

Response of messenger to Tucson Submitters Organization

October 14, 2009

I seek refuge in ALLAH from satan the rejected.

In the name of ALLAH, the Most Gracious, the Most Merciful.

Challenge from Almighty Allah to all the people through His messenger

** Here is a **challenge** to the Tucson group of people who wrote to me. If you publish this entire document on your website without editing, I promise to publish your response on my website the same way. Let your followers read and decide for themselves, and I will let my followers do the same. This will be in accordance with **Verse 2:256** which offers “**Freedom of Choice**” to the followers of Quran. If you believe in this verse as advocated on your website, then let me see you fulfill it.

[2:256](#) *There shall be no compulsion in religion.*

Revealed: The **Allah letters** are **7** and the **Arabic Letters** are **14** – the profound **Codes of 7-14** guide the messenger and the believers whereby they have chosen the proven religion of Submission of their own free will and without any compulsion.

[2:256](#) *There shall be no compulsion in religion: the right way is now distinct from the wrong way.*

Revealed: The **messenger’s letters** are **14** – the **Seven Pairs Miracle** confirms the right way of following Submission which the messenger and the believers have been directed and guided by **Allah** to follow.

[2:256](#) **Part:** *Anyone who denounces the devil, and believes in GOD has grasped the strongest bond; one that never breaks. God is Hearer, Omniscient.*

Revealed: The **Aleefs of Absoluteness** are 10 and **Allah letters** are 24, **the diff. is 14.**

[2:256](#) **Part:** *Anyone who denounces the devil, and believes in Allah has grasped the strongest bond.*

Revealed: The **Allah letters** are **12** and the GV is **165** – the strongest bond with **Allah** is achieved and attained by belief in **His Absolute Authority** – **165**. This can only be done by

denouncing the 2nd god who is the devil and then believing and following the **One Truthful Lord of the Universe**.

2:256 Part: *Allah is Hearer, Omniscient.*

Revealed: The GV of **Allah letters** is 96 and GV of **messenger's letters** is 256, the sum is **352** revealing the value of Quran. This is a command from the Quran and those who denounce the devil and believe in **Allah** will be guided and enlightened through the Quran. Note that the number 256 for the verse represents “*Noor – Light*” and the GV of the messenger's letters is 256 to match with the verse number, Subhan Allah.

39:7 If you disbelieve, God does not need anyone. But He dislikes to see His servants make the wrong decision. If you decide to be appreciative, He is pleased for you. No soul bears the sins of any other soul. Ultimately, to your Lord is your return, then He will inform you of everything you had done. He is fully aware of the innermost thoughts.

Both Verses: 2:256 and 39:7

Revealed: The Aleefs of Absoluteness are 16 and 17, the **diff. is 1.**

Revealed: The messenger's name letters are 52 and 53, the **diff. is 1.**

2:256 Part of Vs: There shall be no compulsion in religion: the right way is now distinct from the wrong way. **My letters are 14 – Seven Pairs.**

39:7 Part of Vs: If you disbelieve, God does not need anyone. But He dislikes to see His servants make the wrong decision. **Allah letters are 14 – Seven Pairs – Matching.**

2:256 Part up to “Devil”: There shall be no compulsion in religion: the right way is now distinct from the wrong way. Anyone who denounces **the devil.**

39:7 Part up to “Disbelief”: If you disbelieve, God does not need anyone. But He dislikes to see His servants make the wrong decision by **disbelieving.**

Revealed: The Aleefs of Absoluteness are **7** and **7** on the words “bil taaghouth – **the devil**” and “al-kufr – **disbelief.**” The great proof of Seven Pairs through the Aleefs guides the people to the correct way of believing in Allah, which is to denounce the devil first and foremost, and then believe in your Lord and devote to Him.

Denouncing the Devil and Believing in Allah constitutes Appreciation for Him.

2:256 Part: There shall be no compulsion in religion: the right way is now distinct from the wrong way. Anyone who denounces the devil and then believes in **Allah.**

39:7 Part: If you disbelieve, God does not need anyone. But He dislikes to see His servants make the wrong decision. If you decide to be appreciative, He is pleased for you.

Revealed: The Aleefs of Absoluteness are 8 and 9, **the diff. is ONE.**

Revealed: The Allah letters are 17 and 18, **the diff. is ONE.**

Proof: Verse 2:256 Part: The **Allah letters** are **17** and the **Aleefs** are **8**, to reveal the name of the **messenger, 178, Makbool**. The messengers are sent by **Allah** and the devil wants the people to disbelieve in them, thus depriving them of the messages of **Allah**. This in turn will make them disbelieve in **Allah**.

39:7 Part: But He dislikes to see His servants make the wrong decision.

Revealed: The **Allah letters** are **7** and **messenger's letters** are **7** – **Perfectly Matched to reveal the Miracle of the Seven Pairs**.

39:7 Part: But He dislikes to see His servants make the wrong decision.

Part: If you decide to be appreciative, He is pleased for you.

Revealed: The **messenger's letters** are 7 and 6, **the diff. is ONE**. When you believe in **Allah** through the messenger by rejecting the devil's wishes, then you have shown appreciation for the **Creator, the Most Gracious** who is then pleased with your decision and belief.

Ultimate Challenge to all the People

3:61 *If anyone argues with you (the messenger), despite the knowledge you have received, then say, "Let us summon our children and your children, our women and your women, ourselves and yourselves, then let us invoke Allah's curse upon the liars."*

** The messenger has presented the above verse as well as some more verses given below as a serious challenge to all the disbelievers who do not believe in me as a messenger of **Allah, Most Exalted**. There are only 2 responses, which anyone can have. They can either say that **"they believe in all of it; this is the truth from our Lord."** Or they can say that **"they do not believe in it as they are fabricated by the messenger or the human being."** If they think that these revelations from **Allah** are fabrications, then they have to counter with their Proofs to prove these revelations wrong. In addition, they have to come forward as followers of Quran to fulfill **Verse 3:61** given above which the messenger has recited as a **"Challenge"** from **Allah** for the disbelievers. The messenger is willing to come forward and asks all the disbelievers to face the **"Challenge"** from **Allah, the Almighty**.

The **Most Gracious, the Possessor of all Power** has revealed the Quran to messenger Makbool Husain with unique, clarifying, and miraculous revelations which are true Miracles and Signs from Him – they are unprecedented in their scope and magnitude and unknown previously to human beings. Each verse is being opened up to reveal the intricate, coded, and hidden miracles with the truthful meaning behind it. As an opening verse, I will recite what the **Most Merciful** has revealed to me about the direct guidance from Him coded perfectly with my name as the incontrovertible Proof from my Lord.

26:78 The One who created me, and guided me.

Allah's Servant: The GV of **messenger's letters** is a **Perfect 306**, revealing the full name of the messenger **Makbool Husain**, who is the **servant of Allah**. Glory be to my **Lord**.

Can you possibly comprehend a revelation like this, which is absolutely customized to address the messenger directly and inspirationally in order to prove the channel of communication between **Allah and His servant**? It is virtually impossible for anyone to bring out their name out of coded revelations on a consistent basis through the verses of Quran. You and I know that **Allah Ta'ala** fully controls everything, including His Scripture, glory be to Him.

Is this fabrication or is it the **Truth from Allah**? The verse/s is controlled by **the Most Sacred** and He has inscribed **my name letters** in the verse to reveal my name, **Subhan Allah**. You decide whether this can be fabricated and be your own judge. But remember, **Allah** will judge over all the people regarding their decision to disbelieve.

Allah has created the messenger for a specific purpose – the likes of which will not be repeated:

19:7 Part: *We never created anyone like him before.*

20:41 *"I have made you just for Me."*

Revealed: The messenger's letters are 13+6, **the sum is 19**.

Revealed: The GV of messenger's letters are 512 and 206, **the diff. is 306**, spelling out the full name of the *messenger, Makbool Husain*, Subhan Allah.

20:39 Part: *And I showered you with love from Me.*

Part: *And I had you made before My watchful eye.*

Revealed: The messenger's letters are **12** and **8**, to reveal the **name Husain 128**, who has been created for the specific purpose of delivering the '*Ultimate Message with the Miracles*.'

Revealed: The GV of messenger's letters are **336 = 14 x 24** and **196 = 14 x 7 x 2**.

20:39 Part: *And I showered you with love from Me.*

Revealed: The GV of Allah letters is **precisely 66** proving the love that the **Most Merciful** has showered upon the messenger by creating him and blessing him with the **Divine Revelations** and the mission to deliver His messages, **Alhumdo Lillah**.

20:41 *"I have made you just for Me."*

20:39 Part: *And I had you made before My watchful eye.*

Revealed: The messenger's letters are 6+8, to total **14** – the *specific Code and Miracle of Seven Pairs* proves the reason for which the messenger has been created. It also proves that the *inspiration to believe in Allah and to obey His guidance* was already planted in the soul at the time the *Creator created me*.

For the first time, the Quran has been revealed through the **Sacred Letters of Allah**, the **One** who revealed the Quran to prophet Muhammad over 1400 years ago. Nothing can surpass, excel, supersede, or be more praised than the Sacred letters that make up the Name of **ALLAH**. This is further augmented by the usage of the first letter of **Allah**, which is an **Aleef** representing the gematric value of **ONE**. These revelations are further augmented by Revelations of **110** and **165**

being the gematric values of both forms of **Shahadah**. In addition, the initials and letters of the **messenger's name** are part of the overall revelations, deeply encoded and inscribed within the fabric of verses. This is the fulfillment of the "**Prophecy of Ahmed**" as narrated through **Verse 61:6**, Alhumdo Lillah.

Below are 2 most important pairs of verses presenting **Allah's challenge** to the hypocrites and the disbelievers who do not like to believe in **God's messenger**, express doubts about the revelations granted to him, and accuse him of fabricating the Quran. Their false accusations and allegations against the messenger are heard and noted by **the Hearer, the Omniscient**, who responds to them through the **2 pairs of verses** that address the hypocrites and the disbelievers. The precise coding through the **Sacred letters of Allah, along with the Aleefs** express **Absoluteness** of His **Authority, Command, Control, Kingship, and Sovereignty**. The **Aleef** being the first letter of **Allah** has a GV of **ONE**, and express the **Absolute Authority of Allah** according to His attribute of "Al-Samad – **the Absolute.**" These kind of "**powerful revelations**" coded through the **Creator's** own name letters will never be revealed and granted to any liar, fabricator, disbeliever, or distorter, as they are fully controlled by the **Lord of the Universe**. By revealing them to the human messenger chosen by **Allah**, it proves that He has guided him, is acceptable to Him, and is a submitter to the **Absolute Lord**.

2:23 If you have any doubt regarding what we revealed to **our servant**, then produce **one** sura (chapter) like these, and call upon your own witnesses against **Allah**, if you are truthful.

2:24 If you cannot do this - and you can never do this - then beware of the Hellfire, whose fuel is people and rocks; it awaits the disbelievers.

11:13 If they say, "He (*the messenger*) fabricated (*the revelations of Quran*)," tell them, "Then produce **ten** suras (*chapters*) like these, fabricated, and invite whomever you can, other than **Allah**, if you are truthful."

11:14 If they fail to meet your challenge, then know that this is revealed with **Allah's** knowledge, and that there is no god except He. Will you then submit?

Can you or anyone else challenge this Supreme Revelation direct from the Creator of the Heavens and the Earth?

Revealed: The **Allah letters** for each pair of verses are 46 and 47, **the diff. is ONE**. Subhan Allah.

I ask the hypocrites if they can challenge the "**supreme revelations**" revealed to the messenger. All they have to do is count the letters of **Allah** in both pairs of verses. If they find it to be correct, then they should know that **Allah is the One** who has pre-designed, pre-structured, and pre-decreed the praised message revealed to the messenger under His glorified letters. **The messenger, nor anyone else**, has any power to initiate or reveal such hidden and coded revelations, let alone fabricate **such hidden and unknown secrets of Allah**, glory be to Him.

The great challenge to the disbelievers is presented by **Allah** through **Verse 2:23** under the **Miracles of 14 and 19** in combination with His letters and the letters of His messenger along with the precision of **66 Arabic letters** up to the **Sacred Name of ALLAH** and **77 Arabic letters** in the entire verse to reveal the great **Miracle of Seven Pairs**.

[2:23](#) If you have any doubt regarding what we revealed to [our servant](#), then produce [one](#) sura (chapter) like these, and call upon your own witnesses against **Allah**.

Revealed: Up to the Sacred and glorified name of “**Allah**,” the Allah letters are precisely **19** and the messenger’s letters are **33**, **the precise diff. is 14**, glory be to Allah. These are the Miracles of the Sacred Codes of 19 and 14.

Revealed: Up to the Sacred and glorified name of “**Allah**,” the Arabic letters are precisely inscribed as **66** to match and reveal the name of the **Omnipotent Allah** who has revealed the Quran to the messenger and the glorified revelations, **Alhumdo Lillah**.

[2:23](#) If you have any doubt regarding what we revealed to [our servant](#), then produce [one](#) sura (chapter) like these, and call upon your own witnesses against **Allah**, if you are truthful.

Revealed: The entire verse has 20 Allah letters and the messenger’s letters are 39 to reveal the **difference of 19**. The **Miracle of 19 and 14** has been further magnified by revealing the Sacred Codes of 14 up to **Allah** and 19 for the entire verse, Glory be to my Lord.

Revealed: The Arabic letters are **66** up to “**Allah**” and **77** in the entire verse to reveal the **great Miracle of Seven Pairs**.

The Verses express a “*direct challenge*” from the **Supreme Allah** to those who disbelieve in these revelations. Read the content of both verses and you will know that **the Avenger** is addressing people like you and others who doubt the revelations granted to the messenger and the Signs/Miracles associated with them. As I have challenged all of you on behalf of **Allah** to comply with **Verses 2:24 and 11:14**, I must ask you whether you can present similar proofs and revelations or can you write like the messenger writes from **Allah**, as **Verse 2:24** states. The **Almighty** is warning you that you can never produce anything similar to match with the supreme revelations from **Allah**. Since you cannot take on the challenge, be ready for the Hellfire when you die.

The warning from **Allah** comes with the serious proofs of **Aleefs** expressing the **Absoluteness of Allah** and both verses are uniformly coded with the **great Miracle of Seven Pairs – 14**. Note the Proofs!

[2:24](#) If you cannot do this - and you can never do this - then beware of the Hellfire, whose fuel is people and rocks; it awaits the disbelievers.

Revealed: The **Aleefs of Absoluteness** are precisely **14** – the great Miracle of Seven Pairs that is the profound Sign of the messenger.

[11:14](#) If they fail to meet your challenge, then know that this is revealed with **Allah’s** knowledge, and that there is no god except He. Will you then submit?

Revealed: The **Aleefs of Absoluteness** are precisely **14** – the great Miracle of Seven Pairs that is the profound Sign granted to the messenger, **Alhumdo Lillah**.

11:14 Part 1: If they fail to meet your challenge, then know that this is revealed with **Allah's** knowledge.

The Challenge Presented: The **Allah** letters are 16 and **messenger's name initials** are 17, **the diff. is ONE.**

Further Challenge: The **Aleefs of Absoluteness** are **8** and **messenger's name initials** are **17**, revealing the name of the **messenger, Makbool, 178**, through the Pattern with the sacred mix of Aleefs and messenger's initials.

Revelation of Al-Quran and the Believers: The GV of **Allah** letters is precisely **223** spelling out the word "*Al-Muhminoon – the believers.*" The **believers - 223**, know that what the messenger recites is revealed by **Allah** with His own knowledge, Subhan Allah.

The GV of **messenger's letters** is 606, the difference between **223** and **606** is precisely **383**, revealing the value of the glorious "**Al-Quran.**" The **Most Merciful** has revealed **the Quran (383)** through the messenger for **the believers (223)**, and to warn the critics, hypocrites, and the disbelievers through these sacred and powerful revelations. Note the digits of both numbers – they will again reveal a sacred number.

223 and 606: The sum of digits is: 2+2+3+6+0+6, the **sum is 19**, glory be to **God**.

11:14 Part 2: And that there is no god except He. Will you then submit?

Revealed: The **Allah** letters are a **Perfect 14.** The **Absolute Lord** has shown His proofs, claimed and proven that there is no other god except **Allah**, and asked the people to submit to Him by believing in the revelations sent down with the messenger.

Revealed: The **Allah** letters are 14 and **messenger's letters** are 15, **the diff. is ONE.** Through the powerful Revelation of 1 granted to the messenger, **Allah** has proven that **He is indeed ONE in Absolute Authority.**

11:14 Part: Will you then submit?

Revealed: The GV of **Allah** letters is **Perfectly 66** to reveal the glorified name of **Allah**. He is asking you to submit to Him through the revelations sent down with the messenger. I question the hypocrites – are they going to maintain their arrogance and ego even after seeing such glaring, clear, and conspicuous proofs and remain **unappreciative to Allah?**

Here is a profound example from the Quran about **Solomon** who sent a simple and brief message to Sheba that is the opening verse of the Quran, and she submitted to **Allah** through **Solomon** as stated in **Verses 27:29-31** and **27:43-44**. I am sending you pages of detailed, clarifying, and truthful revelations revealed by the **Lord of the Universe** through inspiration; are you going to deny and disregard them? Have you considered your fate after death and in the Hereafter? How will you be able to **face Allah** by disbelieving and by distorting and concealing His revelations from your group members? He is fully aware of your thoughts, actions, and belief.

