Master Record of Allah

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

The Most Gracious after creating this world, meaning the Earth and everything on it, has maintained the precise record of everything, even the most sincere believers cannot fathom the precision of Allah's records.

Each human being is recorded even before the time of birth. This record includes everything, for example their lives and death, the provisions that are provided, the entire personal record and data with all the details, for example like how many children they will bear through the marriage decreed for them or they may not bear any children, their actions, thoughts, decisions and the different tests they will endure through this life and much more.

57:22 Part: Anything that happens on Earth, or to you, has already been recorded, even before the creation.

17:13 We have recorded the fate of every human being; it is tied to his neck. On the Day of Resurrection we will hand him a record that is accessible.

Revealed: The Arabic letters are 52 and 53, revealing the diff. of 1.

Revealed: The messenger's letters are 26 and 28, revealing the diff of 2 (gods, idolatry).

Revealed: The Allah letters are 18 and 16, revealing the diff. of 2 (gods, idolatry).

Revealed: In verse 17:13, the Aleefs are 5. For both verses, the Aleefs are 19, revealing the Codes of 14-19.

*** The **Revelation of 2 gods** through the letters of **Allah** and His **messenger** proves that the majority of the people will not believe, even though they have been given the freedom of choice. This was already known to Allah even before creating the humans and sending them to Earth. This is why you see very few people take interest in finding out the truth and believing in it.

17:14 Read your own record. Today, you suffice as your own reckoner.

Revealed: The proof for this verse is through the verse number as **14, revealing the Seven Pairs Miracle**, Subhan Allah.

What the messenger has enumerated is the absolute truth from His Lord as Allah only communicates with His messengers and reveals to them. All the messengers bear messages from their Lord and the following verses are cited in support of this statement.

42:51 Part 1: No human being can communicate with **ALLAH** except through inspiration.

Revealed: The **Allah letters** are **14** and **messenger's letters** are **15, revealing the diff. of 1** – by linking messenger's letters with His, Allah has already proven the inspiration behind these revelations.

42:51 Part 2: Or from behind a barrier, or by sending a messenger through whom He reveals what He wills. He is The Most High, Most Wise.

Revealed: The **Allah letters** are **14** and **messenger's letters** are **28, revealing the diff. of 14**, Alhumdo Lillah.

Note that Allah has provided both of the important revelations through the same verse – **Revelation of 1 and 14**. Both parts are also marked with **14 Allah letters** respectively.

42:52 Thus, we inspired to you a revelation proclaiming our commandments. You had no idea about the scripture, or faith. Yet, we made this a beacon to guide whomever we choose from among our servants. Surely, you guide in a straight path.

42:52 Part: Thus, we inspired to you a revelation proclaiming our commandments.

Miracle: The GV of **Allah letters** is **66, revealing His name, Allah**, proclaiming the commandments.

42:52 Part: Thus, we inspired to you a revelation proclaiming our commandments. You had no idea about the scripture, or faith.

Miracle: The GV of Allah letters is 162, revealing His commands and laws, in order for us to submit to the Almighty, Most Wise (162 is the GV of Al-Islam or Submission in english).

42:53 The path of ALLAH, to whom belongs everything in the Heavens and everything on Earth. Absolutely, all matters are controlled by **ALLAH**.

Everything is Predetermined

6:2 He is the One who created you from mud, then predetermined your life span, a life span that is known only to Him. Yet, you continue to doubt.

6:3 He is **Allah**, the One in the Heavens and the Earth. He knows your secrets and your declarations, and He knows everything that you earn.

Revealed: The messenger's letters are 27 and 28, revealing the diff. of 1 – Allah knows it all.

7:34 For each community, there is a predetermined life span. Once their interim comes to an end, they cannot delay it by one hour, nor advance it.

8:42 Part: But **ALLAH** was to carry out a specific decision that was predetermined by Him.

8:44 Part: For **ALLAH** willed to carry out a certain plan that was pre-decreed by Him.

Revealed: The Allah letters are 11 and 10, revealing the diff. of 1, Praise be to Allah.

8:42 Part: But **ALLAH** was to carry out a specific decision that was predetermined by Him.

8:44 Part: For **ALLAH** willed to carry out a certain plan that was pre-decreed by Him. All decisions are made by **ALLAH**.

Revealed: The messenger's letters are 14 and 19, confirming the specific command and the certain plan of **Allah** regarding the fulfillment of the "Revelation of Sacred Codes of 14-19" through the messenger, Makbool Husain, Alhumdo Lillah.

8:42 Part: But **ALLAH** was to carry out a specific decision.

Revealed: The GV of Allah letters is perfectly 128 revealing the last name of the messenger, Husain, to fulfil Allah's Plan to carry out the specific command of revelation of the "Ultimate Miracles".

8:68 If it were not for a predetermined decree from **ALLAH**, you would have suffered, on account of what you took, a terrible retribution.

10:19 The people used to be one congregation, then they disputed. If it were not for a predetermined word from your Lord, they would have been judged immediately regarding their disputes.

10:49 Say, "I possess no power to harm myself, or benefit myself; only what **ALLAH** wills takes place." Each community has a predetermined life span. Once their interim comes to an end, they cannot delay it by one hour, nor advance it.

