Warnings and retributions from Allah

**I seek refuge in Allah from satan the rejected.
In the name of Allah, The Most Gracious, The Most Merciful.**

Today's sermon is about different kinds of retribution from Allah, which includes the deadly viruses like Ebola, Rabies, HIV and the newly discovered Coronavirus, bacteria and many other organisms seen and unseen. Viruses are infective agents that typically consists of a nucleic acid molecule (an RNA or DNA) in a protein coat, they are very tiny to be seen by the naked eyes or even by a light microscopy. There are countless viruses on the planet Earth. They are only capable of growth and multiplication in living cells of a host. The host could be a plant, an animal, or a human. Viruses cause various important diseases in humans, animals or plants.

Most viruses, when they encounter humans, pass through as visitors. This is because they are not able to connect to the host cells and multiply in them which causes infectious diseases. There are over 200 virus species that are known to be able to infect humans. The first of these to be discovered was yellow fever virus in 1901, and three to four new species of viruses are still being found every year.

The new viruses differ widely in their importance to human health, ranging from rare and mild to the devastating ones such as HIV-virus and now the pandemic of COVID-19. Coronaviruses derive their name from the fact that, under electronic microscopic examination, each virus is surrounded by a "corona," or halo. COVID-19 is a coronavirus that was discovered in 2019. The symptoms of COVID-19 infection vary for one human to another. Some carry the virus without having any symptoms and these individuals are highly contagious and infect other people. It is reported that children below 10 are less likely to get infected with COVID-19. Other individuals, when infected, have mild to moderate symptoms and others have severe symptoms that require hospitalization. A group of the hospitalized patients need to be put on ventilators which are artificial machines that deliver high levels of oxygen to the lungs. Most of the people that need ventilators require them for weeks and a high portion of these patients die.

Like many creations, viruses, bacteria and the diseases they cause are part of the system of Allah that has been placed on earth as a test. Allah will institute tests upon human beings through various means known and unknown to us, while He blesses the humans with material things and makes us rejoice in them. Humans will be tested with fear, hunger and loss of money, lives and wealth.

2:155 We will surely test you through some fear, hunger, and loss of money, lives, and crops. Give good news to the steadfast.

As for the disbelievers, disease, afflictions and the likes are a punishment from Allah for their disbelief. A lot of people wonder why they go through adversity, afflictions, diseases and accidents in life. All of these are meant to remind us of Allah and His blessings. If Allah gave us a smooth life without any tests, we would soon forget and lose sight of the Almighty, the Creator, the Omnipotent. These are just small reminders so we don't lose focus of Him, besides ordaining the good from Him, as His blessings. He has also created the bad as part of the retribution to be tested when you join the company of satan, by disobeying Allah's command.

You have to recognize and appreciate that everything comes from Allah and He controls everything as well. He is in charge over the system that He created, without having any assistants or partners in it.

Warning for present communities

7:96 Had the people of those communities believed and turned righteous, we would have showered them with blessings from the heaven and the Earth. Since they decided to disbelieve, we punished them for what they earned.

*** 3 verses on present disbelievers who disbelieve and take Allah's mercy for granted, not knowing that the retribution can come suddenly: **7:97,98,99**.

7:97 Did the people of the present communities guarantee that our retribution will not come to them in the night as they sleep?

7:98 Did the people of today's communities guarantee that our retribution will not come to them in the daytime while they play?

Revealed: The Aleefs of Absoluteness are **10** and **8**, revealing the diff. of 2 (gods).

7:98 Part: Did the people of today's communities guarantee that our retribution.

Revealed: The messenger's letters are **13** and **14**, revealing the diff. of 1. This confirms that Allah's retribution will come to the surprise of disbelievers suddenly when they least expect it.

7:99 Part 1: Have they taken ALLAH's plans for granted?

7:99 Part 2: None takes ALLAH's plans for granted except the losers.

Revealed: The Allah letters are **7** and **14** in each part, revealing the Miracle of Seven Pairs to enlighten us that Allah's plans for retribution cannot be taken for granted.

7:100 Part 1: Does it ever occur to those who inherit the Earth after previous generations.

7:101 Part 1: We narrate to you the history of those communities.

7:101 Part 2: Their messengers went to them with clear proofs.

7:101 Part 3: But they were not to believe in what they had rejected before.