If you believe in the revelations, you will be blessed to be guided by **The One, the Supreme, Allah** - whereby you can expect salvation and redemption on the Day of Resurrection, if you remain righteous till death. But if you disregard and disbelieve in the revelations granted to the messenger, then I would like you to be frank in uttering your disbelief, then follow it up with the “**Challenge**” presented by **Allah** through **Verse 3:61** which the messenger is willing to carry out with anyone of you, and with all the disbelievers, so that **Allah** can decide between the truthful and the liars, and invoke His curse upon the liar/liars. These are all verses of the Quran. You and your group have proclaimed to believe in “*Quran alone*,” and therefore, you need to come forward and accept the challenge, as all the verses of the Quran play out at some point during the messenger’s life.

** The messenger has stated categorically and truthfully that these are inspired and truthful revelations from my **LORD** and anyone can verify the accuracy of them. Any errors and omissions by the *human* messenger will be corrected or removed if you point them out. Moreover, the messenger will immediately seek forgiveness from the **Most Merciful, the Forgiver**.

It has been revealed and proven that these revelations are from **Allah, the Lord of the Universe**. The messenger and those who follow him are on the correct and straight path. Those who do not believe in him and follow him are on the wrong path. The wrong path means that you are following your idols and false gods. Your idols may be your leaders, sects, organizations, ego, self-opinions, conjecture, hearsay, distortions, and fabrications.

Every time the **Most Gracious** sent a messenger to any community, most of them rejected him. Out of the few who follow him, the majority of the believers later become hypocrites either during his life, or after the messenger’s death. The hypocrisy of the believers after the demise of Rashad is evident as they have stopped believing in future messengers against the laws and commands of Quran. The past communities of people of the scripture have committed the same “**blasphemy**” towards the **Supreme God**. They have selectively believed in a “*particular messenger*” that they liked and arrogantly reject **God’s** future messengers and messages. They believe and follow their gods and idols who are dead and powerless – at other times they believe in living human leaders who are also powerless and follow their falsehood without any verification and against the verses of the Quran. Compare this to the true believers who believe, obey and follow **Allah – the One** who revealed the **Proven Quran**. He is the **Lord** of the messenger and the believers and is **Alive, Living and Eternal**. He possesses all the power in the Universe.

25:58 You shall put your trust in the *One who is Alive* - the One who never dies - and praise Him and glorify Him. He is fully Cognizant of His creatures' sins.

3:2 **Allah**: there is no god except He; the *Living, the Eternal*.

10:65 Do not be saddened by their utterances. *All power* belongs to **Allah**. He is the Hearer, the Omniscient.

This is a **special Sermon** in response to an email received from a member of Tucson Group on June 19, 2009. The disbelieving community has challenged the messenger in a cynical way through their patent topics and phrases typical of disbelieving websites. The email sent to me had topics and verses which are already printed on their website called, www.submission.org, through which they denounce any person claiming to be a messenger after Rashad. Instead of denouncing the devil, as per **Verse 2:256**, they blaspheme the **Absolute Allah** by denouncing **His messengers**, whom He has called *His “honorable servants.”*

Here are some of the revelations from the **Most High** which are customized to reveal the name of the messenger through a variety of subjects. There can be no **greater PROOF** than the name of the messenger being revealed by the **Most Praiseworthy** through such important verses. The **Omniscient** is in full control over His revelations. It is up to you to *recognize the messenger* and the revelations bestowed upon him.

15:86 Your Lord is the Creator, the Omniscient.

Revealed: The GV of **Allah letters** is **128** – the *“ultimate miracle and message.”* has been revealed through the **messenger, Husain, 128**, praise be to **Allah**.

Allah, Most Exalted has created and established the messenger on Earth for a specific purpose:

14:38 Part 2: Nothing is hidden from GOD on earth.

Revealed: The GV of **messenger’s letters** is **306**. If **God** can reveal the hidden messenger not known previously and who is on earth for a very short interim, then know for sure that He is fully aware of everyone, and nothing is hidden from Him, **glory be to Allah**.

The messenger has been counted in the Master Record of GOD:

36:12 We have counted everything in a profound record.

22:70 All this is recorded in a record. This is easy for **God** to do.

Revealed: The GV of **messenger's letters** is a **Perfect 352** revealing the truth through the word “**Quran – 352**” proving that the messenger's name as *a deliverer of God's messages from the Quran* is already pre-recorded by the **Most Wise** in His record.

5:3 And I have **decreed Islam** as the religion for you.

Revealed: The GV of **messenger's letters** is a **Perfect 306**, revealing the full name of the messenger, **Makbool Husain**, who is authorized to preach Islam – the decreed religion of **ALLAH**. This again proves that the messenger's name has been pre-recorded as a deliverer of a profound message of *Islam – Submission*.

Allah has granted the messenger the Best Hadees:

39:23 Allah has revealed herein the **best Hadees**.

Revealed: The **Arabic Letters** are **17**, and **Allah letters** are **8** – the **Pattern of 178** again reveals the first name of the **messenger, Makbool**, glory be to my Lord.

Revealed: The GV of **Allah letters** is a **Perfect 128**, to reveal the name of the **messenger, Husain**, who has been revealed the “*Best Hadees*” coded with the sacred letters of **Allah and of His messenger**.

Revealed: The GV of the **messenger's letters** is a **Perfect 306** revealing the full name of the **messenger** who has been granted the “*best hadees – the best clarifying teachings.*”

Here is the clear authorization of my name as a messenger, to receive and preach the revelations of my Lord who is the **Absolute Possessor of the Throne**.

81:19 This is the utterance of an honorable messenger.

81:20 Authorized by the Possessor of the Throne, fully supported.

Revealed: The GV of **messenger's letters** is a **Perfect 306**, revealing the full name of the messenger and confirming the **Miracles of 19 and 14** as the **profound Signs** granted to him from the **Possessor of the Throne**, Alhumdo Lillah.

The Infallible Scripture is marked and encoded with the name of the messenger:

[2:1 & Part 2:2](#) ALM – This scripture is infallible.

Revealed: The **Allah letters** are 8 and **messenger's letters** are 9, **the diff. is 1**. This is the *Revelation of One* – the most valued and glorified revelation which has been inspired to me *to prove that ALLAH is ONE in Living, Eternal Existence and in Absolute Authority*.

Revealed: The GV of **Allah letters** is **128** to reveal the name of **the messenger, Husain**. This proves that the name of the messenger is woven and inscribed in the words and verses of the Quran from the beginning to the end of the Scripture, **Alhumdo Lillah**.

[2:2 Part:](#) This scripture is infallible.

Revealed: The **Allah letters** are 6 and **messenger's letters** are 7, **the diff. is 1**.

Revealed: The GV of **messenger's letters** is **114**. This proves that the *Scripture has the Stamp and Seal of Allah* with the **Revelation of 1** in combination with His letters and His messenger's letters, Subhan Allah. Moreover, **the revelation of 114** through the GV of **my letters** is *“the Proof”* that the messenger's name letters are inscribed throughout the **114 chapters of Quran**. This is the *“heavy message”* which is the fulfillment of the *“Prophecy of Ahmed”* as given in **Verse 61:6**, Alhumdo Lillah.

[2:2](#) This scripture is infallible; a beacon for the righteous.

Revealed: The **messenger's letters** are a **Perfect 14** to confirm the *“Messenger of the Seven Pairs”* who has been granted this *“blessed revelation”* from the **Most High**. The scripture is infallible as it is controlled and guarded by the **Sacred Codes of 19 and 14**, as well as by *“the Even and the Odd”* Subhan Allah.

Revealed: The GV of **Allah letters** is a **Perfect 162** revealing that this scripture is the **guide to Al-Islam (Submission 162)** and has everything that the **Most Praiseworthy Lord** has commanded for us. This **Book** leads to guidance through the **authorized messengers of Allah**.

Note that the name of the **Lord** as well as His decreed religion of **Islam** has been revealed right in the beginning of the Quran, under the words saying that this book is a beacon for the *“righteous”* only. The righteous are the ones who believe in and uphold **Allah's Absolute Authority**, and they are always **FEW**.

[2:2 Part 1](#): This scripture is infallible.

[Part 2](#): A beacon for the righteous.

Revealed: The messenger's letters are split up as 7 and 7 for each part of the verse, to reveal the coded messenger "*Ahmed*" sent with the *Sign of Seven Pairs*.

The messenger's role and rank coded in the names of the Scripture:

Al-Quran – Al-Furqan:

Allah's Teachings for the Messenger:

[4:113](#) And He has taught you what you never knew.

Inspirational Message from my Lord: The messenger's letters are 9 in the verse to match with the 9 letters which comprise his name **Makbool Husain**. The GV of the 9 letters is perfectly coded to reveal the value of 306, which is his full name, Subhan Allah. ** I will start my response to Junaid Durrani, Mehdi, Abdullah Arik, and other so-called submitters representing their organization, by seeking refuge in **ALLAH** from satan the rejected, through the **Verses** below and their **Proofs** from the **Creator**. The disbelievers do not understand the verses and follow like parrots without any understanding, while the messenger and the believers are following the “*Proven words of their Lord.*”

SEEKING REFUGE IN ALLAH FROM satan the rejected

[16:98](#) When you read the **Quran**, you shall seek refuge in **Allah** from satan the rejected.

[16:99](#) He has no power over those who believe and trust in their Lord.

[16:100](#) His power is limited to those who choose him as their master, those who choose him as their god.

Revealed: The coding of **Allah letters** in these most important and profound verses is precisely 15-14-13, to reveal the *difference of ONE*. These verses form the basis of belief in **Allah and His Absolute Authority** and are implemented by seeking refuge in **Allah** from “*satan the rejected*” **Glory be to Allah who is Absolutely ONE and ALONE.**

Revealed: The **messenger's letters** in the set of **3 Verses** are: $16 + 26 + 24 = 66$. **Praise be to ALLAH**, who has revealed **His Glorified Name** through *the letters of the messenger*, directly connecting the important message of Quran with His messengers. It is satan's desire and trick to lead the people away from **Allah** by leading them away from **His messengers** so as not to accept **His messages** and to prevent them from turning “*righteous.*”

** **These are not ordinary proofs** – they are indeed the *True Marvels and Revelations* from my **LORD**, who has clearly revealed **His name - Allah, 66** through **His messenger**, and also

revealed and confirmed for the first time through the **proofs of the Quran** that **He is indeed ONE** through His name letters. **Alhumdo Lillah.**

** The first verse is a mandatory command to all the followers of the Scripture, to seek refuge in **ALLAH** from satan the rejected when they read or recite **the Quran**. Therefore, you will observe that the command is backed up through the **most powerful** **“Revelation of 1”** through the combination of **Allah and His messenger’s letters**, Subhan Allah.

16:98 When you read the Quran, you shall seek refuge in **Allah** from satan the rejected.

Revealed: The **Allah letters** are 15 and the **messenger’s letters** are 16, **the diff. is 1.**

Praise be to Allah who has explained His System of Guidance through His authorized messenger, which satan is averse to and opposes as much as possible, but the truth is that he has no power over the **“true believers.”** They are the ones who worship **Allah** through the guidance revealed to **His messenger**, after believing in the **clear Signs, Proofs, and Miracles. They express their appreciation to the Most Gracious for having guided them through the messenger and for sending down His Signs and Miracles.**

** Here is another Miracle to back up the above Miracles, Proofs and Signs. The 3 important words in **Verse 16:98** mentioned in sequence are: **the Quran – Billah – and satan, the rejected (al-shaitan al-rajeem)**

Revealed: The **Allah letters** in these 3 **“key words”** are $3+4+4 = 11$. The **messenger’s letters** in these 3 **“key words”** are $3+3+6 = 12$. **Praise be to Allah**, the difference between **the letters of Allah and His messenger is precisely ONE.**

Revealed: The GV of **messenger’s letters** in all 3 **words** are: $180+62+170 = 412$. **What is this Number about?** This is the GV of **“Aayaat”** meaning – **Verses, Revelations, Proofs, Signs, and Miracles**. This **“one word”** sums it all up – this word alone is the core and basis of belief, which remains incomplete if the submitters do not believe and accept all the verses of the Quran, or if they believe in partial Quran only, or if they refuse to believe in ongoing submission and subsequent revelations from the **Almighty Lord** and they reject His Signs, Miracles, Proofs and guidance sent down through His messenger. You are now seeing, reading, and observing **Allah’s profound SIGNS and MIRACLES** behind the verses.

** **Observe another Miracle** – Allah Ta’ala has granted me the **“Revelation of 1”** to prove that **“Allah is One”** and that **He is One in Eternal, Living Existence, and in Absolute Authority**. Those who believe in **Allah** and follow the guidance revealed through the messenger as per the revelations will qualify for **forgiveness** and **Paradise**.

He has also granted me the **“Revelation of 2 (gods)”** to distinguish between **“one God and two gods”** and to prove and clarify **Verse 16:51**. This is to alert and warn all the people through **His messenger** that those who disbelieve in Him, those who are hypocrites, those who are idol worshipers, those who refuse to believe in and obey His messenger, those who believe in partial Quran only, and there is much more explanation and meaning behind these **“sacred revelations”** – that such people will definitely be condemned to **Hell**. **These are the most clarifying**

revelations ever given to mankind. NOTE the Miracle through the words – in the verse, “**Al-Quran is connected with Allah**” as He has revealed it, and satan is against it. I am going to show you the connection of **Allah letters** in combination with the **messenger’s letters** to reveal both of the revelations – 1 and 2.

16:98 Al-Quran: Allah letters are 3. **Billah:** Allah letters are 4, the diff. is 1 – the Supreme “Revelation of 1.”

The **messenger’s letters** are 3 and 3 in each word – the **Perfectly Matching Revelation.** (it is one of the revelations granted to the messenger, as per **Verse 56:37**)

Both Sacred Words: Allah letters are 7 and messenger’s letters are 6, the diff. is 1, Subhan Allah. This is the Supreme “Revelation of 1.”

Al-Shaitan Al-Rajeem: The **Allah letters** are 4 and **messenger’s letters** are 6, the diff. is 2 (gods). Those who do not believe and follow **GOD ALONE** through **His messenger** are really worshipping 2 gods, which means they are worshiping satan without realizing it. Their worship of **GOD** is nullified by Him for disobeying His commands.

Note how the revelation has changed from the previous proof where **Quran and Allah** is mentioned, with the miracle revealing the difference of 1 between *Allah and His messenger’s letters*; whereas, in these words mentioning “*satan the rejected,*” the revelation from the **Most Wise** has changed to reveal the difference of 2 (gods). Allah has disowned “*satan*” and “*the idol worshippers*” and so has **His messenger, Makbool Husain, Praise be to Allah.** (See **Verse 9:3** for reference to the words used by me).

You have just witnessed the power, wisdom, and glory of **ALLAH** to unveil just **3 verses 16:98-99-100** with such detail through **Allah’s letters** and the letters of **the messenger** chosen by Him. **Subhan Allah.** These detailed revelations are just an example of what the **Most Gracious** has revealed to **the messenger**. Some of it is detailed and explained on the Website and in my Sermons.

** Do you have opposition to **the revelation** through the **Sacred name of ALLAH who is ONE?** *Could any revelation surpass or supersede the Glorified Name of ALLAH?*

** Do you have opposition to the **Truth** which the **Most Praiseworthy Lord** has revealed to His messenger that **He is indeed ONE**, and is the **Absolute in Authority?**

** Do you have opposition to the **Truth** that **He is Omnipotent** and revealed unique, distinct, and clarifying Miracles **not known** to the human beings before? Can you **not** see and distinguish the difference between **Truth and lies?**

** Do you have opposition to **the Truth** that **ALLAH** has granted **the messenger** the most powerful “*Revelation of 1*” through the **letters of Allah**, through the **letters of the messenger**, and through the combination of letters of **Allah and His messenger** through some of the most important verses of the **Quran?**

** Do you have opposition to the **Truth** that **ALLAH** has spelled out the **messenger's name** mathematically several times *and has coded my name letters by interweaving them in the verses through the entire Quran?*

** After having sought refuge in **my Lord** from satan the rejected through the **proven revelations** above, I am now going to address you topic by topic on the questions raised by you.

One of your favorite verses that you quote to anyone and everyone is **Verse 17:36** without understanding, without following it, and without implementing it yourselves. You are only paying lip-service to this important verse, misusing it, and discouraging your followers from following the entire contents of the Quran. You are guilty of manipulating this verse without having the serious intent of verifying anything presented to you. Because of your opposition to “*new revelations from GOD*” and to “*any new messenger and message,*” the **Most Wise** has specially revealed this verse to me with all the details to show the people what **verification** is about. The tools required for “*Verification Process*” are hereby being provided by **Allah**, the **One** who has revealed the Sacred Words in the Quran through the Proofs of the verses. The verse and its proofs should open up the eyes of the hypocrites and the disbelievers who take the revelations of ***Allah in vain, and mock His revelations and His messengers*** with total disregard without realizing the grave consequences in the Hereafter.

Verifying Quran before accepting any Information *(a favorite verse of the Tucson and other groups – the irony is that they do not understand this verse, nor do they follow it. It is a hollow challenge by them when they do not want to accept God's revelations or believe in them. Their ploy is to distract those who may want to see the proofs of the verses and to discourage them from taking a look at them.*

17:36 Part 1: You shall not accept any information, unless you verify it for yourself.