10:50 Say, "Whether His retribution comes to you by night or by day, why are the transgressors in such a hurry?"

10:53 (the disbelievers doubt the messenger) They challenge you to prophesy: "Is this really what will happen?" Say, "Yes indeed, by my Lord, this is the truth, and you can never escape."

10:51 (Answer from Allah) "If it does happen, will you believe then? Why should you believe then? You used to challenge it to come?"

Revealed: The **Aleefs of Absoluteness** are **5** and **6**, revealing the diff. of 1, Alhumdo Lillah.

Revealed: The **Allah letters** are **9** and **10**, revealing the diff. of 1, and sum of 19, Subhan Allah.

10:99 Part 1: Had your Lord willed, all the people on Earth would have believed.

10:99 Part 2: Do you want to force the people to become believers?

Revealed: The **messenger's letters** are **15** and **16** in each part, revealing the diff. of 1.

Revealed: In the entire verse, the **Allah letters** are **17** and **messenger's letters** are **31**, revealing the diff. of 14.

Revealed: In **Part 2**, the **Allah letters** are **7**, revealing the Proof of Seven.

Revealed: In **Part 2**, the **messenger's letters** are **16** and **Aleefs of Absoluteness** are **5**, revealing the pattern of 165, Subhan Allah.

11:3 "You shall seek your Lord's forgiveness, then repent to Him. He will then bless you generously for a predetermined period, and bestow His grace upon those who deserve it. If you turn away, then I fear for you the retribution of an awesome day."

11:4 To **ALLAH** is your ultimate return, and He is Omnipotent over all things and matters.

11:110 We have given Moses the scripture, but it was disputed, and if it were not for a predetermined word decreed by your Lord, they would have been judged immediately. They are full of doubt about this, suspicious.

11:111 Your Lord will surely recompense everyone for their works. He is fully Cognizant of everything they do.

11:112 Part: You may wish to disregard some of that which is revealed to you, and you may be annoyed by it. Also, they may say, "How come no treasure comes down to him, or an angel?" You are only a warner.

11:112 Therefore, continue on the path you have been enjoined to follow, together with those who repented with you, and do not transgress. He is Seer of everything you do.

Revealed: The **Allah letters** are **25** and **11**, **revealing the diff. of 14 for the Seven Pairs Miracle**, Subhan Allah.

Revealed: The **messenger's letters** are **36** and **22**, **revealing the diff. of 14 for the Seven Pairs Miracle**, Alhumdo Lillah.

11:113 Do not lean towards those who have transgressed, lest you incur Hell, and find no allies to help you against **ALLAH**, then end up losers.

11:118 Had your Lord willed, all the people would have been one congregation (of believers). But they will always dispute (the truth).

11:119 Only those blessed with mercy from your Lord (will not dispute the truth). This is why He created them. The judgment of your Lord has already been issued: "I will fill Hell with jinns and humans, all together."

11:120 We narrate to you enough history of the messengers to strengthen your heart. The truth has come to you herein, as well as enlightenments and reminders for the believers.

11:121 Say to those who disbelieve, "Do whatever you can, and so will we.

11:122 "Then wait; we too will wait."

11:123 To **ALLAH** belongs the future of the Heavens and the Earth, and all matters are controlled by Him. You shall worship Him and trust in Him. Your Lord is never unaware of anything you do.

13:2 **ALLAH** is the One who raised the Heavens without pillars that you can see, then assumed all authority. He committed the sun and the moon, each running in its orbit for a predetermined period. He controls all things, and explains the revelations, that you may attain certainty about meeting your Lord.

13:3 He is the One who constructed the Earth and placed on it stabilizers (mountains) and rivers. And from the different kinds of fruits, He made them into pairs – males and females. The night overtakes the day. These are solid proofs for people who think.
13:4 On Earth, there are adjacent lots that produce orchards of grapes, crops, palm trees – dioecious and non-dioecious. Although they are irrigated with the same water, we prefer some of them over others in eating. These are solid proofs for people who understand.

13:38 Part 1: We have sent messengers before you, and we made them husbands with wives and children.

Revealed: The **Allah letters** are **14** and **messenger's letters** are **21**, **revealing the diff. of 7**, Subhan Allah.

13:38 Part 2: No messenger can produce a miracle without **ALLAH's** authorization.

Revealed: The **Allah letters** are **16** and **messenger's letters** are **17**, **revealing the diff. of 1**, Praise be to Allah.

13:38 Part 3: And in accordance with a specific, predetermined time.

Revealed: The **Allah letters** are **5** and **messenger's letters** are **4**, **revealing the diff. of 1**.

15:1 A.L.R. These (letters) are proofs of this scripture; a profound Quran.

15:2 Certainly, those who disbelieved will wish they were submitters.

15:3 Let them eat, enjoy, and remain blinded by wishful thinking; they will find out.

15:4 We never annihilated any community, except in accordance with a specific, predetermined time.

15:5 The end of any community can never be advanced, nor delayed.

16:61 If **ALLAH** punished the people for their transgressions, He would have annihilated every creature (on Earth). But He respites them for a specific, predetermined time. Once their interim ends, they cannot delay it by one hour, nor advance it.

17:99 Could they not see that **ALLAH** who created the Heavens and the Earth is able to create the same creations? That He has predetermined for them an irrevocable life span? Yet, the disbelievers insist upon disbelieving.

