenger Makbool.

62:5 The example of those who were given the Torah, then failed to uphold it, is like the donkey carrying great works of literature. Miserable indeed is the example of people who rejected **ALLAH's** revelations. **ALLAH** does not guide the wicked people.

29:41 The allegory of those who accept other masters beside **ALLAH** is that of the spider and her home; the flimsiest of all homes is the home of the spider, if they only knew.

74:49 Why are they so averse to this reminder?

74:50 Running like zebras.

74:51 Who are fleeing from the lions!

39:29 **ALLAH** cites the example of a man who deals with disputing partners (like human Hadees) compared to a man who deals with only one consistent source (like the Quran – and a messenger, when there is one). Are they the same? Praise be to **ALLAH**; most of them do not know.

14:24 Do you not see that **ALLAH** has cited the example of the good word as a good tree whose root is firmly fixed, and its branches are high in the sky?

14:25 It produces its crop every season, as designed by its Lord. **ALLAH** thus cites the examples for the people, that they may take heed.

Revealed: Perfectly Matching Proofs: The **Aleefs of Absoluteness** are 9 and **Allah letters** are 23, **revealing the diff. of 14**, in each of the verses. The great miracle of Seven Pairs through each of the verses is an attestation by Allah about the good word being like a good tree whose root is firmly fixed, and its branches are high in the sky. Moreover, it produces its crop every season, as designed by its Lord. The example is given for those who do righteous works in the cause of Allah.

14:26 And the example of the bad word is that of a bad tree chopped at the soil level; it has no roots to keep it standing.

Revealed: The **messenger's letters** are **14** up to "soil" and **19** in the entire verse, revealing and confirming the verse through the Sacred Codes of 14-19. The example is cited for the disbelievers whose words, actions, and thoughts are unrighteous and are compared to a bad tree that is chopped at the soil level and has no roots to keep it standing. The verse explains that the works of the disbelievers are like ashes in a violent wind, on a stormy day, from which they gain nothing from whatever they earn; such is farthest straying (See verse 14:18, where the sum of digits of 1+4+1+8 is 14).

16:75 **ALLAH** cites the example of a slave who is owned, and is totally powerless, compared to one whom we blessed with good provisions, from which he gives to charity secretly and publicly. Are they equal? Praise be to **ALLAH**, most of them do not know.

16:76 And **ALLAH** cites the example of two men: one is dumb, lacks the ability to do anything, is totally dependent on his master – whichever way he directs him, he cannot produce anything good. Is he equal to one who rules with justice, and is guided in the right path?

Revealed: The **Aleefs of Absoluteness** are 13 and 12, **revealing the diff. of 1**.

Revealed: The **Allah letters** are 34 and 35, **revealing the diff. of 1**. Both verses are stamped and marked with the Absoluteness of Allah through the Supreme Revelation of 1, to reflect on the wisdom and the guidance offered through these

verses.

16:75 Part: **ALLAH** cites the example of a slave who is owned, and is totally powerless, compared to one whom we blessed with good provisions, from which he gives to charity secretly and publicly. **Are they equal?**

16:76 Part: And **ALLAH** cites the example of two men: one is dumb, lacks the ability to do anything, is totally dependent on his master – whichever way he directs him, he cannot produce anything good. **Is he equal?**

Revealed: Up to the words “are they equal” in Verse 16:75 and “is he equal” in Verse 16:76, the **Arabic Letters** are perfectly 77 and 77 each time. **Praise be to Allah** for encoding these verses which provide great words of wisdom with the **Miracle of Seven Pairs**.

Revealed: Up to the words “are they equal” in Verse 16:75 and “is he equal” in Verse 16:76, the **messenger’s letters** are 40 and 41, revealing the Supreme Revelation of 1, Subhan Allah (refer to verse 40:41).

The words “are they equal” and “is he equal” are used to teach the believers by comparing on the one hand the slave who is owned and totally powerless, as well as one who is created dumb, lacks the ability to do anything, is totally dependent on his master for instructions to direct him and cannot produce anything good or perform any task on his own – as compared to those who are blessed with good provisions from which they give to charity secretly and publicly, as well as those who are guided in the right path and use their blessings and resources to rule with justice. Allah has drawn the attention of the believers that He has blessed and granted them a higher rank on earth by providing them with ample provisions, though it is a serious test as compared to those who do not enjoy such blessings from Him and have to work as slaves for their masters or do not have the mental, physical, and intellectual abilities to perform any tasks on their own. The 2 categories of people – the fortunate ones and the unfortunate ones are not equal. The responsibility on the fortunate ones is indeed heavy, and they will be fully held accountable regarding their material blessings that were bestowed upon them by **Allah, Most Rich and Most Merciful**.

Revealed: The GV of **Allah letters** in both sets of words in Verses 16:75-76 is 70 and the GV of **messenger’s letters** is 272, the diff. is Perfectly 202 proclaiming “Rabb – Lord”. This proves that the Lord has decided the fate of every human being, whereby He has created ranks amongst them. As each human being has a different rank based on the position, resources and provisions granted by Allah, therefore, they can never be equal to one another.

Based on the ranks, some rule over others and some have to work for others, while some are enslaved by those who rule over them.

16:92 Do not be like the knitter who unravels her strong knitting into piles of flimsy yarn. This is your example if you abuse the oaths to take advantage of one another. Whether one group is larger than the other, **ALLAH** thus puts you to the test. He will surely show you on the Day of Resurrection everything you had disputed.

16:112 **ALLAH** cites the example of a community that used to be secure and prosperous, with provisions coming to it from everywhere. But then, it turned unappreciative of **ALLAH's** blessings. Consequently, **ALLAH** caused them to taste the hardships of starvation and insecurity. Such is the requital for what they did.

18:45 Cite for them the example of this life as water that we send down from the sky to produce plants of the Earth, then they turn into hay that is blown away by the wind. **ALLAH** is able to do all things.

30:28 He cites for you herein an example from among yourselves: Do you ever elevate your servants or subordinates to the level where they rival you, and to the point that you pay them as much allegiance as is being paid to you? We thus explain the revelations for people who understand.

7:40 Surely, those who reject our revelations and are too arrogant to uphold them, the gates of the sky will never open for them, nor will they enter Paradise until the camel passes through the needle's eye. We thus requite the guilty.