Part 2: I have given you the hearing, the eyesight, and the brain, and you are responsible for using all (*kullun*) of them.

Revealed: The GV of **Allah letters** are 127 and 193, **the diff. is 66**, revealing the glorified name of “**Allah,**” Most High.

Revealed: Entire Verse: The Arabic Letters are 57 and the Quranic Initials are 43, **the difference is 14** – *the Profound Revelation of Seven Pairs.*

17:36 Part 1: You shall not accept any information, unless you verify it for yourself.

Part 2: I have given you the hearing, the eyesight, and the brain.

Part 3: And you are responsible for using **all** (*kull'un*) of them.

Revealed: The **Allah letters** in each part are 7-8-7, **the diff. is 1**, Subhan Allah.

Revealed: The **messenger's letters** are 11-10-9, **the diff. is 1**, Alhumdo Lillah.

Revealed: The GV's of messenger's letters for each part are:

$378,260,302 = 7 \times 14 \times 3859799 - \underline{\text{Revelation of Seven Pairs.}}$

Miracle: The sum of digits of numbers 378,260,302 is **31**, while the sum of digits of the quotient number 3859799 is **50**, **the difference is 19**, Subhan Allah.

The **Most Wise** has thus revealed the **Sacred Codes of 14 and 19** through the **messenger's letters** through the above calculations, Glory be to Him.

17:36 Part 1: You shall not accept any information, unless you verify it for yourself.

Part 2: I have given you the hearing, the eyesight, and the brain.

Revealed: The **Arabic Letters** are 18 and 20, **the diff. is 2 (gods)**. When the followers of the scripture accept unproven information, then they have followed the devil by worshiping 2 gods which is idolatry.

Part 2: I have given you the hearing, the eyesight, and the brain.

Part 3: And you are responsible for using **all** (*kullun*) of them.

Revealed: The **Arabic Letters** are 20 and 19, **the diff. is 1 – Monotheism**. When the people use their hearing, eyesight, and brains, as commanded by **Allah Ta'ala**, then they will be guided to the straight path of **Monotheism**, as the **Revelation** proves through the **Number ONE**.

Revealed: The **Quranic Initials** are 14 and 15, **the diff. is 1**, Subhan Allah.

Revealed: The GV of **Allah letters** are **95** and **98**, each number is a multiple of **19 and 14**, thus *revealing the Sacred Codes of Allah Ta'ala*.

** The clear “*revelation of 1 for Allah's Absolute Authority*” and “*2 for worship of the devil*” has been clarified through the **3 parts** of the Verse.

17:36 Part 1: You shall not accept any information, unless you verify it for yourself.

Part 3: And you are responsible for using **all** (*kullun*) of them.

Revealed: The **Arabic Letters** are 18 and 19, **the diff. is 1**.

Revealed: The **Quranic Initials** are 14 and 15, **the diff. is 1**.

Revealed: **Each Part:** The **Allah letters** are 7 and 7 – *the Seven Pairs Proof*.

Part 1: The **Allah letters** are 7 and **Quranic Initials** are 14 – **the Code of 7-14**.

Part 3: The **Allah letters** are 7 and **Arabic Letters** are 19 – **the Code of 7-19**.

Part 2: I have given you the hearing, the eyesight, and the brain.

Revealed: The GV of **Allah letters** is 95 and of **the messenger** is 260, **the diff. is 165**, spelling out the words “*La Elaha Ella Allah*” (165) and “*Al-Samad*” (165). The blessings of **Allah** to grant the hearing, the eyesight, and the brain have been proven to be a true blessing upon the humans, but ironically, most of them do not use it for the purpose of achieving belief and righteousness. Note that the Code of Absoluteness is revealed in combination with the letters of the messenger. The messenger has provided multiple proofs and signs, now it is up to the disbelievers to use their hearing, eyesight, and brains.

Quotation from "submission.org" On their Website – www.submission.org, click and go to "What's New," then go to "Friday Reminders," then click on the second last line saying "The Eternal Messenger." In this section they have presented the "**Falsehood**" that the **Quran is the Eternal Messenger**.

I ask them that while they talk about logic, where is their LOGIC? Which Verse informs them that the Quran is the "eternal messenger." Can they cite even 1 verse to prove their distorted logic and teachings? Are they not criminals when they deliberately distort the Quran with their own hands and mislead the people against **God's teachings**?

The Response of the Messenger: Allah is Eternal, and He has sent scriptures to different communities over time in order to guide them through His scriptures and through His messengers.

The **Day of Judgment is 2280**. The Judgment will be made for those going to Paradise and those going to Hell, which will be eternal and forever. The word "**Eternal**" means "**forever**," with no beginning and end in time. *This word "Eternal" is used only in reference to ALLAH, Subhanahoo and not for the Quran or any other scripture.*

PAGE ON ISLAMIC CALENDAR FROM: www.submission.org. (Quote)

*All God's prophets and messengers came with the same message of submission (Islam), to **submit to the One and only God**.*

**** Response of Messenger:** *The way to submit to the One and only GOD is given through Verses 3:18-20, 21:106-109, 26:162-164, 28:51-54, 24:51-54, 4:64, and many more – through the actual usage of the word "submit" in many of them, as mentioned by you above. These verses clarify that the people have to submit through the entire Quran, and that includes belief in all the messengers and also includes belief in, and obeying a living messenger when Allah chooses to send one.*

I will recite a verse with the actual word of "submit" in it. The revelations granted to the messenger are consistent and foolproof, Praise be to Allah.

Revealed: The *command of Allah to the messenger* is further confirmed through the secret coding with the **Arabic letters being 14 (Seven Pairs)** in the first part of the verse.

Part 2: He (the messenger) said, "I *submit* to the *Lord of the universe.*"

Revealed: The **Allah letters** are **8** and **messenger's letters** are **12**, to reveal the name of the messenger **Husain, 128** through the pattern of combination of *Allah and His messenger's letters*. **God** confirms through the revelation of 1 and a separate revelation of my name, that I have indeed submitted to the **Lord of the Universe** and take all my commands straight from Him.

2:136 Part: To Him alone we are submitters.

2:138 Part: Him alone we worship.

2:139 Part: To Him alone we are devoted.

2:138 Him alone we worship. ** The GV of **messenger's letters** is **perfectly 202** for **LORD** or "*Rabb.*" The people should worship the **Lord** who created them through His commands revealed in the Quran, by following His messengers who guide you to the truth.

3:2 GOD: there is no god except He; **the Living, the Eternal.**

Consequences for mocking Allah, His Revelations and Messengers

18:106 Their just requital is Hell, in return for their disbelief, and for mocking My revelations and My messengers.

9:65 If you ask them, they would say, "We were only mocking and kidding." Say, "Do you realize that you are mocking GOD, and His revelations, and His messenger?"

Revealed: The Allah letters are precisely 12 and 21, to reveal the *profound Code of 1221* as given in **Verse 74:30**. This special code reveals the value of 165 for *Allah's Absolute Authority*. The numbers 12 when added up to 21 **reveals the sum of 165.**

7:52 We have given them a scripture that is fully detailed, with knowledge, guidance, and mercy for the people who believe.

22:8 Among the people there is the one who argues about **Allah without knowledge, and without guidance, and without an enlightening scripture.**

Revealed: The messenger's name initials are 20 and 21, the diff. is ONE.

Revealed: The messenger's name letters are 27 and 26, the diff. is ONE.

Revealed: The Arabic Letters are 42 and 43, the diff. is ONE.

Praise be to Allah who has warned the fake submitters like yourselves who argue against His revelations without knowledge, without guidance, and without referring to all the verses to understand the concept and context of them. These verses and their serious "Proof of One" marked through the letters of the messenger should bring you enlightenment if you overcome your arrogance and devote yourselves to Allah Ta'ala.

7:52 Part: We have given them a scripture that is fully detailed, with knowledge, guidance, and mercy.

Revealed: The *mercy of Allah* is revealed through the word "*mercy*" which has messenger's letters as "*ha meem*" or "*HM*" in it, to bring out the Sign of H.M. as given through Chapters 40-46.

Revealed: The word "*mercy*" has **1 Allah letter** and **2 letters of messenger**, to reveal the diff. of 1.

Revealed: The Allah letters are 8 up to mercy, and messenger's letters are 17, to reveal the name of the messenger, 178 through the pattern created with combination of letters thus revealing *God's mercy towards the messenger*.

22:8 Part: Among the people there is the one who argues about Allah.

Revealed: The Allah letters are 8 and messenger's initials are 12 – revealing the name 128 through the combination of letters. This proves that the disbelievers like to argue with the messenger, when He advocates the worship of *God Alone through the Quran Alone*.

Revealed: The GV of Allah letters is a Perfect 128 to reveal the name of the messenger, **Husain**.

Part: Without knowledge, and without guidance.

Revealed: The GV of Allah letters is a Perfect 66 to reveal the glorified name of Allah who alone can provide the knowledge and guidance to whomever He wishes.

Revealed: The GV of messenger's letters is 128 to reveal the messenger who has been provided knowledge and guidance by the **Supreme Creator**, glory be to Him.

22:8 Part: Without knowledge, and without guidance, and without an enlightening scripture.

Revealed: The GV of messenger's letters is $266 = 14 \times 19$, **Subhan Allah**. This reveals the knowledge and the guidance given to the messenger through the enlightening scripture, which is coded under 14 and 19.

Progressive Proofs through Verse 10:39

10:39 Indeed, they have rejected this without studying and examining it (**Allah letters are 7**), and before understanding it (**Allah letters are 14**). Thus did those before them disbelieve (**Allah letters are 19**). Therefore, note the consequences for the transgressors.

All the **3 Sacred Codes of 7-14-19** are thus precisely marked at the appropriate parts and words of the verse with the grave warning for the transgressors who refuse to accept the message through the messenger and the Divine Proofs shown by him.

Wrapped around Proof: The entire verse has **25 letters of Allah** and **messenger's letters are 44, the difference is 19**, Subhan Allah. This proof has placed additional emphasis on the verse, and those who reject these proofs without studying and examining them will join the disbelievers and the devils as they have rejected the words of **Allah** in the past. Their fate is mentioned and recorded in the Quran to serve as an example for future generations.

22:54 Part 1: Those who are blessed with knowledge will recognize the truth from your Lord, then believe in it, and their hearts will readily accept it.

Revealed: The **Allah letters are 19** and the **messenger's letters** are 33, the diff. is **14**. These are proofs of the **Sacred Codes of 19 and 14** in combination with *Allah and His messenger's letters*, Subhan Allah.

22:54 Part 2: Most assuredly, **GOD** guides the believers in the right path.

Revealed: The **Aleefs of Absoluteness are 7** and **Allah letters are 14** revealing the *Sacred Codes of 7-14*.

Revealed: Part 1 and 2: The **Aleefs of Absoluteness are 7 and 7** revealing the **Seven Pairs Proof**.

Revealed: Parts 1 and 2: The **Allah letters are 19 and 14** revealing the **Sacred Codes of 19-14**.

Revealed: Entire Verse Wrapped around: The **Aleefs of Absoluteness are 14** and the **Allah letters are 33, the diff. is 19**, Subhan Allah.

Can the disbelievers deny such clear marking of Proofs through the verse that reminds them of recognizing the truth from their Lord? It is not even complicated mathematics – it is a simple count of letters which even people with basic education can do.

Quote from www.submission.org. **Quranic Criteria for God's Messengers**

God in his immense mercy has spelled out the criteria in the Quran, so that the believers may recognize His messengers as well as reject false messengers who fail to meet the simple criteria. As believers we know that a person is either a messenger from God or he/she is not a messenger from God. In the latter case such claimants qualify as messengers of Satan.

[6:34] Messengers before you have been rejected, and they steadfastly persevered in the face of rejection. They were persecuted until our victory came to them. Such is GOD's system that will never change. The history of My messengers thus sets the precedents for you.

The history of God's messengers thus sets precedence for any future messenger/s.

NOTE: The expanded criteria set out for messengers by your website to establish that someone is a messenger of Allah is falsehood on your part as you have added in more points and requirements which are not asked by God. The simple criteria for a messenger of Allah is that they proclaim the Shahadah declaring that Allah is One in Absolute Authority, they bring Sign or Proof from their Lord, and they do not ask wages for their time. They will preach from the Quran and preach through the “inspired revelations” given to them, as you see through my responses and in my sermons.

Quote: 1. ADVOCATE GOD ALONE

God's messenger will advocate worship of God alone and will abolish all forms of idolatry (7:59-92).

**** Response of messenger with appropriate Verse and its Proof:**

The messenger worships **Allah** according to the inspired and revealed commandments and through the Quran. In fact the worship practices observed by the messenger are purified by **Allah** and He has decreed the **coded and sacred Salat** to be observed for Him 5 times a day. The messenger has informed the believers and defined idolatry for them from the Quran. The worst form of idolatry practiced by the followers of the Quran is the rejection of **God's messengers**. This will never be forgiven by the **Most Praiseworthy Lord** nor will such people be guided. As for the messenger who believes in **Allah and His Absolute Authority**, the verse below certifies that **God** has accepted him as a believer and so do those who follow him.

2:163 Your god is one god; there is no god but He, Most Gracious, Most Merciful.

Revealed: The Allah letters are **19** (*Waahed*), and messenger's letters are **18** (*Wahidun*), **the diff. is 1** – the “**Supreme Revelation of 1 from Allah Ta'ala**” is the **Proof** behind the messenger that He believes, advocates, and preaches **ALLAH ALONE (God Alone)**.

****** Can you provide any kind of Proof for your belief and teachings, other than the “**old miracle of 19**” which was **not** revealed to you, but was a **Sign** for the messenger, **Rashad**. The new miracle of “**Revelation of 1**” now supersedes all past miracles and revelations, **Alhumdo Lillah**.

37:35 When they were told, "La Elaha Ella Allah (There is no other god beside Allah)."

Revealed: The messenger's letters are a **Perfect 14**.

37:35 When they were told, "La Elaha Ella Allah (There is no other god beside Allah)," they turned arrogant.

Revealed: The messenger's letters in entire verse are **19**. This is the revelation of the ***Sacred Codes of 14 and 19*** through the letters of the messenger. Do you have any doubts about **the Absoluteness of Allah** who has coded and revealed the messenger's name letters through this profound verse which addresses the hypocrites and the disbelievers?

41:4 A bearer of good news, as well as a warner. However, most of them turn away; they do not hear.

41:5 They said, "Our minds are made up, our ears are deaf to your message, and a barrier separates us from you. Do what you want, and so will we."

41:6 Say, "***I am no more than a human being like you, who has been inspired that your god is one god.*** You shall be devoted to Him, and ask His forgiveness. Woe to the idol worshipers.

41:7 "Who do not give the obligatory charity (Zakat), and with regard to the Hereafter, they are disbelievers."

You and your group have deliberately and wrongfully translated the above verses by saying that the Quran is the messenger here instead of the human messenger. The **Most Wise** will prove you wrong and you stand guilty as being fabricators and liars and mockers of His revelations and His messengers. The proofs are woven in the verses and they are beyond the comprehension and ability of the liars and fabricators, who distort the glorified revelations on purpose and deliberately try to mislead the people. The sin for doing what you have done is horrendous – the punishment for conjecture, fabrication, and lying is beyond what you can imagine right now but soon you will find out upon your death. Here are the glorified markings and proofs to support the messenger and to prove to you and everyone else, that the Quran **is not** the messenger mentioned here, but it is the human being who is the messenger. You dispute and deny the verses even though **Verse 6** clearly mentions a **human being** (*basharun*).

41:4 *A bearer of good news, as well as a warner.* However, most of them turn away; they do not hear.

41:5 They said, "Our minds are made up, our ears are deaf to your message, and a barrier separates us from you. Do what you want, and so will we."

41:6 Say, "***I am no more than a human being like you.***"

Revealed: From **Verse 41:4** to **41:6**, the verses explain and define that the messenger **Allah** is mentioning is **a human being** and **not the Quran**. The words "**warner**" in **41:4** is linked and connected to the "**human being**" in **41:6**, who is the human messenger and who delivers **God's message** to the people. You can hear the human messenger when he recites the revelations but the Quran does not speak on its own, as it is a Book and someone has to recite it to be heard. Where is your LOGIC?

The Proof: The **letters of the messenger** are precisely **66** bearing the glorified name of **Allah** to prove, link, connect, and explain the verses. ***The hypocrites and the disbelievers are thus exposed as liars and fabricators.***

41:4 *A bearer of good news, as well as a warner.*

41:6 Say, "***I am no more than a human being like you.***"

Revealed: The above parts of the verses which clarify that **Allah** is indeed pointing out a human messenger are clearly marked with 14 letters of the messenger, **Subhan Allah**. This is the *Miracle of the Seven Pairs* which clarifies everything *and defeats the distorters' misinterpretations along with their misguided explanations and lies*.

41:6 Part: Say, "I am no more than a human being like you."

Part: Who has been inspired that your god is one god.

Revealed: The **Quranic Initials** are **14** and **19** in each part to reveal the **Sacred Codes of 14-19** which have been granted to the messenger to preach the truthful message of **Allah Ta'ala**.

Quote: 2. NEVER ASKS FOR WAGES
God's messenger never asks for wages for himself.

**** Response of messenger:** Find me one person from among my followers or from outside the congregation from whom I have asked any wages. You will not find any by the grace of **Allah**. I have traveled to preach the message, spent days and late nights to show them the miracles and the teachings through them, all at my own expense in the **cause of Allah**.