Destinies of believers and disbelievers

6:98 He initiated you from one person, and decided your path, as well as your final destiny. We thus clarify the revelations for people who understand.

13:31 Even if a Quran caused mountains to move, or the Earth to tear asunder, or the dead to speak (they will not believe). **ALLAH** controls all things. Is it not time for the believers to give up and realize that if **ALLAH** willed, He could have guided all the people? The disbelievers will continue to suffer disasters, as a consequence of their own works, or have disasters strike close to them, until **ALLAH's** promise is fulfilled. **ALLAH** will never change the predetermined destiny.

13:31 Part: **ALLAH** controls all things.

Revealed: The GV of Allah letters is **128, revealing the last name of the messenger.**

Revealed: The GV of messenger's letters is **212, revealing the name of "Rabbi" – "my Lord."**

2:126 Abraham prayed: "My Lord, make this a peaceful land, and provide its people with fruits. Provide for those who believe in **ALLAH** and the Last Day." (Allah) said, "I will also provide for those who disbelieve. I will let them enjoy, temporarily, then commit them to the retribution of Hell, and a miserable destiny."

2:204 Among the people, one may impress you with his utterances concerning this life, and may even call upon **ALLAH** to witness his innermost thoughts, while he is a most ardent opponent.

2:205 As soon as he leaves, he roams the Earth corruptingly, destroying properties and lives. **ALLAH** does not love corruption.

2:206 When he is told, "Observe **ALLAH**," he becomes arrogantly indignant. Consequently, his only destiny is Hell; what a miserable abode.

2:207 Then there are those who dedicate their lives to serving **ALLAH**; **ALLAH** is compassionate towards such worshipers.

2:208 Part 1: O you who believe, you shall embrace total submission;

2:208 Part 2: Do not follow the steps of satan, for he is your most ardent enemy.

Revealed: The messenger's letters in each part are **15** and **16, revealing the diff. of 1**. The path of total submission can only be achieved by embracing and accepting everything that comes from Allah, while denouncing satan and refusing to follow his steps, as he is the most ardent enemy of Allah, His messengers, and the believers.

2:209 Part 1: If you backslide, after the clear proofs have come to you.

2:209 Part 2: Then know that **ALLAH** is Almighty, Most Wise.

Revealed: The **Allah letters** are **7** and **8** in each part, **revealing the diff. of 1.** Verses 208 and 209 inform the followers of the Quran that whoever backslides after witnessing the clear proofs of the messenger has indeed rejected Allah and has followed the path of the devil, thus nullifying their submission.

2:210 Are they waiting until **ALLAH** Himself comes to them in dense clouds, together with the angels? When this happens, the whole matter will be terminated, and to **ALLAH** everything will be returned.

3:28 The believers never ally themselves with the disbelievers, instead of the believers. Whoever does this is exiled from **ALLAH**. Exempted are those who are forced to do this to avoid persecution. **ALLAH** alerts you that you shall reverence only Him. To **ALLAH** is the ultimate destiny.

3:29 Say, "Whether you conceal your innermost thought, or declare it, **ALLAH** is fully aware thereof." He is fully aware of everything in the Heavens and the Earth. **ALLAH** is Omnipotent over all things and matters.

3:30 The day will come when each soul will find all the good works it had done brought forth. As for the evil works, it will wish that they were far, far removed. **ALLAH** alerts you that you shall reverence only Him. **ALLAH** is Compassionate towards the people.

Also, the revelation of the proofs are based on the Miracle of the Seven Pairs through the sets of verses of Seven Pairs which also include a human messenger's name letters (Makbool Husain), who was not born and was not on earth at the time the Quran was revealed to prophet Muhammad. The messenger has no part in composing or writing the Quran at all. Therefore, these proofs are absolute marvels from the Lord of the universe. They negate and nullify the concept of any human factor involved in the miracles and proofs of the Quran and defeat the mathematical genius of all human beings, who can never produce anything similar to Allah's revelations. These revelations have unveiled and revealed the highest standard of Allah's Absolute

43:7 Every time a prophet went to them, they ridiculed him.

Revealed: The **messenger's letters** are **16** and **18** in each verse revealing the diff. of 2. The **Revelation of 2** proves that Allah indeed sent prophets to previous generations, but most people disbelieved in them and ridiculed them.

43:8 Consequently, we annihilated people who were even more powerful than these. We thus set the examples from the previous communities.

43:9 If you asked them, "Who created the Heavens and the Earth," they would say, "The Almighty, the Omniscient has created them."

43:11 He is the One who sends down from the sky water, in exact measure, to revive dead lands therewith. Similarly, you will be resurrected.

43:13 As you rest on top of them, you shall appreciate such a blessing from your Lord, and say, "Glory be to the One who subdued this for us. We could not have controlled them by ourselves.

43:14 "We ultimately return to our Lord."

Revealed: The **Allah letters** are **7** and **messenger's letters** are **14** confirming the fact that all the human beings will die on Earth and return to their Lord.

Master Record of Allah: The **Miracle of 19** was revealed to Rashad Khalifa in **1974**. From the revelation of the Miracle to the end of the world **2280** are precisely **306 years**, bearing the Sign of the end of the world through the name of the messenger.

