The devil is your most ardent enemy, so treat him as an enemy

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

35:5 O people, **ALLAH's** promise is the truth; therefore, do not be distracted by this lowly life. Do not be diverted from **ALLAH** by mere illusions.

35:6 The devil is your enemy, so treat him as an enemy. He only invites his party to be the dwellers of the blazing Hell.

Revealed: In verse **35:5** the **Allah letters** are **27** and in verse **35:6** the **messenger's letters** are **27**, **perfectly matched**.

35:6 Part 1: The devil is your enemy, so treat him as an enemy.

35:6 Part 2: He only invites his party to be the dwellers of blazing Hell.

Revealed: In **Part 1** and **Part 2**, the GV of **messenger's letters** is **228** and **418**, both being **multiples of 19, revealing the master code of 19**.

Revealed: The digits of **chapter number** and **verse number** add to **14** (3+5+6), **revealing the Seven Pairs code of 14**.

Allah is the One who appointed satan as a “khalifa” or a “leader” or as a false imam to carry out his challenge of misleading the humans in order to send them astray. Moreover, the whole plan of subjecting humans to the Test through Allah's guidance was devised under the two Sacred Codes of 19 and 14. Glory be to Allah. The interference of satan in Allah's guidance had to be balanced through other humans who will act as “guiding teachers, imams, warners or messengers”, to deliver the truth.

Every human being goes through a series of tests in accordance with Allah's knowledge. To promote the truth, Allah sends His imams and guiding teachers, also known as messengers. Likewise, satan recruits his followers through his leaders and imams. The falsehood is spread without any fact or proof. The truthful imams/messengers sent by Allah, are backed by proofs and miracles. As for the false imams, they are not given any miracle or proof.

32:24 We appointed from among them imams who guided in accordance with our commandments, because they steadfastly persevered and attained certainty about our revelations.

Revealed: The Allah letters are 15, and the messenger's letters are 29, revealing the diff. of 14 – the Seven Pairs.

Revealed: The entire verse has 19 messenger's initials - revealing the confirmation from Allah.

21:73 We made them imams who guided in accordance with our commandments, and we inspired (taught) them how to work righteousness, and how to observe the Salat (Contact Prayers) and the Zakat (Obligatory Charity). To us, they were devoted worshipers.

*** The verse teaches the believers that Allah is the One who guides His appointed "imams" – "messengers" to the truth and inspires them on how to work righteousness and how to observe the Salat and Zakat. The believers are commanded to follow the messenger in order to learn the true worship practices.

28:41 Part 1: We made them imams who led their people to Hell.

Revealed: The GV of messenger's letters is 352, revealing and proclaiming the sacred scripture Quran.

28:41 Part 2: Furthermore, on the Day of Resurrection, they will have no help.

Revealed: The GV of messenger's letters is 388, revealing the word "Al-Kaferoon" (the disbelievers), Subhan Allah.

Revealed: The Allah letters are 14 in the entire verse and the GV is 171 a multiple of 19, revealing the codes 19-14, Subhan Allah.

28:42 They incurred in this life condemnation, and on the Day of Resurrection they will be despised.

One way of treating satan and devils as an enemy is, when you recognize that a certain idea or a person is from the devil, you should not get close to it and the evil ideas, and seek refuge in Allah from satan the rejected.

17:36 Part 1: You shall not accept any information.

17:36 Part 2: Unless you verify it for yourself. I have given you the hearing, the eyesight, and the brain.

17:36 Part 3: And you are responsible for using all of them.

Revealed: In Part 1, the Allah letters are 7, revealing the Seven Pairs.

Revealed: In **Part 2**, the GV of **Allah letters** is **95** and the GV of **messenger's letters** is **260**, revealing the diff. of 165.

Revealed: In **Part 3**, the **Allah letters** are **7**, revealing the Miracle of Seven.

Revealed: In **Part 3**, the **Arabic letters** are **19**, revealing the Code of 19.

17:36 Part: You shall not accept any information.

17:36 Part: Unless you verify it for yourself. I have given you the hearing, the eyesight, and the brain, and you are responsible for using all of them.

Revealed: The GV of **Allah letters** is **127** in first part, and the GV of **Allah's letters** in the second part is **193**, revealing the diff. of 66 for the Glorified name of Allah, Praise be to Allah.

49:6 O you who believe, if a wicked person brings any news to you, you shall first investigate, lest you commit injustice towards some people, out of ignorance, then become sorry and remorseful for what you have done.

2:168 Part: And do not follow the steps of satan; he is your most ardent enemy.

2:169 Part: He only commands you to commit evil and vice.

Revealed: The GV of **Allah letters** for both parts is precisely **165**, which is the GV of the **Shahadah** and of Allah's attribute of "**Al-Samad**", (**The Absoluteness**). This proves that, since satan has rejected the Absolute Authority of Allah, he plays his evil role in corrupting humans to commit gross sins, which will prevent them from accepting Allah's guidance in order to be redeemed.

2:169 Part: "He only commands you to commit evil and vice"

Revealed: The GV of **Allah letters** is exactly **66**, which represents **Allah**. This proves that satan will do everything possible to turn you against Allah, by making you do everything that is unrighteous. He also puts doubts in the people's minds so that they do not accept Allah's messengers – a proven fact.

2:169 Part: "And to say about **ALLAH** what you do not know."

Revealed: The GV of **Allah letters** is **190**, a multiple of 19.

Revealed: The **messenger's letters** have a GV of **494**, a multiple of 19 also, and Perfectly Matching the Code of Allah, Subhan Allah.

2:208 Part 1: O you who believe, you shall embrace total submission.

2:208 Part 2: Do not follow the steps of satan, for he is your most ardent enemy.

Revealed: The **messenger's letters** in each part are **15** and **16**, **revealing the diff. of 1**. The path of **total submission** can only be achieved by embracing and accepting everything that comes from Allah, while denouncing satan and refusing to follow his steps as he is the most ardent enemy of Allah, the messengers, and the believers.

2:209 Part 1: If you backslide, after the clear proofs have come to you.

2:209 Part 2: Then know that **ALLAH** is Almighty, Most Wise.

Revealed: The **Allah letters** are **7** and **8** in each part, **revealing the diff. of 1**. Verses 208 and 209 inform the followers of the Quran that whoever backslides after witnessing the clear proofs of the messenger has indeed rejected **Allah** and has followed the path of the devil, thus nullifying their submission.

4:104 Do not waver in pursuing the enemy. If you suffer, they also suffer. However, you expect from **ALLAH** what they never expect. **ALLAH** is Omniscient, Most Wise.

6:142 Some livestock supply you with transportation, as well as bedding materials. Eat from **ALLAH's** provisions to you, and do not follow the steps of satan; he is your most ardent enemy.