7:101 Part 4: ALLAH thus seals the hearts of the disbelievers.

Revealed: The entire verse is marked with **14** Aleefs of Absoluteness, revealing the Seven Pairs.

The human beings are commanded not to follow their parents blindly, as each one of them has made a covenant with Allah before coming to earth. Due to their disregard of their covenant, they turn wicked, and will be condemned to Hell in the Hereafter.

9:69 Some of those before you were stronger than you, and possessed more money and children. They became preoccupied with their material possessions. Similarly, you have become preoccupied with your material possessions, just like those before you have become preoccupied. You have become totally heedless, just as they were heedless. Such are the people who nullify their works, both in this world and in the Hereafter; they are the losers.

9:70 Have they not learned anything from the previous generations; the people of Noah, 'Aad, Thamoud, the people of Abraham, the dwellers of Midyan, and the evildoers (of Sodom and Gomorrah)? 11:100 This is news from the past communities that we narrate to you. Some are still standing, and some have vanished.

11:101 We never wronged them; they wronged their own souls. Their gods, whom they invoked beside **ALLAH**, could not help them in the least when the judgment of your Lord came. In fact, they only ensured their doom.

11:102 Such was the retribution enforced by your Lord when the communities transgressed. Indeed, His retribution is painful, devastating.

Revealed: The **Allah letters** are **8**, and **messenger's letters** are **9**, revealing the diff. of 1 – this makes it certain through the Supreme Revelation of **1** that the retribution will inevitably afflict the hypocrites and the disbelievers on a specified day, Glory be to my Lord.

Revealed: The GV of the **Arabic letters** of the verse is **1128** – tied in to the month and day the messenger was born (see verse 11:28 for further proofs and revelations).

11:105 The day it comes to pass, no soul will utter a single word, except in accordance with His will. Some will be miserable, and some will be happy.

Revealed: The GV of **messenger's letters** is **532** which is **19 x 14 x 2**, **revealing the Sacred Codes**.

53:50 He is the One who annihilated ancient `Aad.

53:51 And wiped out Thamoud.

53:52 Also the people of Noah before that; they were evil transgressors.

53:53 The evil communities (of Sodom and Gomorrah) were the lowliest.

Revealed: The **Allah letters** are **5**, and **messenger's letters** are **6**, **revealing the diff. of 1**.

53:54 Consequently, they utterly vanished.

Revealed: The **Allah letters** are **3** and **messenger's letters** are **2**, **revealing the diff. of 1**.

53:55 Which of your Lord's marvels can you deny?

Revealed: The **Allah letters** are **5** and **messenger's letters** are **6**, **revealing the diff. of 1**.

53:56 This is a warning like the older ones.

53:57 The inevitable is imminent.

53:58 None beside **ALLAH** can relieve it.

53:59 Are you questioning this matter?

53:60 Are you laughing, instead of crying?

53:61 Are you insisting on your ways?

Revealed: The only **Allah letter** is only an **Aleef**, expressing His Absoluteness and exposing the disbelievers who insist and follow their corrupt ways despite the Signs shown to them.

Revealed: The **messenger's letters** are **Z**.

53:62 You shall fall prostrate before **ALLAH**, and worship.

Revealed: The **Allah letters** are **Z** and **messenger's letters** are **Z**, **revealing the Proof of Seven Pairs**. As explained by the messenger earlier, prostrating constitutes worship of Allah.

Some Major Prophecies of the Quran

The Smoke

44:1 H. M.

44:2 And this enlightening scripture.

44:3 We have sent it down in a blessed night, for we are to warn.

44:4 In it (the Quran), every matter of wisdom is clarified.

44:5 It is a predetermined command from us that we send messengers.

44:6 This is a mercy from your Lord. He is the Hearer, the Omniscient.

44:7 Lord of the Heavens and the Earth, and everything between them. If only you could be certain!

44:8 There is no other god beside Him. He controls life and death; your Lord and the Lord of your ancestors.

44:9 Indeed, they are doubtful, heedless.

Revealed: From the verse starting with the H.M initials up to verse 44:9, that reads: "Indeed, they are doubtful, heedless", the precise count of **messenger's letters** are revealed by Allah to be **114**, a **multiple of 19**. 44:10 Therefore, watch for the day when the sky brings a profound smoke.

44:11 It will envelope the people; this is a painful retribution.