2:26 **ALLAH** does not shy away from citing any kind of allegory, from the tiny mosquito and greater. As for those who believe, they know that it is the truth from their Lord. As for those who disbelieve, they say, "What did **ALLAH** mean by such an allegory?" He misleads many thereby, and guides many thereby. But He never misleads thereby except the wicked,

2:27 who violate **ALLAH's** covenant after pledging to uphold it, sever what **ALLAH** has commanded to be joined, and commit evil on Earth. These are the losers.

Greatness of Allah

2:21 O people, worship only your Lord – the One who created you and those before you – that you may be saved.

2:22 The One who made the Earth habitable for you, and the sky a structure. He sends

down from the sky water, to produce all kinds of fruits for your sustenance. You shall not set up idols to rival **ALLAH**, now that you know.

6:95 **ALLAH** (is the One who) causes the grains and the seeds to crack and germinate. He produces the living from the dead, and the dead from the living. Such is **ALLAH**; how could you deviate!

6:96 At the crack of dawn, He causes the morning to emerge. He made the night still, and He rendered the sun and the moon to serve as calculation devices. Such is the design of the Almighty, the Omniscient.

6:97 And He is the One who made the stars to guide you during the darkness, on land and on sea. We thus clarify the revelations for people who know.

6:98 He initiated you from one person, and decided your path, as well as your final destiny. We thus clarify the revelations for people who understand.

6:99 He is the One who sends down from the sky water, whereby we produce all kinds of plants. We produce from the green material multitudes of complex grains, palm trees with hanging clusters, and gardens of grapes, olives and pomegranate; fruits that are similar, yet dissimilar. Note their fruits as they grow and ripen. These are signs for people who believe.

39:67 They can never fathom the greatness of **ALLAH**. The whole Earth is within His fist on the Day of Resurrection. In fact, the universes are folded within His right hand. Be He glorified; He is much too high above needing any partners.

40:57 The creation of the Heavens and the Earth is even more awesome than the creation of the human being, but most people do not know.

The Quran

6:114 Shall I seek other than **ALLAH** as a source of law, when He has revealed to you this book fully detailed? Those who received the scripture recognize that it has been revealed from your Lord, truthfully. You shall not harbor any doubt.

6:114 Part 1: Shall I seek other than **ALLAH** as a source of law.

Revealed: The Allah letters are Z and messenger's letters are Z, **revealing the Perfectly Matching Proof of Seven Pairs.**

6:114 Part 2: When He has revealed to you this book fully detailed?

Revealed: The **Allah letters** are **11** and **messenger's letters** are **13**, revealing the diff. of 2. The Quran is fully detailed and those who seek other sources are the disbelievers and the idol worshipers.

6:114 Part 3: Those who received the scripture recognize that it has been revealed from your Lord, truthfully. You shall not harbor any doubt.

Revealed: The GV of **Allah letters** is **165** up to "**truthfully**" and **227** up to the end of the verse. The numbers represent the **believers (227)** who recognize and believe, that the scripture has been revealed by Allah, **the Absolute (165)**.

6:115 The word of your Lord is complete in truth and justice. Nothing shall abrogate His words. He is the Hearer, the Omniscient.

6:115 Part 1: The word of your Lord is complete in truth and justice.

6:115 Part 2: Nothing shall abrogate His words.

Revealed: The **messenger's letters** are **8** and **7** in each part, revealing the diff. of 1.

Revealed: The GV of the words "**truth - sidqan**" and "**and justice - wa adlan**" is **195** and **111**, the sum is **306**, revealing the full name of the messenger. The messenger has been blessed by Allah to have the qualities of being truthful and being just, Subhan Allah.

6:115 Part 3: He is the Hearer, the Omniscient.

Revealed: The GV of **Allah letters** is **97** and GV of **messenger's letters** is **262**, revealing the diff. of 165, proclaiming Allah's Absoluteness, who is the Hearer, the Omniscient.

13:31 Even if a Quran caused mountains to move, or the Earth to tear asunder, or the dead to speak (they will not believe). **ALLAH** controls all things. Is it not time for the believers to give up and realize that if **ALLAH** willed, He could have guided all the people? The disbelievers will continue to suffer disasters, as a consequence of their own works, or have disasters strike close to them, until **ALLAH's** promise is fulfilled. **ALLAH** will never change the predetermined destiny.

59:21 If we revealed this Quran to a mountain, you would see it trembling, crumbling, out of reverence for **ALLAH**. We cite these examples for the people, that they may

reflect.

Revealed: For both verses the **Allah letters** are **80** and **34**, revealing the sum of 114, Subhan Allah.

Distorting the Word of Allah

2:75 Do you expect them to believe as you do, when some of them used to hear the word of **ALLAH**, then distort it, with full understanding thereof, and deliberately?

2:76 And when they meet the believers, they say, "We believe," but when they get together with each other, they say, "Do not inform (the believers) of the information given to you by **ALLAH**, lest you provide them with support for their argument concerning your Lord. Do you not understand?"

2:77 Do they not know that **ALLAH** knows everything they conceal, and everything they declare?

2:78 Among them are gentiles who do not know the scripture, except through hearsay, then assume that they know it.

2:79 Therefore, woe to those who distort the scripture with their own hands, then say, "This is what **ALLAH** has revealed," seeking a cheap material gain. Woe to them for such distortion written by their hands, and woe to them for their illicit gains.

Revealed: In **verse 2:75** the **Allah letters** are **17** and in **verse 2:79** they are **31**, revealing the diff. of 14. This provides clear proof and evidence of distortion of Allah's scripture and distortion of His words after hearing them from the prophets and messengers.

2:80 Some have said, "Hell will not touch us, except for a limited number of days." Say, "Have you taken such a pledge from **ALLAH** – **ALLAH** never breaks His pledge – or, are you saying about **ALLAH** what you do not know?"

2:81 Indeed, those who earn sins and become surrounded by their evil work will be the dwellers of Hell; they abide in it forever.

2:82 As for those who believe, and lead a righteous life, they will be the dwellers of Paradise; they abide in it forever.

Revealed: The **messenger's letters** are **24** and **25**, revealing the diff. of 1 – the Supreme Revelation.

“Original history from the Quran”

2:30 Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

2:30 Part: They said, "Will you place therein one who will spread evil therein and shed blood."

2:30 Part: "While we sing Your praises, glorify You, and uphold Your Absolute Authority?"