****** The proofs through the actual verses revealed with my name have been presented in the earlier section of the Sermon, which prove that the messenger does not seek wages nor has ever sought wages for his time from anyone.

Quote: 3. QURAN ALONE
Logic dictates that a messenger of God will uphold the Quran alone for religious law (6:114) and not sanction religious regulations, which are not authorized in the Quran.

All the messenger claimants since Dr. Rashad Khalifa announced his messengership in 1988 claim to be within the confines of the above three criteria, but stand exposed as false messengers when it comes to the following additional criteria as spelled out in God's words in the Quran.

**** Response of messenger:** You are correct in the usage of the word "LOGIC" quoted above, *but the big question is whether you are following the professed LOGIC yourself?* You are not following the "Quran alone" as advocated by you. I can recite and quote the entire Quran for you to prove that you are not following the entire Quran, nor are you following Quran alone, as falsely stated by you.

**** Here is my Proof from GOD that I am following the Quran Alone** – this Proof is in accordance with the "Revelation of 1" revealed to me, **Subhan Allah**. This will defeat your false notion that you are following the "Quran Alone." The Truth and Proof is granted to the messengers while you have no proof to your assumptions, logic, falsehood, and unauthorized teachings which are called *human hadees*.. The Sacred Codes are marked in the "Quran alone" verses, about which you are not even aware. Note the Glorified Miracles of Allah.

17:45 When you read the Quran, we place between you and those who do not believe in the Hereafter an invisible barrier.

17:46 Part 1: We place shields around their minds, to prevent them from understanding it, and deafness in their ears.

Revealed: The Allah letters are precisely 19 and 14 in each verse to reveal the Sacred Codes. After the Proof through the *Sacred Codes of 19 and 14*, the latter part of Verse **17:46** states the following:

17:46 Part: *And when you preach your Lord using the Quran alone.*
Part: *They run away in aversion.*

Revealed: The Aleefs of Absoluteness are 4 and 3, the diff. is 1 ---- “*Revelation of Absoluteness*”

Revealed: The Allah letters in each part are 6 and 6, **Perfectly Matched** to reveal the glorified name of ALLAH 66.

Revealed: The messenger’s letters in each part are 8 and 9, the diff. is 1 ---- “*Revelation of 1*”

Here is the incontrovertible Proof through the words – *Allah Alone* and *Quran alone*:

Allah Alone: (*wahdahoo*) Allah letters are 5 and messenger’s letters are 4, the diff. is 1.

Al-Quran alone: (*wahdahoo*) Allah letters are 4 and messenger’s letters are 5, the diff. is 1.

Allah Alone - Al-Quran alone: Allah letters are 5 and 4, the diff. is 1.

Allah Alone - Al-Quran alone: Messenger’s letters are 4 and 5, the diff. is 1.

The word: Wahdahoo (alone): Allah letter is 1 and messenger’s letters are 2, the diff. is 1.

The word: Waahed (One): Allah letters is 1 and messenger’s letters are 2, the diff. is 1.

Revealed: In the words “wahdahoo” and “waahed” the messenger’s letters have the GV of 14 in each word – the great Miracle of Seven Pairs is embedded and woven in these sacred words.

7:70 states “*Allah Alone*” (*wahdahoo*) and **17:46** states “*Al-Quran alone*” (*wahdahoo*).

Revealed: Both sets of words are composed on the Miracle of 19 and 14. Here is the Proof:
The Arabic letters are $4+4+7+4 = 19$. The Quranic Initials in these words are $4+2+6+2 = 14$.

** Note the sequence of numbers revealed through the 2 sets of Sacred Words. They are 4474 and 4262, the difference between them is: 212 for “*Rabbi – my LORD.*” My Lord has confirmed that the messenger is following *Allah Alone through Quran alone*, while the distorters and disbelievers have been exposed as falsifiers and liars.

17:46 Part: *And when you preach your Lord using the Quran alone.*

Revealed: The GV of messenger’s letters in this part is perfectly 212 for “*Rabbi – my LORD*” to match the above revelation, **Alhumdo Lillah.**

The **Omnipotent Lord of the Universe** has proven that **His messenger** is truthful and on the correct path, while all those who reject, oppose, and disbelieve in him, **are considered liars.**

I am now going to take parts of verses which mention the words **“Allah Alone and Quran alone.”** Up to the precise sacred words, I will show you the revealed proofs, as these words are constantly manipulated by the hypocrites from Tucson and their followers. They are going to be in **“awe”** if they *sincerely read what Allah has revealed through His messenger. There is no other way around for them except to seek forgiveness from Allah through the messenger, after having believed in Allah and His Absolute Authority through His messenger.* If they do not repent to **Allah** for their arrogance, denial, rejection, ego, and distortion of revelations, then they will face the inevitable punishment of Hell in the Hereafter.

1st Occurrence of “God Alone” in Quran:

7:70 They said, "Did you come to make us worship **Allah Alone?**"

The only occurrence of “Quran alone”:

17:46 Part: And when you preach your Lord using the **Quran alone.**

Revealed: The Aleefs of Absoluteness are 5 and 4, the diff. is **absolutely ONE.**

Revealed: The messenger’s letters are 11 and 8, **the sum is 19** for both verses, **Subhan Allah.**

1st Occurrence of “God Alone” through Verses:

7:70 They said, "Did you come to make us worship **GOD Alone?**"

The only occurrence of “Quran alone”:

17:46 Part: And when you preach your Lord using the **Quran alone**, they run away in aversion.

Revealed: The GV of messenger’s letters are 342 and 392, *each of them is a multiple of 19 and 14, bearing the Sacred Codes of Quran as per Verses 74:30 and 15:87* Subhan Allah.

$$342 = \underline{19} \times 18 \text{ ----- } 392 = \underline{14} \times \underline{14} \times 2$$

Thus the **Proofs** through the **“ultimate miracles”** have been provided by **Allah Alone** through the words of **Quran alone to support and confirm the Truth revealed to the messenger**, while exposing the disbelievers and the hypocrites who never knew the **“true meaning”** behind these most **Sacred Words** and have in fact been mocking and ridiculing **Allah’s revelations** all along by advocating them but not themselves believing in them. They are sinful disbelievers who have violated their **Covenants with Allah** and have broken **His religion of Islam into sects**, for which they stand fully accountable now and in the Hereafter. The door for asking forgiveness through the **messenger** and repentance to **Allah** remains open for them if they choose to do so. Their belief in the **first Code** is not enough till they believe in the **second Code** which together make up the formula, as given in:

89:3 **“By the even and the odd.”**

2:44 Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture? Do you not understand?

Revealed: The Allah letters are 16 and messenger's letters are 30, the diff. is 14.

2:44 Part 1: Do you exhort the people to be righteous, while forgetting yourselves.

Part 2: Though you read the scripture. Do you not understand?

Revealed: The GV of messenger's letters are 592 and 430, the diff. is 162 for Submission (*Al-Islam*).

2:44 Part 1: Do you exhort the people to be righteous, while forgetting yourselves.

Revealed: The Allah letters are 8 and messenger's letters are 17 – the Pattern of 178 to reveal the name of the messenger, **Makbool**.

Revealed: The GV of Allah letters is a **Perfect 66** proclaiming the glorified name of ALLAH.

Part 2: Though you read the scripture. Do you not understand?

Revealed: The GV of Allah letters is 124 and GV of messenger's letters is 430, the diff. is 306, revealing the full name of the messenger, **Makbool Husain**.

Progressive Proofs: (*note the revelation of proofs as I recite the verse moving forward*)

2:44 Part 1: Do you exhort the people to be righteous, while forgetting yourselves.

Revealed: The GV of Allah letters is a Perfect 66.

2:44 Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture?

Revealed: The GV of Allah letters is a Perfect 128 revealing the name of the messenger right after the Revelation of the glorified name of Allah in the earlier part. This proof is in continuation of the GV of Allah letters and progresses with the verse as you read it.

2:44 Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture? Do you not understand?

Progressive Proof: The GV of Allah letters for entire verse is $190 = 19 \times 10$.

The Quran has been inspired and revealed to the messenger – the Verses speak for themselves:

10:37 This Quran could not possibly be authored by other than Allah. It confirms all previous messages, and provides a fully detailed scripture. It is infallible, for it comes from the **Lord of the universe**.

Revealed: The Allah letters are 25 and messenger's letters are 44, the diff. is 19. Subhan Allah.

Revealed: The Aleefs of Absoluteness are 11 and Allah letters are 25, the diff. is 14, Subhan Allah.

Praise be to Allah who has already encompassed the Sacred Codes of 19 and 14 in this verse and others in the Quran – a profound Miracle indeed which includes the inscription of the messenger’s letters encoded within the fabric of verses, Alhumdo Lillah.

***** *Another Example through another Profound Verse:***

The entire verse offers the **Profound Miracle** as well as parts of the verse. Let the fabricators know that the words of **Allah** are beyond their approach – it should certainly open their eyes and bring them out of their blindness to see the **Marvels of Allah Ta’ala**.

6:19 Say, "Whose testimony is the greatest?" Say, "**Allah's**. He is the witness between me and you that this Quran has been inspired to me, to preach it to you and whomever it reaches. Indeed, you bear witness that there are other gods beside **Allah**." Say, "I do not testify as you do; there is only one god, and I disown your idolatry."

Revealed: The **Allah letters** are 50 and the **messenger’s letters** are 69, **the precise diff. is 19**, Subhan Allah. The **Most Wise** hereby reveals that His testimony regarding the inspired revelation of verses through **messenger Makbool** is the greatest and no one can match what the **Absolute Lord** has revealed. This proves the firm support of **my Lord** in revealing the Truth through the messenger. **Alhumdo Lillah**.

6:19 Part: *Say, "Whose testimony is the greatest?" Say, "Allah's.*

Revealed: The **Allah letters** are 10 and **messenger’s letters** are 9, **the diff. is ONE**. Allah’s testimony presented and recited through His messenger is the “**Greatest**” as the Revelation proves. This also proves that the messenger speaks **the Truth** as inspired by **Allah**, while those who oppose or reject the messenger are liars and will have no support from Him.

The Ouran inspired to the Messenger:

6:19 Part: *He is the witness between me and you that this Quran has been inspired to me.*

Revealed: The **messenger’s name initials** are **14** and **messenger’s letters** are **19** revealing the **Sacred Codes of 14-19** to prove the inspiration through the “**Revealed Quran**.”

Messenger granted Inspiration about “One God” and disowns the idolatry of disbelievers:

6:19 Part: Say, "I do not testify as you do." Say, "There is only one god."

Part: And I disown your idolatry.

Revealed: The **messenger’s letters** are 11 and 10, **the diff. is ONE**.

Revealed: Both Parts: The **Allah letters** are **14** revealing **the Miracle of Seven Pairs** through which the messenger is commanded to worship the **one God**. **Anyone who does not believe in Allah’s revelations granted to the messenger is guilty of “idolatry.”**

4:82 Why do they not study the Quran carefully? If it were from other than **Allah**, they would have found in it numerous contradictions.

47:24 Why do they not study the Quran carefully? Do they have locks on their minds?

Revealed: The **Allah letters** are perfectly inscribed as **19** and **14** to reveal the ***Sacred Codes*** upon which the Quran is composed and thereby proves everything that **Allah** has stated in the Quran and revealed to the messenger.

65:10 Part: Therefore, you shall reverence **GOD**.

Revealed: The GV of **messenger's letters** is **166**, revealing that **Allah is One**.

Part: O you who possess intelligence and believed.

Revealed: The **messenger's letters** are **14** – pointing out to the “*intelligent ones*” who have believed in the messenger through the ***Sacred and Profound Sign of Seven Pairs***.

Revealed: The GV of **messenger's letters** is **306**, revealing the full name of **messenger Makbool Husain** who has been blessed with the ***Profound Sign of Seven Pairs – 14***. The **messenger's name** has been revealed through the part on the “*intelligent ones*” who have believed.

** Note the digits revealed through the **Sign of 14** and the messenger's name **306**. The digits add to: $1 + 4 + 3 + 0 + 6$, **the sum is 14** – the ***profound Sign of Seven Pairs*** which is attached to the messenger's name as a “*Revealed Sign*” from **Allah, the Praiseworthy**.

Here is a verse which completely clarifies that the Quran has to be **uttered by the messenger** who receives the inspirational revelations from **Allah Ta'ala** in contrast to what the disbelievers have said about the Quran being the messenger. It is given in simple Arabic and English; thus it defeats and exposes the distortion of the hypocrites and the disbelievers who are against **Allah and His system of messengers**.

20:114 Part 1: Most Exalted is **Allah**, the only **true King**.

Revealed: The **Allah letters** are 10 and **messenger's letters** are also 10 – **Perfectly Matched**.

Part 2: Do not rush into **uttering the Quran** before it is revealed to you, and say, "My Lord, increase my knowledge."

Revealed: The **Allah letters** are perfectly **14** proving that the **messenger only utters the Quran when it is revealed to him**.

The **Most Wise** has again exposed your group as distorters and falsifiers of Quran by saying that the Quran is the messenger and not the human being who is revealed from **Allah**. This verse clearly proves that the messenger has to utter and recite the revelations **inspired by Allah** and he has to wait till they are revealed as **the Profound Miracle of Seven Pairs proves**.

Revealed: The Allah letters are **14** and Verse No. is **114**, the sum is **128**, revealing the name of the messenger, *Husain*, **128**, Subhan Allah.

Quote: **4. PROOF OF AUTHENTICITY**

God's messenger is given divine, clear, incontrovertible proof of his messengership. All of God's messengers were supported with proof by God's leave (7:101, for additional information on messenger and proofs see our Internet page.)

Moses staff turned into a serpent by God's leave. Jesus healed the leprous and revived the dead by God's leave. Saaleh's proof was the camel. Abraham walked out of a fire by God's leave. God informs us that Muhammad's miracle was the Quran (29:50-51). God spells out the proof reserved for His messenger of the covenant as The Proof (38:1).

Response of Messenger: You are again misleading the people by repeating the same rhetoric about the messengers being given incontrovertible proofs from **God**. I have provided above many clear, divine, and incontrovertible proofs from **my LORD**. The **Most High** does not grant proofs and miracles till He appoints the person as a messenger. The appointment of the person and the miracles go hand in hand. One without the other is not enough and good. As for your quotation of **Verse 38:1** being reserved for the messenger of the covenant, you will be proven wrong again, as nothing in the Quran is reserved for anyone. **Allah is Omnipotent** and He can reveal many times over through the same verse or verses. This is why He has asked the submitters to believe in **“ongoing Submission”** (57:8-9, 57:28-29) and **“subsequent revelations”** (2:91, 33:8, 35:32).

Rashad was **“messenger of the covenant”** according to **Verses 3:81 and 33:7**. This covenant was taken from the prophets about future messengers being sent after them by **Allah Ta'ala**.

*** The messenger, **Makbool Husain**, is blessed to be a **“messenger of the Original Covenants”** made by all the **Children of Adam** with **their Lord**, as per **Verses 7:172, 7:169, 16:63-64, 2:99-101, 5:7, 24:46 through 24:54** and many more on the subject of covenants.

Moreover, the **Most Powerful Lord** has fulfilled the **“Prophecy of Ahmed”** stated in **Verse 61:6** through me, by revealing **all the Proofs of the Quran** which were intended for the human beings to fulfill Verses 16:44 and quote:

I - Separation of The Proof and the Quran

In the following verses, God separates the Quran and The Proof.

[36:69] What we taught him (the messenger) was not poetry, nor is he (a poet). This is but a formidable proof, and a profound Quran.

[38:1] S. (Saad), and the Quran that contains the proof.

[41:41] Those who have rejected the Quran's proof when it came to them, have also rejected an Honorable book.

II – We know that The Proof was given to Dr. Rashad Khalifa as his proof of authenticity as God's messenger. By God's leave he presented The Proof based on number nineteen (74:30) to the world. God calls this proof as “one of the great miracles” in verses 74:35.

III – Proofs compared to The Proof.

The Quran mentions several proofs. However, clear distinction is made between the Quran and its Proof (38:1); proofs provided to previous messengers (7:101) and God's proofs/signs all around us (2:164, 10:6).

IV – The Proof has been delivered.

The proof (38:1, 74:30-35) has been delivered. God chose to deliver it to us through His messenger of the covenant. God has blessed quite a few individuals and continues to bless individuals with components of this Proof or components of the mathematical structure of the Quran based on the number 19.

Those who claim to be messengers and provide “proofs” based on number 19 reflect their blindness and lack of understanding of the Quran by not knowing that The proof has already been delivered. Those who claim to have mathematical patterns other than number nineteen (74:30); the obvious question to them is “Where is the reference to your proof in the Quran?”

Response of Messenger: What Junaid Durrani has done is copy and paste their commentary about verification of messengers from their website material and wrote the same through the email, thus duplicating what he has to say, except to modify it just a little bit, to make it seem like the question comes from him.

These “so-called submitters” are highly arrogant and aggressive. I specially flew to Tucson a few years ago to meet their leader, **Abdullah Arik**, to talk to him about the message, but he did not make himself available to me. While they proclaim and preach the message of “**Allah's greatest gift of freedom of speech**” through **Verses 2:256** and **33:73**; they themselves are full of hypocrisy by not even giving the person the chance to speak to them. If “**freedom of speech**” according to the verse is what they believe in, then where is the “**freedom of speech**” when they refuse to talk to you or listen to what you have to proclaim. **Freedom of Speech** means that you hear and listen to everything, then decide whether you want to believe or not.