7:20 The devil whispered to them, in order to reveal their bodies, which were invisible to them. He said, "Your Lord did not forbid you from this tree, except to prevent you from becoming angels, and from attaining eternal existence."

7:21 He swore to them, "I am giving you good advice."

7:22 Part 1: He thus duped them with lies. As soon as they tasted the tree, their bodies became visible to them, and they tried to cover themselves with the leaves of Paradise.

7:22 Part 2: Their Lord called upon them: "Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?"

Revealed: The **Allah letters** are **23** and **24** in each part, **revealing the diff. of 1**. The command was issued by Allah to Adam and his wife, but the devil duped them with lies, and hence they forgot the command of Allah, thus making them guilty of worshipping the devil.

Revealed: The **messenger's letters** are **27** and **29** in each part, **revealing the diff. of 2 gods**, for the idolatry committed by Adam and his wife by following the devil as the 2nd god, instead of obeying and following their Lord who created them.

Revealed: The **Aleefs** denoting Absoluteness are **11** and **13**, revealing the diff. of 2 gods. The Proof explains that Adam and his wife were guilty of worshipping 2 gods by following the devil while believing in **Allah and His Absolute Authority as One**.

7:22 Part: Their Lord called upon them: "Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?"

7:23 They said, "Our Lord, we have wronged our souls, and unless You forgive us and have mercy on us, we will be losers."

Revealed: The **messenger's letters** are **29** and **31**, revealing the diff. of 2 gods. The Revelation of 2 gods confirms the sin of disobedience and idolatry committed by Adam and his wife by disobeying **Allah's command** and by following the devil.

Revealed: The GV of **Allah's letters** are **243** and **190** in each verse, revealing the sum of 433 to proclaim the glorified name of "Lord of the Universe". As Adam and his wife admitted wronging their souls and asked for forgiveness and mercy from the Lord of the Universe, they were forgiven but sent down to Earth instead of continuing to live in Paradise. When they proved themselves to follow the words of **Allah**, they were redeemed by Him back into Paradise.

7:172 Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: "Am I not your Lord?" They all said, "Yes. We bear witness." Thus, you cannot say on the Day of Resurrection, "We were not aware of this."

7:173 Nor can you say, "It was our parents who practiced idolatry, and we simply followed in their footsteps. Will You punish us because of what others have innovated?"

7:174 We thus explain the revelations, to enable the people to redeem themselves.

7:175 Recite for them the news of one who was given our proofs, but chose to disregard them. Consequently, the devil pursued him, until he became a strayer.

7:176 Had we willed, we could have elevated him therewith, but he insisted on sticking to the ground, and pursued his own opinions. Thus, he is like the dog; whether you pet him or scold him, he pants. Such is the example of people who reject our proofs. Narrate these narrations, that they may reflect.

7:177 Bad indeed is the example of people who reject our proofs; it is only their own souls that they wrong.

7:178 Whomever **ALLAH** guides is the truly guided one, and whomever He commits to straying, these are the losers.

17:53 Tell My servants to treat each other in the best possible manner, for the devil will always try to drive a wedge among them. Surely, the devil is man's most ardent enemy.

16:51 ALLAH has proclaimed: "Do not worship two gods; there is only one god. You shall reverence Me only."

36:60-61 Did I not covenant with you, O Children of Adam, that you shall not worship the devil? That he is your most ardent enemy? And that you shall worship Me only? This is the right path.

Revealed: The Aleefs are **11** and **12**, **revealing the diff. of 1 – Absoluteness of Allah.**

Revealed: 2 gods – idolatry: The Allah letters are **22** and **20**, **revealing the diff. of 2** – idolatry proven, by going against Allah's commands just like the devil did.

7:172 Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: "Am I not your Lord?" They all said, "Yes. We bear witness." Thus, you cannot say on the Day of Resurrection, "We were not aware of this."

36:60-62 Did I not covenant with you, O Children of Adam, that you shall not worship the devil? That he is your most ardent enemy? And that you shall worship Me only? This is the right path. He has misled multitudes of you. Did you not possess any understanding?

Revealed: The Aleefs are **16** and **17**, **revealing the diff. of 1 – Absoluteness of Allah.**

Revealed: 2 gods – idolatry: The Allah letters are **32** and **30**, **revealing the diff. of 2** – idolatry proven by breaking the Covenant with Allah and following the devil.

Comment: Based on the precedent set before, the humans and the jinns who refuse or reject Allah's commands and laws, or corrupt and distort them, or fabricate lies, or follow hearsay, or any other authority without due Signs and Authorization from Allah, fall in to the category of worshipping 2 gods or idolatry.

Though some creatures disobey His laws and Authority or challenge it; His Absoluteness as 1 is not affected, as He is the only LORD of the universe – there is no other god except He.

Some ways devil can approach people, and what to do when he approaches.

7:16 He said, "Since You have willed that I go astray, I will skulk for them on Your straight path.

7:17 "I will come to them from before them, and from behind them, and from their right, and from their left, and You will find that most of them are unappreciative."

Revealed: The **Aleefs (Absolute Authority)** are **5** and **6**, **revealing the diff. of 1**. (The majority of humans are unappreciative of Allah, and His blessings, therefore prone to do "crimes"; thinking in their minds that they will not be held accountable by anyone.). If you read the verses of the Quran carefully, you will learn the devil's functions and how he distracts the humans with his lies.

3:175 It is the devil's system to instill fear into his subjects. Do not fear them and fear Me instead, if you are believers.

7:200 When the devil whispers to you any whisper, seek refuge in **ALLAH**; He is Hearer, Omniscient.

7:201 Those who are righteous, whenever the devil approaches them with an idea, they remember, whereupon they become **seers**.

7:202 Their brethren ceaselessly entice them to go astray.

Revealed: The **Aleefs of Absoluteness** are **6+10+3**, **revealing the sum of 19**.

Revealed: The **messenger's letters** are **22, 20** and **18**, **revealing the diff. of 2 gods**. Those who do not seek refuge in Allah when the devil whispers any unrighteous thoughts or ideas will be misled by him. But those who are righteous, they immediately remember their Lord, whereby they become seers by referring to the Quran.

Revealed: Verse **7:201** and **202** are marked with **Allah letters** as **14** and **7**, to remind the believers of the serious consequences for failing to refer to the Quran and for not seeking refuge in Allah.

7:204 Part 1: When the Quran is recited.

Revealed: The **Allah letters** are **5** and **messenger's letters** are **6**, **revealing the diff. of 1**.

Revealed: The GV of **messenger's letters** is **296**, proclaiming the "**messenger**" – "**rasool**" who recites and explains the Quran to the believers with the specific authorization of Allah Subhanahoo.