6:59 With Him are the keys to all secrets; none knows them except He. He knows everything on land and in the sea. Not a leaf falls without His knowledge. Nor is there a grain in the depths of the soil. Nor is there anything wet or dry, that is not recorded in a profound record.

6:59 Part: With Him are the keys to all secrets; none knows them except He.

Revealed: The **Allah letters** are **13**, and the **messenger's letters** are **13** – **Matching**. None knows Allah's secrets till He blesses a human being and parts with His knowledge. The guidance offered by messengers is a matching guidance, as it is controlled and inspired by Allah, Alhumdo Lillah.

10:61 You do not get into any situation, nor do you recite any Quran, nor do you do anything, without us being witnesses thereof as you do it. Not even an atom's weight is out of your Lord's control, be it in the Earth or in the Heavens. Nor is there anything smaller than an atom, or larger, that is not recorded in a profound record.

Absolute Allah is to preach **ISLAM (162)** to everyone who wants to take heed, through the recitation of the Verses (**412** – aayaat) and Revelations (**412** – aayaat) of the Quran.

Revealed: By concatenating the GVs of the words **Al-Islam** and **Aayaat** as **162** and **412** it reveals the **Sacred Code of 19**, as $162,412 = 19 \times 8548$.

Revealed: By adding the GVs of the words **Al-Islam** and **Aayaat** it reveals the Miracle of Seven Pairs. $162+412 = 574 = 14 \times 41$.

11:5 Indeed, they hide their innermost thoughts, as if to keep Him from knowing them. In fact, as they cover themselves with their clothes, He knows all their secrets and declarations. He knows the innermost thoughts.

17:71 The day will come when we summon every people, together with their record. As for those who are given their record (of righteousness) in their right hand, they will read their record and will not suffer the least injustice.

18:49 The record will be shown, and you will see the guilty fearful of its contents. They will say, "Woe to us. How come this book leaves nothing, small or large, without

counting it?" They will find everything they had done brought forth. Your Lord is never unjust towards anyone.

19:79 Indeed, we will record what he utters, then commit him to ever-increasing retribution.

20:50 He said, "Our Lord is the One who granted everything its existence, and its guidance."

20:51 He said, "What about the past generations?"

20:52 He (the messenger) said, "The knowledge thereof is with my Lord in a record. My Lord never errs, nor does He forget."

Revealed: The **Allah letters** are **10-11-10** in each verse, **revealing the diff. of 1**, proving the **Supreme Revelation of 1**.

20:50 Part: He said, "Our Lord is the One who granted everything its existence.

20:52 Part: He (the messenger) said, "The knowledge thereof is with my Lord in a record.

Revealed: The **Arabic Letters** are **19** and the **Quranic Initials** are **14**, **revealing the Sacred Codes of 19-14** to explain that **all knowledge is with Allah and prerecorded in His Master Tablet**.

20:52 Part: My Lord never errs.

20:52 Part: Nor does He forget.

Revealed: The **Allah Letters** in each part are **3** and **2**, **revealing the diff. of 1**.

Revealed: The **messenger's letters** are **5** and **6** in each part, **revealing the diff. of 1**. When Allah and His messenger's letters are inscribed in the verse and words with the **precise diff. of 1**, it proves that Allah does not err (make

mistakes), nor did He forget to inscribe the name letters of His messenger. This is a big honour for the messenger, **Alhumdo Lillah**.

Revealed: For the entire verse **20:52**, the **GV of messenger's letters is Perfectly 522** to proclaim the **Hadees (Words) of Allah**. What you are seeing and reading are the **Sacred Words of Allah** revealed through His messenger, **Subhan Allah**.

21:94 As for those who work righteousness, while believing, their work will not go to waste; we are recording it.

22:70 Do you not realize that **ALLAH** knows everything in the Heavens and everything on Earth? All this is **recorded** in a record. This is easy for **ALLAH** to do.

Revealed: The **Aleefs** are **11** and **Allah letters** are **25**, **revealing the diff of 14**. When **ALLAH** has so precisely calculated the Aleefs and Allah letters, while narrating a smooth flowing verse to reveal the Code of Seven Pairs, which is already stated through the verse in the Quran, could there be any doubt about the recording of everything in the universe? All of this is easy for Allah, as He has said.

22:70 Part 1: Do you not realize that **ALLAH** knows everything in the Heavens and everything on Earth?

Revealed: The GV of **Allah letters** is **223** for the "**believers**". Allah is addressing the believers through the Quran to inform them of the prior recording and witnessing of everything.

Revealed: The **Aleefs** are **8** and **messenger's letters** are **17**, **revealing the pattern of messenger's first name, 178**, Subhan Allah.

22:70 Part 2: All this is **recorded** in a record. This is easy for **ALLAH** to do.

Revealed: The GV of **messenger's letters** is **352** for **Quran**. When Allah has proven to have recorded the messenger's letters in the glorious Quran in such a profound and coded way, could there be any doubt about His Absolute Power and Wisdom as the Omnipotent Lord capable of all things? He even provides proof behind everything He says in the Quran.

Note in **Part 1**, the **believers 223** are being informed about this precise recording and record, and **Part 2** of the verse is an example of the name letters of the messenger being recorded in the glorious **Quran, 352**.

36:12 Part: Everything we have counted in a profound record.

