The day they see it, it will seem like they lasted one hour of the day (in this life). This is a proclamation: Is it not the wicked who are consistently annihilated?

**Revealed:** The **Allah letters** in both verses are **65** (proclaiming **Lillah**) and **messenger's letters** in both verses are **100** (*denoting perfection of Allah*), the sum of 65 and 100 is **165**, to reveal the Absoluteness of Allah who has stated the consequences for the disbelievers and the reminder to the messenger to be patient. The retribution for the disbelievers will inevitably come without prior warning and they will be shocked. The retribution for the disbelievers is an important part of the message inspired to the messenger as proven through the customized revelations.

**46:34 Part 1:** The day the disbelievers are introduced to the Hellfire, they will be asked, "Is this not the truth?"

The words – **They will answer, "Yes indeed"** are engraved with the messenger's name.

**Revealed:** The GV of **messenger's letters** is 178, Subhan Allah. These are the revelations and the message of Truth that have been divinely inspired to the messenger. **Revealed:** In **46:14**, the **Allah letters** are 14, the **messenger's initials** are 14 and **messenger's name letters** are 19, clearly revealing the **Sacred Codes** for those who worshiped **Allah Alone** (His Absolute Authority); they are the ones who will make it to Paradise, Subhan Allah.

**Revealed:** The **Allah letters** are 19 and the **verse number** is 14, revealing the alternating proofs of 14-19, Alhumdo Lillah.

**4:14 Part:** As for the one who disobeys **ALLAH** and His messenger, and transgresses His laws.

**Revealed:** the **Allah letters** are 7 and **messenger's letters** are 14, revealing the Miracle of Seven Pairs, Subhan Allah.

### **Matching pairs:**

**4:42** On that day, those who disbelieved and disobeyed the messenger will wish that they were level with the ground; not a single utterance will they be able to hide from ALLAH.

**25:27** The day will come when the transgressor will bite his hands (in anguish) and say, "Alas, I wish I had followed the path with the messenger."

**Revealed:** The **Allah letters** in each verse is 19 and 14, Praise be to Allah.

**11:59** Such was `Aad – they disregarded the revelations of their Lord, disobeyed His messengers, and followed the ways of every stubborn tyrant.

**11:60** Consequently, they incurred condemnation in this world, and on the Day of Resurrection. Indeed, `Aad rejected their Lord. Indeed, `Aad and the people of Hud, have perished.

**Revealed:** The **Allah letters** are **13** and **27** in each verse, revealing the diff. 14. The verses prove through the Miracle of Seven Pairs that `Aad and the people of Hud suffered the retribution of Allah and perished because they disregarded the revelations of their Lord,

and disobeyed His messenger – all of this amounted to rejecting of their Lord as given in Verse **11:60**.

**14:36** "My Lord, they have misled so many people. As for those who follow me, they belong with me. As for those who disobey me, You are Forgiver, Most Merciful.

**33:36** No believing man or believing woman, if **ALLAH** and His messenger issue any command, has any choice regarding that command. Anyone who disobeys **ALLAH** and His messenger has gone far astray.

**Revealed:** The verse is marked and stamped with **14 Aleefs of Absoluteness** to stress upon the seriousness of the command. The believers cannot disobey any command issued by **Allah and His messenger** and have absolutely no choice to disagree or disregard the command.

**33:36 Part:** Has any choice regarding that command. Anyone who disobeys Allah and His messenger has gone far astray.

**Revealed:** The Allah letters are Perfectly 19, revealing and confirming the command through the Proof of 19 Allah letters.

**33:36 Part:** No believing man or believing woman.

**33:36 Part 1:** No believing man or believing woman, when Allah and His messenger issue any command.

**33:36 Part 2:** Has any choice regarding that command; anyone who disobeys Allah and His messenger.

**Revealed:** The **messenger's letters** are **23** and **22** in each part, revealing the diff. of 1. The Revelation of 1 through letters of the messenger further strengthens the command to **obey Allah and His messenger** when the command is issued by him. Anyone who disobeys the messenger's command has gone far astray and is considered an idol worshiper and a disbeliever from there on.