44:12 Part: "Our Lord, relieve this retribution for us."

Revealed: The **Allah letters** are **6-8-6**, **revealing the diff. of 2 (gods)**. The number **686** matches the GV of the chapter name title "**The Smoke**". 44:15 We will relieve the retribution for awhile; you will soon revert.

44:16 The day we strike the big stroke, we will avenge.

Gog And Magog

18:94 They said, "O Zul-Qarnain, Gog and Magog are corruptors of the Earth. Can we pay you to create a barrier between us and them?"

18:95 He said, "My Lord has given me great bounties. If you cooperate with me, I will build a dam between you and them.

18:96 "Bring to me masses of iron." Once he filled the gap between the two palisades, he said, "Blow." Once it was red hot, he said, "Help me pour tar on top of it."

18:97 Thus, they could not climb it, nor could they bore holes in it.

18:98 He said, "This is mercy from my Lord. When the prophecy of my Lord comes to pass, He will cause the dam to crumble. The prophecy of my Lord is truth."

18:99 At that time, we will let them invade with one another, then the horn will be blown, and we will summon them all together.

21:95 It is forbidden for any community we had annihilated to return.

21:96 Not until Gog and Magog reappear, will they then return – they will come from every direction.

21:97 That is when the inevitable prophecy will come to pass, and the disbelievers will stare in horror: "Woe to us; we have been oblivious. Indeed, we have been wicked."

******One of the duties of the previous messenger was to reveal that Gog and Magog, one of the final signs before the end of the world, will reappear in 2270 AD (1700 AH), just 10 years before the end. Note that Gog and Magog occur in Suras 18 and 21, precisely 17 verses before the end of each Sura, representing 17 lunar centuries.

83:11 They do not believe in the Day of Judgment.

Proof: The **Allah letters** are **3** and **4**, **revealing the diff. of 1**.

Proof: The GV of **Allah letters** are **152 = 19 x 8**; the GV of **messenger's letters** are **570 = 19 x 30**.

83:11 They do not believe in the Day of Judgment.

Revealed: The messenger's letters are 14 – Seven Pairs, the GV of messenger's letters is 306; revealing full name of the messenger Makbool Husain, under the Code of the Seven Pairs, confirming the truth of the Day of Judgment.

THIS LIFE IS VERY SHORT – MAKE THE RIGHT CHOICE

I am going to recite 2 sets of verses, which reflect how short this life will seem to the disbelievers on the Day of Judgment. The answers given by them are already pre-programmed by Allah, and the verses reflect their confusion in recounting the time they spent on Earth. The believers should reflect on the Absoluteness of ALLAH, represented through the Proof of Aleef (1) revealed herein.

20:102 That is the day when the horn is blown, and we summon the guilty on that day blue.

20:103 Whispering among themselves, they will say, "You have stayed (in the first life) no more than ten days.

20:104 We are fully aware of their utterances. The most accurate among them will say, "You stayed no more than a day."

Note: the numbers used by Allah in this set as **10** days and **1** day are jumbled for the disbelievers who have no idea what Allah is talking about. For the believers, this is the "Pattern" of the Shahadah, **La Elaha Ella Hoo**, GV **110**, representing Allah's Absolute Authority.

23:112 He said, "How long have you lasted on earth? How many years?

23:113 They said, "We lasted a day or part of a day. Ask those who counted."

23:114 He said, "In fact, you stayed but a brief interim, if you only knew."

PROOF: The Aleefs in each set (20:102 – 20:104 and 23:112 – 23:114) are **15** and 14, revealing the diff. of 1 – Praise be to Allah, the Absolute.

PROOF: The Allah letters in each set are **28** and **28** – Matched Perfectly under the Code of Seven Pairs, which will now reveal His name as the LORD. 28, 28 = 14 x 202 – LORD.

16:51 Part 1: ALLAH has proclaimed.

Revealed: The Allah letters are **6** and messenger's letters are **5**, revealing the diff. of 1.

16:51 Part 2: "Do not worship two gods; there is only one god. You shall reverence Him alone."

Revealed: The **messenger's letters** are **14** up to "**one**" – "**wahid**" and **19** to the end of the verse on the word "**reverence**" – "**farhaboon**", **revealing and confirming that Allah is One** and worshipping 2 gods would constitute gross idolatry, that will be punishable by sending them to Hell.