7:204 Part 2: You shall listen to it and take heed.

7:204 Part 3: That you may attain mercy.

Revealed: The **messenger's letters** are 7 and 7 proving that the Quran is coded with the Miracle of Seven Pairs through the letters of Allah and His messenger.

7:205 Part 1: You shall remember your Lord within yourself, publicly, privately, and quietly, day and night;

7:205 Part 2: Do not be unaware.

Revealed: The **Allah letters** are split up as **16** and **5** between the 2 parts of the verse, revealing the number **165**. The believers are commanded to remember their Lord within themselves, publicly, privately, quietly, day and night and never be unaware of *Allah's presence, Absoluteness, and Omnipotence*.

26:224 As for the poets, they are followed only by the strayers.

26:225 Do you not see that their loyalty shifts according to the situation?

26:226 And that they say what they do not do?

2:268 Part 1: The devil promises you poverty and commands you to commit evil, while **ALLAH** promises you forgiveness from Him and grace.

Revealed: The GV of **Allah letters** is **202**, proclaiming the name of Lord.

2:268 Part 2: **ALLAH** is Bounteous, Omniscient.

Revealed: The GV of **messenger's letters** is **212** proclaiming "**Rabbi**" – "**my Lord**".

4:119 Part 1: "I will mislead them, I will entice them, I will command them to (forbid the eating of certain meats by) marking the ears of livestock.

Revealed: The GV of **Allah letters** is **202**, revealing the glorified name of "**Rabb**" – "**Lord**". This proves satan's challenge to mislead and entice the human beings to disobey the laws of Allah.

4:119 Part 2: And I will command them to distort the creation of **ALLAH**.

Revealed: The GV of **Allah letters** is **162**. This revelation through the letters of Allah proves that satan will do anything and everything against the laws of Allah, and to distort them, so that the people do not submit to Him. For example, it is satan's control over the disbelieving governments and leaders to promote and legalize the condemned act of homosexuality, in order to change the balance of

Allah's predetermined creation of male and female genders of human beings. Satan has also made the disbelieving people deaf, dumb, and blind to the words of Allah and His messenger.

4:119 Part 3: Anyone who accepts the devil as a lord, instead of **ALLAH**.

Revealed: The GV of **Allah letters** is **128, revealing the name of the messenger** through whom He is warning the people not to accept the devil as their Lord, instead of Allah.

4:119 Part 4: Has incurred a profound loss.

Revealed: The **Arabic letters** are **17** and **messenger's letters** are **8, revealing the first name of the messenger 178** through the Pattern of letters. The people are being warned through the messenger, that those who accept the devil as their lord instead of Allah will incur a profound loss and will suffer in Hell forever.

4:120 He promises them and entices them; what the devil promises is no more than an illusion.

4:121 These have incurred Hell as their final abode, and can never evade it.

4:38 They give money to charity only to show off, while disbelieving in **ALLAH** and the Last Day. If one's companion is the devil, that is the worst companion.

5:90 O you who believe, intoxicants, and gambling, and the altars of idols, and the games of chance are abominations of the devil; you shall avoid them, that you may succeed.

5:91 The devil wants to provoke animosity and hatred among you through intoxicants and gambling, and to distract you from remembering **ALLAH**, and from observing the Salat (Contact Prayer). Will you then refrain?

6:43 If only they implored when our test afflicted them! Instead, their hearts were hardened, and the devil adorned their works in their eyes.

6:68 Part 1: If you see those who mock our revelations, you shall avoid them until they delve into another subject.

6:68 Part 2: If the devil causes you to forget, then, as soon as you remember, do not sit with such evil people.

Revealed: The Aleefs of Absoluteness are 8 and 7, revealing the diff. of 1. This is a serious command for the believers and is marked with the **Revelation of 1 through the Aleefs of Absoluteness**. Those who do not uphold or follow this command, the verse also reveals the **Revelation of 2 through Allah and His messenger's letters**.

Revealed: The Allah letters are 11 and 13 in each part, revealing the diff. of 2 gods.

Revealed: The messenger's letters are 23 and 25 in each part, revealing the diff. of 2 gods. The verse commands the believers to delve into another subject and avoid the disbelievers when they mock the revelations of Allah. But if for some reason the devil causes them to forget, then as soon as they remember, they should part company with such evil people, and implore Allah for forgiveness.

8:48 The devil had adorned their works in their eyes, and said, "You cannot be defeated by any people today," and "I will be fighting along with you." But as soon as the two armies faced each other, he turned back on his heels and fled, saying, "I disown you. I see what you do not see. I am afraid of ALLAH. ALLAH's retribution is awesome."

7:179 We have committed to Hell multitudes of jinns and humans. They have minds with which they do not understand, eyes with which they do not see, and ears with which they do not hear. They are like animals; no, they are far worse – they are totally unaware.

Revealed: The messenger's letters are perfectly inscribed in the verse as 66, **Praise be to Allah**.

Revealed: The Allah letters are 49 and messenger's initials are also 49, thus they are Perfectly Matched, both are multiples of 7, revealing 7 x 7 through each of them.

7:179 Part: We have committed to Hell multitudes of jinns and humans. They have minds with which they do not understand.

Revealed: The Allah letters are 19, revealing the code of 19.

7:179 Part: They have minds with which they do not understand.

7:179 Part: Eyes with which they do not see.

7:179 Part: And ears with which they do not hear.

Revealed: The **Allah letters** are **8-7-8** in each part, **revealing the diff. of 1**. These proofs confirm that the majority of jinns and humans have been predetermined to go to Hell, simply because they do not use their minds to understand, they do not use their eyes to see, and they do not use their ears to hear. Thus, their fate is sealed for the worst retribution in Hell.

Revealed: The **Aleefs of Absoluteness** are **2-3-4** in each part, **revealing the diff. of 1**, Glory be to Allah. The disbelievers who did not use their minds, eyes, and ears for the purpose they were created have blasphemed Allah and His Absoluteness for failing to use them.

7:179 Part: They are like animals; no, they are far worse.

7:179 Part: They are totally unaware.

Revealed: The GV of **messenger's letters** is **258** and **192** in each part, **revealing the diff. of 66**, Subhan Allah.

Revealed: The **Arabic letters** are **19** and **14** in each part, **revealing the Sacred Miracles of 19-14** to describe and compare the disbelievers to the animals for being heedless and remaining unaware of the revelations.

14:22 And the devil will say, after the judgment had been issued, "**ALLAH** has promised you the truthful promise, and I promised you, but I broke my promise. I had no power over you; I simply invited you, and you accepted my invitation. Therefore, do not blame me, and blame only yourselves. My complaining cannot help you, nor can your complaining help me. I have disbelieved in your idolizing me. The transgressors have incurred a painful retribution."