**33:36 Part:** They have gone far astray.

Let me show the believers the intricacy involved in the linkage and connection of certain words.

In Verse **33:36**, there are 2 occurrences of the words "*command – amrun*" and "*that command – amrayhim*." After the first occurrence and up to the 2<sup>nd</sup> occurrence, the **Allah letters are 8** and the **messenger's letters are 12**, thereby revealing the last name of the messenger Husain 128 through the pattern. The solid proof of the name of the messenger shows that **Allah's commands** are inspired and issued through **His messenger**.

Another example is through the words, "**Allah and His messenger.**"

**Allah wa rasoolahoo:** The **Allah letters** are **6** and **messenger's letters** are also **6**, revealing the glorified Name of Allah – **66**.

**Revealed:** The GV of **messenger's letters** is uniquely inscribed as **162** to reveal the religion of **Islam** (Submission) through these Sacred Words of the Quran. The Sacred Proofs reveal that those who do not believe in the messengers, or disobey and disregard them, have disbelieved in **Allah and His Sole Attribute of being the Supreme and the Absolute**. Through the messengers, **Allah** delivers the Truth of Islam to the people.

**Note:** This command can be compared to and is similar to what is practiced in the Armed Forces of all countries, whereby the juniors respond to the command of the seniors by saying "**Yes Sir.**" No other option is given and those who do not fully obey the chain of command go through a court martial and other serious consequences, thus jeopardizing their career as a soldier or an officer.

**58:9** O you who believe, if you have to confer secretly, you shall not confer to commit sin, transgression, and to disobey the messenger. You shall confer to work righteousness and piety. You shall reverence **ALLAH**, before whom you will be summoned.

**58:9 Part 1:** O you who believe, if you have to confer secretly, you shall not confer to commit sin, transgression, and to disobey the messenger.

**58:9 Part 2:** You shall confer to work righteousness and piety. You shall reverence **ALLAH**, before whom you will be summoned.

**Revealed:** The GV of **Allah letters** for part 1 and part 2 is **198** each time, thus revealing the matching proof.

**58:9 Part A:** You shall confer to work righteousness and piety. You shall reverence **ALLAH**, before whom you will be summoned.

**58:9 Part B:** You shall reverence **ALLAH**, before whom you will be summoned.

**Revealed:** the Allah letters are **16** in **Part 1** and Aleefs of Absoluteness are **5** in **Part 2**, revealing the pattern of **165**, Subhan Allah.

**69:10** They disobeyed the messenger of their Lord. Consequently, He requited them a devastating requital.

**71:21** Noah said, "My Lord, they disobeyed me, and followed those who were even more corrupted when blessed with money and children.

**71:22** They schemed terrible schemes.

**71:23** "They said, 'Do not abandon your gods. Do not abandon Wadd, Suwaa`, Yaghouth, Ya`ooq, and Nasr.'

**Revealed:** In verse **71:21** and **71:23** the total **Aleefs of Absoluteness** are  $(8+11) = 19$ .

**Revealed:** In verse **71:22** **Allah letters** are **4** (all Aleefs) and **messenger's letters** are **5**, revealing the diff. of 1.

**71:23 Part 1:** They said, 'Do not abandon your gods'.

**71:23 Part 2:** "Do not abandon Wadd, Suwaa`, Yaghouth, Ya`ooq, and Nasr."

**Revealed:** The GV of **Allah letters** in each part is **99** and **97**, revealing the diff. of **2 gods** to confirm the idolatry committed by the people. They worshiped their human leaders whose names are mentioned in the verse.

**Revealed: Part 2:** The **messenger's letters** are **19**, confirming that the names mentioned in the verse were humans who were worshiped by the people of Noah.

**72:23** "I deliver **ALLAH's** proclamations and messages." Those who disobey **ALLAH** and His messenger incur the fire of Hell, wherein they abide forever.

**Revealed:** In the entire verse, the **Allah letters** are **27** and **messenger's letters** are **30**, the sum of these numbers  $(27+28+29+30)$  is **114**, revealing the number of chapters in the Quran.