This group has arrogantly assumed that all their members are so-called imams or authorities on Islam. Why do I say this? It is because they interpret the Quran in the way they want to after the messenger Rashad has departed from Earth, and write commentaries which are not authorized by **The Most Gracious**. If you go to their website, there are plenty of topics and commentaries outside the bounds and limits of Quran. In fact, they have people from other sects writing articles through their website, who are not even members or part of their group. They do not understand the **Message of Allah** whereby He has commanded them not to transgress the bounds and limits of the Quran and not to say about **Allah except the Truth**.

Here is the Truth from my LORD regarding my proclamation as a messenger. Observe the intricate, profound, serious, precise, and miraculous **Proofs from ALLAH**, Subhanahoo.

4:170 Part 1: *O people, the messenger has come to you with the truth from your Lord.* Therefore, you shall believe for your own good.

Part 2: If you disbelieve, then to **GOD** belongs everything in the heavens and the earth. **GOD** is Omniscient, Most Wise.

Revealed: The Aleefs of Absoluteness in each part are 10 and 11, **the diff. is 1 – *proclaiming Allah’s Absoluteness in sending this messenger.***

Revealed: The messenger’s letters are 25 and 24, **the diff. is 1.** The **clear Proof** has been provided by the Absolute Allah to support His truthful messenger authorized and appointed by Him.

Revealed: Part 1: The GV of Allah letters is a perfect **165 – La Elaha Ellah Allah** – to reflect on Allah’s Absolute Authority in sending the messenger with the Truth for the good of the people. Subhan Allah.

Revealed: Part 2: The GV of Allah letters is **231** (a multiple of 7, see also verse 23:1). The difference in the GV’s of Part 1 as **165** and in Part 2 as **231**, **reveals the diff. of 66.** *Glory be to Allah* who has proven through His name **66** and His Absolute Authority **165** to have sent the messenger to guide the people to be successful believers, as given in **23:1**.

The Absoluteness of Allah is further expressed through parts of the verse, as you shall see:

4:170 Part: *O people, the messenger has come to you with the truth from your Lord.*

Revealed: The messenger’s name letters are **19** – the **first Sacred Code**.

Part 2: *If you disbelieve, then to GOD belongs everything in the heavens and the earth.*

Revealed: The messenger’s name letters are **14** – the **second Sacred Code**.

The Absoluteness of Allah proclaimed through the messenger:

4:170 Part: *Then to GOD belongs everything in the heavens and the earth.*

Revealed: The Allah letters are 10 and the messenger’s letters are 11, **the diff. is 1**, Subhan Allah.

Revealed: The GV of Allah letters is 130 and GV of messenger’s letters is 332, **the diff. is 202** spelling out the glorified word – “**LORD** or *Rubb*.” This is clear Proof that the truthful messengers proclaim the **Shahadah** when introducing themselves to the people and uphold Allah’s Absolute Authority as proven by Him.

The **Absoluteness of Allah** is completely revealed through 2 verses, with the values of both forms of Shahadah bearing the heavy message encompassed through the language of the verses. Note the Miracles!

4:174 *O people, a proof has come to you from your Lord; we have sent down to you a profound beacon.*

Revealed: The GV of Allah letters is **110 – La Elaha Ella Hoo**, Alhumdo Lillah.

4:174 Part 1: *O people, a proof has come to you from your Lord.*

Part 2: We have sent down to you a **profound beacon**.

Revealed: The GV of messenger's letters are 484 and 374, **the diff. is 110** – *Glory be to Allah* who has proven through the letters of His messenger that ***He is indeed ONE in Existence and Absolute Authority***, Alhumdo Lillah. The name and title of the **Website** – “*godprovenas1.com*” has now been authenticated by the **Most High**, to be in accordance with His will.

Note through the above verses that the word “**Truth**” is linked and connected with **ALLAH** and **His messenger**. The messenger is revealed the “**Truth**” and is appointed to deliver the “**Truth**” to the people. When **Junaid Durrani** and his leaders in “*submission.org*” express their commentaries and opinions, ask them if that is the “**Truth**” from **their Lord**? If they say, “yes, it is,” **then ask them if they are messengers of Allah and where is their PROOF?**

**** Response to Verses 36:69, 38:1, and 41:41, quoted above:**

36:69 What we taught him (the messenger) was not poetry, nor is he (a poet). This is but a formidable proof, and a profound Quran.

Revealed: The **Allah letters** are a **Perfect 14** to reveal the “*ultimate miracle of seven pairs*,” Subhan Allah. This miracle is indeed a “*formidable proof*” about which the disbelievers remain unaware, or refuse to believe when made aware of it.

38:1 S. (Saad), and the Quran that contains the proof. (*for the messenger*).

Revealed: The **Allah letters** are 5 and messenger's letters are 6, the diff. is **ONE**. **Praise be to Allah**, this verse has now been fulfilled through the revelation of the “*Ultimate Miracle of ONE*” in combination with the letters of **Allah and His messenger** – constituting the **Supreme Revelation of ONE**.

This **Quranic Initial Saad** (S) serves as *further Proof for the messenger* through the number given to the chapter and the verses allocated to this chapter. The full name of the messenger is hereby revealed by the **Grantor, the Most Merciful Allah**.

Saad (as proof) with GV of 90 + No. of verses 88 = 178, revealing the first name of the messenger, Makbool.

Saad (as proof) with GV of 90 + Chapter No. 38 = 128, revealing the last name of the messenger, Husain.

Glory be to Allah for providing **the Proof** for the believers by confirming the *truthful messenger's name*, and for exposing the disbelievers and the hypocrites amongst the Tucson group of so-called submitters, who are stuck with the “*old miracle of 19*” while disbelieving in the latest and **subsequent revelations from GOD, Most Exalted**.

**** The following Verse 41:40 is mounted on top of Verses 41:41-42 to expose those who do not believe in the “*ultimate proofs*” of the *Quran* and commit the gross sin of *distorting the revelations of Allah*. A clear warning has been issued by the **Forgiver, the Avenger to****

distinguish between those who come secure on the Day of Resurrection by following the righteous path and will be in a much better position, as compared to those who followed disbelieving and unrighteous ways for which they will be thrown into Hell. Those who do not believe in the past revelations revealed through Quran and the *subsequent revelations* revealed through **Makbool** are called disbelievers. The **Most Wise** has guaranteed that **no falsehood** (*meaning no false messengers*) can provide any kind of **authentic revelation** from the Quran to prove that they are messengers - in the past or in the future - without **His Specific Authorization**, as it is fully controlled by **ALLAH**.

41:40 *Surely, those who distort our revelations are not hidden from us.* Is one who gets thrown into Hell better, or one who comes secure on the ***Day of Resurrection?*** Do whatever you wish; He is Seer of everything you do.

Revealed: The **entire Verse** is wrapped around with **19 Aleefs of Absoluteness** – a profound Miracle of **ALLAH**.

Revealed: Up to the **“Day of Resurrection”** the **Aleefs** are **14** while the entire verse has **19 Aleefs**, thus proving the ***Quran through the Sacred Codes of 14 and 19.***

41:40 Part 1: Surely, those who distort our revelations are not hidden from us. Is one who gets thrown into Hell better?

Part 2: Or one who comes secure on the Day of Resurrection. Do whatever you wish; He is Seer of everything you do.

Revealed: The **Aleefs of Absoluteness** for each part are precisely **9** and **10**, **the diff. is 1**. This conforms to the specific coding as given in **Verse 74:40** through the words **“tis’aa asher”** or **“nine – ten.”**

41:40 Part 1: Surely, those who distort our revelations are not hidden from us.

Part 2: Is one who gets thrown into Hell better, or one who comes secure on the Day of Resurrection?

Revealed: The **Allah letters** for each part are 10 and 12, **the diff. is 2 (gods)**. This is the Revelation of **2 gods** (*per Verse 16:51*) to point out and warn the idol worshippers, the disbelievers, the hypocrites, the arrogant, and the egoists ***who do not worship Allah Alone and disregard His Absolute Authority of Al-Samad.***

Part 2: Is one who gets thrown into Hell better, or one who comes secure on the Day of Resurrection?

Part 3: Do whatever you wish; He is Seer of everything you do.

Revealed: The **Allah letters** for each part are **12** and **8** to reveal the name of **the messenger, Husain, 128** who has been granted the unique revelations and the knowledge to interpret the hidden and secret codes and the numbers of **ALLAH Subhanahoo**. The people are given a clear choice to follow the correct path through the messenger to make it to Paradise, or reject him only to be condemned to Hell in the Hereafter.

Revelation of the Sacred Codes from within the Verse:

41:40 Part 1: Surely, those who distort our revelations are not hidden from us.

Part 3: Do whatever you wish; He is Seer of everything you do.

Revealed: The messenger's letters in Parts 1 and 3 are precisely **19** and **14**, revealing the grave warning for the hypocrites and the disbelievers who distort the Quran, interpret it, and advocate falsehood through their unauthorized teachings, that **Allah** is fully aware and **Seer** of what they do.

Part: Or one who comes secure on the Day of Resurrection?

Revealed: The Allah letters are **7** and messenger's letters are **14** – to prove and assure the hearts of the true believers that Paradise is awaiting them as soon as they depart from Earth and return back to their Lord. *This is the great Miracle of the Seven Pairs – the ultimate Miracle.*

41:40 Part: Distort our revelations. (yulhaydoona fee aayaatayna)

41:40 Part: Are not hidden from us. (la yukhfoona alayna)

Revealed: The Allah letters are 3 and 4, the diff. is 1.

Revealed: The messenger's letters are 8 and 7, the diff. is 1. Can any human fathom the immense *Wisdom and Omniscience of Allah* whereby He can reveal through the entire verse as well as parts of the verse to let the people know that He is fully in **Control**, and **Aware** of what they are doing on earth. Nothing is hidden from **Allah** in the heavens and the earth, **Subhan Allah**. The specific and miraculous inclusion of the messenger's letters is the "*greatest miracle*" to reveal the revelations granted to Him out of **Allah's mercy**, Alhumdo Lillah.

Part: Or one who comes secure,

Part: On the Day of Resurrection.

Revealed: the messenger's letters are split up as **7** and **7** for each part to **total 14** – *the great Proof through the Seven Pairs – the profound Sign granted to the messenger.*

** Note that the part on those who will be thrown in Hell (*afaman yulkaa feealnaare khairun*) does not reveal any of the divine and specific revelations granted to the messenger, but the part on those returning back secure on the Day of Resurrection is distinctly marked and identified with the *Proof of Seven Pairs through the letters of the messenger. This should assure the believers that God approves their religion and the messenger is truthful, Alhumdo Lillah.* By not marking and revealing the predetermined revelations through the part on Hell – it proves that the **Most Merciful** has spared the retribution of Hell for the messenger and the true believers, **Alhumdo Lillah.**

Part: Is one who gets thrown into Hell better?

Revealed: The Allah letters are **5** and messenger's letters are **10**, revealing the "*doubling*" of the number from 5 to 10. This means that the disbelievers and idol worshippers **worshiped 2 gods.** This is the same as the "*Revelation of 2 (gods)*" revealed to the messenger. Whether you take the

number 2 or “double,” it is basically is the same revelation expressed differently, and carries the same message.

41:41 Those who have rejected the proof (of the Quran) when it came to them, have also rejected an Honorable book.

41:42 No falsehood could enter it, in the past or in the future; a revelation from a Most Wise, Praiseworthy.

Revealed: The Allah letters are 13 and 13 – *Perfectly Matched*.

Revealed: The messenger’s letters are 15 and 29, the diff. is 14. This provides the “*ultimate Proof of the great Quran*” through the Seven Pairs revealed under the letters of the messenger, Subhan Allah.

41:41 Those who have rejected the proof (of the Quran).

Revealed: The Allah letters are 6 and messenger’s letters are 7, the diff. is ONE. The greatest Proof of the Quran that it is the Word of the Creator is the Proof through the “*Revelation of 1*” which proves that **ALLAH IS ONE in ABSOLUTE AUTHORITY. The Lord of the heavens and the earth is the One who has revealed the Quran in the past and has now revealed subsequent revelations to prove everything and to remove all doubts.**

Revealed: The GV of messenger’s letters is perfectly 178 to spell out the name of the messenger, **Makbool**. The messenger has brought the Proof of the Quran and is a revelation from Allah – those who disbelieve in him and the message have gone far astray and will be deprived of Allah’s mercy on the **Day of Judgment**.

41:42 Part: A revelation from a Most Wise, Praiseworthy.

Revealed: The GV of messenger’s letters is 296, revealing the word “*Rasool – messenger.*” This is the **Revelation** through the **Praiseworthy and Most Wise Lord** to reveal the word “*messenger*” through the actual coding of his letters to mathematically spell out the word.

** The beginning part of Verse 41:41 about the Proof and the ending part of 41:42 declaring a revelation from a **Most Wise, the Most Praiseworthy** are clearly marked to reveal the name of messenger **Makbool 178** to be a messenger **296** from **ALLAH, Most Exalted**.

41:26 Part 1: Those who disbelieved said, “Do not listen to this Quran.”

Part 2: “And distort it, that you may win.”

Revealed: The Allah letters are 14 and 7 in each part to reveal the Sacred Codes of 14-7.

Revealed: Part 1: Up to Quran, the Allah letters are 14 and messenger’s letters are 15, the diff. is 1. The disbelievers are bound to say to each other not to listen to the Quran recited by the messenger through the proven verses, as it exposes their false teachings.

41:26 Part 1: Those who disbelieved said, “Do not listen to this Quran and distort it.

Part 2: That you may win.”

41:52 Proclaim: "What if this is truly from **GOD**, then you decide to reject it? Who are farther astray than those who decide to oppose this?"

13:43 Those who disbelieved will say, "You are not a messenger!" Say, "**GOD** suffices as a witness between me and you, and those who possess knowledge of the scripture."

16:101 When we substitute one revelation in place of another, and **GOD** is fully aware of what He reveals, they say, "You made this up!" Indeed, most of them do not know.

16:102 Say, "The Holy Spirit has brought it down from your Lord, truthfully, to assure those who believe, and to provide a beacon and good news for the submitters."

6:104 *Enlightenments have come to you from your Lord.* As for those who can see, they do so for their own good, and those who turn blind, do so to their own detriment. I am not your guardian.

6:105 We thus explain the revelations, to prove that you have received knowledge, and to clarify them for people who know.

Junaid Durrani from the Tucson group of submitters has posed questions to me by copying and pasting material from their website www.submission.org asking me to prove through some miracle that **I am truly a messenger of ALLAH**. He has also written in a cynical and mocking way that somehow I do not fulfill the Quranic criteria of being a **messenger**. He and his organization have a unanimous complaint against **God** and an opposition to **His System** of sending messengers for their guidance. Their complaint and opposition is that **the Forgiver, Most Merciful** has sent too many fake messengers and therefore, they have the excuse now not to use their eyes, ears, and minds to identify a "*truthful messenger*" who comes through "*inspiration from Allah*" as compared to a self-proclaimed messenger who advocates the viewpoints of satan and does not believe in the "*Absoluteness of Allah as Al-Samad – the Absolute.*"

If their belief is in **Allah and the Quran**, as they proclaim, then the following verses should weigh heavy on them. These are 3 sets of verses whereby **Allah** is swearing by what you see and what you do not see, through the profound heavenly bodies created by Him, and through the night and day. All **Praise and Glory be to Allah**. Anyone who rejects such powerful and heavy **Words of Allah** is indeed a devil who has no regard for **His Honor, Status, Majesty, and Absoluteness as ONE**.

** These set of verses are mounted on top of, and precede verses on **messengers being honorable** and also on **Allah Ta'ala** sending one of the greatest miracles through them.

69:38 I swear by what you see.

69:39 And what you do not see.

Revealed: The **Allah letters** are 4 and 3, the diff. is 1, glory be to **Allah** who is **Omniscient and Omnipotent**.

Revealed: Set of 2 Verses: The **Allah letters** are perfectly 7 – the Miracle of Seven.

74:32 Absolutely, (I swear) by the moon.

[74:33](#) And the night as it passes.

[74:34](#) And the morning as it shines.

Revealed: **Set of 3 Verses**: The Allah letters are **perfectly 14** – **the Seven Pairs**.

[81:15](#) I solemnly swear by the galaxies.

[81:16](#) Precisely running in their orbits.

[81:17](#) By the night as it falls.

[81:18](#) And the morn as it breathes.

Revealed: **Set of 4 Verses**: The Allah letters are **perfectly 19**.

Revealed: The GV of Allah letters is **perfectly 222** – **“your LORD.”**

** **Note** that the set of verses are aligned as 2 – 3 – 4, to reveal the **absolute diff. of 1** between them, **Praise be to ALLAH**.

The subject matter of verses appearing after the ***“swearing verses by Allah”*** are as follows:

[69:40](#) This is the utterance of an honorable messenger.

[69:43](#) A revelation from the Lord of the universe.

Revealed: The Allah letters are 5 and 4, the diff. is **ONE**.

Revealed: The messenger’s letters are 10 and 11, the diff. is **ONE**.

[74:35](#) This is one of the greatest miracles.

[74:36](#) A warning to the human race.

Revealed: **Both Verses**: The Allah letters are 10 and messenger’s letters are 11, the diff. is **ONE**.