Revealed: The **Allah letters** are **14** and **Aleefs of Absoluteness** are **7** and **messenger's initials** are **14** up to the word "**Allah**", **revealing the Sacred Codes of 7-14**, Subhan Allah.

Revealed: The **Allah letters** are **14** and **messenger's letters** are **15** up to the word "**Allah**", **revealing the diff. of 1**, Praise be to Al-Rahman.

14:22 Part: And the devil will say, after the judgement had been issued.

Revealed: The **messenger's letters** are **12** and **Arabic letters** are **21**, **revealing the pattern 1221**, that represents the GV of **74:30** which states "**Over it is nineteen**".

17:26 You shall give the due alms to the relatives, the needy, the poor, and the traveling alien, but do not be excessive, extravagant.

17:27 The extravagant are brethren of the devils, and the devil is unappreciative of his Lord.

Revealed: Each of the above verses is stamped with the glorified proofs of **14 letters of Allah**.

Revealed: Both verses reveal the GV of **Allah letters** as **297**, proclaiming "**Rasoola**" – "**a messenger**". This proves that **Allah** has guided and enlightened the messenger regarding the importance of the commands through these verses in order to save the messenger and the believers from the tricks and traps of the devils who are unappreciative of **their Lord**. The **mercy of Allah** in order to guide the believers is therefore expressed through **verse 17:27** again with solid proofs.

17:27 Part 1: The extravagant are brethren of the devils.

Revealed: The GV of **Allah letters** is **Perfectly 66** – revealing the **mercy of Allah** in teaching that extravagance can lead us to be brethren of the devils. Submission teaches the believers "moderation" and not to indulge in "extravagance".

17:27 Part 2: And the devil is unappreciative of his Lord.

Revealed: The **Arabic letters** are **19** and **Quranic Initials** are **14**, **revealing the Sacred Codes of 19-14**, to confirm and teach the believers that extravagance is indeed from the devils who like to see the believers in poverty and suffer misery by encouraging them to part with everything they have, so that they complain and lament to Allah and thus become disbelievers or doubtful believers.

17:64 Part 1: "You may entice them with your voice, and mobilize all your forces and all your men against them, and share in their money and children, and promise them.

Revealed: The **Allah letters** are **20**, and **messenger's letters** are **34**, **revealing the diff. of 14** – Proof of the Seven Pairs.

17:64 Part 2: Anything the devil promises is no more than an illusion.

Revealed: The **Allah letters** are **8**, and **messenger's letters** are **9**, **revealing the diff. of 1**. This should enlighten you to avoid listening to all outside voices, as there are jinn and human devils bent on sending you astray. The only exception is Allah's messengers who are given the truth and the proofs so that

you may recognize them and are protected by the Omniscient. One of the clearest proofs is, as you observe on this website and through all the sermons, that nothing is written or presented, except the Quran. There are no quotations from other sources, books, or human teachings at all, except the Quran and whatever comes out of it, Alhumdo Lillah.

Consequences of following and obeying the devil

6:44 Part 1: When they thus disregard the message given to them, we open for them the gates of everything.

6:44 Part 2: Then, just as they rejoice in what was given to them, we punish them suddenly; they become utterly stunned.

Revealed: The **Allah letters** for both parts are: **11** and **13**, **revealing the diff. of 2**, thus warning the people that those who reject and disregard Allah's message have committed **IDOLATRY**, (worship of 2 gods) and can be punished suddenly without any advance warning.

FOLLOW UP VERSE:

6:45 Part 1: The wicked are thus annihilated.

6:45 Part 2: Praise be to **ALLAH**, Lord of the universe.

Revealed: The **Allah letters** are **7** and **8**, **revealing the diff. of 1**.

Revealed: The **messenger's initials** are **9** and **10**, **revealing the diff. of 1**.

Revealed: The **messenger's initials** are **14** up to **Allah**, and **19** in the **entire verse**, **revealing the Sacred Codes of 14-19**, as well as the "**Revelations of 1**".

2:23 If you have any doubt regarding what we revealed to our servant, then produce one Sura like these, and call upon your own witnesses against **ALLAH**, if you are truthful.

Revealed: The **Allah letters** up to "**Allah**" are **19** and **messenger's letters** are **33**, **revealing the diff. of 14**. The **Arabic letters** up to "**Allah**" are precisely **66**, revealing His glorified name, Alhumdo Lillah.

Revealed: The **Allah letters** in the entire verse are **20**, and **messenger's letters** are **39**, **revealing the diff. of 19**. The **Arabic letters** for the **entire verse** are **77**, **revealing the glorified proof of Seven Pairs**.

2:24 If you cannot do this – and you can never do this – then beware of the Hellfire, whose fuel is people and rocks; it awaits the disbelievers.

Allah's enemy is the believers' enemy, and Allah advises us to disown the devil.

9:114 The only reason Abraham asked forgiveness for his father was that he had promised him to do so. But as soon as he realized that he was an enemy of **ALLAH**, he disowned him. Abraham was extremely kind, clement.

Revealed: The **Aleefs** are **17** and **Allah letters** are **36**, **revealing the diff. of 19**, Subhan Allah.

20:39 "Saying: 'Throw him into the box, then throw him into the river. The river will throw him onto the shore, to be picked up by an enemy of Mine and an enemy of his.' I showered you with love from Me, and I had you made before My watchful eye.

20:39 Part: I showered you with love from Me,

Revealed: The GV of **Allah letters** is Perfectly **66**, **revealing that Allah showered Moses with His love.**

20:39 Part: And I had you made before My watchful eye.

Revealed: Both Parts: The **messenger's letters** are **12** and **8** in each part, **revealing the name of the messenger 128**, who has also been showered with Allah's love and created for the purpose of carrying out a specific plan.

20:39 Part: And I had you made before My watchful eye.

20:41 I have made you just for Me.

Revealed: The **messenger's letters** in both parts are **14**, **revealing the Miracle of Seven Pairs** and confirming that Moses was made by Allah before His watchful eye and made just for Him.

25:55 Yet, they still set up beside **ALLAH** idols that cannot benefit them, nor harm them. Indeed, the disbeliever is an enemy of his Lord.

36:74 They set up beside **ALLAH** other gods, perhaps they can be of help to them!

36:75 (On the contrary), they cannot help them; they end up serving them as devoted soldiers.

36:76 Therefore, do not be saddened by their utterances. We are fully aware of everything they conceal and everything they declare.

36:77 Does the human being not see that we created him from a tiny drop, then he turns into an ardent enemy?

43:62 Let not the devil repel you; he is your most ardent enemy.