**73:16** Pharaoh disobeyed the messenger and, consequently, we punished him severely.

**Revealed:** The **Allah letters** are **9** and **Aleefs of Absoluteness** are **5**, revealing the sum of 14, Subhan Allah.

## Ongoing submission

Ongoing submission is mandatory and goes along with the rest of the Quranic verses.

**2:87 Part 1:** We gave Moses the scripture, and subsequent to him we sent other messengers, and we gave Jesus, son of Mary, profound miracles and **supported him** with the **Holy Spirit**.

**2:87 Part 2:** Is it not a fact that every time a messenger went to you with anything you disliked, your ego caused you to be arrogant? Some of them you rejected, and some of them you killed.

**Revealed: Part 1:** The **Allah letters** up to "**Holy Spirit**" are **19**, and for the remaining verse of **Part 2**, the **Allah letters** are **14**, thus revealing the Sacred Codes of 19-14 and proving the support for Jesus with the **Holy Spirit**.

**Revealed:** The word "**Supported him**," is also coded through the letters of the messenger.

The word "**wa ayyadnaho**" bears the GV of **messenger's letters** perfectly **66**, revealing the glorified name of Allah - the One who supported Jesus.

**Revealed: 2:87 Part 2:** The **Allah letters** are **14** and **messenger's letters** are **28**, revealing the diff. of 14 - the Seven Pairs Miracle.

**2:91 Part 1:** When they are told, "You shall believe in these revelations of **ALLAH**,"

**2:91 Part 2:** They say, "We believe only in what was sent down to us."

**Revealed:** The **messenger's letters** are **15** and **14** in each part, revealing the diff. of 1. The hypocrites refuse to believe in subsequent revelations, even though they are the truth.

**2:91 Part 3:** Thus, they disbelieve in subsequent revelations, even if it is the truth (from their Lord), and even though it confirms what they have!

**2:91 Part 4:** Say, "Why then did you kill **ALLAH's** prophets, if you were believers?"

**Revealed:** The **Allah letters** are **10** and **11** in each part, revealing the diff. of 1. The Revelation of 1 proves that the hypocrites do not believe in the truthful subsequent revelations and even committed the gross sin of killing the prophets of **ALLAH's**, thus nullifying their submission to Allah.

**2:99** We have sent down to you such clear revelations, and only the wicked will reject them.

**2:100** Is it not a fact that when they make a covenant and pledge to keep it, some of them always disregard it? In fact, most of them do not believe.

**Revealed:** The **Allah letters** are **15** and **14**, revealing the diff. of -----1 – ALLAH.

The **messenger's letters** are **22** and **21**, revealing the diff. of -----1 – ALLAH.

**FOLLOW UP VERSE: (Part of the Covenant):**

**2:101** Now that a messenger from **ALLAH** has come to them, and even though he proves and confirms their own scripture, some followers of the scripture (Jews, Christians, and Muslims) disregard **ALLAH's** scripture behind their backs, as if they never had any scripture.

**Question:** Who is the messenger mentioned here?

**Answer:** The **19th Arabic letter** occurs on the Aleef of **Allah**, having precisely **14 Quranic Initials**, thereby revealing the Sign of 19-14, given to the **messenger**, and the **revelation of Aleef**. Moreover, the **verse number** is **101**, and the total **Arabic letters** in the verse are **87**, revealing the diff. of 14, being the Seven Pairs Sign that Allah has blessed the messenger with.

- The **1st most important** covenant that we bore witness to was : “**Allah is our only Lord.**(7:172)”
- The **2nd most important** pledge was that, we will “**hear and obey**” everything that comes from Allah.
- The **3rd important** covenant was to **uphold the scripture, and not to conceal or distort it.**

The rites of the religion are inspired to the messengers, who in turn teach their followers to do the same way. Muhammad was inspired to follow Abraham, as narrated in verse **16:123**. Abraham was inspired to learn the worship practices, after he implored **Allah**, as given below:

**2:128 Part 1:** "Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You.

**2:128 Part 2:** Teach us the rites of our religion, and redeem us. You are the Redeemer, the Most Merciful.

This was a very important request made by Abraham to Allah. The proofs inscribed by Allah highlight the importance of this imploring, as well as the essence of the verse.