78:29 We counted everything in a record.

Revealed: The **Allah letters** are **5** and **4**, **revealing the diff. of 1**, Subhan Allah.

As an example of Allah's Perfect count of everyone and everything in His Master Record, He has marked Verse 36:12 to prove the narration.

36:12 Part: Everything we have counted in a profound record.

Revealed: The GV of **messenger's letters** is **306**, **revealing the recorded name of the messenger in Allah's Master Record of all things**. The specific role and rank of the messenger was already decided and recorded by the Most Gracious before sending the messenger on earth at this time. You have seen through 2 different verses – **22:70** and **36:12** – on the profound record of Allah, proving that He has recorded everything by revealing the value of **Quran – 352** and **Makbool Husain – 306** through the **messenger's name letters**. Note something else now – **Allah** has recorded the verses and inscribed the values of Quran and the messenger precisely **14 chapters** apart to show you **the Miracle of the Seven Pairs** (chapters **36** and **22**, which reveals the diff. of **14**).

Also revealed is the fact that both of these parts of verses are recorded under Seven Pairs, as the Allah letters are in the perfect sequence of **9** and **5** in each verse to total **14**. The numbers **9** and **5** provide testimony to recording of the verses **128** and **178** under the messenger's name in the Quran. The GV of **14 Allah letters** is $196 = 14 \times 14$. For both verses, the GV of Allah letters is 196 and the messenger is $352 + 306 = 658$, revealing the diff. of **462** for **Al-Furqan** or the **Statute Book**. This number is $462 = 7 \times 66$ or 14×33 .

23:62 We never burden any soul beyond its means, and we keep a record that utters the truth. No one will suffer injustice.

27:75 There is nothing in the Heavens and the Earth that is hidden (from ALLAH); everything is in a profound record.

27:89 Those who bring good works (in their records) will receive far better rewards, and they will be perfectly secure from the horrors of that day.

34:3 Those who disbelieve have said, "The Hour will never come to pass!" Say, "Absolutely – by my Lord – it will most certainly come to you. He is the Knower of the future. Not even the equivalent of an atom's weight is hidden from Him, be it in the

Heavens or the Earth. Not even smaller than that, or larger (is hidden). All are in a profound record."

35:11 Part: No female becomes pregnant, nor gives birth, without His knowledge. No one survives for a long life, and no one's life is snapped short, **except in accordance with a pre-existing record.** This is easy for **ALLAH**.

Proof: The **Allah letters** are **24** and the **messenger's letters** are **43**, **revealing the diff. of 19**, Glory be to Allah.

35:11 Part: No one survives for a long life, and no one's life is snapped short, except in accordance with a pre-existing record. **This is easy for ALLAH.**

SOLID PROOF: The **Allah letters** are **14** and the **messenger's letters** are **28**, **revealing the diff. of 14 (Seven Pairs Miracle)**, Praise be to Allah.

The Quran is a never ending Marvel from our Lord. There are **3** chapters involved in narrating the verses on **marvels** and **proofs** from **Allah** that cannot be denied. The sum of chapters **40 + 53 + 55** is **148**, revealing the sacred words – **Alhumdo Lillah** or **Praise be to Allah**.

40:81 He thus shows you His proofs. Which of **ALLAH's** proofs can you deny?

Revealed: The **messenger's letters** are **12** and **Allah letters** are **8**, **revealing the last name 128 of the messenger through the Pattern.**

40:81 Part: Which of **ALLAH's** proofs can you deny?

Revealed: The **Allah letters** are **6** and **messenger's letters** are **7**, **revealing the diff. of 1**, Glory be to Al-Rahman.

53:55 Which of your Lord's marvels can you deny?

Revealed: The **Allah letters** are **5** and **messenger's letters** are **6**, **revealing the diff. of 1**, Glory be to Allah.

55:77 Which of your Lord's marvels can you deny?

Revealed: The **Allah letters** are **6** and **messenger's letters** are **7**, **revealing the diff. of 1**, Praise be to Allah.

*** There are **31** occurrences of verses of Lord's marvels in **chapter 55** and **1** occurrence in **chapter 53**. The **messenger's letters** are **7** in each verse of **chapter 55**, the sum of these letters is $31 \times 7 = 217$. In **chapter 53**, the **messenger's letters** are **6** in the single occurrence through **53:55**. The sum of **217** and **6** is **223**, revealing the word "the believers." These miracles and marvels are profound Signs for the believers and grants them the chance to glorify and praise their Lord in order to earn more credits and to attain higher ranks in the Hereafter. See verse 2:118.

2:118 Those who possess no knowledge say, "If only **ALLAH** could speak to us, or some miracle could come to us!" Others before them have uttered similar utterances; their minds are similar. We do manifest the miracles for those who have attained certainty.

2:118 Part: "We do manifest the miracles for those who have attained certainty."

Revealed: The **messenger's letters** are **16** and **Allah letters** are **5**, revealing Allah's Absolute Authority of 165 in choosing the nature of miracles He reveals to whosoever He likes. The Miracles from Allah are always revealed and manifested through His appointed messengers as is evident through the inscription of letters of the messenger along with the letters of Allah, Praise be to Him.

2:119 We have sent you with the truth as a bearer of good news, as well as a warner. You are not answerable for those who incur Hell.