Revealed: The **messenger's letters** for each part are 15 and 16, **revealing the One God - Allah.**

In the part where the angels praise, glorify and uphold Allah's absolute authority, I see that there is only **ONE** Allah letter, proving that only Allah is worthy of all our worship. The last part says: He said, "I know what you do not know."

Revealed: The part of the verse about the angels commemorating Allah has **1 Allah letter** in it, while the last part where Allah tells them that He knows what they do not know, has **Allah letters** as 9. It is easy to see why the Allah letters are inscribed in this manner. Angels worship the One Lord, the portion of the verse has 1 Allah letter, and Allah answered with 9 of His name letters; by connecting the two numbers, we get **19**, thus completing the mathematical value of **WAHID** (meaning **ONE**). Let me show you another Miracle by dividing the important part of the verse into 2 parts.

2:30 Part: While we sing Your praises, glorify You.

2:30 Part: And uphold Your absolute authority.

Revealed: G.V. of **Arabic letters** are 308 and 270, revealing the **diff. of 38**, a multiple of **19**.

Revealed: G.V. of **messenger's letters** are 284 – 246, revealing the **diff. of 38**, a multiple of **19**, and **MATCHING** the above. This reveals the message that if you really praise and glorify your Lord, then you better uphold His Absolute Authority to believe and follow His messenger, otherwise the above mathematical code of Allah will not tie in with your belief.

2:31 He taught Adam all the names then presented them to the angels, saying, "Give me the names of these, if you are right."

2:32 They said, "Be You glorified, we have no knowledge, except that which You have taught us. You are the Omniscient, Most Wise."

2:33 He said, "O Adam, tell them their names." When he told them their names, He said, "Did I not tell you that I know the secrets of the Heavens and the Earth? I know what you declare, and what you conceal."

2:34 When we said to the angels, "Fall prostrate before Adam," they fell prostrate, except ibles (satan); he refused, was too arrogant, and a disbeliever.

2:35 We said, "O Adam, live with your wife in Paradise, and eat therefrom generously, as you please, but do not approach **this** (haazayhee) specific tree, lest you be one of the transgressors."

7:19 "As for you, Adam, dwell with your wife in Paradise, and eat therefrom as you please, but do not approach **this** (haazayhee) specific tree, lest you be one of the transgressors."

Revealed: The Truth of Allah's words is revealed through the precise marking of **19** and **14 letters of Allah** on the same word "haazayhee – this" in each verse. These are strong and incontrovertible proofs to reveal the Great Miracle of the hidden coding and markings in the Quran that were not known previously, but have now been revealed through the messenger coded in the Quran as "Ahmad."

There is a difference between satan's disobedience and Adam's disobedience to the command of Allah. The clear difference is that ibles (satan) showed profound arrogance and equated himself with Allah by challenging Him that he will send all the humans astray, except a few. Additionally, ibles failed to repent to his Creator and was therefore demoted to the rank of a devil (jinn) from the rank of an angel. In contrast, Adam and his wife were misled by ibles out of ignorance and admitted that they wronged their souls and asked for forgiveness and mercy from their Lord. They were forgiven, except that they had to come down to earth and then be redeemed back into Paradise after fulfilling the commands of Allah.

2:36 But the devil duped them and caused their eviction therefrom. We said, "Go down as enemies of one another. On Earth shall be your habitation and provision for a while."

2:37 Then, Adam received from his Lord words, whereby He redeemed him. He is the Redeemer, Most Merciful.

2:38 We said, "Go down therefrom, all of you. When guidance comes to you from Me,

those who follow My guidance will have no fear, nor will they grieve.

2:39 "As for those who disbelieve and reject our revelations, they will be dwellers of Hell, wherein they abide forever."

Hypocrites are unappreciative creatures

2:8 Then there are those who say, "We believe in **ALLAH** and the Last Day," while they are not believers.

2:9 In trying to deceive **ALLAH** and those who believe, they only deceive themselves without perceiving.

2:10 In their minds there is a disease. Consequently, **ALLAH** augments their disease. They have incurred a painful retribution for their lying.

2:44 Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture? Do you not understand?

2:44 Part: Do you exhort the people to be righteous, while forgetting yourselves.

Revealed: The GV of **Allah letters** is **66, revealing the Glorified name of Allah**, Praise be to Al-Rahman.

Revealed: The **Allah letters** are **8** and **messenger's letters** are **17, revealing the pattern of 178 for the first name of the messenger Makbool**, Subhan Allah.

2:44 Part: Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture?

Revealed: The GV of **Allah letters** is **128** up to "Scripture", **revealing the last name of the messenger Husain**, Alhumdo Lillah.

2:44 Part: Do you exhort the people to be righteous, while forgetting yourselves.

2:44 Part: Though you read the scripture? Do you not understand?

Revealed: The GV of **messenger's letters** are **592 and 430, revealing the diff. of 162 for Al-Islam and Al-Salat**.

2:44 Part: Though you read the scripture? Do you not understand?

Revealed: The GV of **Allah letters** is **124** and the GV of **messenger's letters** is

430, revealing the diff. of 306 for the full name of the messenger Makbool Husain, Alhumdo Lillah.

2:53 Part 1: Recall that we gave Moses scripture and the statute book.

Revealed: The GV of **Allah letters** is **66, revealing that Allah** is the One who gave Moses the scripture that contained His laws called the statute book.

2:53 Part 2: That you may be guided.

Revealed: The **Allah letters** are **3** and **messenger's letters** are **5**, **revealing the diff. of 2**. The Scripture and the Statute Book was revealed to Moses to guide the misguided people.

2:54 Part 1: Recall that Moses said to his people, "O my people, you have wronged your souls by worshipping the calf."

Revealed: The **Allah letters** are **13** and **messenger's letters** are **27**, **revealing the diff. of 14**.

2:54 Part 2: You must repent to your Creator.

2:54 Part 3: You shall kill your egos.

Revealed: The **messenger's letters** are **7** and **6** in each part, **revealing the diff. of 1**.

Revealed: The GV of **Allah letters** for both parts are **Perfectly 66**, Glory be to Allah. This is a prime and basic command that has now been proven and commands the people to kill their egos and repent to their Creator in order to believe in Him.

2:54 Part: You shall kill your egos. This is better for you in the sight of your Creator.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **14**, revealing and confirming through the Miracle of Seven Pairs.

2:54 Part: He did redeem you.