**Revealed:** The Allah letters for each part are: 12 & 13, revealing the diff. is 1 – Praise be to Allah.

\*\*\*\* This verse defines the meaning of Islam. The Lord has the power to make us Muslims to Him, and our descendants. It will be in accordance with His sole will.

\*\*\*\* GOD alone can give and teach us the rites of His religion of Islam – “the worship practices and how to carry them out.”

\*\*\*\* By doing what God commands us to do, we are being Submitters to Him, and then He redeems us.

\*\*\*\* No one else can redeem us, except ALLAH, the Redeemer, the Most Merciful.

Let me give you some more enlightenment by narrating the verse through parts of it:

**2:128 Part:** “Our Lord, make us submitters to You”

**2:128 Part:** “And from our descendants let there be a community of submitters to You.”

**Revealed: The Aleefs**, denoting the **Absolute Authority of Allah**, are 3 & 2, **revealing the diff. is 1** – this proves the fact that no one can submit to Allah without His guidance and mercy. Similarly, the future generations or descendants of ADAM will only be guided if they also uphold Allah’s Absolute Authority. This is done by appointing messengers whom Allah chooses and then commanding the people and putting them to the test, as He wishes. This reveals the “**enlightenment**” by offering precise proofs:

**Revealed: messenger’s letters** are 12 & 11, **revealing the diff. is 1** – Glory be to Allah for guiding me, appointing me His messenger, and for following the path of messenger Abraham – the Monotheistic path.

**Revealed:** The 2 Parts mentioned above of Abraham’s imploring have **12 Allah letters** in them, and the G.V. of the **Allah letters** is precisely **165**, as does the truthful Shahadah, “**La Elaha Ellah Allah**,” whose GV is also **165** and is composed of 12 **Allah letters**. The number **165**, represents Allah’s Absolute Authority through His Shahadah. What the Shahadah essentially means is that: “Since there is no other god in the Universe, **ALLAH ALONE** possesses all the Power and the Authority to do as He wishes, chooses, and commands.” Those who believe in His Sole Authority will be guided, and will carry out His commands willingly, without raising questions or objections. This will constitute “Submission to Allah, or Islam in Arabic.”

**2:128 Part:** Teach us the rites of our religion and redeem us.

**2:128 Part:** You are the Redeemer, the Most Merciful.

**Revealed: The Aleefs** for these parts are **5 & 5 – Matching** – meaning “if a person/s carry out the guidance advocated by Allah, and match it by upholding it, then they will be redeemed. The parts of the verse are “**SEALED**” to any outside sources or intervention by false human gods. If you bring in other guidance, to lump with or rival **Allah’s** guidance, then it will not be matching guidance, as given by Him. It will conflict with **Allah’s** guidance, thereby constituting “setting up of other gods beside ALLAH.” This is further substantiated with the following Proof:

**Revealed:** The **ALLAH letters** for each part are: **6 & 7, revealing the diff. is 1** – ALLAH the Absolute.

**Revealed:** The G.V. of **Allah letters** for both parts is perfectly calculated to be **100**.

These three solid proofs of “**Matching Guidance**,” and the “**Revelation of 1**” along with the GV of Allah letters being the number 100, should clear up the minds of all those who still do not understand the importance of Quran, and the messengers sent to preach and teach it. The **number 100**, after clarifying that He is only ONE and Absolute, through the revelation above, represents His 100 percent Authority over all creations and commands (see verse 7:54), The justice meted out to the people on the Day of Resurrection will be 100 percent fair, taking into consideration the willing Submitters who submitted 100 percent of their lives and time while on earth, as compared to those who compromised the religion, and were hypocrites. The sincere submitters will be the winners, as Allah tells us. The number 100 is highly important from Allah’s point of view in the Quran, and an important reminder for the Submitters. There is no such thing as “partial submission”(15:90-91) It is either submission or disbelief. It is either a believer or a disbeliever (64:2). It is either a submitter or a compromiser (72:14). It is either the believers or the hypocrites (3:166-167), (4:60-61), (9:63-64)

Abraham also implored GOD to send a messenger to guide the people. Verse 2:129 is very important in this context, as a follow up verse to 2:128, and the 1st part of the verse will shed light on GOD’S perfect system of guidance through His messengers.