Revealed: The **Allah letters** are **14** and **messenger's initials** are **19**, revealing the Sacred Codes, Alhumdo Lillah.

35:12 The two seas are not the same; one is fresh and delicious, while the other is salty and undrinkable. From each of them you eat tender meat, and extract jewelry to wear. And you see the ships sailing through them, seeking His provisions, that you may be appreciative.

35:13 He merges the night into the day, and merges the day into the night. He has committed the sun and the moon to run for a predetermined period of time. Such is **ALLAH** your Lord; to Him belongs all kingship. Any idols you set up beside Him do not possess as little as a seed's shell.

39:69 Then the Earth will shine with the light of its Lord. The record will be proclaimed, and the prophets and the witnesses will be brought forth. Everyone will then be judged equitably, without the least injustice.

43:19 They claimed that the angels, who are servants of The Most Gracious, are females! Have they witnessed their creation? Their claims are recorded, and they will be asked.

43:80 Do they think that we do not hear their secrets and conspiracies? Yes indeed; our messengers are with them, recording.

45:28 You will see every community kneeling. Every community will be called to view their record. Today, you get paid for everything you have done.

45:29 This is our record; it utters the truth about you. We have been recording everything you did.

50:4 We are fully aware of anyone of them who gets consumed by the Earth; we have an accurate record.

50:17 Two recording (angels), at right and at left, are constantly recording.

52:2 The recorded scripture.

52:3 Published in books.

52:41 Do they know the future, and have it recorded?

54:52 Everything they did is recorded in the scriptures.

54:53 Everything, small or large, is written down.

Revealed: The GV of **Allah letters** are **96** and **30**, **revealing the diff. of 66**, Subhan Allah.

Revealed: The combined GV of **Allah letters** is **126** and of the **messenger's letters** is **288**, **revealing the diff. of 162 for Submission**, Alhumdo Lillah.

The revelation of **66** through **Allah letters** and **162** through inclusion of messenger's letters is evidence of the fact that the belief, performance, or disbelief of, and the consequence for every human being has already been recorded. This profound record of Allah maintains the exact record, from the beginning of time to the Day of Judgement. This Record contains the exact number of righteous and believing people who will believe in **Allah** – **66**, and duly submit through His messengers – **162** as compared to the number of disbelievers. Each one of them is fully recorded, marked, and identified by the Most Wise.

58:6 The day will come when **ALLAH** will resurrect them all, then inform them of everything they had done. **ALLAH** has recorded everything, while they have forgotten it. **ALLAH** witnesses all things.

68:47 Part 1: Do they know the future?

68:47 Part 2: Do they have it recorded?

Revealed: The **messenger's letters** are **6** and **5**, **revealing the diff. of 1.**

69:19 As for the one who receives his record with his right hand, he will say, "Come read my record.

69:25 As for him who is given his record in his left hand, he will say, "Oh, I wish I never received my record.

The Proof of Joy or Remorse: The **Allah letters** are **11** and **12**, **revealing the diff. of 1**, Praise be to Allah.

81:7 The souls are restored to their bodies.

81:8 The girl who was buried alive is asked:

81:9 For what crime was she killed?

81:10 The records are made known.

Revealed: The GV of **Allah letters** is a **Perfect 165** for verses **81:7-10**, Subhan Allah. For those who know and are familiar with the powerful number **165**, I do not need to comment much. This proves that Allah – **the Absolute (Al-Samad)** – has created the good and the bad, knows the righteous from the evil, has predestined the fate of everything, and will be the Sole Judge on the Day of Resurrection, Alhumdo Lillah. All crimes committed by the evil against the innocent are recorded in Allah's Master Record, as well as everything else, and they will be made known to them.

Now I will rearrange the verses with the will of my Lord to make pairs, so that a new meaning will emerge. Who will restore the souls to their bodies and make known the record of every human being? I am sure every Muslim knows the Name of the Creator. Here it is:

81:10 The records are made known.

81:7 The souls are restored to their bodies.

Perfect Revelation: The GV of **Allah letters** is 66, revealing the Glorified name of Allah. He is the One who will recreate every human being and initiate the creation just like He did the first time.

Revealed: The GV of **messenger's letters** is $252 = 14 \times 18$. This is the Proof of Seven Pairs, Subhan Allah.

81:8 The girl who was buried alive is asked:

81:9 For what crime was she killed?

Profound Revelation: The GV of **messenger's letters** for the pair of verses **81:7,10** is **252**, and the GV of **messenger's letters** for the pair of verses **81:8,9** is **366, revealing the profound difference of 114**. This number covers the **entire Quran** which has **114 chapters** – a miraculous revelation from the Possessor of All Power and Authority, Glory be to Him.

82:9 Indeed, you disbelieve in the religion.

82:10 Oblivious to the fact that there are (invisible) keepers around you.

82:11 They are honest recorders.

82:12 They record everything you do.

Revealed: For the above 4 verses, the **Allah letters** are **13** and **messenger's letters** are **32, revealing the diff. of 19**. Most people remain unaware of the **invisible angels that are honest recorders** who record everything they do.

83:7 Indeed, the book of the wicked is in Sijjeen.

83:8 Do you know what Sijjeen is?

83:9 A numerically structured book.