2:256 There shall be no compulsion in religion: the right way is now distinct from the wrong way. Anyone who denounces the devil and believes in **ALLAH** has grasped the strongest bond; one that never breaks. **ALLAH** is Hearer, Omniscient.

Proof: The **14th Allah letter** occurs on the **Aleef of Allah** in the verse – proving the Seven Pairs.

Proof: The **19th Allah letter** occurs on the Aleef of Arabic word “**Bil-urwah-te**”. This **Aleef** is also the **66th Arabic letter** in the verse, precisely measured and matched to coincide with the **19th Allah letter** – thus proving His Name, **Allah (66)** and **His Signature (19)**.

Proof: There are **101 Arabic letters**, and the **Allah letters** are **35** that make up the verse, **revealing the diff. of 66** – glory be to my Lord.

2:256 Part: **ALLAH** is Hearer, Omniscient.

What does Allah want to hear from us?

Proof: The GV of **messenger's letters** in this part is **256, matched perfectly** to see if the humans denounce their crime and sin through the command of this verse or not. Without denouncing the devil, you cannot believe in Allah, nor is your belief accepted. It will be proven by the words of Allah through **Quran, 352**.

Proof: The GV of **Allah letters** is **96** and GV of **messenger's letters** is **256, revealing the sum 352**, the medium through which **ALLAH** has issued and does issue His commands.

The heavenly Feud was a challenge to Allah's Absolute Authority - a challenge represented through **His Shahadah 165**, and His attribute of **Absoluteness, 165**. Note the important part of verse and how this number is revealed twice – through the appropriate portions of the verse.

2:256 Part: Anyone who denounces the devil and believes in **ALLAH** has grasped the strongest bond.

Revealed: The **Allah letters** are **12** and the GV of **Allah letters** is **165**.

2:256 Part: One that never breaks. **ALLAH** is Hearer, Omniscient.

Revealed: The **Allah letters** are **12** and the GV of **Allah letters** is **165**.

The number of letters measured and matched in each part to reflect **165**, the value of **Shahadah and of Absoluteness**, clearly proves the purpose of our creation, and for being here on Earth during the Test Period – which is to denounce the devil and repent to Allah for blaspheming Him during our first life in Paradise. This also proves the Sacredness of the Shahadah – **La Elaha Ella Allah**, which has been preserved by Allah. The disbelievers and the idol worshipers among the followers of the scripture have tried to corrupt and distort the Sacredness of this Statement, but they failed to succeed, glory be to my Lord.

Hypocrites join the enemy

33:14 Had their homes been invaded, and the enemy asked to join them, they would have joined (the enemy) without hesitation.

Do not defend Allah's enemies

4:107 Do not argue on behalf of those who have wronged their own souls; **ALLAH** does not love any betrayer, guilty.

4:108 They hide from the people, and do not care to hide from **ALLAH**, though He is with them as they harbor ideas He dislikes. **ALLAH** is fully aware of everything they do.

4:109 Here you are arguing on their behalf in this world; who is going to argue with **ALLAH** on their behalf on the Day of Resurrection? Who is going to be their advocate?

9:80 Whether you ask forgiveness for them, or do not ask forgiveness for them – even if you ask forgiveness for them seventy times – **ALLAH** will not forgive them. This is because they disbelieve in **ALLAH** and His messenger. **ALLAH** does not guide the wicked people.

9:81 The sedentary rejoiced in their staying behind the messenger of **ALLAH**, and hated to strive with their money and their lives in the cause of **ALLAH**. They said, "Let us not mobilize in this heat!" Say, "The fire of Hell is much hotter," if they could only comprehend.

Arabic word: "Al-mukhallafoona" – "the sedentary" is marked by the Most Wise.

The **Allah letters** are **3** and the **messenger's letters** are **5**, **revealing the diff. of 2 gods – guilty of idolatry**. This just shows what **Allah** thinks of the "sedentary". They

are no different than the “hypocrites”. This is why the “**exposing revelation of 2 gods**,” meaning “**idolatry**” is hereby revealed to warn them about the blazing Hellfire.

Arabic words: “Sabeel Allah” – “cause of Allah”

Revealed: The GV of **Allah letters** is **96** and the GV of **messenger’s letters** is **162**, **revealing the diff. of 66 for Allah**, Subhan Allah.

9:81 Part: They said, “Let us not mobilize in this heat!”.

Revealed: The **Allah letters** are **8** and **messenger’s letters** are **10**, **revealing the diff. of 2**. The people who utter this or uttered this are guilty of worshipping 2 gods meaning “**idolatry**”. The next part of the verse addresses their sedentary response and the inevitable consequences to Allah’s command issued through the messenger.

9:81 Part: Say, “The fire of Hell is much hotter,” if they could only comprehend.

Revealed: This part is clearly marked with the **identifying Code of 14 letters** under the **messenger’s name**. The Most High has proven through the 2 separate parts by making the utterances of the sedentary under the “**Revelation of 2 gods**” and by marking the response from Allah, Most High as to the consequences of the fire of Hell through the letters of the messenger precisely counted as **14 – the Seven Pairs**, to warn the hypocrites, the sedentary, and the disbelievers, who only utter lies and make excuses.

Both the important parts combined together reveal the controlling and powerful Revelation of 1, Alhumdo Lillah.

9:81 Part: They said, “Let us not mobilize in this heat!”

9:81 Part: Say, “The fire of Hell is much hotter,” if they could only comprehend.

Revealed: The **Allah letters** are **8** and **9**, **revealing the diff. of 1**, Subhan Allah. The Avenger and Almighty LORD has clarified the consequences that await the disbelievers and the sedentary. They will not be able to comprehend this verse, nor the consequences mentioned through it.

9:82 Part 1: Let them laugh a little, and cry a lot.

Revealed: The **messenger’s letters** are marked as **14 – the Seven Pairs**, to remind the sedentary once again that sorrow and remorse should overtake

those who have made false excuses and failed to strive along with the messenger when commanded.

9:82 Part 2: This is the requital for the sins they have earned.

Revealed: The **Allah letters** in **Part 1** are **8**, and for both parts are **12**, **revealing the Pattern of 128** to proclaim the name of the messenger, **Husain**, **128**.

Revealed: The GV of **Allah letters** for the entire verse is **128**, spelling out the name of the messenger, **Husain**.

9:83 If **ALLAH** returns you to a situation where they ask your permission to mobilize with you, you shall say, "You will never again mobilize with me, nor will you ever fight with me against any enemy. For you have chosen to be with the sedentary in the first place. Therefore, you must stay with the sedentary."

9:84 You shall not observe the funeral prayer for any of them when he dies, nor shall you stand at his grave. They have disbelieved in **ALLAH** and His messenger, and died in a state of wickedness.