Revealed: The **Allah letters** are **2** and **messenger's letters** are **4**, **revealing the diff. of 2 gods**. Once the disbelieving and idol worshiping people repent to

their Lord after killing their egos, then they are redeemed by the Forgiver, Most Merciful.

2:54 Part: He is the Redeemer, Most Merciful.

Revealed: The **Allah letters** are 8 and **messenger's letters** are 9, **revealing the diff. of 1**. The revelation of 1 through Allah and His messenger's letters is proof that He is the Redeemer and Most Merciful towards those who repent to Him after killing their egos.

2:55 Recall that you said, "O Moses, we will not believe unless we see **ALLAH**, physically." Consequently, the lightning struck you, as you looked.

2:56 We then revived you, after you had died, that you may be appreciative.

Through the above 2 verses we note that the disbelievers put a condition to Moses that they will not believe unless they see Allah physically. Consequently, Allah showed them His awesome power through the lightning, whereby they were knocked down. The Most Merciful revived them after they had died to give them another chance to be appreciative of Him. Therefore, in order to show you the Miracle, I will combine verse 2:55 Part 1 with verse 2:56. May Allah forgive me for doing so.

2:55 Part 1 & 2:56: Recall that you said, "O Moses, we will not believe unless we see **ALLAH**, physically." We then revived you, after you had died, that you may be appreciative.

Revealed: The GV of **Allah letters** is **227**, revealing the word "**Al Muhmineen – the believers.**" By reviving the disbelievers who had died through the lightning strike, the Most Merciful gave them another chance to believe in Allah and His messenger in order to become believers.

2:55 Part: Consequently, the lightning struck you, as you looked.

Revealed: The **Allah letters** are **5** and **messenger's letters** are **9**, the sum is **14**. The numbers reveal the pattern of 5 and 9 to corroborate with the inscription of 5 verses under 178 and 9 verses under 128 in the Quran.

2:56 We then revived you, after you had died, that you may be appreciative.

Revealed: The **Arabic letters** are **29** and **messenger letters** are **15**, **revealing**

the diff. of 14.

2:57 We shaded you with clouds (in Sinai), and sent down to you manna and quails: "Eat from the good things we provided for you." They did not hurt us (by rebelling); they only hurt their own souls.

2:58 Recall that we said, "Enter this town, where you will find as many provisions as you like. Just enter the gate humbly, and treat the people nicely. We will then forgive your sins, and increase the reward for the pious."

2:59 But the wicked among them carried out commands other than the commands given to them. Consequently, we sent down upon the transgressors condemnation from the sky, due to their wickedness.

2:61 Part 1: Recall that you said, "O Moses, we can no longer tolerate one kind of food. Call upon your Lord to produce for us such Earthly crops as beans, cucumbers, garlic, lentils, and onions."

2:61 Part 2: He said, "Do you wish to substitute that which is inferior for that which is good? Go down to Egypt, where you can find what you asked for." They have incurred condemnation, humiliation, and disgrace, and brought upon themselves wrath from **ALLAH**.

Revealed: The **Aleefs of Absoluteness** are **14** and **15**, **revealing the diff. of 1.** The Supreme Revelation shows that the people were unappreciative and complained to Moses that they could not tolerate one kind of food. They asked Moses to call upon his Lord to provide them with additional foods as mentioned in the verse.

2:61 Part: They have incurred condemnation, humiliation, and disgrace, and brought upon themselves wrath from **ALLAH**.

2:61 Part: This is because they rejected **ALLAH's** revelations, and killed the prophets unjustly.

Revealed: The **Allah letters** are **14** and **15**, **revealing the diff. of 1.** The hypocrites among the followers of Moses who asked for additional earthly crops showed their lack of appreciation for **Allah**. Even though **Allah** provided what they asked for, they were guilty of rejecting His revelations and for killing the prophets unjustly. They incurred condemnation, humiliation, disgrace, and brought **Allah's** wrath upon themselves.

2:61 Part: This is because they disobeyed.

2:61 Part: And transgressed.

Revealed: The **Allah letters** are 3 and 2 in each part, **revealing the diff. of 1.**

Revealed: The **messenger's letters** are 4 and 6, **revealing the diff. of 2.** The hypocrites and the disbelievers disobeyed Moses and transgressed against the messenger, thus incurring the gross sin of idolatry as proven through the revelation of 2 through the messenger's letters.

2:243 Have you noted those who fled their homes – though they were in the thousands – fearing death? **ALLAH** said to them, "Die," then revived them. **ALLAH** showers His grace upon the people, but most people are unappreciative.

2:142 The fools among the people would say, "Why did they change the direction of their Qiblah?" Say, "To **ALLAH** belongs the east and the west; He guides whoever wills in a straight path."

2:143 We thus made you an impartial community, that you may serve as witnesses among the people, and the messenger serves as a witness among you. We changed the direction of your original Qiblah only to distinguish those among you who readily follow the messenger from those who would turn back on their heels. It was a difficult test, but not for those who are guided by **ALLAH**. **ALLAH** never puts your worship to waste. **ALLAH** is Compassionate towards the people, Most Merciful.

3:118 O you who believe, do not befriend outsiders who never cease to wish you harm; they even wish to see you suffer. Hatred flows out of their mouths and what they hide in their chests is far worse. We thus clarify the revelations for you, if you understand.

3:119 Here you are loving them, while they do not love you, **and you believe in all of the scripture**. When they meet you they say, "We believe," but as soon as they leave, they bite their fingers out of rage towards you. Say, "Die in your rage." **ALLAH** is fully aware of the innermost thoughts.

3:119 Part: And you believe in all of the scripture.

Revealed: The GV of **Allah letters** is a **Perfect 66** and complemented by the GV of **messenger's letters** being **222** for "**Rabbayka – your Lord**", Subhan Allah.

Revealed: The sum of the digits of the chapter and verse number is $3+1+1+9 = 14$, **revealing the Miracle of Seven Pairs**, which wraps the verses of the great Quran. This proves that Muhammad believed in the entire Quran without doubts, while the disbelieving muslims (idol worshipers) then and now do not

believe like him. They are the ones who attributed falsehood to the honorable prophet. They will be held fully accountable on the Day of Judgment.

3:120 When anything good comes your way they hurt, and when something bad happens to you they rejoice. If you steadfastly persevere, and maintain righteousness, their schemes will never hurt you. **ALLAH** is fully aware of everything they do.