83:18 Indeed, the book of the righteous will be in `Elleyyeen.

83:19 Do you know what `Elleyyeen is?

Revealed: The **messenger's letters** are 7, revealing the Seven Pairs Miracle.

83:20 A numerically structured book.

83:21 To be witnessed by those close to Me.

84:7 As for the one who receives his record in his right hand,

84:8 His reckoning will be easy.

84:9 He will return to his people joyfully.

84:10 As for the one who receives his record behind his back,

84:11 He will be ridden with remorse.

84:12 And will burn in Hell.

84:13 He used to act arrogantly among his people.

84:14 He thought that he will never be called to account.

84:15 Yes indeed, his Lord was Seer of him.

87:18 This is recorded in the earlier teachings.

Revealed: The **Allah letters** are **10** and **messenger's letters** are **9**, **revealing the diff. of 1.**

87:19 The teachings of Abraham and Moses.

Revealed: The **Arabic letters** are precisely **14**, **revealing the Miracle of Seven Pairs**, Subhan Allah.

Revealed: The **verse number** is **19**, **revealing the Master Code.**

Everything is Written down

9:120 Neither the dwellers of the city, nor the Arabs around them, shall seek to stay behind the messenger of **ALLAH** (when he mobilizes for war). Nor shall they give priority to their own affairs over supporting him. This is because they do not suffer any thirst, or any effort, or hunger in the cause of **ALLAH**, or take a single step that enrages the disbelievers, or inflict any hardship upon the enemy, without having it written down for them as a credit. **ALLAH** never fails to recompense those who work righteousness.

9:121 Nor do they incur any expense, small or large, nor do they cross any valley, without having the credit written down for them. **ALLAH** will surely reward them generously for their works.

16:1 **ALLAH's** command has already been issued (and everything has already been written), so do not rush it. Be He glorified; (The Most High) far above any idols they set up.

Revealed: The **messenger's letters** are coded and revealed to be precisely **19**, Alhumdo Lillah.

17:58 There is not a community that we will not annihilate before the Day of Resurrection, or inflict severe retribution upon them. This is already **written down in the book.**

Allah is the only Knower of all Secrets

The Test Begins

2:31 He taught Adam all the names then presented them to the angels, saying, "Give me the names of these, if you are right."

2:32 They said, "Be You glorified, we have no knowledge, except that which You have taught us. You are the Omniscient, Most Wise."

2:33 He said, "O Adam, tell them their names." When he told them their names, He said, "Did I not tell you that I know the secrets of the Heavens and the Earth? I know what you declare, and what you conceal."

5:109 Part 1: The day will come when **ALLAH** will summon the messengers and ask them, "How was the response to you?"

5:109 Part 2: They will say, "We have no knowledge. You are the Knower of all secrets."

Revealed: The **messenger's letters** are **17** and **16** in each part, **revealing the diff. of 1.** The revelation of 1 through letters of messenger proves that only Allah knows the response of the people to each messenger, whereas the messengers will not have any knowledge.

Revealed: The **Allah letters** are **11** and **13** in each part, **revealing the diff. of 2 gods.** Allah knows best and He knows that the majority of believers did commit idol worship, as per the revelation of 2 gods.

Revealed: The **Aleefs of Absoluteness** are **5** and **7** in each part, **revealing the diff. of 2 gods**. Most of the believers including the messenger will have no knowledge regarding the belief of the people.

5:109 Part 1: The day will come when **ALLAH** will summon the messengers and ask them, "How was the response to you?" They will say, "We have no knowledge."

Revealed: The **Allah letters** are **19**. The Proof of **19** letters of Allah confirms that the messengers had no knowledge about the response of the people, as they do not know the innermost thoughts of the people, whether they believed sincerely or not.

5:109 Part 2: You are the Knower of all secrets.

Revealed: In **Part 1**, the **Allah letters** are **19** and in **Part 2**, the **Allah letters** are **5**, **thereby revealing the diff. of 14** – the Seven Pairs Miracle and Proof.

5:116 Part 1: **ALLAH** will say, "O Jesus, son of Mary, did you say to the people, 'Make me and my mother idols beside **ALLAH**?' "

5:116 Part 2: He will say, "Be You glorified. I could not utter what was not right. Had I said it, You already would have known it. You know my thoughts, and I do not know Your thoughts. You know all the secrets.

Revealed: The GV of **Allah letters** is **295** for "**Rosolayhee**" – "**messengers**" and **383** for "**Al-Quran**". The coding of numbers **295** and **383** reveal and confirm that the messengers uphold their pledges of Absoluteness of Allah as narrated in the Quran and will never ask their followers to idolize them.

6:59 With Him are the keys to all secrets; none knows them except He. He knows everything on land and in the sea. Not a leaf falls without His knowledge. Nor is there a grain in the depths of the soil. Nor is there anything wet or dry, that is not recorded in a profound record.

6:59 Part: With Him are the keys to all secrets; none knows them except He.

Revealed: The **Allah letters** are **13** and **messenger's letters** are **13** – **Matching** – none knows Allah's secrets till He blesses a human being and parts with His knowledge. The guidance offered by messengers is matching guidance, as it is controlled and inspired by Allah.

Revealed: The GV of **Allah letters** are **141**, and of **messenger's letters** is **292**, **revealing the sum of 433**, being the GV of Lord of the Universe.