Supporting Allah and His messenger and believers against the enemy - victory belongs to Allah, His messengers and believers.

4:76 Those who believe are fighting for the cause of **ALLAH**, while those who disbelieve are fighting for the cause of tyranny. Therefore, you shall fight the devil's allies; the devil's power is nil.

3:52 When Jesus sensed their disbelief, he said, "Who are my supporters towards **ALLAH**?" The disciples said, "We are **ALLAH's** supporters; we believe in **ALLAH**, and bear witness that we are submitters."

3:53 "Our Lord, we have believed in what You have sent down, and we have followed the messenger; count us among the witnesses."

61:14 O you who believe, be **ALLAH's** supporters, like the disciples of Jesus, son of Mary. When he said to them, "Who are my supporters towards **ALLAH**," the disciples said, "We are **ALLAH's** supporters." Thus, a group from the Children of Israel believed, and another group disbelieved. We helped those who believed against their enemy, until they won.

There are many examples given in the Quran about believers failing to uphold Allah's Absolute Authority by disregarding the command of the messenger; thus, exposing themselves to be worshipers of the devil.

7:129 Part 1: They said, "We were persecuted before you came to us, and after you came to us."

7:129 Part 2: He said, "Your Lord will annihilate your enemy and establish you on Earth, then He will see how you behave."

Revealed: The **Allah letters** are **11** and **10** in each part, **revealing the diff. of 1**. Allah heard the imploring of the new believers and responded by saying that He will annihilate their enemy and establish them on earth to see how they will behave. What this means is that their behaviour had to be righteous and in accordance with the commands and laws of Allah.

9:119 Part 1: O you who believe, you shall reverence **ALLAH**.

Revealed: The **Allah letters** are **13** and **messenger's letters** are **12**, **revealing the diff. of 1**. The believers are strongly advised to reverence Allah all the time.

9:119 Part 2: And be among the truthful.

Revealed: The GV of **Allah letters** is **32** and GV of **messenger's letters** is **298**, **revealing the diff. of 266 = 14 x 19**. The truthful are the ones who believe and follow the revelations of Allah through the entire Quran.

9:120 Neither the dwellers of the city, nor the Arabs around them, shall seek to stay behind the messenger of **ALLAH** (when he mobilizes for war). Nor shall they give priority to their own affairs over supporting him. This is because they do not suffer any thirst, or any effort, or hunger in the cause of **ALLAH**, or take a single step that enrages the disbelievers, or inflict any hardship upon the enemy, without having it written down for them as a credit. **ALLAH** never fails to recompense those who work righteousness.

3:192 "Our Lord, whomever You commit to Hell are the ones You have forsaken. Such transgressors have no helpers.

3:193 "Our Lord, we have heard a caller calling to faith and proclaiming: 'You shall believe in your Lord,' and we have believed. Our Lord, forgive us our transgressions, remit our sins, and let us die as righteous believers.

Revealed: The **Allah letters** are **14** and **28**, **revealing the diff. of 14**, Subhan Allah.

3:194 "Our Lord, shower us with the blessings You promised us through Your messengers, and do not forsake us on the Day of Resurrection. You never break a promise."

Revealed: The **messenger's letters** are **46** and **27**, revealing the diff of 19, Praise be to Allah.

3:8 "Our Lord, let not our hearts waver, now that You have guided us. Shower us with Your mercy; You are the Grantor.

Revealed: In verse **3:194** and **3:8**, the **Allah letters** are **20** and **19**, revealing the diff. of 1.

Revealed: In verse **3:194** and **3:8**, the **messenger's letters** are **27** and **26**, revealing the diff. of 1.

Revealed: In verse **3:194** the **Allah letters** are **20**, and **messenger's letters** are **27**, revealing a diff. of 7.

Revealed: In verse **3:8** the **Allah letters** are **19** and **messenger's letters** are **26**, revealing the diff. of 7.

This is the perfect revelation of Seven Pairs through an important set of verses on the subject of having been guided through the messengers of Allah. Once you are guided, your imploring words should change from: "may our Lord guide us" to "**Praise Allah for having guided us – may He keep us steadfast till death**".

4:95 Not equal are the sedentary among the believers who are not handicapped, and those who strive in the cause of **ALLAH** with their money and their lives. **ALLAH** exalts the strivers with their money and their lives above the sedentary. For both, **ALLAH** promises salvation, but **ALLAH** exalts the strivers over the sedentary with a great recompense.

4:96 The higher ranks come from Him, as well as forgiveness and mercy. **ALLAH** is Forgiver, Most Merciful.

4:122 Part 1: As for those who believe and lead a righteous life.

Revealed: The **Allah letters** are **13** and **12** in each part, **revealing the diff. of 1**. This is Allah's truthful promise to the righteous believers that they will be admitted into gardens with flowing streams wherein they abide forever.

Revealed: Part 3: The GV of **Allah letters** is **165**, revealing and confirming that **Allah – the Absolute will fulfil His promise to the believers.**

5:9 ALLAH promises those who believe and lead a righteous life forgiveness and a great recompense.

6:133 Your Lord is the Rich One; possessor of all mercy. If He wills, He can remove you, and substitute whomever He wills in your place, just as He produced you from the progeny of other people.

6:134 What is promised to you will come to pass, and you can never evade it.

6:135 Say, "O my people, do your best, and so will I. You will surely find out who the ultimate victors are." Certainly, the wicked will never succeed.

7:44 Part: The dwellers of Paradise will call the dwellers of Hell.

Revealed: The **Allah letters** are **20** and **messenger's letters** are **34**, **revealing the diff. of 14**. The disbelievers will readily agree on the Day of Judgment that

Allah's promise to condemn them to Hell was the truth, which they failed to believe in.

Revealed: The **messenger's letters** are **19**, guiding the believers that the true path is through Allah and His messenger.

7:45 Part 2: And, with regard to the Hereafter, they are disbelievers."

Revealed: The **Allah letters** are **5** and **messenger's letters** are **6**, **revealing the diff. of 1**. The disbelievers do not believe in the Hereafter and only care about this worldly life.

8:7 Recall that **ALLAH** promised you victory over a certain group, but you still wanted to face the weaker group. It was **ALLAH's** plan to establish the truth with His words, and to defeat the disbelievers.

8:7 Part: It was **ALLAH's** plan to establish the truth with **His words**, and to defeat the disbelievers.

8:10 **ALLAH** gave you this good news to strengthen your hearts. Victory comes only from **ALLAH**. **ALLAH** is Almighty, Most Wise.

8:11 He caused peaceful slumber to overtake you and pacify you, and He sent down water from the sky to clean you therewith. He protected you from the devil's curse, reassured your hearts and strengthened your foothold.