Revealed: The GV of **Allah letters** in both words is **6** and GV of **messenger's letters** is **72**, **the diff. is 66, revealing the Glorified Name of Allah who is absolutely ONE.**

16:52 To Him belongs everything in the Heavens and the Earth and therefore, the religion shall be devoted absolutely to Him. Would you worship other than **ALLAH**?

Revealed: The **Allah letters** are **19**, again proclaiming that He is indeed One without any partners; therefore He alone should be worshiped and not the idols that the disbelievers set up beside Him.

16:53 Any blessing you enjoy is from **ALLAH**. Yet, whenever you incur any adversity you immediately complain to Him.

16:54 Yet, as soon as He relieves your affliction, some of you revert to idol worship.

16:55 Let them disbelieve in what we have given them. Go ahead and enjoy temporarily; you will surely find out.

17:56 Say, "Implore whatever idols you have set up beside Him." They have no power to relieve your afflictions, nor can they prevent them.

17:57 Even the idols that they implore are seeking the ways and means (to get closer) to their Lord. They pray for His mercy, and fear His retribution. Surely, the retribution of your Lord is dreadful.

17:58 There is not a community that we will not annihilate before the Day of Resurrection, or inflict severe retribution upon them. **This is already written down in the book.**

7:94 Whenever we sent a prophet to any community, we afflicted its people with adversity and hardship, that they may implore.

7:95 Then we substituted peace and prosperity in place of that hardship. But alas, they turned heedless and said, "It was our parents who experienced that hardship before prosperity." Consequently, we punished them suddenly when they least expected.

7:96 Had the people of those communities believed and turned righteous, we would have showered them with blessings from the heaven and the Earth. Since they decided to disbelieve, we punished them for what they earned.

13:30 We have sent you to this community, just as we did for other communities in the past. You shall recite to them what we reveal to you, for they have disbelieved in The Most Gracious. Say, "He is my Lord. There is no god except He. I put my trust only in Him; to Him is my ultimate destiny."

13:30 Part 1: We have sent you to this community, just as we did for other communities in the past.

13:30 Part 2: You shall recite to them what we reveal to you.

The Supreme Command: The **Allah letters** are **10** and **11**, **revealing the diff. of 1.**

The Supreme Command: The **messenger's letters** are **15** and **14**, **revealing the diff. of 1.**

13:30 Part 2: You shall recite to them what we reveal to you.

13:30 Part 3: For they have disbelieved in The Most Gracious. Say, "He is my Lord. There is no god except He.

Blessed Revelation: The **messenger's letters** are **14** and **19** – a clear revelation of the Sacred Codes, and the command to recite what is revealed to the messenger, under the complete authority of the Most Gracious and His Shahadah.

13:30 Gist of Verse: For they have disbelieved in The Most Gracious. Say, "He is my Lord. There is no god except He.

Sacred Codes Revealed: The **Allah letters** are **14**, and the **messenger's letters** are **19** – a blessed revelation.

13:31 Even if a Quran caused mountains to move, or the Earth to tear asunder, or the dead to speak (they will not believe). **ALLAH** controls all things. Is it not time for the believers to give up and realize that if **ALLAH** willed, He could have guided all the people? The disbelievers will continue to suffer disasters, as a consequence of their own works, or have disasters strike close to them, until **ALLAH's** promise is fulfilled. **ALLAH** will never change the predetermined destiny.

59:21 If we revealed this Quran to a mountain, you would see it trembling, crumbling, out of reverence for **ALLAH**. We cite these examples for the people that they may reflect.

Revealed: The **Allah letters** are **80** and **34** in each verse, revealing the sum of 114, confirming the verses and the proof through the Quran that has **114** chapters.

13:31 Part: Even if a Quran caused mountains to move, or the earth to tear asunder, or the dead to speak (they will not believe).

59:21 Part: If we revealed this Quran to a mountain, you would see it trembling, crumbling, out of reverence for **ALLAH**.

Proof of Quran's greatness: The **Aleefs** are **10** and **9**, revealing the diff. of 1, showing God's Absoluteness, while the sum of **10 + 9 = 19**, also revealing the ONE GOD who controls everything – the ONE who has revealed these profound Miracles for the people to reflect and take heed.

13:31 Part: **ALLAH** controls all things.

Revealed: The GV of **Allah letters** is **128**, revealing the last name of the messenger.