Revealed: **Both Verses**: The messenger’s letters are 6 and 5, the diff. is **ONE**.

[74:35](#) ***This is one of the greatest miracles.***

Revealed: The Allah letters are 7 and messenger’s letters are 6, the diff. is **ONE**.

[81:19](#) This is the utterance of an honorable messenger.

[81:20](#) Authorized by the Possessor of the Throne, fully supported.

Revealed: The Allah letters are 5 and 3, ***the diff. is 2 (gods)*** – This is the ***“Revelation of 2”*** signifying disbelief, hypocrisy, and idolatry of the rejectors of the Quran and its verses. It is a clear warning and revelation for those ***who do not believe and follow the messengers authorized by the Possessor of the Throne and supported by Him.***

The **Most Gracious** will clearly point out the **truthful messenger** through the profound ***“Revelation of 1”*** granted to the messenger through his name letters. This revelation will show and prove the approval and authorization of the **Lord of the Universe**.

Revealed: The messenger's letters are 10 and 9, the diff. is ONE. Subhan Allah.

81:20 *Authorized by the Possessor of the Throne, fully supported.*

Revealed: The Arabic Letters are 19 and Quranic Initials are 14 – revealing the most profound and ultimate Code of 19 and 14. This has been granted as a SIGN to the messenger and is authorized by the **Possessor of the Throne, Alhumdo Lillah.**

Revealed: In this verse, the *messenger's name letters* are a **Perfect 9** just like they are in the name of **Makbool Husain** to match. These **9 letters** have the **Perfect GV of 306**, Subhan Allah, *to reveal the full name of the messenger, Makbool Husain.*

** The mathematical name of the messenger, Makbool Husain is 306. The only verse which comes out this number is Chapter 30, Verse 6. Here is what it reads:

30:6 Such is **GOD's** promise and **GOD** never breaks His promise, but most people do not know.

Revealed: The Allah letters are 20 and messenger's letters are 21, the diff. is ONE.

30:6 Part 1: Such is Allah's promise and Allah never breaks His promise.

Part 2: But most people do not know.

Revealed: The Allah letters for each part are 12 and 8, to reveal the name of the messenger, 128 for Husain.

Complimenting & Matching Revelations:

Revealed: Part 1: The Allah letters are 12 and Arabic Letters are 21, the Sacred Code of 1221.

Revealed: Part 2: The messenger's letters are 12 and Arabic Letters are 21, the Sacred Code of 1221.

NOTE the Miracle! The 3 sets of verses on Allah swearing by everything He has created and then 3 sets of verses to reveal the great miracle sent down through His honorable messenger who brings a revelation from the Lord of the Universe and is fully authorized and supported by Him, are **SPLIT UP** as $(2+3+4) = 9$ verses, and $(2+2+2) = 6$ verses, to reveal the **Truth through His messenger**. This exact pattern conforms to the proofs of verse 23:69, as shown below:

23:69 Part 1: Have they failed to recognize their messenger?

23:69 Part 2: Is this why they are disregarding him?

Revealed: The messenger's letters are 9 and 6.

The well founded Messenger Proven by ALLAH

25:59 Part: The Most Gracious; ask about Him. (*Al-Rahman fas'al beyhee*)

Question from the disbelievers: *Who and what is the Most Gracious?*

The Answer: The GV of Allah letters is **perfectly 66** to reveal the name of ALLAH. As revealed through the proof, only **the messengers** can tell you **the Truth** about Allah – none of the unauthorized people know about Him, except to conjecture and express their self-opinions. The **Most Gracious** only communicates through inspiration with **His messengers** to relay messages and also inspires the true and sincere believers to follow **His messenger**.

Revealed: The messenger's letters are **7** to reveal *the Miracle of Seven*.

25:59 Part: The **Most Gracious; ask about Him**. (*Al-Rahman fas'al beyhee*)

25:59 Part: Those who are well founded in knowledge. (*khabeera*)

Revealed: The GV of Arabic letters are 507 and 813, **the diff. is 306**, revealing the full name of the messenger, Subhan Allah. My Lord has informed and confirmed the truth that only His authorized messengers truly know about Him as they are granted the truth from the **Most Gracious**. Before the guidance comes to them, they also remain unaware of the **Absoluteness of the Most Gracious**. Alhumdo Lillah.

25:59 Part: The Most Gracious; ask about Him those who are well founded in knowledge. (*Al-Rahman fas'al beyhee khabeera*)

Revealed: The GV of Allah letters is 67 and the GV of messenger is 232, **the diff. is 165**, Subhan Allah. The revelation through the combination of *Allah letters along with His messenger* is the **convincing Proof** about **His Absolute Authority** to inspire and grant these awesome and clarifying revelations to the messenger whom He has chosen, all praise and glory be to ALLAH. This verse is the only one of its kind in the entire **Quran**.

25:60 When they are told, "***Fall prostrate before the Most Gracious,***" they say, "***What is the Most Gracious?*** Shall we prostrate before what you advocate?" Thus, it only augments their aversion.

Revealed: The Arabic Letters in the verse are **61** and Verse No. is **60, the diff. is 1**.

Revealed: The Quranic Initials in the verse are **46** and Verse No. is **60, the diff. is 14**.

When the arrogant and the ignorant are asked by the messenger to fall prostrate before the **Most Gracious**, they ask: Who is the **Most Gracious**? Their cynicism and unrighteous utterances have already been recorded by the **Most Gracious**, as is evident through the **Proofs** below.

Part: **Command issued by messenger:** "***Fall prostrate before the Most Gracious***" (*asjodoo Lil-Rahman*)

Part: **Arrogance and Ignorance from the disbelievers:** "***What is the Most Gracious?***" (*wa'maa Al-Rahman*)

Revealed: The Allah letters are 4 and 3, **the diff. is 1**.

Revealed: The messenger's letters are 7 and 6, **the diff. is 1**.

The “**Revelation of 1**” through the letters of **Allah and of His messenger** teach you and prove that this command, like many others in the Quran, are only issued by **the messengers** and not by the individual believers or submitters. The system cannot work if each one of you started issuing commands to each other. For example, the affairs of the humans in various countries only works through a system where there is a clear “**lead authority**” to command while the others follow. Moreover, the lead authority then appoints ministers to be in charge of different departments and they appoint assistants and secretaries to handle various affairs. In Allah’s System, He is the Absolute and Supreme over His commands, and delegates his appointed messengers to deliver His messages to the people. The messenger can appoint someone to be in-charge over the groups of submitters as given in Verse 4:59.

The ignorant and the arrogant ask the messenger: What is the **Most Gracious** and why should they prostrate to the command of the messenger? Thus, the devils augment their aversion against the truth revealed through the messenger and they fail to submit to **Allah’s command**. ***This verse cannot be fulfilled by the Tucson submitters, unless they fully submit through the messenger. Short of fulfilling this verse and many others relating to the living messenger, their belief is considered as “partial belief only” in the Quran. They may keep claiming that they believe in the entire Quran, but are they really implementing these verses - the question is how?***

98:2 A messenger from **GOD** is reciting to them sacred instructions.

98:3 In them there are valuable teachings.

Revealed: The messenger’s name initials in both verses are **14** – the **Proof of Seven Pairs**.

Revealed: The GV of messenger’s letters are 340 and 162, **the diff. is 178**, revealing the name of Makbool, who is reciting the sacred instructions in which are valuable teachings.

Additional Proofs: The first **19 Quranic Initials** of **Verse 98:2** are coded to have the GV of **840**, which is ***the Sign of H.M. Quranic Initials***, as given in Chapters 40 through 46. These represent the names of the messenger as **H for Husain** and **M for Makbool**.

Additional Proofs: The first **14 letters** of the messenger in **Verses 98:2-3** have the GV of **352**, which spells out the word “**Quran.**”

These are the Sacred Proofs of 19 and 14 – a Profound Sign for the Messenger accompanied by the revelation of his name, Makbool as 178 through the 2 verses.

SECTION: GOD DOES NOT PUNISH THE BELIEVERS (Quoted by Submission.org)

Quote: *Misunderstanding some verses or singling out a verse without considering the whole scripture, might result in some confusion.*

Quote: *Does God ever break a promise? What would God earn by punishing His repenting servants? **Believing in God necessitates believing in His systems and promises.** It mandates the belief in His grace, forgiveness, and clemency. It mandates the belief in His grace, forgiveness, and clemency.*

Quoted by Submission.org. website: [29:2] *Do the people think that they will be left to say, "We believe," without being put to the test?*

[29:3] *We have tested those before them, for GOD must distinguish those who are truthful, and He must expose the liars.*

Comments of Messenger: Ask them if they understand the above pair of verses? Probably they cannot comprehend what the Most Merciful is talking about. Let them know that the Allah letters in Verse 29:2 is 14, Subhan Allah. This is the current and present Test, which they have no idea about and have disbelieved in!

The chapter and Verse No. is further coded to reveal the name of the messenger through whom the Test is being carried out. The *number 292* representing the chapter and verse no. + the *Miracle of 14* reveals the name of the *messenger, 306, as Makbool Husain*. Subhan Allah.

$$292,306 = 14 \times 20879 \text{ ----- } 306,292 = 14 \times 21878$$

Verse 29:3 states the past test through the messenger, Rashad, and the Most Wise has coded it with 19 Allah Letters, Subhan Allah.

29:3 Part 1: We have tested those before them.

Part 2: For **GOD** must distinguish those who are truthful.

Revealed: The messenger's letters are 13 and 12, the diff. is 1. The Test through the messenger will distinguish the truthful, who believe in and uphold the **Absolute Authority of ALLAH**. Such believers commit themselves to "*total and unwavering Submission*" and glorify and praise **Allah** for sending the guidance through the messenger.

The **Most Wise** has proven through the 2 parts above about the "*Truthful*." Let us see how He is going to expose the so-called submitters of "submission.org."? Are they really worshiping ONE GOD by upholding His Absolute Authority or not? The answer will shock them. Let then counter the Proofs of ALLAH whom they claim to worship half-heartedly by belief in partial Quran.

Part 2: For **GOD** must distinguish those who are truthful.

Part 3: And He must expose the liars.

Revealed: The messenger's letters are 12 and 10, the diff. is 2 gods for disbelief, idolatry, arrogance, and most importantly worshiping the devil.

The 2 different distinct and unique revelations either prove the submitters to be "truthful" through the "Revelation of ONE" in their belief in ONE GOD, His System of messengers, and His revelations including the subsequent proofs, miracles, signs, and revelations OR if there belief is incomplete and conditional through the "Revelation of TWO" which involves worship of the devil also. This profound revelation exposes the so-called submitters, hypocrites, disbelievers, and idol worshipers and informs them through "Clear Revelations" from my LORD

that their belief is nullified by HIM. Can they challenge these clear revelations or can they produce something similar?

Ask them for the definition of ‘BELIEVERS.’ See if they can provide the answer! Remind them through the Quran that in the past the people who believed in Allah through His messenger were indeed called as “Believers,” but later when the same believers turned hypocritical by violating Allah’s laws, they were no longer called “believers” by Him. They are plainly labeled as “hypocrites, disbelievers, and idol worshippers.”

I have read your emails so far, and I praise **Allah Ta'ala** for granting you the wisdom to see the **Truth** and to believe in it with an open heart and mind. The word “*al-haq – the truth*” is sacredly marked with the **Revelation of 1** which is granted to me, The **Allah letters** in this word are **2** and the **messenger’s letters** are **3**, **the diff. is 1**, **Subhan Allah**. The distinction is also made between “*truth*” and “*falsehood*” through **the great revelation of 1**.

The Truth (al-haq) Allah letters are **2**. **Falsehood (al-baatil) Allah letters** are **3**, **the diff. is 1**.
Both Words: The **Allah letters** are **5** and **messenger’s letters** are **6**, **the diff. is 1**.

The gematric values of these opposite words which are highly important in terms of belief or disbelief in Allah will be opened up through “new revelations” coming out of these words with appropriate verses. Note the Power of Allah in revealing His Miracles!

The GV of **Allah letters** in both words are 31 and 61, **the sum is 92**, while the GV of **messenger’s letters** are 62 and 138, **the sum is 200**. The **combined** GV of **Allah 92** and **messenger’s letters 200** is therefore **292**. This number will open up a “*new revelation*” through **Chapter 29, Verse 2**. The difference in GV of **Allah letters 92** and **messenger’s letters 200** is **108**. This will open up a “*new revelation*” through **Chapter 10, Verse 8**, **Subhan Allah**.

The Current Ongoing Test through messenger Makbool:

29:2 Do the people think that they will be left to say, “*We believe,*” without being put to the test?

Revealed: The **Allah letters** are stamped on this verse as **14** to inform the people of the present current Test through the messenger, **Subhan Allah**.

Note the 3 parts to the verse and how they are marked by the **Most Wise** to reveal the great revelation!

29:2 Part 1: Do the people think that they will be left,

Part 2: To say, “*We believe,*”

Part 3: Without being put to the test?

Revealed: The **messenger’s letters** for each part are **9-8-7**, **the diff. is 1**. **Subhan Allah**. These numbers again lead you to 2 different verses; one of them will be **9:87** which points out the message for the hypocrites and the sedentary who do not believe in these revelations with their whole heart and therefore do not strive along with the messenger, and the other is **98:7** which describes those who believed and led a righteous life to be the best creatures. (**The believers**

should read Verses 9:87 and 98:7 in order to appreciate the power of Allah to reveal as He wills. Both of these verses are again marked and coded. If I start to recite proofs for all the relative verses opening up through the main verse, then the sermon will be endless, Praise be to Allah.)

29:2 Part 1: Do the people think that they will be left,
Part 2: To say, "*We believe,*"

Revealed: The Aleefs of Absoluteness are 5 and 4, **the diff. is 1.**

Revealed: The Allah letters are 6 and 5, **the diff. is 1.**

When the followers of the Quran believe through a messenger, they are immediately put to the Test to check out their belief and steadfastness. **Allah Subhanahoo** does not need hollow words of mere utterances. He wants to see what is in the heart and whether you carry out the belief proclaimed by you by honoring your pledges made with **Allah and His messenger**. When your heart is full of belief; then such believers fulfill the criteria given in *Verses 49:14 and 9:88, such verses are explained through the Sacred Codes of 14 and 19.*

$$4914 = \underline{14} \times 351 \dots\dots\dots \text{and} \dots\dots\dots 988 = \underline{19} \times 52$$

When the people say, "*they believe,*" the **Almighty** puts them to the test. This is given in Parts 2 and 3 of the verse. Note how the Revelation will change to "*revelation of 2*" as compared to "*revelation of 1*" through Parts 1 and 2.

Part 2: To say, "*We believe,*"

Part 3: Without being put to the test?

Revealed: The Allah letters are 5 and 3, **the diff. is 2** (*gods – idolatry*). The "*Revelation of 2*" alerts the believers that most of them will not fulfill their Covenants and Pledges when they are put to the Test through the messenger. They will either oppose, reject some of the verses and teachings, disregard some of the verses, and will not strive with their money and lives as commanded by the Lord of the Universe, Thus they turn out to be hypocrites and fail in the Test of Submission. They end up nullifying their works and their fate rests with their Lord. He may redeem some of the hypocrites and punish others based on the severity of their disbelief and hypocrisy.

Revealed: The messenger's letters are 8 and 7, **the diff. is 1.** This shows that the Test is carried out through the messenger who is fully authorized by the Possessor of the Throne, as the "*Revelation of 1*" proves.

Follow up Verse: 29:3 We have tested those before them, for **Allah** must distinguish those who are truthful, and He must expose the liars.

Revealed: The Allah letters are **19.**

** (Note the **change in translation** of some parts of the verse **authorized by Allah.**)

God exposes the falsifiers, scholars, leaders, and the liars who misinterpret and translate His sacred Words or conjecture about them, through Verse 3:7.

** The first matter of fact you should know is that only **ALLAH, Most Exalted**, knows the true meaning of **His words**, except when **He reveals** it through the “**well-founded in knowledge**” and these are His chosen and appointed messengers. No one else will ever know the true meaning behind **Allah’s Words**. When people like your group translate the Quran into various languages, like Turkish, Indonesian/Malay, Chinese, Swedish, Japanese, Portuguese, Italian, French, Spanish, Russian, Dutch, Persian, Urdu, and other languages, *have you not violated Allah’s Absolute Authority by transgressing beyond the limits of the religion (Islam) as revealed through the Quran? Which Verse or Verses allow and permit you to translate Allah’s Sacred Words into other languages without being an authorized messenger?* The previous messenger was only authorized to translate into **English** – he did not violate **Allah’s Absolute Authority** by transgressing beyond what he was allowed and permitted. It is only after his death that his followers deviated seriously, broke into sects, and began following the devil’s path due to their egos and hidden arrogance. All of you have lost the “**true guidance**” of **Allah** which He revealed through His messenger, Rashad. Violations of this nature are addressed very seriously in the Quran as clear blasphemies against **Allah, The Praiseworthy**.

3:7 Part: He is the One who has revealed this scripture.

Revealed: In this verse, up to the word “**this scripture - al-kitaab**” the **Arabic Letters** are **19** and the **Quranic Initials** are **14** to reveal the **Sacred Codes of 19-14** to guide the messenger and the believers through the new “**revealed guidance from Allah.**”

Revealed: The **Allah letters** up to “**this scripture - al-kitaab**” are **8** and the **messenger’s letters** are **9**, **the diff. is 1**. **GOD** has proven that the scripture “**Quran**” has been revealed again through a messenger with “**new miraculous proofs**” and “**the truthful guidance.**” This is further confirmed with the revelation of the **messenger’s name** through the **sacred letters of Allah**.