9:68 **ALLAH** promises the hypocrite men and the hypocrite women, as well as the disbelievers, the fire of Hell, wherein they abide forever. It suffices them. **ALLAH** has condemned them; they have incurred an everlasting retribution.

9:72 ALLAH promises the believing men and the believing women gardens with flowing streams, wherein they abide forever, and magnificent mansions in the gardens of Eden. And **ALLAH's** blessings and approval are even greater. This is the greatest triumph.

58:21 ALLAH has decreed: "I and My messengers will most assuredly win." **ALLAH** is Powerful, Almighty.

*** This verse represents the system of messengers who are sent to deliver the guidance to the people, and the sole, undisputed and **Absolute Authority of Allah** is represented and tested through His messengers. Therefore, **Allah** has promised His messengers the ultimate victory over those who disbelieve in them, which amounts

to disbelief in **Allah**. This verse will now prove Allah's Absolute Authority in sending me as a messenger – a coded structure of messenger's letters.

Coded Composition: Part 1: messenger's letters are 12, and for Part 2, messenger's letters are 8; revealing the pattern of 128, the messenger – Husain, who has been given the most profound coded revelations by the Almighty, The Avenger.

16:37 No matter how hard you try to guide them, **ALLAH** does not guide the ones He had committed to straying. Thus, no one can help them.

16:38 They swore solemnly by **ALLAH**: "**ALLAH** will not resurrect the dead." Absolutely, such is His inviolable promise, but most people do not know.

16:39 He will then point out to everyone all the things they had disputed, and will let those who disbelieved know that they were liars.

19:61 The gardens of Eden await them, as promised by The Most Gracious for those who worship Him, even in privacy. Certainly, His promise must come to pass.

19:62 They will not hear any nonsense therein; only peace. They receive their provisions therein, day and night.

19:63 Such is Paradise; we grant it to those among our servants who are righteous.

19:75 Say, "Those who choose to go astray, The Most Gracious will lead them on, until they see what is promised for them – either the retribution or the Hour. That is when they find out who really is worse off, and weaker in power."

21:103 The great horror will not worry them (the believers), and the angels will receive them joyfully: "This is your day, that has been promised to you."

21:104 On that day, we will fold the heaven, like the folding of a book. Just as we initiated the first creation, we will repeat it. This is our promise; we will certainly carry it out.

All this because they worship Me alone; they never set up any idols beside Me. Those who disbelieve after this are the truly wicked.

25:15 Say, "Is this better or the eternal Paradise that is promised for the righteous? It is their well deserved reward; a well deserved destiny."

25:16 They get anything they wish therein, forever. This is your Lord's irrevocable promise.

14:47 Do not think that ALLAH will ever break His promise to His messengers.

ALLAH is Almighty, Avenger.

30:6 Such is ALLAH's promise – and ALLAH never breaks His promise – but most people do not know.

As you have seen, the names of the 2 messengers, Rashad and Makbool, sent over the last few years have been mathematically coded in the Quran. Though it is the parents

who give the children their names, it was the will of Allah behind the specific names of these messengers. Based on the following revelation that you are going to witness; it shows the great wisdom of Allah and His Omnipotence. I am going to write the mathematical names of both messengers, first and last names, combination of the names, and their full names. **Observe the Proofs for the 2 Mathematical Messengers revealed by Allah.**

Rashad 505 – Khalifa 725 Also, it can be written as: Rashad Khalifa (505+725) = **1230**.

Adding all the digits involved with his name: $(5+0+5) + (7+2+5) + (1+2+3+0) = 30$.

Makbool 178 – Husain 128 Also, it can be written as: Makbool Husain (178 + 128) = **306**.

Adding all the digits involved with messenger's name: $(1+7+8) + (1+2+8) + (3+0+6) = 36$.

The sum of the final numbers for both messengers is $30 + 36 = 66$, **revealing the glorified name Allah**; both were sent by Allah to prove the existence of the Eternal, Living, Allah through the Codes of **19 & 14**, respectively; to prove the Quran to be from Allah; to confirm all previous scriptures and messages; to prove the Original History during our first life and the Heavenly Feud; to declare the Day of Judgment; to correct and purify the worship practices; to remove all the corrupt practices and traditions from the religion of Islam; and to expose the hypocrites and the disbelievers.

If you are still unsure of Allah's wisdom and will behind these names, and think it is just a coincidence, then look and examine another time. I am going to write both names as they are written and spelled in Arabic, but right now they will be in English for the purpose of the Khutbah (Sermon).

Rashad Khalifa: Pick out the **Allah letters** in this name; they are: Aleef, Laam, Hey: the G.V. of these 3 letters are: $1 + 30 + 5 = 36$.

Makbool Husain: Pick out the **Allah letters** in this name; it is only: Laam, G.V = **30**.

Again, the sum of $36 + 30 = 66$, **revealing the glorified name of Allah** – Glory and Praise be to Allah, for revealing His name through His 2 truthful messengers. Individually, as well as taken together, the result each time is **66**.

Note, for the last time – the third Proof:

The G.V. of **Rashad Khalifa** is **1230**, and G.V. of **Makbool Husain** is **306**, revealing the diff. of 924 = 14 x 66, The name of Allah – the One God; is hereby revealed through the difference in the G.V. of names of the 2 messengers. Praise be to ALLAH for His Wisdom and Omnipotence.

The numbers derived from the names of messengers; **36** and **30**, therefore become important, as they further reveal and open up a verse from the Quran. The verse according to the numbers 36 and 30 opens up verse **36:30**

36:30 How sorry is the people's condition! Every time a messenger went to them, they always ridiculed him.

Revealed: The G.V. of **Allah letters** is **148**, revealing “Alhumdo Lillah”, or, “Praise be to Allah”, while the G.V. of **messenger’s letters** is **650**, the sum of **148** and **650** is **798 = 19 x 14 x 3**. (the Sacred Codes are revealed)

NOTE the quotients (answer) revealed above: in order of **19** & **14**, and then **3**, representing the third messenger, which is Makbool Husain from the time the Quran was revealed to prophet Muhammad.

Revealed: The G.V. of **Allah letters** in this verse are: **148**

The G.V. of **Rashad Khalifa’s letters** are: **602**

The G.V. of **Makbool Husain’s letters** are: **650**

What is the sum of all these numbers? $148 + 602 + 650 = \underline{1400}$

This is a profound number as the Miracle of **19** was revealed approximately **1400 years** after the actual revelation of Quran to Muhammad. Since this number is a multiple of **14**, it covers the Miracle given to Makbool Husain also. (The **digits** of G.V.’s of **Rashad Khalifa** and **Makbool Husain** are: $(6+0+2) + (6+5+0) = \underline{19}$ – both messengers came with the Authority of Allah.