**2:129 Part**: “Our Lord, and raise among them a messenger to recite to them Your revelations.”

**Revealed: messenger’s initials** are 14, and **messenger’s letters** are 19, **revealing the Sacred Codes of 14 and 19**. This confirms the fact that all the messengers of Allah have been pre-selected by Him, and are sent with various proofs and miracles to different communities and different times. They recite Allah’s revelations covering the message, in accordance with His will and Absolute Authority. This is also confirmed with a precise number and proof, just like Allah showed us for the first part of 2:128.

**Revealed: The G.V. of Allah letters** is precisely 110 – the number for the 2nd form of Shahadah, representing Allah’s Absolute Authority in choosing and appointing messengers.

**Question:** Whose Scripture is taught and who recites the revelations from it? This is also clarified:

**2:129 Part**: “teach them the scripture”

**Revealed: The G.V. of Allah letters** is perfectly calculated to be 66 – **the scripture of ALLAH**.

This proves that the messengers are appointed by ALLAH, to teach His scripture – the knowledge is inspired by Allah – and therefore, the command to “obey Allah and His messenger” is all the more relevant and can be understood better by the believers. Rejecting a messenger who brings

clear signs and proofs from Allah constitutes “idolatry,” as it constitutes rejection of Allah, His revelations, and of His Absolute Authority. The teaching of the Scripture and wisdom in order to purify the people is also under strict inspiration and control of Allah, as the proof will reveal.

**2:129 Part 2:** “Teach them the Scripture and wisdom, and purify them. You are the Almighty, Most Wise.”

**Revealed:** The **Allah letters** are **14**, and messenger’s initials are **19** – Allah’s guidance through the messengers is also covered and marked under the Sacred Codes.

**Revealed:** In **Part 1** of 2:129, messenger’s initials were **14**; in **Part 2**, they are **19**, thus double proofing the verse with the Sacred Codes. Go back and read them again carefully, to follow and appreciate the immense mercy of Allah and His beacon revealed herein.

Let me take the first parts of the two verses, which reveal submission through Allah’s messengers, so that you get some clear idea of His Absolute Authority through the numbers of the (2) Shahadah’s originating from these verses.

**2:128** “Our Lord, make us submitters to You, and from our descendants let there be a community of submitters to You.

**Revealed:** The G.V. of **Allah letters** is ----- **165**

**2:129** “Our Lord, and raise among them a messenger to recite to them Your revelations.”

**Revealed:** The G.V. of **Allah letters** is ----- **110**

The **numbers – 165 and 110** – are not ordinary numbers. They represent the profound Authority of Allah through the 2 different forms of Shahadah’s given in the Quran. Many other phenomenal and incontrovertible proofs have been presented on them in other Sermons and on the website. It shows and proves that the whole basis of “Submission” is focused and dependent on messengers who will recite Allah’s revelations in order to guide the people, and to teach them the religion in order to purify them. All of this happens with Allah’s will, as the proofs reveal, and confirms Allah’s teachings through the Scripture. No one can explain and offer a better understanding of these verses, except ALLAH, who has pre-marked them in order to offer the best teachings to the sincere believers through His messengers.

**2:150 Part:** Thus, the people will have no argument against you, except the transgressors among them. Do not fear them, and fear Me instead. I will then perfect My blessings upon you, that you may be guided.

**Revealed:** The **Allah letters** are **26** and **messenger's letters** are **45**, revealing the diff. of 19.

**2:150 Part:** Do not fear them, and fear Me instead. I will then perfect My blessings upon you, that you may be guided.