Revealed: The **GV of Allah letters** is a **Perfect 128** up to “**this scripture - al-kitaab**” revealing the name of the **messenger, Husain, 128**, Subhan Allah.

3:7 Part: He is the One who has revealed this scripture, containing straightforward verses which constitute the essence from the **Master Record (Umm Al-Kitaab of Allah)**.

Revealed: The **Allah letters** are **14** and **messenger’s letters** are **19**, proving the “**Revelation of the Scripture**” as per the guidance through the **Sacred Codes of 14-19** granted to the messenger.

3:7 Part: As well as multiple-meaning or allegorical verses.

Revealed: The **Allah letters** are 2 and **messenger’s letters** are 3, **the diff. is ONE**.

3:7 Part: Those who harbor doubts in their hearts will pursue the multiple-meaning verses to create confusion, and to extricate a certain meaning.

Revealed: The **Allah letters** are **19** proving that the disbelievers and the doubters come up with their own meanings, whether through their translations or through what they write and comment, to extricate the meaning that they like. This is evident through all the unauthorized translations and teachings of human scholars and leaders.

3:7 Part 1: He sent down to you this scripture, containing straightforward verses - which constitute the essence of the scripture - as well as multiple-meaning or allegorical verses. Those who harbor doubts in their hearts will pursue the multiple-meaning verses to create confusion, and to extricate a certain meaning.

Revealed: The **messenger's name initials** in the first part are **35** and **his name letters** are **49**, clearly **revealing the difference of 14**. This is the *great miracle of Seven Pairs* which is marked throughout **the Quran** through the letters of **Allah** and **His messenger**.

Revealed: The **Allah letters** are **35** and the **messenger's letters** are **49**, **the diff. is 14**, Subhan Allah.

Part 1 has revealed the **Proof of Seven Pairs** through the combination of *Allah and His messenger's letters as well as through the messenger's name initials and letters*, while **Part 2** will reveal the *"great revelation of 1"* through the same combination. Both are the prime and essential revelations in providing the **Ultimate Proofs of the Quran** and in establishing the **Truth of Allah's Words**.

Part 2: None knows the true meaning thereof except **Allah** and those well founded in knowledge. They say, "We believe in this - all of it comes from our Lord." Only those who possess intelligence will take heed.

Revealed: The **Allah letters** are 34 and **messenger's name initials** are 33, **the diff. is ONE**. *Praise be to the Omnipotent Allah, who is ONE and is the only Living and Eternal Lord which grants Him the Absolute in Authority over everyone and everything in the Universe*. He has proven the **Quranic mathematical Codes** of **19** and **14** to be the Truth from Him, thereby proving the Quran and its contents to be truthful also. The messengers chosen by Him are also truthful as they follow the guidance inspired to them.

Revealed: Entire Verse: The **Allah letters** are 69 and **messenger's name initials** are 68, **the diff. is ONE**.

These revelations should remove all doubts from the hearts of the disbelievers after reading this sermon. They can now see that it is impossible to come up with consistent, clarifying, detailed, and extensive proofs, verse after verse, *without the consent and authorization of Allah, Most Exalted*.

** It is easy to see these miracles repeated throughout the verses and to recognize them, but it takes **reverence for Allah** to comprehend the immense Power, Wisdom, and Knowledge which He possesses in compiling **His Sacred Words** which include the **letters of the messenger** engraved in the words and verses in addition to **His Name letters** - *all Praise and Glory be to Allah*.

3:7 Part: None knows the true meaning thereof except Allah.

Revealed: The Allah letters are 12 and messenger's letters are 11, the diff. is ONE. This proves through the combination of letters that only Allah knows the true meaning of His Words. The people who translate and interpret them without His Authorization only conjecture and end up lying against the Supreme God. He is fully aware of their evil deeds and schemes.

Revealed: The 12 Allah letters (*matching His Shahadah*) have the precise GV of 165, Subhan Allah. This is as firm, precise, and incontrovertible a Proof as can be! The **Most Gracious** has revealed His Absoluteness through the attribute of "*Al-Samad*" and "*La Elaha Ella Allah*" through the number 165, glory be to Him. Together, the Proofs of revelation of 1 and 165 prove that only the authorized messengers receive signs, miracles, and revelations from **their Lord** and are the only ones authorized to interpret and translate **His Sacred Words** in order to offer explanation and guidance to the people.

3:7 Part: None knows the true meaning thereof.

Part: Except Allah and those well founded in knowledge.

Revealed: The messenger's letters are 8 and 12 to reveal the name of the *messenger, Husain – 128*, through the pattern of his name letters, Subhan Allah. This again proves through the special revelation from Allah, that only He knows the true meaning, except when He inspires His messengers with the knowledge and meaning behind them. This messenger, Makbool, has been proven by the **Omnipotent Lord of Universe** to have been granted special knowledge behind the hidden and secret coding of the *Quran's verses* and their meaning as revealed by Him. This should be evident to all the people *after they have witnessed the glorified Proofs from my Lord*, and the inspired Sermons with the interpretations written by me.

3:7 Part: Except Allah and those well founded in knowledge.

Revealed: The Allah letters are 12 and messenger's letters are 12 – Perfectly Matched to prove that the messenger is receiving "*matching guidance*" dictated and inspired by Allah. Moreover, the messenger does not write from Allah, or change His words or translate and interpret them, till He receives due authorization and guidance from his Lord.

Revealed: The GV of Allah letters is $190 = 19 \times 10$ – the Sacred Code of 19.

Revealed: The GV of messenger's letters is perfectly coded to be 352, to reveal the word "*Quran*."

Thus, the **Most Wise Allah** has proven through the precision of His Words that the *messenger, Makbool*, does not speak on his own and is inspired through the Quran (352) and guided by Him. The mere fact that my name letters are sacredly coded to reveal precise and meaningful revelations shows that it is a predetermined and pre-decreed matter and was decided long before we were sent to Earth.

13:39 Allah erases whatever He wills, and fixes. With Him is the **Original Master Record**.

[13:39 Part 1: Allah erases whatever He wills, and fixes.](#)

Revealed: The Allah letters are 7 and messenger's name initials are 8, the diff. is 1.

Revealed: The GV of messenger's initials is precisely 178, revealing the name of the messenger, through whom Allah will erase whatever He wills, and fix the translation of the verses which He thinks are appropriate with the times.

Revealed: The Arabic Letters are 20 and the Quranic Initials are 13, the diff. is 7.

[13:39 Part 2: With Him is the Original Master Record.](#)

Revealed: The Allah letters are 4 and messenger's letters are 5, the diff. is ONE.

Revealed: The Arabic letters are 12 and Quranic Initials are 8 – revealing the name of the messenger, 128 whose name is pre-decreed to be in the *Master Record of Allah, Most Exalted*, as a messenger.

Revealed: The GV of messenger's letters is 128 to prove that the name of the messenger is preserved in the *Master Record of Allah Ta'ala*.

Revealed: The GV of Allah letters is 37 and GV of messenger's letters is 128, the sum is 165. This proves *Allah's Absolute Authority of Al-Samad (165)* to do whatever He wills, and to choose whomever He wills.

The Great Proof from Allah – the name of the messenger fulfilling the Prophecy of Ahmed (61:6) is pre-decreed and exists in the Master Record of the Supreme Lord. Note the great Marvel of ALLAH who has preserved the letters and initials of the messenger in His Master Record and the Miracle involved in carving such verses only reflects and proves the Omnipotence and Wisdom of the Creator, Subhan Allah.

[43:3](#) We have rendered it an Arabic Quran, that you may understand.

[43:4](#) It is preserved with us in the original master, honorable and full of wisdom.

[43:5](#) Should we just ignore the fact that you have transgressed the limits?

Revealed: the messenger's name initials in each verse are 12 – 13 – 14, the diff. is 1, Subhan Allah.

Revealed: The messenger's name letters in each verse are 14 – 15 – 16, the diff. is 1, Alhumdo Lillah.

[85:21](#) Indeed, it is a glorious Quran.

[85:22](#) In a preserved master tablet.

Revealed: The GV of Allah letters in both verses is 66.

Revealed: The messenger's letters in these verses are 7 and 7 – revealing the Miracle in the master tablet recorded under the messenger's name.

Revealed: The Great Miracle: After this verse, the remaining number of verses in the Quran are precisely 306, proving that the messenger, his role, and his position, are already recorded in the mater tablet of Allah Ta'ala under the Seven Pairs Miracle. Also, this is the last occurrence of the word "Quran."

My detailed response through the *verses of Quran and their Proofs* are outlined in this **Sermon**. It may be long to read, but they should be aware through the Quran that **Allah's Words** never run out, as appropriately given through **Verses 18:109** and **31:27**.

I can make the message short as **Solomon** was inspired through **Verses 27:30-31** by writing a couple of lines, basically stating the "**Bismillah**" in full and asking them to come to him as "**submitters**." Or I can write lots of verses and their proofs from the Quran to satisfy the hollow demand of the disbelievers to provide evidence and incontrovertible proofs to my claim as a messenger. I know they will not be satisfied with just the "**Bismillah**" as an answer, and may think that I am trying to skirt around their demand. When the hearts are hardened against God's message, no miracle can make them believe or convince them. Let me first show you the Miracle involved in Solomon's inspired message sent to Sheba.

The briefest Message of the past in not brief anymore for today's submitters!

The missing "**Bismillah**" in **Chapter 9** is replaced by an extra one in **Chapter 27**. Between Chapter 8 and Chapter 27, the difference is 19 chapters, and even from Chapter 9 to 27 are 19 chapters inclusive.

The exact words written to Sheba and her advisors by Solomon was a **Coded Message from Allah**, who has counted the numbers of all things, including every letter, word, and verse in the **Quran**. Here is the PROOF!

Precedent of a "Brief Message"

27:29 She said, "O my advisers, I have received an honorable letter."

Revealed: The **Allah letters** are 14. Be He glorified, this reveals the ultimate miracle of **Seven Pairs** revealed through messenger Makbool and confirms the honorable letter of Solomon received by Sheba.

The Brief and Truthful Message from Solomon

27:30 Part: It is from Solomon, and it is, "**In the name of GOD, Most Gracious, Most Merciful.**"

27:31 Proclaiming, "Do not be arrogant; come to me as submitters."

Revealed: The verse numbers chosen by Allah are 30 and 31. Note the Miracle through the Verse Numbers: $30,31 = 7 \times 433$ – spelling out the words loud and clear as "**Lord of the Universe.**"

Revealed: The **Aleefs of Absoluteness** in each verse are 5 and 4, the diff. is ONE.

(To realize the profound numbering of **5** and **4** by Allah, I suggest that you count the **Aleefs** in the 2 forms of Shahadahs. You will find them to be precisely 5 and 4 to match the revelation of Verses 27:30-31).

Revealed: The *messenger's name initials* for each verse are profoundly coded as 21 and 12, to reveal the **master code of 1221** in reverse order, and is the GV of **Verse 74:30**. The numbers from 12 added up to 21 reveal the sum of 165, which is the great revelation of "*Al-Samad*" – the **Absoluteness of Allah**, Most Glorified.

Revealed: The message through the 2 verses comprises of *21 Allah letters*, being a **multiple of 7**. It has *56 Arabic Letters* which is a **multiple of 14**. *This is the revelation of the Sacred Codes of 7-14*.

Revealed: The *Quranic Initialed letters* in the 2 verses are 49 and the *non-initialed letters* are precisely 7, *both numbers are multiples of 7*.

The GV of 49 Quranic Initials is $1710 = 19 \times 90$.

The GV of 7 non Quranic initials is $826 = 14 \times 59$. This is the Proof and Revelation of the *Sacred Codes of 19 and 14*, Subhan Allah

Revealed: The **Allah letters** in both verses are **21**, **a multiple of 7**.

Revealed: The **messenger's letters** in both verses are **38**, **a multiple of 19**. This is again the Revelation of the Sacred Codes, Alhumdo Lillah.

Note the great Miracle through the letters of messenger, Makbool, to confirm the Truth behind the brief message of "*Bismillah Al-Rahman Al-Raheem*" (GV of **786**), asking them to come to him as submitters. This Miracle should serve as God's profound Message to all the disbelieving sects claiming to be Muslims or Submitters.

[27:30](#) In the name of GOD, Most Gracious, Most Merciful.

[27:31](#) Proclaiming, "Do not be arrogant; come to me as submitters."

The Miracle Revealed: The GV of *messenger Makbool Husain's* letters in these *Sacred Words of Allah* being recited by him through the 2 verses are: $378 + 408 = 786$.

Praise be to Allah who has *Perfectly Matched* the past Message of "*Bismillah Al-Rahman Al-Raheem*" conveyed through Solomon to Sheba to the current Message being recited and conveyed through Makbool Husain to all the disbelieving and idol worshiping sects of various religions. *Can the disbelievers come up with a solid incontrovertible Miracle like this?*

**** Can they not see and realize that the human messenger does not control the letters in the verses; it is Allah who has inscribed my letters in the verses to reveal the Miraculous Proofs, Revelations, and messages?**

The actual and entire message from **GOD** is encompassed through only a single verse, which is **27:30**. This verse is sacredly coded to reveal the **Miracle of 14-19** which is the **SIGN** granted to this messenger, Subhan Allah.

[27:30 Part 1](#): *It is from Solomon, and it is.*

[Part 2](#): *In the name of GOD, Most Gracious, Most Merciful.*

Arabic Letters are 14

Arabic Letters are 19

27:30 Part 2: *In the name of GOD, Most Gracious, Most Merciful.*

Revealed: The Allah letters are **8** and messenger's name initials are **12** – the **Pattern of 128** reveals the name of the coded messenger as **Husain**, Subhan Allah.

Revealed: The GV of Allah letters in the Verse is **perfectly 128** to match and prove **the Pattern** revealed by **Him** above.

27:31 *Proclaiming, "Do not be arrogant; come to me as submitters."*

Revealed: The Allah letters are **8** and messenger's name initials are **12** – the **Pattern of 128** reveals the name of the messenger, Husain, to confirm the truthful revelation above. Alhumdo Lillah.

The ***Great Miracle of 19-14*** proves the missing "***Bismillah***" which is **19 Chapters** from Chapter 9, and the power behind this first and most important Sacred Narration of the Quran, which made Sheba ***believe in Solomon as the messenger of Allah***. The message was conveyed per Verse **27:30** and her admission of belief is given in **27:44**, revealing the difference of **14 Verses**. ***This completes and proves the Sacred Codes of 19 and 14, Subhan Allah.***

27:44 She was told, "Go inside the palace." When she saw its interior, she thought it was a pool of water, and she (pulled up her dress,) exposing her legs. He said, "This interior is now paved with crystal." She said, "My Lord, I have wronged my soul. **I now submit with Solomon to GOD, Lord of the universe.**"

Revealed: This Verse whereby Sheba believed ***after seeing the great miracle of Allah*** and carried out ***through messenger Solomon*** is intricately and uniquely coded with **14 Aleefs of Absoluteness**, to reveal the great **Miracle of Seven Pairs** (15:87).

The exact words said by Sheba to believe are coded and measured by **ALLAH Ta'ala**. Here is what she precisely said:

27:44 Part: She (Sheba) said, "My Lord, I have wronged my soul. I now submit ***with Solomon to GOD, Lord of the universe.***"

Revealed: The Arabic Letters are **42** and the messenger's letters are **28**, **the diff. is 14**.

The exact meaning of the word "***submit***" is clarified through the precise markings and proofs from the **Most Wise and the Omnipotent Lord**. The proofs will detail the meaning as to how to submit, through whom, and whom to submit to? The role and the importance of the messenger who delivers **God's** commands, messages, miracles, and proofs is clearly highlighted through the verse, which the disbelieving submitters disregard out of their callous and arrogant disbelief and behavior.

27:44 Part: She (Sheba) said, "My Lord, I have wronged my soul. I now **submit** with Solomon to GOD, Lord of the universe."

Revealed: The Arabic Letters before “*submit*” are **18** and after “*submit*” are **19**, revealing the great miracle through the “*Revelation of 1.*” Note that the messenger **Solomon’s name** appears in the 2nd part of the verse which has the **name of Allah** and the partial verse has **19 Arabic letters**.

27:44 Part: *(I now submit) with Solomon to GOD, Lord of the universe.*

As explained through the proofs above, these are **19 Arabic letters** after the word “*submit*” in the verse. **Sheba had to submit with Solomon in order to believe in Allah as the Lord of the Universe.** After seeing the Proof and Miracle and receiving the message through Solomon, she could not simply say that she believes in Allah as the Lord of the Universe. It is unacceptable to the **Supreme and Absolute Allah** who has made it part of the belief to believe in His messenger / messengers in order to believe in Him. Here are some more clarifying proofs from my Lord inscribed in the 19 coded letters of Arabic.

Revealed: The GV of **19 Arabic letters** is **perfectly 798**, which is **14 x 19 x 3**. This is the ***Revelation of the Sacred Codes of 14 and 19***, Subhan Allah.