No human beings, including the messengers, can rush the retribution or change the predetermined plans of Allah. The humans count the months and calendar years; if Allah's retribution does not occur within their lifetime, or if it happened during their ancestor's time, they easily disregard Allah and take it for granted that nothing will happen. They are wrong! The span of **a thousand years** on earth is equal to **1 day for Allah**. Now, if you look back a **1000** years, you will see that all kinds of retributions have befallen upon various communities. If you mark and note every retribution as it happens during the course of each year and run a tab for a few years, you will see a long list of communities and countries punished by Allah. This includes afflictions and disasters from viruses, droughts and starvation, disease, wind storms, cyclones, hurricanes, tornadoes, earthquakes, tsunami, civil wars, volcanoes, riots, racial and religious wars, and the list goes on. Praise be to Allah.

22:47 Part 1: They challenge you to bring retribution, and **ALLAH** never fails to fulfil His prophecy.

22:47 Part 2: A day of your Lord is like a thousand of your years.

Revealed: The **Aleefs** are **3** and **4**, **revealing the diff. of 1** – Glory be to my Lord.

Revealed: In the entire verse, the **Allah letters** are **17**, and **messenger's letters** are **31**, **revealing the diff. of 14** – the Seven Pairs.

Revealed: **Part 2** is specifically marked with the **messenger's letters** as **14** to reflect on the yardstick of time in the view of Allah, and not our count of the years for the prophecies to be fulfilled.

22:47 Part: And **ALLAH** never fails to fulfil His prophecy.

This portion is again especially marked with **Allah letters** as **7** and **messenger's letters** **8**, **revealing the diff. of 1**. This proves that Allah's promise is absolutely truthful, and no one should doubt or underestimate the Hadees (narration) of Allah. Whatever I say or write will not impress the disbelievers, nor do they care about Allah's revelations. In fact, the reaction and expressions are already documented in the Quran, such as:

Mocking and Ridiculing the Messengers

26:185 They said, "You are bewitched.

13:11 Shifts (of angels) take turns, staying with each one of you – they are in front of you and behind you. They stay with you, and guard you in accordance with **ALLAH's** commands. Thus, **ALLAH** does not change the condition of any people unless they themselves make the decision to change. If **ALLAH** wills any hardship for any people, no force can stop it. For they have none beside Him as Lord and Master.

13:11 Part: Thus, **ALLAH** does not change the condition of any people unless they themselves make the decision to change.

The meaning of the verse does not click to most people or even to nations, but the truth will be revealed herein of the wisdom of **ALLAH – the Creator**, who has designed firm laws and the people are controlled through them. The locking code is evidence of the truth recited through the verse.

Revealed: The **Allah letters** are **12** and the **messenger's letters** are **21**, thus revealing the firm locking code of 1221 – the Master Code of **74:30** stating “**over it is nineteen**” which controls the **Quran**, Subhan Allah. As you can see,

the messenger's letters are involved in this **Master Code of 1221** mentioning the laws on different kinds of people on earth, their nature and thinking. The history of the various kinds of people is **thus proven by Allah through His messenger.**

Here is the **TRUTH**. To create the Link and the Contact, let me join these numbers originating from the Most High down to His messenger on Earth in order to see the message and the proof.**

12 + 13 + 14 + 15 + 16 + 17 + 18 + 19 + 20 + 21, the sum is 165. These Sacred Numbers have been created for the “**Specific Reason**” as you can see, witness, and appreciate. **Allah's Absoluteness (165) is projected on Earth** through the commands sent down through His authorized messengers, Glory be to Him. The numbers involved in leading up to **165** also reveal the name of the **LORD** through the sum of the digits involved through them, as you shall witness:

Revealed: The sum of digits of 12 is $(1+2) = 3$, the sum of digits of 13 is $(1+3) = 4$, the sum of digits of 14 is $(1+4) = 5$, and so on. Therefore, the sum of digits of all numbers linking and connecting 12 up to 21 are: $3 + 4 + 5 + 6 + 7 + 8 + 9 + 10 + 2 + 3$. The sum of all these numbers is **57**, a **multiple of 19**.

By adding the sum of the numbers **12 up to 21, the sum is 165**. By adding the sum of the digits of the numbers involved to reveal **165**, they are **57**. **The sum of 165 + 57 = 222**, revealing “**Rabbayka**” – “**your LORD**”. This proves verse **2:3** saying: “**who believe in the Unseen.**” The name of the Lord is mysteriously hidden throughout the verses – He has designed, carved the words, and assigned specific numbers to present clear proofs to the people so **that they may believe in Him and His messengers.**

13:11 Part: If **ALLAH** wills any hardship for any people, no force can stop it.

Revealed: The Allah letters are **13** and messenger's letters are **12, revealing the diff. of 1.**

These revelations have shown the complete control of **ALLAH** over the people and have also revealed that for those who do not want to change their lot or their condition, **the Lord of the Universe** is not going to change them either, and it remains **His will** for their lot to suffer on earth. It also reveals that if the people do decide to change their lot, then **ALLAH** will not stop them from doing it. In fact, He will augment their efforts. It is entirely up to the individuals and the people to advance or regress – **the freedom of choice is a proven fact and truth.**