6:93 Part 1: Who is more evil than one who fabricates lies and attributes them to **ALLAH**, or says, "I have received divine inspiration," when no such inspiration was given to him, or says, "I can write the same as **ALLAH's** revelations?"

6:93 Part 2: If only you could see the transgressors at the time of death! The angels extend their hands to them, saying, "Let go of your souls. Today, you have incurred a shameful retribution for saying about **ALLAH** other than the truth, and for being too arrogant to accept His revelations.

Revealed: The **Allah letters** are **perfectly 66** in the entire verse, occurring on "*Aayatehee – His Revelations*" with the last word in the verse being "*too arrogant*," that is devoid of **Allah** letters.

Revealed: The **messenger's letters** in the entire verse are **perfectly 110** in the verse, revealing that the messenger has been sent with the Truth by Allah, under **His Absolute and Supreme Authority**, and that he has been inspired by Him.

Revealed: The **Allah letters** in Parts 1 and 2 are 31 and 35 to total **66**. The split of **31,35** reveals **19 x 165**. Also, the sum of numbers added from **31** up to **35** reveals **165**. **Praise be to Allah – the Absolute (Al-Samad)** who has intricately coded the verses and the message revealed through them.

6:93 Part: Who is more evil than one who fabricates lies and attributes them to **ALLAH**?

Revealed: The **messenger's letters** are inscribed to be **14, revealing the Seven Pairs**, to defeat the lies with the **TRUTH FROM ALLAH**.

9:75 Some of them even pledged: "If **ALLAH** showered us with His grace, we would be charitable, and would lead a righteous life."

9:76 But when He did shower them with His provisions, they became stingy, and turned away in aversion.

9:77 Consequently, He plagued them with hypocrisy in their hearts, till the day they meet Him. This is because they broke their promises to **ALLAH**, and because of their lying.

9:97 The Arabs are the worst in disbelief and hypocrisy, and the most likely to ignore the laws that **ALLAH** has revealed to His messenger. **ALLAH** is Omniscient, Most Wise.

9:98 Some Arabs consider their spending (in the cause of Allah) to be a loss, and even wait in anticipation that a disaster may hit you. It is they who will incur the worst disaster. **ALLAH** is Hearer, Omniscient.

9:99 Other Arabs do believe in **ALLAH** and the Last Day, and consider their spending to be a means towards **ALLAH**, and a means of supporting the messenger. Indeed, it will bring them nearer; **ALLAH** will admit them into His mercy. **ALLAH** is Forgiver, Most Merciful.

9:101 Among the Arabs around you, there are hypocrites. Also, among the city dwellers, there are those who are accustomed to hypocrisy. You do not know them, but we know them. We will double the retribution for them, then they end up committed to a terrible retribution.

9:102 There are others who have confessed their sins; they have mixed good deeds with bad deeds. **ALLAH** will redeem them, for **ALLAH** is Forgiver, Most Merciful.

59:11 Have you noted those who are plagued with hypocrisy, and how they said to their companions in disbelief among the people of the scripture, "If you are evicted we will go out with you, and will never obey anyone who opposes you. If anyone fights you, we will fight on your side." **ALLAH** bears witness that they are liars.

25:43 Have you seen the one whose god is his own ego? Will you be his advocate?

45:23 Have you noted the one whose god is his ego? Consequently, **ALLAH** sends him astray, despite his knowledge, seals his hearing and his mind, and places a veil on his eyes. Who then can guide him, after such a decision by **ALLAH**? Would you not take heed?

Revealed: The digits of both verses add up to 14, as $2+5+4+3 = \underline{14}$ and $4+5+2+3 = \underline{14}$, **revealing the Sacred Code of Seven Pairs**, Subhan Allah.

74:52 Does each one of them want to receive the scripture personally?

74:53 Indeed, they do not fear the Hereafter.

Revealed: Both Verses: Allah letters are 17 and the Aleefs are 8 to reveal **178** for the messenger.

Revealed: Each Verse: The messenger's letters are 17 and 8, to reveal **178** for

the messenger. The scripture and its knowledge are passed directly to the messengers chosen by Allah, who then preach and teach their followers. This is the Law and the System of Allah.

Majority will not fully believe

4:46 Among those who are Jewish, some distort the words beyond the truth, and they say, "We hear, but we disobey," and "Your words are falling on deaf ears," and "Raa'ena (be our shepherd)," as they twist their tongues to mock the religion. Had they said, "We hear, and we obey," and "We hear you," and "Unzurna (watch over us)," it would have been better for them, and more righteous. Instead, they have incurred condemnation from **ALLAH** due to their disbelief. Consequently, the majority of them cannot believe.

6:137 Thus were the majority of idol worshipers duped by their idols, to the extent of killing their own children. In fact, their idols inflict great pain upon them, and confuse their religion for them. Had **ALLAH** willed, they would not have done it. You shall disregard them and their fabrications.

7:44 Part: The dwellers of Paradise will call the dwellers of Hell:

Revealed: The **Allah letters** are 9 and **messenger's letters** are 11, **revealing the diff. of 2** – the Revelation points out to the dwellers of Hell.

7:44 Part: The dwellers of Paradise will call the dwellers of Hell: "We have found our Lord's promise to be the truth; have you found your Lord's promise to be the truth?"

Revealed: The **Aleefs of Absoluteness** are **14** and **Allah letters** are **19**, revealing and confirming the believers' statement that they have found their Lord's promise to be the truth and questioning the disbelievers, the dwellers of Hell, if they found their Lord's promise to be the truth?

Revealed: The GV of **Allah letters** is **Perfectly 114** that is the total number of chapters in the Quran. The verse with its incontrovertible proof teaches us that those who do not follow all the commands through **the 114 chapters can never make it to Paradise.**

7:44 Part: Have you found your Lord's promise to be the truth?" They will say, "Yes." An announcer between them will announce: "**ALLAH's** condemnation has befallen the transgressors;

Revealed: The **Allah letters** are **20** and **messenger's letters** are **34**, revealing the diff. of 14. The disbelievers will readily agree on the Day of judgment that **Allah's Promise** to condemn them to Hell was the truth, which they failed to believe in.

7:45 "who repel from the path of **ALLAH**, and strive to make it crooked, and, with regard to the Hereafter, they are disbelievers."