Revealed: The GV of **Allah letters** in this part is **156** and GV of **messenger’s letters** is **452**, the precise difference is **296** which spells out the word “*messenger or Rasool.*” This proves that Sheba could not bypass the messenger, nor can the disbelievers of various sects when the message has been conveyed by **Allah’s messenger, Makbool.**

The brief recital of Allah’s words by Solomon and the heavy message behind such words brought a happy outcome at that time in the past. The same message is loaded with the “heavy revelations” from my LORD – I do not know if the disbelieving submitters will take this seriously enough to believe in their LORD through His messenger. At that time, the message was simple and brief, now the same message has taken a different and miraculous form and is detailed and long through the same verses. The message is the same except that the number of words and revelations have increased, Praise be to the One whose bounties, wisdom, words, knowledge, and mercy are inexhaustible.

As stated earlier, the message was delivered to Sheba through **27:30** and her response of belief is given in **27:44**, which ***reveals the Miracle of 14*** through the verse numbers. The appropriate parts of the verses delivering the message through Solomon, and the acceptance of belief by Sheba are again coded profoundly through the ***Miracle of Seven Pairs***. Note the Miracle!

Message sent by Solomon, messenger of God:

27:30-31 It is from Solomon, and it is, “**In the name of GOD, Most Gracious, Most Merciful.**” Proclaiming: “Do not be arrogant; come to me as submitters.”

Repentance by Sheba and response of her submission with Solomon to Allah

27:44 Part: She said, “My Lord, I have wronged my soul. I now submit with Solomon to **GOD, Lord of the universe.**”

Revealed: The Arabic letters are 56 and 42, the diff. is 14 – to reveal and confirm the truthful history of Allah through the great Miracle of Seven Pairs, Subhan Allah.

Finally, the Absoluteness of Allah as 165 is also revealed through the verses on “*Message.*”

27:30-31 Relevant Parts on Message:

And it is, “In the name of GOD, Most Gracious, Most Merciful. Come to me as submitters.”

These important and key parts of the verses introduce the name of Allah, and that the message is indeed from Him though it is delivered by His messenger, simply asking them to come to him as submitters (Muslims).

Revealed: The message is coded with **12 Allah letters** to conform to the **Shahadah** (*La Elaha Ella Allah*) which also has **12 Allah letters** in it. The GV of the parts of verses bearing the Message is precisely **165** to match with the **Shahadah** which also has the GV of **165**. In addition, the GV of (*Al-Samad*) **Absoluteness** is also **165**. Praise be to Allah for the incontrovertible Proofs regarding Solomon’s message to Sheba and her response of belief in **submission to Allah** along with the messenger.

Solomon simply wrote:	(27:31)	<i>“Come to me as submitters.”</i>
Sheba responded:	(27:44)	<i>“I now submit with Solomon.”</i>

Revealed: The **Allah letters** for these important parts showing Solomon’s command to Sheba and her response and willingness to submit with Solomon has precisely **2 and 3 letters of Allah, to reveal the difference of ONE.**

Revealed: Moreover, the Arabic letters are 12 and 13, to reveal the difference of ONE.

The questioners website is titled “*Submission*” whereas the truth is that they are following restricted and limited submission in contravention of the *laws of Allah as given in the Quran*. They have refrained from printing some of the important topics which define “*complete and true belief*” in **Allah and His System**. These include the *Covenants and Pledges* made with **Allah, Most Exalted**, in our first life, which can only be implemented and carried out by belief in **His messengers**. They have shunned from informing their followers the “*true guidance*” as explained by **Allah** in the **Quran**, and the way to purify your souls.

These are the most important parts of belief for a **Muslim**. They constantly discourage the people not to follow future messengers. Instead of encouraging the people to hear out the messengers and to see their proofs, they immediately call such claimants to be “*messengers of satan.*” *One should ask them which verse teaches them that God will allow satan to send messengers from the Quran?*

The truth through the verses informs us that satan has no power to reveal anything from the Quran, nor would he be interested to reveal anything from it, as it would go against his challenge and philosophy. His mission is to mislead the people and to take them away from **Allah, His revelations, and His messengers**, to prove his point that he possessed most of the people and

they followed him rather than their **Creator, Allah**. Here are the proven verses through the **Revelation of ONE**.

26:210 The devils can never reveal this.

26:211 They neither would, nor could.

Revealed: The **Allah letters** are 5 and 4, **the diff. is ONE**. This proves that **God** controls the revelations and satan has no power to reveal anything from the **Quran**. This should also alert all those out there with different websites and groups who are preaching submission that they do not fall into the category of “*revealed words of Allah*.” They are following and preaching “*falsehood*” which is from “*Satan*.” When something is not revealed by **Allah**, then automatically, it is from satan. There is **only 2 gods** for the Test Period on earth. The **Eternal and Living Allah** reveals the Truth through His chosen messengers, while satan advocates lies and falsehood. The Proof is that what they write, say, or preach ***is not authorized by the Most High, Most Wise***.

26:211 They neither would, nor could.

26:212 For they are prevented from hearing.

Revealed: The **Allah letters** are 4 and 6, **the diff. is 2 (gods)**. These verses refer to the devils, therefore, the **Revelation of 2** is revealed here to distinguish the difference between “**Revelation of 1**” and “**Revelation of 2 gods**.”

I will now prove that the devils descend on all the liars and fabricators- there all the religious websites, authored books, magazines, and other published materials, which are not authorized by the **Supreme Allah** are from the devils, though such liars attribute them to **Allah**. This includes everyone except the revealed words given to the messenger of **God**. **Here is the clear Proof!**

26:221 Shall I inform you upon whom the devils descend?

26:222 They descend upon every guilty fabricator.

26:223 They pretend to listen, but most of them are liars.

Revealed: The **ALLAH letters** are 7 – 6 – 5, **the diff. is ONE**. The ***Most Powerful and Almighty Allah*** has proven through the “*sacred coding of 1*” through His letters that He has designed the system with satan’s role which is fully controlled by Him. This involves letting the devils descend upon every guilty fabricator, so that they can basically lead them towards more lies and fabrications, thus sending them all astray. I will offer another **incontrovertible proof** through the information provided by the **Almighty Allah** in **Verse 26:221-222**.

26:221 Shall I inform you upon whom the devils descend?

Revealed: Allah letters are **7** and messenger’s letters are **14** revealing **the Sacred Codes of 7-14**.

26:222 They descend upon every guilty fabricator.

Revealed: The **Allah letters** are 6 and **messenger's letters** are 7, **the diff. is ONE**. Anyone who fabricates lies against **Allah**, or writes from Him without an “*Authorization and a Sign*” is from the devil and guided by the devils. **God** is the **One** who unleashes the devils upon them, about which they remain unaware.

[26:212](#) For they (the devils) are prevented from hearing

[26:223](#) They (the disbelieving devils) pretend to listen, but most of them are liars.

Revealed: The **Allah letters** are 6 and 5, **the diff. is ONE**.

Revealed: The **messenger's letters** are 12 and 13, **the diff. is ONE**.

This was some of the system of Allah regarding His revelations revealed to the messenger, which explains through the incontrovertible proofs why most of the disbelieving humans (devils) will not believe no matter even if they hear and see that the verses are from the Quran and the miracles are from **Allah, Most Exalted**. A profound verse addresses the arrogance and ignorance of the disbelievers and idol worshipers who will not believe even if Allah sends the angels down, or let the dead speak to them, or if He showed every kind of Miracle to them; they will not and can not believe against God's will.

[6:111](#) Even if we sent down the angels to them; even if the dead spoke to them; even if we summoned every miracle before them; they cannot believe unless **GOD** wills it. Indeed, most of them are ignorant.

Revealed: The **Allah letters** are 41 and **messenger's letters** are 55, **the diff. is 14**. All the Miracles mentioned in the verse and more, have all been proven through *the Sacred Coding of Seven Pairs* revealed through the combination of *Allah and His messenger's letters*, glory be to **Allah**.

[6:111 Part 1:](#) Even if we sent down the angels to them,

[Part 2:](#) Even if the dead spoke to them; even if we summoned every miracle before them;

[Part 3:](#) They cannot believe unless **Allah** wills it.

Revealed: The **messenger's letters** in each part are **14-19-14**, revealing the Sacred Codes to show the magnitude of this Verse and proving that the disbelievers cannot believe no matter what Miracle is shown to them by **Allah, the Omnipotent**.

[6:111 Part:](#) Indeed, most of them are ignorant.

Revealed: The GV of **messenger's letters** is **222** revealing the word “**your Lord – Rabbayka.**”

The coining of the word “*messengers of satan*” by the hypocrites is an *un-islamic word* which has no basis from the **glorious Quran**. The Quran is like an *encyclopedia* of **Allah Ta'ala** with a specific number of words, letters, and verses, containing all the knowledge and wisdom which the humans need in order to **worship Allah**. Anytime the disbelievers add more words in the context of religion than what **Allah** has revealed in the form of Quran or take out some verses by ignoring to apply such verses in their worship of Him; it constitutes a gross sin which will

condemn them to Hell. This is truly an act of satan, about which they remain unaware. (See **Verses 3:78** and **6:93** – both numbers are multiples of **14** and **7**).

The truthful believers implore **Allah Ta’ala** through specific verses in order to fulfill their “*Original Covenants*” of seeking guidance through the messengers. There are specific verses addressing the imploring of the submitters when there is “**NO MESSENGER**,” and when **Allah Ta’ala** does send a messenger; then there are specific verses addressing the utterance of specific words which need to be recited by the truthful and appreciative servants of **Allah**, in order to express their appreciation of the blessing of a messenger. The sending of a messenger is a great blessing of the **Most Gracious** as given in the **Quran**.

7:101 We narrate to you the history of those communities: *their messengers* went to them with *clear proofs*, but they were not to believe in what they had rejected before. **GOD** thus seals the hearts of the disbelievers.

7:102 We found that *most* of them disregard *their covenant*; we found *most* of them *wicked*.

2:99 We have sent down to you such *clear revelations*, and only the *wicked* will reject them.

2:100 Is it not a fact that when they make a *covenant* and *pledge* to keep it, some of them always disregard it? In fact, most of them do not believe.

Revealed: The **Allah letters** for each pair of verses on disregard of covenants by the disbelieving humans are 43 and 29, **the diff. is 14**. This is the undeniable and incontrovertible **PROOF** through the Miracle of Seven Pairs, exposing the disbelief and hypocrisy of the followers of the scripture when it comes to belief in God’s messengers.

2:99 We have sent down to you such *clear revelations*, and only the *wicked* will reject them.

2:100 Is it not a fact that when they make a *covenant* and *pledge* to keep it, some of them always disregard it? In fact, most of them do not believe.

Revealed: The **Allah letters** are 15 and 14, **the diff. is ONE**.

2:101 Now that *a messenger* from **GOD** has come to them, and even though *he proves* and confirms their own scripture, some followers of the scripture disregard **GOD's** scripture behind their backs, as if they never had any scripture.

Revealed: **Verses 2:99-100** have a total of **29 Allah letters** and **Verse 2:101** stating that a messenger from **GOD** has come to them has **30 Allah letters**, thus revealing **the great Miracle of ONE**.

**** Imploring commanded for the Submitters when there is no living messenger.**

3:194 "*Our Lord, shower us with the blessings you promised us through Your messengers, and do not forsake us on the Day of Resurrection. You never break a promise.*"

Revealed: The GV of **Allah letters** is **Perfectly Coded** as **227** revealing the word "*The Believers – Al-Muhmineen 227.*" Allah's promise is only for the believers to be redeemed on the Day of Judgment. The believers are the ones who believe and uphold Allah's **Absolute Authority** by believing in His messengers and by upholding their **Covenants** made with Him. The coded number revealed **227 is for "the believers" AND NOT Al-Muslimeen** (the Muslims) which has the GV of **261**. This proves that submission is the initial step after which the submitters are put to the Test through a messenger to raise their rank to a believer or to disqualify them from being a submitter if they fail the Test of total Submission.

The Essential Test through the messenger: 3:194 Part 1: "*Our Lord, shower us with the blessings you promised us through Your messengers.*"

Parts 2-3: And do not forsake us on the Day of Resurrection. You never break a promise.

Revealed: The GV of **messenger's letters** are 334 and 512, **the diff. is 178**, revealing the name of the **messenger, Makbool** – through whom the Test regarding Allah's **Absoluteness** is being carried out to distinguish the Truthful from the liars.

Parts 2-3: And do not forsake us on the Day of Resurrection. You never break a promise.

Revealed: The GV of Allah letters is 162 for *Al-Islam* or Submission.

Those who have honored their *Covenants* by imploring Allah to send the blessings through *His messengers for their guidance* per Verse 3:194, and believed in all the messengers without making any distinction among them per Verses 4:150-152, and believe in a living messenger as the **Most Praiseworthy** has sent one at this time per Verses 3:164, 3:193, 3:8; believe in all the past and subsequent revelations of the Quran; these are the one who fulfill the criteria to be called "*Submitters*." Such submitters submit to their Lord on an ongoing basis without arrogance or ego and respond positively to the call made by Him through His messengers. They will be counted amongst the believers and they **fear Allah** and implore Him through Verses such as 3:194 asking their Lord not to forsake them on the Day of Resurrection.

3:194 Part 1: Our Lord, shower us with the blessings you promised us through Your messengers.

Part 2: And do not forsake us on the Day of Resurrection.

Revealed: The messenger's letters are 11 and 10, the diff. is 1. This prayer of imploring Allah is highly important and reflects the "*System of Messengers*" through whom the guidance is received and the redemption is based on their examples and precedents set up. Anyone who shies away, ignores reciting these verses, and does not believe in them CANNOT be forgiven or redeemed by the **Forgiver, the Redeemer**. This is why the **Most Wise** has used the letters of the messenger to stress the importance of such verses which most of the Submitters disregard and ignore without realizing the consequences for doing so.

3:194 Part 2: And do not forsake us on the Day of Resurrection

Part 3: You never break a promise.

Revealed: The Allah letters are 6 and 7, the diff. is 1.

3:194 Part 3: You never break a promise.

Revealed: The Allah letters are 7 and messenger's letters are 6, the diff. is 1. **The Most Honorable Allah** never breaks His promise, it is the people who break their Covenants and Pledges made with Him. Through the messenger, the people are being reminded again, so that they can choose to turn righteous if they wish to, or remain astray to be condemned on the Day of Judgment.

3:195 Part: Their Lord responded to them: "I never fail to reward any worker among you for any work you do, be you male or female - you are equal to one another.

Revealed: Response of the Lord of Universe to the believing submitters: The Allah letters are 13 and messenger's letters are 27, the diff. is 14 – this proves that **our Lord is the Hearer, the Omniscient, glory be to Him**.

**** Command for the Believers to respond to the Call of a living messenger.**

3:193 Part 1: *Our Lord, we have heard a caller calling to faith and proclaiming:*

Part 2: *“You shall believe in your Lord,’ and we have believed.”*

Revealed: The GV of **messenger’s letters** are 632 and 280, **the diff. is 352 – Quran**. The caller is the messenger who has invited the people to **their Lord** through the **Quran, 352**. Those who respond to the caller are guided to **Allah Ta’ala**, while those who dispute, deny, or reject the call made through the **Quran** are sent astray by the **Lord**. The GV of **352** through **the letters of the messenger is a Miracle itself**, as the **Most Gracious** has designed and dictated each and every letter, word, and verse of the Quran – all praise therefore belongs to **Him**.

3:193 Part 3: *Our Lord, forgive us our transgressions, remit our sins, and let us die as righteous believers.*

Revealed: The **messenger’s letters** are **perfectly 19** for these important words of imploring.

**** Imploring Allah per Verse 3:8 a must in order to stay Guided.**

3:8 *“Our Lord, let not our hearts waver, now that You have guided us. Shower us with Your mercy; You are the Grantor.*

Revealed: The **Allah letters** are **perfectly 19** – the **One** (*Waahed*) whom the believers implore.

2:150 Part: Thus, the people will have no argument against you (*the messenger*) except the transgressors among them. Do not fear them, and fear Me instead. I will then perfect My blessings upon you (*the believers*) that you may be guided.

Revealed: The **Allah letters** are 26 and **messenger’s letters** are 45, **the diff. is 19**, Subhan Allah.

2:151 Part: (Blessings) such as the sending of **a messenger from among you to recite our revelations to you.**

Part: And purify you, and teach you the scripture.

Revealed: The GV of **Allah letters** are 127 and 61, **the diff. is 66 – ALLAH, Subhanahoo**. The key role of the messenger is stated here *as “reciting God’s revelations, purifying you, teaching the scripture by reciting the correct meaning, and teaching you new facts and truth which you never knew before.”*

Part: And (*explaining the*) wisdom, and to teach you what you never knew.

Revealed: The **messenger’s name** is sacredly marked in this part with **14 initials** and **19 letters** of his name, revealing the **Sacred Codes of 14-19**, Subhan Allah.

Revealed: The GV of Allah letters for each part are 64 and 63, **the diff. is 1**, Subhan Allah. This provides the sure confirmation of the revelations granted to the messenger.

The purification of the soul is decreed through the Scripture of Allah and this is further decreed through the messenger, as the glorified Proof through the letters of the messenger will prove.

Part: **And purify you.** (*wa yozakeekum*)

Revealed: The GV of messenger's letters is a **Perfect 66**, revealing the glorified name of ALLAH, who purifies the believers through the messenger. **Alhumdo Lillah.**

The arrogant and the disbelievers cannot be moved even with the most powerful miracles. Allah is fully aware of our destinies, **Subhan Allah.**

Peace be upon the messengers.

PRAISE BE TO ALLAH, LORD OF THE UNIVERSE