**2:151 Part:** (Blessings) such as the sending of a messenger from among you

**Revealed:** The GV of **messenger's letters** are **566** and **456**, revealing the diff. of 110.

**2:150 Part:** Do not fear them, and fear Me instead.

**Revealed:** The **messenger's letters** are **7** and the GV is **148** for "Alhumdo Lillah."

**2:151 Part:** (Blessings) such as the sending of a messenger from among you.

**2:151 Part:** To recite our revelations to you.

**Revealed:** The **Messenger's letters** are **12** and **8**, revealing the name of the messenger 128 – Husain.

**2:151 Part:** purify you, teach you the scripture and wisdom, and to teach you what you never knew.

**Revealed:** The **Allah letters** are **11** and **messenger's letters** are **30**, revealing the diff. of 19.

**2:151 Part:** purify you,

**Revealed:** The GV of messenger's letters is 66 – purifying our souls through the messenger to believe in and to worship ALLAH.

**2:152 Part:** You shall remember Me.

**Revealed:** The **Allah letter** is only **1** as an **Aleef** – proving that Allah is One and Absolute.

**Revealed:** The GV of **messenger's letters** is **66**, proving the Eternal Existence of Allah.

\*\*\* This Proof of **1** and **66** through **Allah** and the **Messenger's letters** provides the "Revelation of 166."

**3:81 ALLAH** took a covenant from the prophets, saying, "I will give you the scripture and wisdom. Afterwards, a messenger will come to confirm all existing scriptures. You shall believe in him

and support him." He said, "Do you agree with this, and pledge to fulfil this covenant?" They said, "We agree." He said, "You have thus borne witness, and I bear witness along with you."

**3:82** Those who reject this (Quranic revelations) are the evil ones.

**3:164** **ALLAH** has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations, and to purify them, and to teach them the scripture and wisdom. Before this, they had gone totally astray.

**Revealed:** The digits of the **verse number**, 3+1+6+4 add to **14**, to reveal and confirm the **Miracle of Seven Pairs** that has been granted to the messenger as a Profound Sign.

**Revealed:** The **messenger's letters** are **65** in the verse representing the Sacred Word "**Lillah**." The GV of **messenger's letters** is Perfectly **1914** to reveal and confirm the Sign, the Miracle, and the Proof granted to the messenger of the Sacred Codes of **19** and **14**. The inscription of messenger's letters, are woven in this important verse to provide identification of the messenger for the followers of the Quran.

**\*\*** Miracle through the letters of Allah, Most Praiseworthy.

**3:164 Part 1:** **ALLAH** has blessed the believers by raising in their midst a messenger from among them.

**3:164 Part 2:** To recite for them His revelations, and to purify them, and to teach them the scripture and wisdom.

**3:164 Part 3:** Before this, they had gone totally astray.

**Revealed:** The **Allah letters** are **14 – 14 – 7** in each part, **thus revealing the great miracle of Seven Pairs** through the sacred letters of Allah, in support of the messenger.

**\*\*** Miracle through the letters of the messenger.

**3:164 Part 1:** **ALLAH** has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations,

**3:164 Part 2:** And to purify them, and to teach them the scripture and wisdom. Before this, they had gone totally astray.

**Revealed:** The **messenger's letters** are **33** and **32** in each part, **revealing the diff. of 1**. The **Supreme Revelation of 1** is Allah's Stamp on the Verse that has 65 letters of the messenger woven and inscribed in the verse.

**3:164 Part 1:** **ALLAH** has blessed the believers by raising in their midst a messenger from among them, to recite for them His revelations, and to purify them, and to teach them the scripture and wisdom.

**3:164 Part 2:** Before this, they had gone totally astray.

**Revealed:** The **Allah letters** are **28** and **7**, revealing Even and the Odd and multiples of 14 and 7 (refer to verses 89:3).

**Revealed:** the precise G.V. created by Allah through **messenger's letters** is **1914**, proving His Absoluteness through such an important verse, by sending a messenger with the most important combination of the Sacred Codes, that guard and preserve His Quran. Subhan Allah. The G.V. of messenger's letters for the important part of being purified through a messenger, **which is: "and to purify you" is precisely 66**. This shows that human beings can only be purified, through God's messengers who are revealed the guidance and the teachings. This takes me to another verse.