7:46 A barrier separates them, while the Purgatory is occupied by people who recognize each side by their looks. They will call the dwellers of Paradise: "Peace be upon you." They did not enter (Paradise) through wishful thinking.

7:47 When they turn their eyes towards the dwellers of Hell, they will say, "Our Lord, do not put us with these wicked people."

7:48 The dwellers of the Purgatory will call on people they recognize by their looks, saying, "Your great numbers did not avail you in any way, nor did your arrogance."

7:49 "Are those the people you swore that **ALLAH** will never touch them with mercy?" (The people in the Purgatory will then be told,) "Enter Paradise; you have nothing to fear, nor will you grieve."

7:50 Part 1: The dwellers of Hell will call on the dwellers of Paradise.

Revealed: The **Allah letters** are **9** and **messenger's letters** are **11**, revealing the diff. of 2 to point out to the dwellers of Hell.

7:50 Part 2: "Let some of your water, or some of **ALLAH's** provisions to you flow towards us."

7:50 Part 3: They will say, "**ALLAH** has forbidden them for the disbelievers."

Revealed: The **Allah letters** are **14** and **13** in each part, revealing the diff. of 1.

*** Though there are proofs for the above 7 verses from verse 7:44 to 7:50, I have provided the proof for the 1st and the last verse of the set.

7:179 We have committed to Hell multitudes of jinns and humans. They have minds with which they do not understand, eyes with which they do not see, and ears with which they do not hear. They are like animals; no, they are far worse – they are totally unaware.

Revealed: The **messenger's letters** are perfectly inscribed in the verse as **66**, **Praise be to Allah.**

Revealed: The **Allah letters** are **49** and **messenger's initials** are also **49**, thus they are **Perfectly Matched**, both are multiples of **7**, **revealing 7 x 7 through each of them.**

9:31 They have set up their religious leaders and scholars as lords, instead of **ALLAH**. Others deified the Messiah, son of Mary. They were all commanded to worship only one god. There is no god except He. Be He glorified, high above having any partners.

9:32 They want to put out **ALLAH's** light with their mouths, but **ALLAH** insists upon perfecting His light, in spite of the disbelievers.

16:83 They fully recognize **ALLAH's** blessings, then deny them; the majority of them are disbelievers.

19:73 When our revelations are recited to them, clearly, those who disbelieve say to those who believe, "Which of us is more prosperous? Which of us is in the majority?"

19:74 Many a generation we have annihilated before them; they were more powerful, and more prosperous.

Believers are few

17:62 Part 1: He said, "Since You have honored him over me."

17:62 Part 2: If You respite me till the Day of Resurrection, I will possess all his descendants, except a few."

Revealed: The **messenger's letters** are **8** and **22**, **revealing the diff. of 14.**

Revealed: The GV of **Allah letters** are **99** and **227**, **revealing the diff. of 128.**

Note that **Part 1** reveals the GV of **Allah letters** as **99**, which is for "**aamanoo - believe**", and **Part 2** reveals the GV as **227**, which is for "**al-muhmineen - the believers.**" This was the challenge from satan that he will possess all the descendants of Adam, except the few whose souls are supported by the Creator, their Lord.

17:62 Part: He said, "Since You have honored him over me."

17:62 Part: If You respite me till the Day of Resurrection.

Revealed: The **messenger's letters** are **8** and **12**, **revealing the pattern of 128.**

17:62 Part: I will possess all his descendants.

17:62 Part: Except a few.

Revealed: The **Arabic letters** are **12** and **8**, **revealing the pattern of 128.**

How the words “**descendants - zurreyataho**” and “**few - kaleela**” are connected and linked?

Revealed: The **Allah letters** are **4** and **messenger’s letters** are **5** in both words, **revealing the diff. of 1.**

Revealed: The GV of **Allah letters** is **66** and of the **messenger’s letters** is **180**, **revealing the diff. of 114.** This proves that the believers will be few from the descendants from Adam, as the revelation of **1** and **114** reveals.

17:62 Part: I will possess all his descendants, except a few.

Revealed: The **Allah letters** are **9** and **messenger’s letters** are **10**, **revealing the diff. of 1.**

34:20 ibles (satan) found them readily fulfilling his expectations. They followed him, except a few believers.

34:21 Part: He (satan) never had any power over them. But we thus distinguish those who believe in the Hereafter from those who are doubtful about it.

Revealed: The **Allah letters** are **14** and **19**, **revealing the Sacred Codes**, Praise be to Allah.

34:21 Part: Your Lord is in full control of all things.

Revealed: The GV of **Allah letters** are **60** and GV of **messenger’s letters** is **106**, the sum is **166**, **revealing the One who is Allah** and is in full control of all things.

These verses and other verses support that believers who follow the messengers of Allah are rare and few, while the disbelievers are much more in numbers fulfilling the challenge of satan through the Quran, that he will pursue the weak souls and lead them astray.

The role of satan about which most people remain unaware:

This subject came to my mind after hearing in the local news about the incidents that had happened in the cities of El Paso, Texas USA and soon after that, the next day in Dayton, Ohio USA, whereby some young disbelieving shooters killed almost 20 people in the first incident and around 15 innocent people combined and many more wounded and injured. Two perpetrators have been blamed for causing the innocent murders of the people.

According to the Scripture, the Quran, anyone under the age of 40 will be excused no matter what crime they had committed whether they were believers or disbelievers, on the day of judgement.

Question: Who is causing the bloodshed and spreading evil?

Answer: Most people do not know that the **All-Powerful Creator** is in full control over every creature of His. He has the power to turn the bad situation into a good one or the good one to a bad situation. Those who do not know remain ignorant to this fact that the Most Gracious Lord knows every situation, good and bad, committed by human beings. Based on the inner knowledge, He records everything that happens on Earth, past, present and future. Many times, we see things that we may not agree upon, but Allah has a reason behind why evil takes place on earth. There are two gods, one is truthful called **Allah or Al-Rahman**, and the other is iblees, who is labelled by Allah as a sworn disbeliever in Him. His power is limited, and he has been given respite till the Day of Resurrection to mislead the people, thus creating a test for the people. Satan is behind all the bloodshed and evil on earth. Hence all the bad and evil works are attributed to satan.

14:22 And the devil will say, after the judgment had been issued, "**ALLAH** has promised you the truthful promise, and I promised you, but I broke my promise. I had no power over you; I simply invited you, and you accepted my invitation. Therefore, do not blame me, and blame only yourselves. My complaining cannot help you, nor can your complaining help me. I have disbelieved in your idolizing me. The transgressors have incurred a painful retribution."