***Finally, the Proof that **the Quran** was given to **Muhammad**, and he was sent by **Allah**, Most Wise.

The G.V. of **Muhammad’s letters** (Mim-Hey-Dal) in verse **36:30** is **132**; whereas the fixed G.V. of **Allah** remains as **66**; what is the diff. in **132** and **66**? The precise difference is **66**, **meaning:** Muhammad was sent to preach and practice the religion of Allah – Islam through the Quran. Praise and glory be to Allah. Let us now see the “**Pattern**” between Allah letters and Muhammad letters in this verse:

Revealed: In verse 36:30, the **Allah letters** are **16**, and **Muhammad letters** are **5**: **revealing the perfect pattern of 165**; This means that Muhammad was sent to proclaim the correct Shahadah, as given in 47:19, and to uphold the Absolute Authority of ALLAH, both of which have G.V.'s of **165**.

Revealed: The **Muhammad letters** are **5**, and the **Rashad Khalifa's letters** are **24**, **revealing the diff. of 19**.

Revealed: The **Muhammad letters** are **5**, and **Makbool Husain letters** are also **24**, **revealing the diff. of 19 again**.

The matching of letters of Rashad and Makbool as **24** and **24** show and reveal that they both were messengers sent with the Mathematical Miracles of **19** and **14**, and offered similar guidance. It also proves another point: The 2 mathematical messengers in relation to Muhammad, who was given the script and text of the Quran, reveal a linkage and mathematical connection with each other, just as all the messengers are linked with Allah mathematically. This proves the point of Allah, who has mentioned having "only one congregation in the Quran". It consists of Allah, His angels, His messengers, and the believers. Those who are not authorized by Allah do not fall into the pre-designed and pre-destined pattern of Allah's revelations. The names of duly authorized messengers are preserved in the Master Record of Allah, as well as in the truthful copy of the Quran. This is evident from just a couple of examples from the verses.

15:9 Part 1: Absolutely, we have revealed the reminder.

15:9 Part 2: And absolutely, we will preserve it.

Revealed: The **Allah letters** are **6** and **5**, **revealing the diff. of 1** – Praise be to the Omnipotent.

Revealed: The **messenger's letters** are **8** and **7**, **revealing the diff. of 1** – Glory be to the Most Wise.

(Messengers) Muhammed – Rashad Khalifa – Makbool Husain

The current **messenger's letters** in each of the names are **3** in "**Muhammad**", **2** in "**Rashad Khalifa**" (the sum is **5**) and **9** in "**Makbool Husain**". This reveals the sum of **precisely 14** to reveal **the great Miracle of Seven Pairs**. The Pattern of **5** letters in previous messengers names, and **9** in his own name, is exactly the way they appear in the Quran. There are **5** verses under the numbers **178** and **9** verses under the numbers **128** for Husain. **Praise be to Allah**. Such glorified proofs enshrined in the Quran are a Revelation from **Allah, the Most Sacred, and Most Praiseworthy**. They are easily verifiable and no human being has any control over it, except to believe and submit to Al-Rahman who has precisely designed, structured, and revealed it to the

messenger. The Miracle of 7 pairs has thus been revealed through names of 3 messengers, and the same pattern of 3-2-9 also **reveals the awesome Miracle of 329**, being the Glorified Name of our Lord – **Al-Rahman** or **the Most Gracious**. The pattern revealing the number of 329 is a **multiple of 7**, being 7 x 47. The most phenomenal miracle is revealed, as the GV of **messenger's letters** is **128** that is embedded in the glorified name of the **Most Gracious**, Subhan Allah.

To conclude the sermon, I am going to write not just a Miracle, but a true Marvel given by the Lord of the Universe in Chapter 26 about and from the Quran that translates the numbers 3-8-3 to verses. The number 383 translate to the word Al-Quran.

Set of first 3 verses

26:210 The devils can never reveal this.

26:211 They neither would, nor could.

26:212 For they (the devils) are prevented from hearing.

Revealed: The **Allah letters** for the first three verses are **5-4-6**, **revealing the diff. of 1** between verses **26:210-211**. Between verses **26:211** and **26:212** the diff. between Allah letters **reveals 2 gods**.

Set of 8 verses

26:213 Therefore, do not idolize beside **ALLAH** any other god, lest you incur the retribution.

26:214 You shall preach to the people who are closest to you.

26:215 And lower your wing for the believers who follow you.

26:216 If they disobey you, then say, "I disown what you do."

26:217 And put your trust in the Almighty, Most Merciful.

26:218 Who sees you when you meditate during the night.

26:219 And your frequent prostrations.

26:220 He is the Hearer, the Omniscient.

Set of last 3 verses

26:221 Shall I inform you upon whom the devils descend?

26:222 They (the devils) descend upon every guilty fabricator.

26:223 They (the devils) pretend to listen, but most of them are liars.

Revealed: The **Allah letters** for the three remaining verses are **7-6-5**, **revealing the diff. of 1**.

Revealed: The **messenger's letters** for the two verses 26:221-222 are **14-7**, **revealing the Seven Pairs miracle** and confirming that the devils descend

upon the guilty people and the fabricators and those who refuse to believe in the messenger.

Miracle: The 14 verses are split up as 3 on the devil (verses 210-212), 8 verses on **Allah's Absoluteness, the messenger, and the believers** (verses 213-220) and 3 verses again on the devil (verses 221-223) revealing the pattern of 383 to proclaim "**Al-Quran**". This is the hidden and secret Miracle of Allah to reveal the phenomenal structure, the layout, and with proofs of the Quran, that could only happen by unlocking the Sacred Key revealed and granted to the messenger.

Revealed: The 6 combined verses on the devils have **33 Allah letters** and the 8 verses on guidance and belief have **47 Allah letters, revealing the diff. of 14**, Subhan Allah, a clear Sign of **Seven Pairs** that has been revealed to the messenger.

Revealed: From verse **210** up to verse **223** are **precisely 14 verses**. The linkage is clear between the 1st verse of the 1st set of 3 verses and the last verse of the 2nd set of 3 verses.

Revealed: The GV of **messenger's letters** is **228** and **430, revealing the diff. of 202, proclaiming the glorified name of "Rabb" - "Lord"**. The revelation informs us and confirms that the devils have no power to reveal anything from the Quran to the messenger. The Lord is the One who controls and reveals them to the messenger.

The Quran is well protected from satan and his disbelieving followers. Even if they try to read it, they cannot understand the meaning and will be sent astray immediately to remain with the strayers.

I hope that the verses have provided enlightenment to the believers regarding the role of satan in misleading the people from the right path, and our Lord's command to stay away from the works of the devil.

**Peace be upon the messengers.
Praise be to Allah, Lord of the Universe.**