**3:193** "Our Lord, we have heard a caller calling to faith and proclaiming: 'You shall believe in your Lord,' and we have believed. Our Lord, forgive us our transgressions, remit our sins, and let us die as righteous believers.

**3:194** "Our Lord, shower us with the blessings You promised us through Your messengers, and do not forsake us on the Day of Resurrection. You never break a promise."

**Revealed:** The **messenger's letters** are **46** and **27**, revealing the diff. of 19.

**5:19** O people of the scripture, our messenger has come to you, to explain things to you, after a period of time without messengers, lest you say, "We did not receive any preacher or warner." A preacher and warner has now come to you. ALLAH is Omnipotent over all things and matters.

**5:19 Part 1:** O people of the scripture, our messenger has come to you, to explain things to you, after a period of time without messengers.

**5:19 Part 2:** Lest you say, "We did not receive any preacher or warner." A preacher and warner has now come to you.

**Revealed:** The **messenger's letters** are **23** and **22**, revealing the diff. of 1 – Praise be to ALLAH.

An Important Note: With the revelation of **1 (One God)**, as well as the revelation of **66 (ALLAH)**, in previous pages and sermons, it shows and proves how profoundly the names of messengers are encoded and encrypted in the Sacred Scripture. These Proofs speak for themselves and answer the questions of those who have asked the messenger about the number of messengers since the revelation of the Quran. They have also asked the messenger to comment about others who have claimed to be messengers after the death of Rashad. Allah's revelations clarify and confirm the **3 truthful messengers of Quran** – whose names are encoded within the Arabic script and verses. The names of truthful messengers are coded, hidden (till revealed), and preserved in the Sacred Text, as you have witnessed today. Let us make verses out of the Sacred Codes of **14** and **19** - the two Codes that guard and preserve Quran.

If we make a verse out of numbers **14** and **19**, with the will of **Allah**, then we have verse **14:19**.

**14:19** Do you not realize that ALLAH has created the Heavens and the Earth for a specific purpose? If He wills, He can remove you, and substitute a new creation in your place.

**ALLAH is Omnipotent:** In this verse, ALLAH has inscribed messenger's letters as **28**, being messenger's day of birth, and verse number **19** signifies Rashad's day of birth, while the chapter number **14** signifies the number of years both messengers were born apart. At the same time, He has also revealed the "Revelation of 1" blessed upon me.

**Revealed:** The Verse No. is **19**, and **Allah letters** are **20**, revealing the diff. of 1 – Glory be to ALLAH.

If we make a verse out of numbers 19 and 14, with the will of GOD, then we have verse 19:14.

**19:14** He honored his parents, and was never a disobedient tyrant.

**Revealed:** The **Allah letters** are **7**, while the **verse number** is **14**, revealing the Seven Pairs.

**Revealed:** The **verse number** is **14**, and **messenger's letters** are **13**, revealing the diff. of 1 – Glory be to ALLAH.

**7:35** O children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed and lead a righteous life, will have nothing to fear, nor will they grieve.

**7:36** As for those who reject our revelations, and are too arrogant to uphold them, they have incurred Hell, wherein they abide forever.

**Revealed:** Both verses The **Allah letters** are **17** and **19** in each verse, revealing the diff. of 2. Those who reject Allah's revelations and are too arrogant to uphold them are the idol worshipers who will be condemned to Hell to abide therein forever.

**Revealed:** The **messenger's letters** are **44** and **25** in each verse, revealing the diff. of 19. This proves that the messenger has been sent by Allah with the truth, and the system of sending messenger/s is an integral part of Quran and the belief.

**22:75 ALLAH** chooses from among the angels messengers, as well as from among the people. **ALLAH** is Hearer, Seer.

**22:75 Part 1: ALLAH** chooses from among the angels messengers, as well as from among the people.

**22:75 Part 2:** ALLAH is Hearer, Seer.

**Revealed:** The **messenger's letters** are precisely **17** and **8**, revealing the name of the messenger, 178, whose name is included within the system of Allah, and the bearer of ultimate revelations.