Revealed: The GV of **messenger's letters** is **212**, revealing "Rabbi" – "my Lord".

*** Let me show you the hidden secret behind the number **1128** which is my date of birth, and how the Most Merciful will open up another appropriate verse to reflect on the "customized miracle and message".

11:28 He said, "O my people, what if I have a solid proof from my Lord? What if He has blessed me out of His mercy, though you cannot see it? Are we going to force you to believe therein, while you remain averse (to the proofs)?"

Revealed: The **Allah letters** are pre-coded to be **19** in the verse, whose numbers represent the month and day of birth of the messenger. The GV of **19 Allah letters** is **188**, therefore the sum of **19 + 188 = 207**. This now spells out "**Rabbahoo**" or "**Rabbayhee**" for "**his Lord**".

Revealed: The GV of **messenger's letters** for entire verse is **1372 = 14 x 14 x 7**. This is a powerful miracle under the Seven Pairs code and formula predesigned to reflect as a miracle from **ALLAH** granted to the messenger whose name is already coded in the Scripture. There are clearly 3 parts to the

verse and the quotient or resulting numbers also reveal 3 numbers as **14-14-7** to compliment each part of the verse. Read the 3 parts of the verse separately and compare the Miracle to fully comprehend the Absoluteness of Allah.

11:28 Part 1: He said, "O my people, what if I have a solid proof from my Lord?

Revealed: The GV of **Quranic Initials** in this part of the verse add up to **1128** – revealing the hidden and coded date of birth of the messenger whereas the chapter and verse number is also **1128**, Subhan Allah.

11:28 Part 2: What if He has blessed me out of His mercy, though you cannot see it? Are we going to force you to believe therein.

Revealed: In this part, the **Quranic Initials** by the count are **28 to reveal the day of birth of the messenger**, while **Part 1** revealed the month and day of birth.

Both Parts 1-2: The **letters of the messenger** are **19** and **18**, **revealing the diff. of 1**. The solid proof and the hidden blessing of Allah's mercy, as mentioned in the verse has been proven here, through the "**Revelation of 1**" and the secret coding of the day and month of birth of the messenger.

11:28 Part 3: While you remain averse to (the proofs)?

Revealed: The **Allah letters** are **5** and the **messenger's letters** are **6**, **revealing the diff. of 1**. Belief in Allah and His messenger is voluntary and there is no compulsion in religion. Most often, ALLAH does not force the people to believe unless there is a specific reason behind it. The messengers are strictly forbidden to force anyone to believe in Allah and His messengers. The Revelation of 1 is a clear indication that belief has to come from within the person and voluntarily. If Allah has to force the people to believe, then that kind of belief is not acceptable to Him. Such people are condemned to the Hellfire and will not make it to **Paradise**.

In the end, the believers will praise Allah for granting them Paradise, and removing all their worries. On Earth, they had a worrisome life, full of stress, afflictions, disease, persecution, and all kinds of evil that they had to face. They will praise Allah for being Forgiving towards them and also for the attribute of Allah as being Appreciative. Why is Allah appreciative of some humans? The reason being that the believers made a sincere and honest effort to believe, uphold and promote Allah's laws, though the odds were stacked against them on earth, and for being steadfast. They rejected satan

and his followers and sided wholeheartedly with Allah. It is in accordance with the following verse:

76:22 This is the reward that awaits you, for your efforts have been appreciated.

Revealed: The **Allah letters** are **8**, and **messenger's initials** are **9**, **revealing the diff. of 1.**

Revealed: The **Allah letters** are **8** and **messenger's letters** are **11**, **revealing the sum of 19.**

The reward from the Forgiving and Appreciative LORD, is guaranteed for the devoted, sincere worshipers of Allah, who believe in all the messengers without any distinction, and strive in His cause, as the verses have proven above.

2:156 **When an affliction befalls them, they say, "We belong to ALLAH, and to Him we are returning."**

2:157 **These have deserved blessings from their Lord and mercy. These are the guided ones.**

45:36 To **ALLAH** belongs all praise; Lord of the Heavens and Lord of the Earth, Lord of the universe.

45:37 To Him belongs all supremacy in the Heavens and the Earth. He is the Almighty, Most Wise.

**Peace be upon the Messengers,
Praise be to Allah, Lord of the Universe.**