Revealed: The **Allah letters** are **14** and **Aleefs of Absoluteness** are **7** and **messenger's initials** are **14** up to the word **Allah**, **revealing the Sacred Codes of 7-14**, Subhan Allah.

Revealed: The **Allah letters** are **14** and **messenger's letters** are **15** up to the

word **Allah**, revealing the diff. of 1, Praise be to Al-Rahman.

14:22 Part 1: And the devil will say, after the judgment had been issued.

Revealed: The **messenger's letters** are **12** and **Arabic letters** are **21**, revealing the pattern 1221, the GV of **74:30** "**Over it is nineteen.**"

Satan does not possess any mercy towards the people, but he shows mercy to misguide people, while Allah possess infinite mercy.

16:98 When you read the Quran, you shall seek refuge in **ALLAH** from satan the rejected.

16:99 He has no power over those who believe and trust in their Lord.

16:100 His power is limited to those who choose him as their master, those who choose him as their god.

Revealed: The **Allah letters** are 15-14-13 in each verse, revealing the diff. of 1.

Revealed: The **messenger's letters** are 16-26-24 in each verse, revealing the sum of 66, Subhan Allah.

The numbers revealed through the messenger's letters are a multiple of 14 all the way around. Note the Rotating Miracle: 16,26,24 = 14 x 11616; 26,24,16 = 14 x 18744; 24,16,26 = 14 x 17259.

Note: A new Miracle revealed out of the sequence of messenger's letters **16** (1+6)-**26** (2+6)-**24** (2+4). The sum of digits for each number is 7-8-6, revealing the GV of "Bismillah Al-Rahman Al-Raheem" being the 1st verse and the opening statement of the Quran, Alhumdo Lillah.

16:98 When you read the Quran, you shall seek refuge in **ALLAH** from satan the rejected.

Revealed: The **Allah letters** are **15** and **messenger's letters** are **16**, revealing the diff. of 1. The verse is a command for the believers to recite it before the Quran and its revelations inspired to the messenger. Satan is an ardent enemy of the messenger and the believers, hence this command from Allah Ta'ala to seek refuge in Him from satan the rejected. This command should not be ignored or disregarded before reading or reciting the Quran.

Those who shun satan and follow Allah, He protects them and redeems them. Satan has no real power over the believers.

2:30 Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

2:30 Part 1: Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth."

Revealed: The G.V. of **Allah letters** is **226**, the G.V. of **messenger's letters** is **438**, **revealing the diff. of 212**, Subhan Allah. (**212** is the value of "**Rabbi**," meaning "**my Lord**").

2:30 Part 2: They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?"

Revealed: The G.V. of messenger's letters is **1022**, a multiple of -----**14**

2:30 Part 3: He said, "I know what you do not know."

Revealed: The G.V. of **messenger's letters** is **456**, a multiple of -----**19**

The above Revelation proves that the Lord is the One who appointed satan as a "khalifa" or a "leader" to carry out his challenge of misleading the humans in order to send them astray. Moreover, the whole plan of subjecting humans to the Test through Allah's guidance was devised under the two Sacred Codes of 19 and 14. Glory be to Allah. The interference of satan in Allah's guidance had to be balanced through other humans who will act as "guiding teachers, imams, warners or messengers," to deliver the Truth. For this reason, another Law was made.

2:34 When we said to the angels, "Fall prostrate before Adam," they fell prostrate, except ibles (satan); he refused, was too arrogant, and a disbeliever.

2:268 The devil promises you poverty and commands you to commit evil, while **ALLAH** promises you forgiveness from Him and grace. **ALLAH** is Bounteous,

Omniscient.

22:75 ALLAH chooses from among the angels messengers, as well as from among the people. **ALLAH** is Hearer, Seer.

Allah's Law

58:4 Part: You shall believe in **ALLAH** and His messenger. These are **ALLAH's** laws.

Revealed: The **Allah letters** are **14**, and **messenger's letters** are **19**, **thus confirming the Sacred Codes of 14 and 19** through the messenger decreed to serve this Profound Reminder.

When we take the last portion of the verse

58:4 Part: The disbelievers have incurred a painful retribution.

Revealed: In both parts, the **Allah letters** are **19**, whereas up to **Allah's Laws**, they are **14**; thereby providing the two Sacred Codes again.

9:33 He is the One who sent His messenger with the guidance and the religion of truth, and will make it dominate all religions, in spite of the idol worshipers.

48:28 He is the One who sent His messenger with the guidance and the religion of truth, to make it prevail over all other religions. **ALLAH** suffices as a witness.

61:9 He has sent His messenger with the guidance and the true religion, and will make it dominate all religions, in spite of the idol worshipers.

Revealed: The **Aleefs of Absoluteness** are 6-7-6 in each verse, **revealing the diff. of 1.**

Revealed: The **messenger's letters** are 32-31-32 in each verse, **revealing the diff. of 1.**

The Profound Miracle of **19** and **14** is revealed through the lettering of Aleefs and messenger's letters.

The sum of digits of **Aleefs** is $6+7+6 = \mathbf{19}$.

The sum of digits of **messenger's letters** is $3+2+3+1+3+2 = \mathbf{14}$.

Praise be to Allah who has revealed precise proofs to show the **Miracle of 19-14**

through these verses. As they are just 3 verses in the Quran, they apply to the current messenger who has been revealed the miracle of 3, as well as the miracle of 19-14. The last occurrence is in chapter 61 that has the "Prophecy of Ahmed" mentioned in Verse 61:6.

62:9 O you who believe, when the Congregational Prayer (Salat Al-Jumu'ah) is announced on Friday, you shall hasten to the commemoration of **ALLAH**, and drop all business. This is better for you, if you only knew.

Revealed: The **Allah letters** are 31 and **messenger's letters** are 45, **revealing the diff. of 14 as the Seven Pairs Miracle**. This is a mercy from my Lord to guide the messenger to perform the purified Salat and to teach the believers who follow him to do the same way.

62:10 Once the prayer is completed, you may spread through the land to seek **ALLAH's** bounties, and continue to remember **ALLAH** frequently, that you may succeed.