**22:75 ALLAH** chooses from among the angels messengers, as well as from among the people. **ALLAH** is Hearer, Seer.

**7:35** O Children of Adam, when messengers come to you from among you, and recite My revelations to you, those who take heed and lead a righteous life, will have nothing to fear, nor will they grieve.

**Revealed:** The **Allah letters** are 18 and 17, revealing the diff. of 1. Praise be to Allah, this is the System. It is God's Absolute choice to pick from among the angels and humans to be messengers. Anyone who disagrees and disbelieves in His system, is a confirmed disbeliever in God and His Absolute Authority.

**Revealed:** The **messenger's letters** are 25 and 44, revealing the diff. of 19. The proof through the messenger's letters confirms the message, which is that "ALLAH is ONE" in all respects, and that the name of the messenger is all-inclusive in the language of the Quran.

**4:164** Messengers we have told you about who came in the past, and messengers we never told you about. And **ALLAH** spoke to Moses directly.

**Revealed:** The **Allah letters** are 10 and **messenger's letters** are 24, revealing the diff. of 14.

**Comment:** The Sacred Codes of 19 and 14 revealed through Allah and His messenger's letters is clear proof that the current messenger's name is not mentioned in the Quran, but the Signs revealed to him confirm that he is the one of those about whom Allah never told the people about his name.

**4:165** Messengers to deliver good news, as well as warnings. Thus, the people will have no excuse when they face **ALLAH**, after all these messengers have come to them. **ALLAH** is Almighty, Most Wise.

**4:166** But **ALLAH** bears witness concerning what He has revealed to you; He has revealed it with His knowledge. And the angels bear witness as well, but **ALLAH** suffices as witness.

**Revealed:** Both Verses: The **messenger's letters** are 37 and 29, revealing the sum of 66. The Most Praiseworthy has stamped this couple of verses with His glorified name of Allah through the letters of the messenger.

**4:165 Part 1:** Messengers to deliver good news, as well as warnings.

**4:165 Part 2:** Thus, the people will have no excuse when they face **ALLAH**, after all these messengers have come to them.

**Revealed:** The GV of **messenger's letters** is **348** and **526** in each part, revealing the diff. of 178. The messenger Makbool is one of the messengers whose name is coded mathematically in the Quran.

**4:165 Part 3:** **ALLAH** is Almighty, Most Wise.

**Revealed:** The **Allah letters** are 7 and **messenger's letters** are 8, revealing the diff. of 1.

**4:166 Part:** But **ALLAH** bears witness concerning what He has revealed to you; He has revealed it with His knowledge. And the angels bear witness as well,

**Revealed:** The GV of **Allah letters** is perfectly **306**, revealing the full name of the messenger Makbool Husain. Allah has borne witness as well as the angels regarding what He has revealed to the messenger; He has revealed it with His own knowledge.

**4:166 Part:** but **ALLAH** suffices as witness.

**Revealed:** The **Allah letters** are **6** and **messenger's letters** are also **5**, revealing the diff. of 1.

**4:166 Part:** He has revealed it with His knowledge.

**Revealed:** The GV of **Allah letters** is 71 and GV of **messenger's letters** is 152, revealing the sum of 223 spelling out the word "The Believers – Al Muhminoon." The messenger is the first believer in the new revelations, and Allah has confirmed that He has revealed the Quran to him with His own knowledge.

**4:166 Part:** He has revealed it with His knowledge. And the angels bear witness as well, but **ALLAH** suffices as witness.

**Revealed:** The GV of **messenger's letters** is **412**, to proclaim the words - revelations, verses, miracles, and signs that have been revealed with Allah's knowledge.

**40:15** Possessor of the highest ranks, and Ruler of the whole dominion. He sends inspiration, bearing His commands, to whomever He chooses from among His servants, to warn about the Day of Summoning.

**16:2** He sends down the angels with the revelations, carrying His commands, to whomever He chooses from among His servants: "You shall preach that there is no other god beside Me; You shall reverence Me."

**A Blessed Confirmation:** up to: "to whomever He chooses from among His servants," messenger's letters are 22 and 21, revealing the difference of 1 – a blessed revelation, praise be to Allah.