Revealed: The **Allah letters** are 28 and **messenger's letters** are 29, **revealing the diff. of 1**. The verses teach the believers that after the Salat is completed, they have the right to get back to their jobs or businesses to seek Allah's bounties as long as they commemorate His name frequently in order to succeed.

62:11 When some of them come across a business deal, or some entertainment, they rush to it and leave you standing! Say, "What **ALLAH** possesses is far better than the entertainment or the business. **ALLAH** is the best Provider."

Revealed: The **Allah letters** are 36 and **messenger's letters** are 37, **revealing the diff. of 1**. All 3 verses are marked with the sacred revelations of 14 and 1 through the letters of Allah and His messenger.

42:51 Part 1: No human being can communicate with **ALLAH** except through inspiration.

Revealed: The **Allah letters** are **14** and **messenger's letters** are 15, **revealing the diff. of 1** – by linking the messenger's letters with His, Allah has already proven the inspiration behind these revelations.

42:51 Part 2: Or from behind a barrier, or by sending a messenger through whom He

reveals what He wills. He is The Most High, Most Wise.

Revealed: The **Allah letters** are **14** and **messenger's letters** are 28, **revealing the diff. of 14.**

Note that Allah has provided both of the important revelations through the same verse – **Revelations of 1 and 14**. Both parts are also marked with **14 Allah letters** respectively.

42:52 Part: Thus, we inspired to you a revelation proclaiming our commandments.

Revealed: The GV of **Allah letters** is **66**, **revealing His name, Allah,** proclaiming the commandments.

42:52 Part: Thus, we inspired to you a revelation proclaiming our commandments. You had no idea about the scripture, or faith.

Revealed: The GV of **Allah letters** is **162**, revealing His commands and laws, in order for us to submit to the Almighty, Most Wise. (162 is the GV of Al-Islam or The Submission and Al-Salat.)

42:53 The path of ALLAH, to whom belongs everything in the Heavens and everything on Earth. Absolutely, all matters are controlled by **ALLAH**.

Verses 4:150, 151, 152 on making distinction amongst the messenger

NOTE that there are 2 verses on disbelievers to signify their worship of 2 gods and to point out the idolatry committed by them, but for the believers, there is only **1 verse** to prove that they uphold all the commands of **Allah** and worship Him as One.

4:150 Those who disbelieve in **ALLAH** and His messengers, and seek to make distinction among **ALLAH** and His messengers, and say, "We believe in some and reject some," and wish to follow a path in between;

Revealed: The GV of **Allah letters** is Perfectly **329**, **revealing the glorified name of "Al-Rahman" – "the Most Gracious"**. This proof through letters of Allah is sacred and the disbelievers who disobey the command of Al-Rahman will end up in the Hellfire.

4:151 these are the real disbelievers. We have prepared for the disbelievers a shameful retribution.

Revealed: The **Allah letters** are **14**, to reveal the serious and shameful retribution for the disbelievers.

4:152 Part: As for those who believe in **ALLAH** and His messengers, and make no distinction among them, He will grant them their recompense.

Revealed: The **Allah letters** are **14** up to the part “make no distinction among them”, and **19** in the part up to “recompense.” Thus, the verse for the believers is sacredly marked with the **proofs of 14 and 19**.

4:152 Part: And make no distinction among them.

Revealed: The **Arabic letters** are **19** and **Quranic Initials** are **14**. This important part of the verse is sacredly marked with the miracles of 19-14 that have been revealed to the messenger. The messenger has constantly advised and taught the believers **NOT** to make any distinction amongst the messengers of **Allah, Al-Rahman, be He glorified**.

4:152 Part: **ALLAH** is Forgiver, Most Merciful.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **8**, **revealing the diff. of 1**. The attributes of being the Forgiver and Most Merciful apply only to the believers who will be redeemed on the Day of Judgement.

Verse 4:150 above discusses the disbelievers: The **messenger's letters** are **63**. **Verse 4:152** above discusses the believers: The **messenger's letters** are **44**, **revealing the diff. of 19**, Subhan Allah. By adding the sum of digits for Verse 4:150 that has 63 letters, and for verse 4:152 that has 44 letters, the sum of these numbers is 19 and 20, **revealing the diff. of 1**.

2:150 Wherever you go, you shall turn your face (during Salat) towards the Sacred Masjid; wherever you might be, you shall turn your faces (during Salat) towards it. Thus, the people will have no argument against you, except the transgressors among them. **Do not fear them, and fear Me instead. I will then perfect My blessings upon you, that you may be guided.**

2:150 Part: Do not fear them, and fear Me instead.

Revealed: The messenger's letters are 7 with the GV of 148, revealing the word Alhumdo Lillah.

3:175 It is the devil's system to instill fear into his subjects. **Do not fear them and fear Me instead, if you are believers.**

5:3 Part: Today, the disbelievers have given up concerning (the eradication of) your religion; **do not fear them and fear Me instead.** Today, I have completed your religion, perfected My blessing upon you, and I have decreed Submission as the religion for you. If one is forced by famine (to eat prohibited food), without being deliberately sinful, then **ALLAH** is Forgiver, Merciful.

9:18 The only people to frequent **ALLAH's** masjids are those who believe in **ALLAH** and the Last Day, and observe the Salat (Contact Prayer), and give the Zakat (Obligatory Charity), **and do not fear except ALLAH. These will surely be among the guided ones.**

2:204 Among the people, one may impress you with his utterances concerning this life, and may even call upon **ALLAH** to witness his innermost thoughts, while he is a most ardent opponent.

2:205 As soon as he leaves, he roams the Earth corruptingly, destroying properties and lives. **ALLAH** does not love corruption.

2:206 When he is told, "Observe **ALLAH**," he becomes arrogantly indignant. Consequently, his only destiny is Hell; what a miserable abode.

2:207 Then there are those who dedicate their lives to serving **ALLAH**; **ALLAH** is compassionate towards such worshipers.

Ultimate repentance by age 40

46:15 We enjoined the human being to honor his parents. His mother bore him arduously, gave birth to him arduously, and took intimate care of him for thirty months. When he reaches maturity, and reaches the age of forty, he should say, "My Lord, direct me to appreciate the blessings You have bestowed upon me and upon my

parents, and to do the righteous works that please You. Let my children be righteous as well. I have repented to You; I am a submitter.”

46:16 It is from these that we accept the righteous works, and overlook their sins. They have deserved Paradise. This is the truthful promise that is promised to them.
